

REQUEST FOR POST 9/11 GI BILL EDUCATIONAL BENEFITS

Name: _____ Telephone: _____
Last First MI K Student ID #

Address: _____ City: _____ State: _____ Zip: _____

IMPORTANT---- Is this an address change? YES NO All VA correspondence and/or checks will be delivered to this address.

Your Chemeketa Program: _____ SSN (If First Request) _____

VA requires students to state a Chemeketa degree or program. Any degree or program requested must be listed in the current academic year's catalog and all courses taken must be **required** for your degree or program or be a program or academic prerequisite based on your student placement test scores.

Chemeketa Veterans' Services will use your student e-mail account to correspond with you. Please check your student e-mail account on a regular basis for reminders and messages that may affect your benefits.

Enrollment: Due to the VA requirement to provide exact tuition & fee information, veterans using the Post 9/11 GI Bill MUST request benefits one term at a time AFTER the completion of class registration.

All changes to your schedule after the term begins will be reported to the VA and may result in an overpayment.

Courses scheduled to meet other than the standard length of the term will be paid by the VA from the beginning date to the ending date of that course.

I have completed VA Form 22-1990 online using VONAPP (Answer only if 1st term at Chemeketa)

PRIOR COLLEGE CREDIT: Official transcripts from all previously attended colleges must be evaluated by the Chemeketa Admissions Office. This will determine your final pay status and which classes you may enroll in for educational benefits. The VA allows certification of benefits for one term at a time for a maximum of three terms while prior credit is being evaluated. If any courses taken at Chemeketa have been certified for benefits and the requirements of that course are later met when your prior credit is evaluated, the VA will be notified, resulting in an overpayment obligation on your part. For additional information on requesting prior credit for military experience and the procedure for requesting an evaluation, please refer to the Veterans' Services pages of the Chemeketa website at: <http://www.chemeketa.edu/earncertdegree/payingforcollege/veterans/registration/previouscollegecredit/>

Benefits ARE NOT automatically continued from term to term. Students must submit a benefit request and verify that the courses they have registered for are required for their program EACH TERM. Any enrollment changes that might affect your benefits must immediately be reported to Veterans' Services.

Beginning 8/1/2011, the amount of a student's monthly living stipend will be tied to their rate of pursuit, rounded to the nearest multiple of 10.

To receive the monthly living stipend, students receiving Post 9/11 GI Bill benefits must have a rate of pursuit of 51% or greater.

You determine your rate of pursuit by dividing the # of credits you are registered for by the number of credits it takes to be full time. As an example if you take 8 credits, 8 ÷ 12 = .66 so you would receive 70% of the monthly living stipend.

Approximate Date Application Submitted using VONAPP: _____

EFFECTIVE 8/1/2011, BENEFITS WILL ONLY BE PAID WHILE CLASS IS ACTUALLY IN SESSION. THE PAYMENT OF BENEFITS BETWEEN TERMS ('BREAK PAY') HAS BEEN ELIMINATED.

My signature below acknowledges that I have read the information above. I understand that it is my responsibility to follow VA regulations to maintain my certification for VA Educational Benefits. I further acknowledge it is my responsibility to immediately report any changes to my class schedule, including add/drops, to the Chemeketa Veterans' Services Office. Failure to do so may result in my receiving an overpayment of benefits and an obligation on my part to repay that overpayment. My signature also authorizes the Chemeketa Community College Veterans' Service office to release my academic information regarding benefits, enrollment status, and grades to the Department of Veteran's Affairs and other organizations involved with the processing and monitoring of VA Educational benefits.
