

Storm Academic Honors

Chemeketa has long been known for their athletic accomplishments. This is not the only area our student-athletes see success. After the 2016 fall term, our student athletes had a department overall GPA of 2.74, completed 88% of credits attempted, saw 94% of our student-athletes return for winter term, and had 48% of our student-athletes attain a fall term GPA of 3.0 or higher. The lists below are our student-athletes who achieved academic recognition for fall term or during winter term from Chemeketa or the NWAC, which is our athletic governing body.
