

REQUEST ADVANCE PAYMENT OF VETERAN EDUCATIONAL BENEFITS

PLEASE READ THIS ENTIRE FORM. IT CONTAINS IMPORTANT INFORMATION REGARDING REQUESTING AN ADVANCE PAYMENT OF VETERAN EDUCATIONAL BENEFITS AND WHEN SUBSEQUENT PAYMENTS WILL BE MADE

Students planning to enroll at least half-time and requesting benefits for the first time or who have not had benefits for at least one full term are eligible to request Advance Pay. The request must be submitted to Chemeketa Veterans' Services no later than the date indicated for each term in the section below. Requesting advance pay is not a guarantee that the check will arrive by the first day of the term. Students should be prepared to make payment for tuition and fees by the first day of the term to avoid late charges.

VA issues the advance payment check for the month **or portion of month** in which the term begins, plus the following month. The advance pay check is sent **to the school** no more than thirty days prior to the first day of the term. Only the advance pay is sent to the school. Subsequent payments are deposited directly into the student's account or mailed to the student's address of record. **ADVANCE PAYMENT WILL ONLY BE REQUESTED FOR THOSE STUDENTS WHO CAN PERSONALLY COME TO CHEMEKETA COMMUNITY COLLEGE SALEM CAMPUS TO PICK UP AND SIGN FOR RECEIPT OF THE ADVANCE PAYMENT CHECK.**

Chemeketa Veteran Services notifies the student when the advance pay check arrives. The check is held in the Business Office to be released when the student is ready to process payment for the term. If the check has not been claimed and tuition paid by the end of the second week of the term, the advance pay check will be returned to Treasury and VA benefits terminated.

SUMMER TERM - The advance payment will pay from the date the term begins through the end of July. The check for August will be electronically deposited or mailed to the student's home of record in **September**. *Summer term has different credit hour requirements for pay. Standard summer term length is eight weeks if all courses are scheduled for eight weeks, 8 credits will = full-time, 6-7 credits will = ¾-time and 4-5 credits will = ½-time.*
