Experience
Chemeketa

We provide **quality** education

Each year we deliver quality educational to more than 50,000 students, including international students from 30 different countries. We award associate degrees and certificates in more than 100 college transfer and professional-technical majors. Chemeketa is accredited by the Northwest Commission on Colleges and Universities.

We value you

At Chemeketa we value the opportunity to help you learn more about yourself, your world and your options.

A quality education is a critical tool for career development. We value your participation in designing your educational plan. If you know what type of work you want, Chemeketa can help you achieve your career goal. If you are just beginning to explore the possibilities, we offer a variety of courses, work place education, or career development services to get there. Our instructors are well qualified and up-to-date in their field. Employers in Oregon can provide on-the-job learning that gives students a real world understanding to match their goals.

Our successful alumni are business owners and employees in companies or organizations around the world.

We give you the **Opportunity** to accomplish your goals...

Smaller class size, individual attention, and lower costs allow you to build the quality foundation you need for a successful degree completion or transfer. We are here to help you every step of the way as you decide on a major, select the required courses and connect with the right four-year university.

Our transfer alumni successfully move on to complete their educational goals at regionally and nationally ranked institutions:

California State University
Oregon State University
Lewis and Clark
Linfield
Pacific University
Portland State University
Seattle Pacific University

University of California
University of Oregon
University of Portland
University of Washington
Washington State University
Willamette University
