Following the tragic events in the United States on Sept. 11, 2001, a small group of people came together at Chemeketa to talk about what might help provide healing for our college community. They talked about creating a special garden space, one dedicated to reflection and peace. They imagined building a Peace Garden.

Charles Mangum, landscape architect, worked with the group to develop a design with unique plants and materials. In the spring of 2002 fund raising began for the project and by the fall more than 150 students, staff members and businesses had donated all the money needed to build the garden.

With some of the initial garden construction completed, the Peace Garden was dedicated on Sept. 11, 2002. The event was highlighted by readings on peace and the release of doves. At the same time the dedication plaque was unveiled:

Long before the college existed here, this area of the Willamette Valley was a revered place where native peoples would gather. The Kalapuya nation gave it the name Chemeketa, a place of peace. With this same cherished value Chemeketa Community College continues to honor its name and this place in Oregon.

The Peace Garden is located on the Salem Campus near the northwest corner of Building 2.

“If you can imagine it, you can achieve it.
If you can dream it, you can become it.” — William Arthur Ward
Welcome to Chemeketa

www.chemeketa.edu

Chemeketa is your community college. It is a place where you can accomplish almost any educational goal you have in mind.

You can finish your first two years of college at Chemeketa, take the professional-technical training you need to qualify for a job, or finish your high school education. You can explore career ideas, retrain or add job skills, or get professional help on how to run a business. You can pursue a special interest or broaden your education.

You can fit as much of this as you want into your life. You can go to school full time to finish a one- or two-year program. You can go part time to take a class or a workshop.

You can attend classes and special events on the Salem Campus or at the college's Dallas Center or Santiam, McMinnville or Woodburn campuses. We also offer classes in schools and other locations in communities throughout the college district. You can even stay home and take a class by television or via the Internet.

Whatever your goals and interests, we are willing (and usually able) to meet your needs. We want to help you enhance the quality of your life.

Programs

Chemeketa has four areas of study:

• Professional-technical education trains students who want to qualify for work in specific fields. We offer more than 40 professional-technical training programs. In some of these, you may earn a Certificate of Completion in one year. In most programs, you may earn an Associate of Applied Science degree. It usually takes two years to meet the requirements; it may take longer if you attend part time or don't have the prerequisite skills.

In addition to vocational classes, our professional-technical programs include general education courses. The aim of these courses is to help you become more competent in writing and mathematics and gain knowledge of the humanities, communications, sciences and social sciences.

• College transfer courses are for students who wish to continue their education at a four-year college or university. If you successfully complete Chemeketa’s two-year college transfer program, you may also earn an Associate of Arts Oregon transfer degree. See page 39 for requirements.

Some of our professional and technical programs also include courses which may be transferred for college credit. For more specific information, consult with a Chemeketa counselor or advisor, or with the four-year institution you wish to attend. Generally, transfer courses are numbered 100 or above.

• Lifelong learning is important at Chemeketa. We encourage you to continue to learn throughout your life and we offer many credit and non-credit classes, workshops and short courses. Chemeketa classes can help you to improve your technical, vocational, avocational, and academic knowledge and skills; to retrain for new positions; and to continue your personal development.

• Developmental skill building classes are offered for people who want to learn basic reading, writing, mathematics, and study skills; finish high school; or learn English as a second language. Chemeketa schedules classes during the day, evenings and on weekends.

Faculty
Chemeketa has over 250 full-time faculty members. In general, faculty who teach college transfer courses have at least a master’s degree; some have doctorates. Faculty in professional-technical programs generally have a rich background which combines education with practical, on-the-job experience. In addition, we hire an average of 600 adjunct faculty each year. Many of them teach evening classes on subjects directly related to their full-time jobs in the community.

History
Chemeketa’s roots were established in 1955 when the local school district established Salem Technical Vocational School. The community college district was formed in September 1969.

As a public institution, most of the college’s financial support comes from local property taxes, state school support funds, tuition and fees.

Accreditation
The Northwest Association of Schools and of Colleges and Universities granted full accreditation to Chemeketa in December 1972. In addition, the Oregon Department of Education has approved all of our professional-technical programs and college transfer courses. Professional associations have also accredited those professional-technical programs which require approval.

For more information on accreditation, contact the office of the Vice President of Academic Services in Building 3 on the Salem Campus at 503-399-5144.

Location
The Chemeketa Community College district covers more than 2,600 square miles in Oregon’s Mid-Willamette Valley, including Marion, Polk, most of Yamhill and part of Linn counties.

We consider the entire college district as our campus. Our largest campus is located at 4000 Lancaster Drive N.E., Salem. We also have campuses and centers in Dallas, McMinnville, Sublimity, Woodburn and downtown Salem at the Oregon State Library, including seven Job and Career in Centers located in Marion, Polk and Yamhill counties. We also schedule credit and non-credit classes, workshops, seminars, and special programs in about 25 communities throughout the college district. These classes meet during the day, evening, and on weekends in schools, businesses, churches and homes.

Our Training and Economic Development Center is located in Liberty Square, at 365 Ferry Street S.E., in downtown Salem.

Facilities
Chemeketa’s Salem Campus has 10 major buildings and a number of smaller buildings. Building 2 houses Counseling and Career Services, Enrollment Services, Financial Aid, the Cashier’s Office, Tutoring Services Center, Student Center, Study Skills Center and the Planetarium.

