STUDENTS ENTERING EOU WHO HAVE EARNED AN OREGON ASSOCIATE OF ARTS TRANSFER DEGREE OR AN ASSOCIATE OF SCIENCE IN BUSINESS OREGON TRANSFER DEGREE FROM CHEMEKETA WILL BE CONSIDERED AS HAVING MET THE LOWER DIVISION GENERAL EDUCATION DISTRIBUTION REQUIREMENTS AT EASTERN.

NOTES:

1. A maximum of 120 credit hours of lower division course work may be applied toward a baccalaureate degree.
2. Students with an AAOT or an ASOT from an accredited Oregon community college will be considered as having met the general education distribution requirements at Eastern.
3. For the Bachelor of Science degree (B.S.) and the Bachelor of Arts (B.A.): In addition to completing the General Education Distribution Requirements, students are required to demonstrate the application of mathematics at the college level. Means for satisfying this requirement will be limited to any mathematics or statistics course that has a prerequisite of intermediate algebra or higher and is a minimum of three credits. This course must be successfully completed with a C- or better. Individual majors may require specific courses to satisfy this requirement. As a program requirement, the course must be graded A-F, otherwise students may take the course S/U.
4. For the Bachelor of Arts Degree (B.A.): In addition to completing the General Education Distribution Requirements, students are required to demonstrate proficiency in a single foreign language (two years or completion of a second year foreign language course sequence or equivalency).
5. A grade of C- or higher is required in all courses that count toward the general education core. Courses in which "D" grades have been earned will transfer to Eastern, but will not count towards the general education requirements.
6. **Career-technical Coursework:** A maximum of 12 career/technical credits, completed with a grade of "C-" or better, will be accepted. These credits will be transcribed in a lump sum as lower division electives with a grade of "S". They may not be used to meet general education or program requirements. A Transfer Evaluation Report acknowledging the courses accepted by the university will be sent to the student after the admission status has been confirmed. Career/technical coursework in a clearly articulated program agreement between EOU and another institution is exempt from this policy.
7. Up to 12 credit hours in Physical Education Activity and Music Activity courses may be applied toward degree requirements. Music majors may apply a maximum of 120 MUS/MUP credits toward graduation.
8. This guide is subject to change without notice and should not be regarded as a contract between Eastern and students attending Chemeketa.
9. Two years of high school or two terms of college-level foreign language (same language) completed with a C- or better are required for students graduating from high school spring, 1997 or later.

Application for financial aid should be mailed between January 1 and February 1 for fall term. Applications will be available December in the Chemeketa Financial Aid office.

Admission applications for EOU are available in the Chemeketa Counseling office. Students are encouraged to apply for admission as soon as winter term grades are posted and send a second transcript after spring term grades are available. Students applying for financial aid should make application for admission in January.
