AP 3523—Traffic Code Procedure

General

1. The College Traffic Code (Code) governs the operation and parking of vehicles on property owned by Chemeketa Community College.
2. The Public Safety Office has the responsibility of administering the application of the Code.
3. Changes to the Code are adopted by the College Board of Education prior to implementation.
4. The Code will be kept permanently on file at the Public Safety Office and shall be available for inspection any time during regular business hours.
5. Students and employees shall be responsible for familiarizing themselves with these regulations and subsequent changes.

Appeal Process

1. College Appeal Process: When the violation is written on a college citation, the administrative appeal process is used.
 - a. Within fourteen (14) calendar days of the date of citation, an appeal to the Director of Public Safety or designee, may be scheduled. An appeal may not be scheduled after the fourteen (14) day period.
 - b. If an appeal appointment is scheduled before the fourteen (14) day period, but occurs after the fourteen (14) day period, the citation amount will not double while the appeal is pending, unless the appellant fails to appear or does not arrange to reschedule the appointment.
 - c. Failure to appeal for a scheduled appeal will result in forfeiture of the appellant's rights to appeal and the appropriate fines will be due to Public Safety.
 - d. Appeal appointments may be rescheduled a maximum of two times.
 - e. Fines that have been reduced by appeal but remain unpaid after fourteen (14) calendar days from the appeal appointment date will revert to the original fine and are subject to doubling.
 - f. Within fourteen (14) calendar days of the appeal decision by the Director of Public Safety, a further appeal may be submitted to the college's general counsel. This second appeal must be in writing, stating the reason(s) the appellant feels that a reversal of the Public Safety decision is warranted.

2. State or Local Court Appeals: For citations issued on a form approved by the state, the appeal process of the local circuit, justice, or municipal court is used.