The Learning Resource Center is located in Building 9. It includes the library, which is equipped with computers for research. The Learning Resource Center also includes a television studio, teleconferencing capability, and facilities for audio, graphics and multimedia production.

The Technology Classroom, Building 6, has up-to-date computer labs and an auditorium, where a variety of lectures and performances are scheduled throughout the year.

Our science and health building, Building 8, has modern, well-equipped laboratories for science and health-related programs. Workout and weight rooms, racquetball courts, and a gymnasium are located in the physical education building, Building 7. Other buildings provide modern classrooms, and welding and manufacturing shops. The fire-training building also serves as a fire station.

For more information about facilities on the Salem Campus, contact the Facilities Scheduling Office in Building 2, or call 503-399-5008.
Chemeketa’s Dallas Center or McMinnville, Santiam, and Woodburn campuses have classrooms, up-to-date laboratories and offices.

**Admission and Registration**

**Enrolling at Chemeketa**

503-399-5006; Fax 503-399-3918
e-mail: admissions@chemeketa.edu

Chemeketa has an “open door” policy. In general, you may enroll in Chemeketa classes if you are 18 years of age or older and can benefit from the instruction.

The table on page 5 lists the enrollment steps. Updated information is published each term in the *Schedule of Classes*.

You will find a Student Record Form in each term’s *Schedule of Classes*. Before you submit this form, contact Counseling and Career Services in Building 2 on the Salem Campus at 503-399-5120. Talk with a counselor about your academic and occupational plans and the requirements for the program which interests you. You can also meet with a counselor at Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses.

Students younger than 18 who do not have a high school diploma or GED certificate should contact the Enrollment Services (Admissions) Office in Building 2 on the Salem Campus.

**Placement tests**

**503-399-6556**

If you are a new student pursuing a degree or certificate, you will be asked to take a free placement test in order to be accepted for admission. Test results more than five years old are not valid. The purpose of the test is to determine your skill levels in reading, writing and mathematics so you can select the entry-level classes that are right for you. Under certain conditions, you may be granted a test waiver.

Information about tests and test waivers may be obtained from Counseling and Career Services in Building 2 on the Salem Campus or from Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses.

**Registration information**

**503-399-5120**

For information about registration, students can call 503-399-5120 or drop by Counseling and Career Services in Building 2 or go to any of the Outreach Campuses.

**Tours of campus**

**503-399-3995**

Tours of campus are conducted by the Chemeketa Student Ambassadors of the Student Life Office, Building 2. You may stop by or call to schedule a student-guided tour.

**Registration**

**503-399-5001**

For information, see How to Enroll at Chemeketa on page 5. Each term the *Schedule of Classes* gives the specific registration dates and step-by-step procedure for registering for classes.

You will receive college credit only if you officially register for the class during the term in which it is offered.

You may not register if you owe the college any money from previous terms, unless you make satisfactory arrangements with Business Services in Building 2.

**Student e-mail accounts**

**503-399-7899**

When you register for classes at Chemeketa, you automatically get a free student e-mail account through Campus Pipeline. With your e-mail account you can receive notification about your grades and other information. You can also use your e-mail account for personal correspondence. After you finish at Chemeketa, you can even take your e-mail account with you.

**Accessing class materials online**

**503-399-5043**

Chemeketa classes are taking advantage of computers and the Internet to give you new ways to learn and access information. Class material – such as lecture notes, tests and syllabi – may be available to you via the Internet. Sometimes that will be the only means for you to access these materials. It’s more common, too, to be asked to do research on the Internet for your classes or to take a test online.

*These programs have prerequisites and require assessment before admission. Contact Counseling and Career Services at 503-399-5120 for assessment.

**These programs have special admission requirements or enrollment limits. Contact Enrollment Services at 503-399-5006 for details.
If you don’t have a computer or access to the Internet in your home, you can use Chemeketa’s computer lab or library on the Salem campus. The only cost to you is for the copies you may want to print out.

Class loads
503-399-5001
If you enroll in 12 or more credit hours, you are considered full-time for academic purposes.

Class changes
503-399-5001
You may make changes in your class schedule before the deadline listed in the Academic Calendar on page 2. To make schedule changes, access Web registration at http://pipeline.chemeketa.edu, call the touch-tone registration system or complete a Schedule Change (add/drop) Form. Forms are available in the Enrollment Center, staff offices and Counseling and Career Services. We recommend the changes be approved by an academic advisor or counselor. Turn in the form at the Enrollment Center in Building 2. A fee may be charged for adding or dropping classes.

Enrollment limitations
Even though Chemeketa has an open door policy, we cannot guarantee that you will be admitted to a particular program. The college may restrict enrollment in a class or program because of limited staff, space or equipment. Enrollment is also limited for some programs because of special admission requirements.

We urge you to apply early for all programs, especially for the following professional-technical programs which limit enrollment or have special admission requirements:

- Accounting
- Aquarium Science
- Automotive Technology
- Building Inspection Technology
- Business Technology
- Civil Engineering Technology
- Computer Programming
- Criminal Justice
- Dental Assisting
- Drafting Technology—CAD
- Early Childhood Education
- Education Certificate
- Electronics Technologies
- Emergency Medical Technology—Paramedic
- Fire Protection Technology
- Forest Resources Technology
- Health Services Management
- Hospitality and Tourism Management
- Human Services
- Integrated Circuit Mask Design
- Management
- Network Technology
- Nursing (Nursing Assisting, Practical Nursing, Associate Degree Nursing and re-entry courses)
- Professional-Technical Teacher Preparation
- Vineyard Management
- Visual Communications
- Winemaking

You may still be admitted to the college even though you are not accepted in one of these programs. You may apply to enroll in a related pre-vocational program or some other program.

