Chemeketa offers a career ladder program for those who want to become licensed practical nurses or registered nurses.

The program is approved by the Oregon State Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN). You may contact ACEN for information about the program's accreditation status. The address for ACEN is 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326. The telephone number is 404.975.5000. The Web address is [www.acenursing.org](http://www.acenursing.org).

If you wish to transfer to a school of nursing that grants baccalaureate degrees after completing Chemeketa's nursing program, Please contact your program advisor or Advising and Counseling Services for details at 503.399.5120. You should also make early contact with an advisor at the institution to which you plan to transfer.

## Program outcomes

**Students completing the certificate should be able to:**

- Use a holistic approach in applying the nursing process at the practical nurse level when providing care for individuals and families across the lifespan
- Use established guidelines to reinforce the teaching of health promotion concepts across the lifespan to groups in selected community settings
- Communicate effectively with individual patients, families, and members of the health care team
- Organize and prioritize components of care at the practical nurse level for two to three patients
- Make decisions regarding patient care based on professional values at the practical nurse level while complying with identified legal/ethical standards (scope of practice regulations established by boards of nursing and Code of Ethics for Nurses established by the American Nurses Association)

**Students completing the degree should be able to:**

- Use a holistic approach to develop, implement, and evaluate plans of care for groups of patients that apply standard nursing care plans to meet individual needs
- Communicate effectively and collaboratively in a self-directed manner with patients, families, and members of the health-care team
- Use first-level management skills in providing care for individuals and groups of patients.
- Make decisions regarding patient care based on professional values and responsibilities at the associate degree nurse level while complying with identified legal/ethical standards (scope of practice regulations established by boards of nursing and Code of Ethics for Nurses established by the American Nurses Association)

## Getting started

The following courses (completed with a grade of "C" or better) are required for application to the Nursing program for 2016-17:

1. BI231 Anatomy and Physiology (completed within seven years). (Four credits.)
2. MTH095 Intermediate Algebra+ (or higher). This requirement cannot be waived by a placement test score. (Four credits.)

**Note:** Chemistry is a prerequisite for BI231. One term of accelerated college chemistry with a grade of "C" or better within the last seven years; CH110 (five credits); successful completion of the Chemistry Proficiency Exam; completion of CH104 and concurrent enrollment in CH105; completion of CH121 and concurrent enrollment in CH122; or completion of CH221 and concurrent enrollment in CH222 are all acceptable for meeting this prerequisite. A full sequence of chemistry may be recommended for students planning to pursue a four-year degree. Contact Advising and Counseling Services at 503.399.5120 for details.

In addition, the program has specific entry requirements for 2016–17 as outlined in the nursing application packet available on Chemeketa's web site, [www.chemeketa.edu](http://www.chemeketa.edu). Most nursing bound students complete the majority of general education and science courses required for the nursing program in order to enhance their chance of admission. Enrollment in the program is limited, and there is an early deadline for applications. We recommend that you contact the Health Sciences Department at 503.399.5058 or e-mail [healthsciences@chemeketa.edu](mailto:healthsciences@chemeketa.edu) for details if you are considering the Nursing program. Most students spend one or

more years completing program entry requirements to prepare for applying to the Nursing program.

The nursing curriculum is designed to prepare you to apply for licensure at the following levels:

## Nursing AAS

### Practical Nursing Certificate of Completion

A practical nurse is a member of a nursing or health care team and gives care to patients of all ages under the direction of registered nurses and/or licensed physicians and dentists.

*In addition to tuition, estimated costs for students who complete the entire Level I program listed below are books, \$500; class fees, \$600 universal fee, \$742; clinical fee, \$1,184; equipment and supplies, \$464; criminal background check and drug testing fee, \$90; CPR certification, \$80; immunizations and TB screening, \$150; licensure testing fee, \$412. Contact the Financial Aid Office at 503.399.5018 to find out if you qualify for help with these costs.*

You may earn a certificate by successfully completing the required 53 credit hours with a grade of "C" or better in all courses. You must earn grades of "C" or better in all required courses in order to progress to the next term. Completion of this level qualifies you to apply to take the National Council Licensure Exam (NCLEX-PN) to become a licensed practical nurse (LPN).
