

# Career and Technical Education Teacher Preparation

ctteacher.chemeketa.edu

2008–2009 Chemeketa Community College Catalog

The Career and Technical Education Teacher Preparation program is designed for people who have gained professional skills from business and industry who now desire to share their knowledge and experience as teachers. Graduates of this program will be eligible to apply for a special license enabling them to teach in Oregon's public high schools. Additional upper division coursework is required for a bachelor's degree and initial teaching license.

The one-year certificate program offers training for those who wish to apply through a school district for a special three-year non-renewable professional-technical license. Students who complete the two-year Associate of Applied Science degree, combined with one year of successful teaching, will be eligible to apply through a school district for a five-year renewable professional-technical teacher license.

To be accepted into these programs, students will need to provide verification of 4,000 hours of work experience in one of the following professional-technical fields: agricultural science and technology, communications/journalism, computer technology, design and applied arts, engineering technology, family/consumer services, financial services, forestry/natural resources, health sciences, hospitality and tourism, integrated environmental technology, marketing/management, mechanical systems, and manufacturing technology (metals).

## Program outcomes

### Students completing the certificate will:

- Plan for instruction in a career and technical education program at the high school/college level.
- Establish a positive learning environment for students.
- Implement instructional plans.
- Assess pupil performance and program effectiveness.
- Plan and manage career and technical education programs.

### Students completing the AAS will:

- Implement current competencies in their chosen career-technical areas.

## Getting started

The first step to entering this program is to contact Career and Technical Education Teacher Preparation advisor, Malia Stevens at 503.399.2694 or malia@chemeketa.edu. After a review of your work experiences, he will advise you to take part in an assessment process that includes taking the college's free placement test. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

|   |  |   |
|---|--|---|
| CA121A  | Keyboarding A (if less than 25 wpm).....         | 1 |
| CIS101  | Introduction to Microcomputer Applications ..... | 3 |
| MTH060  | Introductory Algebra+ .....                      | 4 |
| <b>(Note:</b> Some professional-technical specialties may require the student to take additional math coursework above MTH060.) |  |   |
| RD090   | College Textbook Reading.....                    | 3 |
| WR115   | Introduction to Composition+ .....               | 3 |

If you have any questions about the requirements, call Counseling and Career Services at 503.399.5120. Failure to be assessed may delay your entry into program classes.

## Career and Technical Education Teacher Preparation Certificate of Completion

*In addition to tuition, estimated costs for students who complete the one-year program listed below are books, \$751; class fee, \$191; student services fee, \$23; universal fee, \$276; measles vaccination, \$10; criminal background check, \$54. Contact the Financial Aid Office at 503.399.5018 to find out if you qualify for help with these costs.*

You may earn a Certificate of Completion by successfully completing these 46 required credit hours with a grade of "C" or better in all courses, plus any additional career and technical education coursework determined necessary by your appraisal/advisory committee:

| Course        | Title   | Credit Hours |
|---------------|---|--------------|
| <b>Term 1</b> |   |              |
| ED169         | Overview of Students with Special Needs.....            | 3            |
| ED209B        | Practicum: Introductory Observation and Experience..... | 3            |
| ED229         | Learning and Development+ .....                         | 3            |
| ED235         | Education Technology.....                               | 3            |
| ED258         | Multicultural Education.....                            | 3            |
| ES071         | Workplace Safety Skills.....                            | 1            |
| <b>Term 2</b> |   |              |
| ED130         | Comprehensive Classroom Management.....                 | 3            |
| ED131         | Instructional Strategies .....                          | 3            |
| ED209C        | Professional Technical Practicum 1 .....                | 6            |
| ED292         | Occupational Analysis, Curriculum and Evaluation .....  | 3            |
| <b>Term 3</b> |   |              |
| ED200         | Foundations of Education.....                           | 3            |
| ED209D        | Professional Technical Practicum 2 .....                | 9            |
| ED293         | Applied Integrated Academics.....                       | 3            |

+Meets related instruction requirement.

## Career and Technical Education Teacher Preparation Associate of Applied Science

In addition to tuition, estimated costs for students who complete the two-year program listed below are books, \$1,461; class fee, \$110; student services fee, \$47; universal fee, \$564; measles vaccination, \$10; criminal background check, \$54.