Many of Chemeketa’s professional-technical programs have established entry requirements. If you wish to take six or more credit hours in these programs, you will need to be assessed and may need to take preparatory courses before being admitted. For details about these requirements, check with Counseling and Career Services.

Immunizations
The Oregon Department of Health requires community college students born on or after January 1, 1957, to have two doses of measles vaccine before participating in clinical experiences in allied health and nursing programs, human services, practicum experiences in education and child care programs and intercollegiate sports. Students in nursing programs and in some allied health programs may also be required to be vaccinated for hepatitis B prior to entering any clinical experiences. For details about these requirements, contact the office of the department director who oversees the program in which you plan to participate.

Transfer credits
503-399-5006
You may transfer credits from other colleges you have attended by requesting they send an official copy of your transcript to our Enrollment Services (Admissions) Office. (Official

Affirmative action and non-harassment policy

It is the policy of Chemeketa Community College that discrimination on the grounds of race, color, religion, sex, national origin, marital status, age, disability, or family relationships will not exist in any area, activity, or operation of the college as required by Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973; Title VI and VII of the Civil Rights Act of 1964; the Age Discrimination Act; the Americans with Disabilities Act of 1990; Oregon Civil Rights Law (ORS 659); and their implementing regulations.

College policy also prohibits harassment on the basis of any of the factors listed above. Harassment is any unwelcome behavior or display either verbal, physical, or visual in nature, which meets any of these criteria: 1) submission to such condition is either an implicit or explicit condition of employment or academic performance; 2) submission to or rejection of the condition by an employee or student is used as the basis for decisions affecting that person’s employment or academic performance; 3) the condition has the purpose or effect of unreasonably interfering with an individual’s work performance or academic performance or of creating an intimidating, hostile, or offensive work environment or academic environment.

Questions or complaints may be directed to the Affirmative Action Officer, P.O. Box 14007, Salem, Oregon 97309, 503-399-5007.
copies must include a signature from the issuing institution and its authorized seal and be delivered to Chemeketa in a sealed envelope.) You may then contact the Enrollment Services Office and request, in writing, an evaluation of your transcripts.

If you need a copy of your transcript for your records or for advising, please order additional copies sent to your home address.

In general, Chemeketa accepts college-level credits earned at a regionally accredited college or university. Work from unaccredited schools is evaluated in accordance with the institutions and policies listed in Transfer Credit Practices, published by the American Association of Collegiate Registrars and Admissions Officers. Credit given for a particular course will not exceed credit given for the equivalent corresponding Chemeketa course.

If you have taken the College Level Examination Program (CLEP) or the Advanced Placement (AP) Test, request that your scores be forwarded to the Enrollment Services (Admissions) Office. Then contact the Enrollment Services Office and request, in writing, an evaluation of your transcripts and scores. For more CLEP and Advanced Placement (AP) information, see page 19.

Chemeketa also accepts some credits from the military and the Community College of the Air Force. Contact the Enrollment Services Office for details.

Your accepted transfer credits and scores will become part of your permanent record at Chemeketa. Only the course grades you earn at Chemeketa are used to compute your grade point average.

International students
503-399-5141; Fax 503-399-6178
e-mail: international@chemeketa.edu
An average of about 100 international students attend Chemeketa each year representing a variety of cultures and ethnicities. They come from more than 20 different countries. International students may enroll in any of our professional-technical programs or college transfer programs, or attend intensive English language training.

Chemeketa offers an outstanding range of international student services and activities to help students get started and to succeed. These services are offered through the Student Life Office. Some of these services include: an orientation program, conversation partners, drop-in advising, volunteer opportunities, housing assistance, writing center, academic tutoring and clubs.

If you are a citizen of another country, you may enter the college any term, four times a year. You must meet certain federal immigration and college requirements before being admitted to Chemeketa. Once you are admitted you are expected to maintain levels of academic achievement acceptable to the United States Immigration Service and to the college. Chemeketa has special application materials and deadlines for international students. Chemeketa has established enrollment limits for international students, so we suggest you apply as early as possible. For current information on admissions

**Politica de acción afirmativa y contra el acosoamiento**

Es la política de Chemeketa Community College que no existirá ninguna discriminación o acosoamiento a base de raza, color de piel, religión, sexo, origen nacional, estado civil, edad, incapacidad o estado familiar, en ninguna área, actividad o operación del colegio, así como requiere el Título IX de las Enmiendas Educativas de 1972; la Sección 504 del Acto de Rehabilitación de 1973; los títulos VI y VII del Acto de Derechos Civiles de 1964; el Acta contra la Discriminación a Base de la Edad; el Acta a Favor de los Americanos con Deshabilidades de 1990; la Ley de Oregon de Derechos Civiles (ORS 659); y sus regulaciones correspondientes.

