

BP 5400 -- Associated Students Organization / Student Clubs and Organizations

Students may form student clubs and organizations under the provisions of the Office of Student Retention and College Life.

Any chartered student club or officially recognized student organization acting through the Office of Student Retention and College Life of Chemeketa Community College may invite any person of their own choosing to the campus, provided the invitation and arrangements are in compliance with enacted policies of the College.

Campus Club Guidelines in the current Student Clubs Manual shall be followed to ensure orderly scheduling of facilities, adequate preparation for the event, and that activities are conducted in a manner consistent with the college mission, vision and values. Club advisors must be current Chemeketa employees. Student leaders or student employees are not permitted to serve as club advisors.

Student Clubs and organizations shall adhere to Campus Club Guidelines in handling their funds. There shall be no off-campus accounts for student funds.
