

Career Planning On The Internet!

CG114 Career/Life Development

A 3 Credit, college transfer level course designed to assist you in the career/life decision-making process.

Using weekly assessment tools, group discussions, and reading, you will clarify personal values, interests, skills and personality.

You will gain skills to research current job market, job search, and career information and learn reliable goal setting and decision making techniques to facilitate career planning now, and in the future.

COURSE: CG114 CAREER/LIFE DEVELOPMENT
Located in the Schedule of Classes under *Counseling and Guidance*.

Offered: Fall, Winter, Spring and Summer terms.