La política del colegio también prohíbe el acosoamiento a base de todos los factores arriba mencionados. El acosoamiento se define por cualquier comportamiento o demostración inopinada, sea verbal, físico o visual, el cual se conforma con cualquiera de las siguientes criterias: 1) la sumisión a tal condición se entiende como una condición implícita o explícita del empleo o del cumplimiento académico; 2) la sumisión a o el recato de la condición por un empleado o estudiante es usado como la base de decisiones que afectan el empleo o el cumplimiento académico de esa persona; 3) la condición tiene el propósito o el efecto de interferir inmoderadamente con el cumplimiento laboral o académico del individuo, o de crear un ambiente laboral o académico intimidante, hostil o ofensivo.

Preguntas o quejas deben ser dirigidas a la oficial de acción afirmativa, P.O. Box 14007, Salem, Oregon 97309-7070, 503-399-8677.
The Chemeketa Creed

The Chemeketa Creed is part of the Student Rights and Responsibilities Document which can be found on pages 188 and 189 of this catalog. The creed lists standards of behavior expected of students as they become members of our educational community.

1.0 Preamble
Chemeketa Community College provides an environment that celebrates the freedom to learn and the freedom to teach. In that celebration of teaching and learning it is appropriate that individuals and groups be viewed with regard to their potential to contribute within the learning environment. Each has dignity and value.

2.0 Code of Behavior
As a community of people seeking education, Chemeketa students are dedicated to improving personally and academically. Choosing to join the college community obligates each member to a code of behavior. Chemeketa students will:

2.1 Practice personal and educational integrity.

2.2 Maintain standards of academic performance and contribute to the safe, cooperative and respectful learning environment throughout the college.
Refund policy
When you register for a class, you agree to pay for it whether or not you attend.

If the college cancels a class, you will get a full refund of tuition and fees.

If you decide to drop a class, you may do so by accessing Web registration at http://pipeline.chemeketa.edu, by touchtone registration, 503-399-6262, or by submitting a schedule change (add/drop) form to the Enrollment Center, Building 2 Salem Campus or your nearest Chemeketa Outreach campus during regular business hours. If you drop a class that meets for the entire term (full term class) within the first two weeks of the term, you will receive a refund of tuition and fees as long as you have no outstanding debts. Less than full term classes have a shorter refund period.

You will not receive a refund or credit toward another class for any classes dropped after the end of the refund period. Refunds for classes paid by Visa or Mastercard will be credited back to the credit card. Refunds are not issued for amounts under $5, unless requested. Changes in the number of hours for which you are registered may affect your financial aid, agency or veteran’s benefits.

See information under Withdrawal from College, page 18.

Other costs and fees
503-399-5011
The cost of books and supplies for full-time students is about $375 per term. However, in some of our programs you will also have to provide your own tools, equipment and uniforms. These costs are included in the descriptions of professional-technical programs on pages 51 to 114.

Fees vary by the course. They are included in the course descriptions in this catalog.

You may rent a hall locker for $5 a term. Our physical education locker and towel fee is $15 if you are not enrolled in a PE class.

Contact the Cashier’s Office in Building 2 on the Salem Campus for more information on fees and program costs.

Student health and accident insurance
503-399-5011
Student insurance may be purchased directly from the insurance company. If you are enrolled for six or more credit hours, you may pick up insurance information at the Enrollment Center in Building 2. If you enroll in Chemeketa fall, winter, or spring terms, you may purchase coverage to include summer term.

Chemeketa encourages you to buy insurance coverage if you are enrolled in classes involving risk and/or much physical activity. In some classes and activities where good safety practices are required, students will be asked to sign a Risk Waiver Form.

Student Rights
3.0 Each student in the college community has certain rights that accompany his/her responsibilities. Those rights are to be protected by both students and staff regardless of an individual’s race, sex, religion, color, creed, disability, sexual orientation, political affiliation, national origin, ancestry, or age.

The college will:
3.1 Provide access to education and campus facilities.
3.2 Assure the protection of confidential student records and information.
3.3 Provide opportunities for association and preserve freedom of expression.

2.3 Discourage bigotry and respect the diversity and dignity of all persons.
2.4 Respect the rights and property of all persons.
2.5 Bear the ultimate responsibility for the effects of their decisions and behavior.
Chemeketa requires all F-1 international students to obtain health and accident insurance. You must purchase insurance at the time of registration. International students should contact the International Admissions Office at 503-399-2527 for further information.

Veterans’ services
503-399-5004
e-mail: veterans@chemeketa.edu
The Veteran Services Office in Building 2 provides information and assistance to veteran students and eligible dependents on applying for and using all types of veteran educational benefits.

Chemeketa processes a veteran’s application for certification as well as the necessary supporting documents (DD214, etc.) according to VA regulations. We forward certification information to the VA regional office. Usually this completes the application process for VA educational benefits. You must submit a Student Record Form to the Enrollment Center in Building 2.

If you have attended other colleges, arrange to have transcripts of your credits sent to the Enrollment Services Office and request an evaluation.

Policy of satisfactory progress: In accordance with a Veterans Administration directive, if you receive veterans’ educational benefits and are enrolled half-time (six credit hours) to full-time (at least 12 credit hours), you must comply with the following regulations:

• Receive no more than 44 deficiency course units over a two-year period.
• Accumulate a minimum grade point average (GPA) of 2.0 in your program. GPA is based on A=4, B=3, C=2, D=1, F=0.
• Make any changes which affect your certification status by the end of the fourth week of a term.
• Complete all certified credit hours in which you are enrolled.

