Threat Assessment & Management Training on the steps and developmental procedures necessary to implement a successful multidisciplinary threat assessment and management system.

Safety for Places of Worship Implement and make successful emergency plans for your place of worship. Recognize signs of a threatening situation; know the proper actions for safeguarding persons and property.

Active Shooter Reaction Training Assess situations and know the actions necessary to address an active threat from a violent intruder. Experience the decision-making process that could mean the difference between life and death.

Trauma Response and Recovery Develop a plan and training for your organization in the event of a mass disaster or significant trauma.
