BP 3930 -- Presentations at College Facilities

As a part of the academic environment, official Chemeketa Community College representatives are encouraged to sponsor speakers and presentations on current issues. When controversial issues are presented, sponsors are encouraged to present diverse perspectives.

Except for presentations made as part of the academic environment, college resources shall not be used to influence political issues or promote specific religious beliefs or sects.

Presentations by individuals or groups at Chemeketa do not necessarily reflect or endorse the views of the College Board of Education, employees, or students.