Any term your GPA falls below 2.0 or you do not satisfactorily complete the required hours listed above, the veterans’ specialist will advise you that you are on probation. If you do not maintain the GPA or credit hour requirements for two consecutive terms, a notice of unsatisfactory progress will be forwarded to the VA regional office.

Once you are placed on unsatisfactory progress, you must enroll in, and complete, one term before the Veterans’ Office will submit your records to the VA for recertification. During this term, you must maintain the same credit-hour level as you did when you were certified. You must earn a minimum 2.0 GPA for the term.

Financial aid
503-399-5018
At Chemeketa, we believe that you, as a student, along with your family, are responsible for paying for your education. However, if you do not have enough money to attend Chemeketa, please contact our Financial Aid Office in Building 2 on the Salem Campus. We are ready to help you apply for grants, loans and part-time jobs.

Are you eligible?
To qualify for financial aid, you must:

• Be at least 18 years of age or have a U.S. high school diploma or a General Educational Development (GED) high school equivalency certificate, or have the ability to benefit from a college education.
• Be a United States citizen or able to provide I-94 or other documents showing you are an eligible non-citizen.
• Be registered with Selective Service if you are a male born after December 31, 1959. (If you are now on active duty in the United States Armed Forces—not the reserves—you do not have to be registered.)
• Show need for financial help.
• Enroll in a degree program or a certificate program at Chemeketa.
• Enroll in six or more credit hours at Chemeketa with these restrictions:
  1) If you wish to receive aid as a full-time student, you must register for 12 or more credit hours.
  2) You may not include audited and non-credit courses in these totals.
  3) You may not count a repeated course. An exception may be made if an instructor recommends, in writing, that you repeat a course in which you earned lower than a C grade.
  4) You may count up to 45 credit hours of developmental courses which were recommended by your advisor.

About this catalog
Chemeketa publishes this catalog to give you, our students and public, current information about the college.

We make every effort to be sure that this information is accurate at the time of publication. However, sometimes the college finds it necessary to make changes before the next catalog is printed. These changes may affect the costs, college policies and procedures, the calendar, and some curricula and courses. Therefore, we do not consider the catalog as a hard and fast contract between you and the college; rather, we are trying to give as much relevant information as possible to all of you who may use our services.
• If you do not have a U.S. high school diploma or GED, you must score at or above 35 in the reading and writing sections and at or above 33 in the numerical skills section of the college’s placement test. If you score below 35 or 33, you may not be eligible for financial aid. However, you may be eligible to retake the placement test. Contact the Counseling and Career Services.

What kinds of financial aid are available?
There are three kinds of financial aid available for students enrolled at Chemeketa:

• Grants and scholarships which you do not repay.
• Loans which you must repay.
• Part-time jobs.
For detailed information, read the chart on pages 12 and 13.

How to apply
Follow these steps to apply for financial aid:
• Pick up (or ask us to mail you) a Free Application for Federal Student Aid (FAFSA) at the Financial Aid Office on the Salem Campus or at the college’s Dallas Center or McMinnville, Santiam, or Woodburn campuses.
• Fill out and mail your FAFSA, following directions on the form. Be sure to list Chemeketa as the college you are or will be attending. Chemeketa’s college code is 003218.
• Take Chemeketa’s placement test. Contact Counseling and Career Services on the Salem Campus or Chemeketa’s Dallas Center or McMinnville, Santiam, or Woodburn campuses for details.
• Apply for admission to Chemeketa.
After your Financial Aid Form has been processed, we will send you the forms you need to complete your file.

When to apply
We suggest strongly that you apply for financial aid at least three months before you plan to enroll at Chemeketa. Applications are processed in the order we receive them. Since many students start fall term, it may take longer to process your application during the summer. File your Financial Aid Form by April 4 if you plan to begin fall term.

It takes at least eight to 10 weeks from the time you file your FAFSA before money can be available to you. If you apply near the beginning of a term, you will need to be prepared to begin paying for tuition, fees, and books with your own money while your financial aid file is being processed.

Recommended application dates are posted in the Financial Aid Office and included with your FAFSA. If you apply after these dates, you may be eligible only for a Pell Grant and a Stafford Student Loan for the following term.

We accept financial aid applications throughout the academic year, which begins with fall term. If you do not apply before you start school and later find you need help, you may apply at any time. However, some financial aid programs have limited funds available. If you apply after these funds have been used up, the types and amounts of financial aid you can receive will be limited.

You must apply again for financial aid each school year. The forms for the next academic year are available in the Financial Aid Office each January.

How students are selected
Federal Pell Grant and Federal Stafford Loan funds are available throughout the year for qualified students who complete the required processes and enroll for the required credit hours.

The Oregon Opportunity Grant is awarded to qualifying full-time students on an application-date basis determined by the state. Students eligible for the Federal Perkins Student Loan, Federal Supplemental Educational Opportunity Grant, and Federal Work-Study are awarded these funds on the basis of the date of completion of the student’s file. Since these funds are limited, the earliest dates are given the highest priority. Not all eligible students will receive these funds.

The amount of the student’s award will be determined each year by the Federal Pell Grant and State Need Grant programs and by Chemeketa for the campus-based programs.

