

GET READY CHECKLIST & RESOURCES

ELEMENTS OF A GOOD FALL START:

1. Complete New Student/Pre-Term Activities
2. Get Organized for Learning
3. Understand Your Financial Resources
4. Get Your Gear Early (Textbooks, Laptop, etc.)
5. Ensure Technology Readiness
6. Develop a Personal & Family Support System
7. Get Involved

NEW STUDENT/PRE-TERM ACTIVITIES

New students need to complete all of their pre-term activities. Meeting with an advisor, participating in Chemeketa Preview, completing placement assessment, and reviewing the new student orientation are critical pre-term activities. Those receiving financial aid should make sure to accept their award letter.

Chemeketa Preview is all online this year!

GET ORGANIZED FOR LEARNING

It's so important for students to prepare a supportive, well-organized environment for remote learning. Take advantage of these resources.
