

Student Services Series—5000

RESIDENCE

Permanent residence within the state of Oregon for tuition purposes requires students to establish permanent residence for 90 days prior to beginning of term.¹

Distance education students who reside within the United States or U.S. Territories are treated as in-state residents for tuition purposes.

Any student whose permanent address is outside Oregon is classified as an out-of-state student.¹

International students are not considered for permanent residence.

Veterans may be considered as a resident for tuition purposes.²