Most funds are disbursed at the beginning of each term. College Work-Study funds are paid on the last business day of the month.
# Financial aid available at Chemeketa

Except as listed below, all financial aid programs have the following requirements:

- You must file a Free Application for Federal Student Aid (FAFSA) to apply.
- You must be a United States citizen or an eligible non-citizen.
- You must not be in default or owe a refund to any Title IV financial aid program.
- You must use the money you receive to meet the costs of attending Chemeketa.
- If you are a male over 18 years of age and born after December 31, 1959, you must be registered with the United States Selective Service, unless you are currently on active duty with the armed forces. (Membership in the reserves or national guard does not count.)
- You must be in a degree or certificate program.
- You must enroll for at least six credit hours each term.
- You must maintain satisfactory academic progress.

</table>
How to stay eligible
To continue to receive financial aid, Chemeketa requires you to register for, complete, and maintain a 2.0 cumulative grade point average (GPA) for the following number of credit hours:

- Full-time students: 12 credit hours.
- Three-quarter-time students: nine to 11 credit hours.
- Half-time students: six to eight credit hours.

These requirements apply to each term you are on financial aid as well as all terms in attendance at Chemeketa.

Academic progress
If you do not meet the minimum term and cumulative credit-hours and 2.0 GPA requirements, the Financial Aid Office reviews your progress and may either stop your aid or place you on probation and allow you one more term to meet the requirements. If, at the end of two terms, you still do not meet the requirements, your aid stops. To regain aid eligibility, students who are terminated must file an appeal. If reinstated, you will be placed on probation.

Your aid stops if you completely withdraw, officially or unofficially, from Chemeketa. You may be required to repay all, or a portion of, financial aid received.

How long are you eligible?
In general, you may receive financial aid at Chemeketa for 108 credit hours applied to an associate’s degree or 54 credits applied to a certificate. All credits taken at Chemeketa are included in this limit.

Refunds
During the first two weeks of each term, the college policy for tuition refunds applies to all students. (See page 9 for details.) Refunds are credited to the financial aid programs in the following sequence: 1) unsubsidized Stafford Loan, 2) subsidized Stafford Loan, 3) Perkins Loan, 4) “PLUS” Loan, 5) Pell Grant, 6) Supplemental Educational Opportunity Grant, 7) other Title IV aid and 8) student.

Repayments
When a student who has received financial aid completely withdraws, officially or unofficially, the Financial Aid Office will determine whether the student was entitled to all of the financial aid received. If not, the Financial Aid Office will determine what portion of the financial aid the student owes, and will notify the student. Repayments are based on the last withdrawal date. Students owing a repayment are not eligible for further financial aid funds and cannot receive any services from the college until the repayment is made. All financial aid students will receive a copy of this repayment policy. Repayments are credited to the financial aid programs in the following sequence: 1) Pell Grant, and 2) Supplemental Educational Opportunity Grant. Students have 30 days from the date of the bill to repay the funds. Students who do not repay in full will have their debts turned over to the U.S. Department of Education for collection.

Appeals
You may appeal any action taken by the Financial Aid Office. Appeal forms are available in the Financial Aid Office.

Questions? Call for information
Campus Welcome Center,
503-399-5120
Chemeketa’s Welcome Center is located in Counseling and Career Services on the first floor of Building 2 on the Salem Campus. Staff will answer your questions about room locations, activities, workshops, meetings, academic advisor assignments and instructional staff office locations. The Welcome Center also distributes Schedule of Classes and catalogs.

Other Locations:

  503-623-5567 or 503-399-5206
- McMinnville Campus
  503-472-9482 or 503-399-5219
- Santiam Campus
  503-769-7738 or 503-399-5215
- Woodburn Campus
  503-981-8820 or 503-399-5207
- Training and Economic Development Center (TED)
  503-399-5181
Help is here

The Financial Aid Office will give you information on applying for aid, your rights and responsibilities in receiving aid, loan repayment schedules, general conditions of employment, and methods used to determine or re-establish your eligibility. The Financial Aid Office will also help you with your concerns about funds and budgeting.

Academic Information

Student records and transcripts

503-399-5001, e-mail: registrar@chemeketa.edu

Student academic records are maintained in the Registrar’s Office for 10 years. These records may include transfer credit evaluations, correspondence, curriculum deviations, and evaluation of progress toward graduation.

Transcripts of Chemeketa credit courses are kept permanently. You may obtain an official transcript from the Enrollment Center in Building 2, Room 200 by submitting a written request with the appropriate fee. If you have financial obligations to the college, we may deny issuing your transcript until the Enrollment Center clears your obligation.

We recommend you keep the Enrollment Center informed of any change of address while you are a student at Chemeketa.

OAR 581-41-460 authorizes Chemeketa Community College to ask you to provide your social security number. The number will be used by the college for reporting, research and record keeping. Your number will also be provided by the college to the Oregon Community College Unified Reporting System (OCCURS), which is a group made up of all community colleges in Oregon, the State Department of Community Colleges and Workforce Development, and the Oregon Community College Assoc. OCCURS gathers information about students and programs to meet state and federal reporting requirements. It also helps colleges plan, research and develop programs. This information helps the colleges to support the progress of students and their success in the workplace and other education programs.

OCCURS or the college may provide your social security number to the following agencies or match it with records from the following systems:

• State and private universities, colleges, and vocational schools, to find out how many community college students continue with their education and to find out whether community college courses are a good basis for further education;
• The Oregon Employment Department, which gathers information, including employment and earnings, to help state and local agencies plan education and training services to help Oregon citizens get the best jobs available;
• The Oregon Department of Education, to provide reports to local, state and federal governments. The information is used to learn about education, training, and job market trends for planning, research and program improvement.
• The Oregon Department of Revenue and collection agencies only for purposes of processing debts, and only if credit is extended to you by the college.
• The American College Testing Service, if you take the Asset placement test, for educational research purposes.

State and federal law protects the privacy of your records. Your number will be used only for the purposes listed above.

Student records policy

503-399-5001

Chemeketa’s policy is to protect your personal and academic records with the greatest privacy and security possible. This policy is based on concern for the welfare of the student and for the integrity of the college. Most records may not be released without your permission. However, you may request no information be released by completing a Non-Disclosure Form at the Enrollment Center in Building 2, Room 200.

Family Educational Rights and Privacy Act (FERPA)

FERPA affords students the following rights with respect to their education records:

1. The right to inspect and review the student’s education records within 45 days of the student’s written request.
2. The right to request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights.
3. The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests.

4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by the college to comply with the requirements of FERPA.

5. The right to obtain a copy of the college’s student records policy.

**Directory Information**

Directory information is available to anyone upon request unless the student completes a Non-Disclosure Form. Chemeketa Community College considers the following to be directory information:

- dates and terms of enrollment
- degree or certificate earned and dates earned
- athletic statistics and honors

**Grading system**

The responsibility for evaluating student performance and for assigning grades rests with the instructor.

The responsibility for demonstrating competency within the framework of a course’s outcomes and criteria rests with the student.

Students have the right to know how and on what basis their performance is being evaluated.

Final grades are issued at the end of each quarter. Letter grades are assigned points according to the following system:

**Grade/Points**

- **A/4** Excellent. An indication that the student has met the stated outcomes and course criteria at the highest level, demonstrating mastery of required knowledge and skills.

- **B/3** Very Capable. An indication that the student has met the stated outcomes and course criteria at a high level, demonstrating mastery of most required knowledge and skills.

- **C/2** Competent. An indication that the student has met the stated outcomes and course criteria but with sufficient mastery of enough of the required knowledge and skills to be capable of success in other courses that require this course as a prerequisite.

- **D/1** Limited success. An indication that the student has only minimally met the stated outcomes and criteria of the course but may not have sufficient mastery of enough of the required knowledge and skills to be capable of success in other courses that require this course as a prerequisite.

- **F/0** Failure. An indication that the student has not adequately met the stated outcomes and criteria of the course.

- **I/0** Incomplete. An indication that the quality of work is satisfactory, but some essential requirement of the course has not been completed, and additional time is granted for completion of coursework. An “I” does not entitle a student to satisfy a prerequisite requirement for another course.

- **N/0** No Grade Assigned. The “N” grade is used when student participation in the course is minimal and does not warrant a grade. It may be used when the student’s name is still on the final grade report and no other grade is possible. An “N” grade may not be assigned as a withdrawal or substitute for a failing grade.

- **P/0** Pass. Acceptable Performance. A grade of “P” represents satisfactory achievement which would have been graded “C” or better on the regular grading scale, but is given instead of a letter grade. A maximum of 8 “P” credits are allowed toward a one-year certificate. A maximum of 16 “P” credits are allowed toward an associate’s degree.

- **NP/0** No Pass. Unacceptable Performance. Does not satisfy requirements for entry into courses where prerequisites are specified.

- **PL/0** Pass. This grade is used to indicate satisfactory achievement of course outcomes and criteria for Credit for Prior Learning and Credit for Prior Certification.

The student’s grade point average is computed by dividing the total credit hours (except I, N, P, NP, and PL) into the total points earned.

The following marks may appear on a student’s transcript and are assigned by Enrollment Services:

**Mark Meaning**

- X Audit. This mark is used when a student participates in the class but does not wish to receive a grade or credit for the course.
R Course Repeated. The “R” mark is used upon student request when a course taken at Chemeketa has been repeated and the student receives a higher grade in the repeated course. If a course is repeated more than once, only the original grade can be changed to an “R”. This mark cannot be used to change “N” or “I” grades.

M Missing Grade.

Incomplete
You may remove an “Incomplete” from your record by completing course requirements. Your instructor will provide you with a Notice of Incomplete Status in a Course Form, which states what you must do and sets a date for you to complete the assignments. The deadline may be any time up to one year from the end of the term in which you received the “Incomplete” grade. When you have met the requirements, your instructor will change the “Incomplete” to a new grade and inform the Registrar. The Registrar’s Office will officially notify you of the change.

Pass/No pass
A pass (P) grade indicates satisfactory completion of the course (equivalent to a C or better). A no pass (NP) grade means the course was not satisfactorily completed and no credit was granted. Some courses offer the option to choose between P/NP and a letter grade and some courses may be taken for a letter grade only. A pass grade satisfies the prerequisite of C or better required for entry into some courses. Each student is limited to receiving no more than 16 P/NP credits for an associate’s degree, and 8 P/NP for a Certificate. Transfer students should be aware that four-year institutions limit the number of P/NP credits that may be applied to a degree. If you’d like to be graded P/NP, and the course qualifies, you must complete the P/NP Request Form, obtain your instructor’s approval by way of his/her signature and submit the request form to the Enrollment Center by the end of the fourth week of the term. P/NP grades cannot be changed back to a standard letter grade.

Repeating a course 503-399-5001
We suggest you confer with your academic advisor before you repeat a course. If you do repeat a course and receive a higher grade, and want your original grade changed in your record, ask the Enrollment Center in Building 2, Room 200 to change your grade to an R (Repeated). Please note that both the original course and the repeated course must have been taken at a Chemeketa Community College campus to request the original grade be changed to an R. If you repeat a course more than once, only your original grade can be changed to an R. If you repeat a course and receive a lower grade, both grades will remain on the transcript. An original grade of N or I may not be changed by repeating a course. The Registrar does not include an R in computing your grade-point average and does not count courses with an R grade in determining the total number of credit hours you have earned.

If you are receiving veterans’ educational benefits, you should be aware that this could create an overpayment for the term for which you requested an R. Contact the veterans’ clerk in Building 2, Room 200 before making such a request.

Auditing courses 503-399-5001
If you enroll in credit courses but do not wish to receive grades or credits, you may register as an auditor. See Auditing courses under Money Matters on page 8.

Transfer credit and prior learning
Transfer credit and prior learning accepted by Chemeketa Community College is transcripted under the heading Transfer Credit and Other Chemeketa Credit on your official transcript. The number of hours accepted from other institutions is recorded, however, the grades are not included in the GPA.

PL Prior Learning .............................................. .0.0
T Transfer C or better ..................................... .0.0
TD Transfer D .................................................. .0.0

Continuing Education Classes
A continuing education unit (CEU) course is one that provides general or technical information which is applicable to the professional or technical field and will be of value wherever the individual is employed. CEUs are not equivalent to credit hours and therefore cannot be used toward Chemeketa certificates or degrees. Some programs offering CEU classes offer CEU certificates. One CEU is awarded for each 10 hours or their equivalent. Chemeketa transcript records are available for CEU hours.
Tuition for CEU courses is charged regardless of the number of credit hours for which the student enrolls. CEU classes do not meet the federal requirements for financial aid or veterans’ benefits.

P Pass .............................................0.0
U Unsatisfactory ..................................0.0
N No Grade ........................................0.0
I Incomplete ......................................0.0

Academic awards
Students who earn a 4.0 grade point average receive certificates of recognition. Students earning a grade point average of 3.50 or higher are listed on the college honor roll. These honors are given for grades earned in a single term and are not cumulative. Students must complete at least 12 credit hours in the term to be considered for placement on the honor roll.

Academic Progress/Review Program
503-399-5076
Chemeketa wants to help students reach their academic goals. To accomplish this, the college has initiated an Academic Progress/Review Program which provides for intervention with students at certain points throughout their enrollment at Chemeketa. These intervention points are determined by either grade point average and/or course completion rate. Listed below are the criteria used for determining intervention by the Academic Progress/Review Program:

Academic warning status
• A first term student taking six or more credit hours who falls below a 2.0 GPA, or
• A continuing student who falls below a 2.0 cumulative GPA, with 36 credit hours or more, for a second consecutive term.

Academic probation status
• A student who is below a 2.0 GPA for a second consecutive term, or
• A student who falls below a 2.0 cumulative GPA, with 36 credit hours or more, for a second consecutive term.

Academic suspension status
• A student who was, during the preceding enrolled term, on academic probation and during the current term earns below a 2.0 GPA. The student will be suspended from further enrollment at Chemeketa until reinstated. The student may appeal the suspension through the Dean of Student Development and Learning Resources.

Academic reinstatement
• Once suspended, a student will not be allowed to register for credit classes for a period of one academic year. After the one-year period, a student may file an appeal with the Academic Review Committee for reinstatement.

Student’s Check List

1. If you are a new student, have you:
   □ taken mathematics, reading and writing placement tests? Contact Counseling and Career Services, Salem Campus, Building 2, 503-399-5120.
   □ submitted a Student Record Form? Contact the Enrollment Center, Salem Campus, Building 2, Room 200, 503-399-5006.
   □ checked to find out if there are special requirements for the program you want to enter? Contact the Enrollment Center, Salem Campus, Building 2, 503-399-5006.

2. Do you know the costs of:
   □ tuition and fees?
   □ special tools, equipment, uniforms, etc. required by your program?
   These costs are listed in this catalog in the description of your professional-technical program.

3. Have you arranged for:
   □ transportation?
   □ child care?

4. Have you asked about financial aid?
   Contact the Financial Aid Office, Salem Campus, Building 2, 503-399-5018, or Chemeketa’s Dallas Center or McMinnville, Santiam or Woodburn campuses.

5. Have you checked on your eligibility for Veterans Administration educational benefits?
   Contact the Veteran’s Office, Salem Campus, Building 2, Room 200, 503-399-5004.

6. Have you read the term Schedule of Classes for registration information and class listings?
   A copy of the schedule should be delivered to you by mail before each term begins if you live in the college district. Schedules are also available online at www.chemeketa.edu, at Counseling and Career Services, Salem Campus, Building 2, at the Chemeketa campus in your community, or by calling 503-399-5006.
Course prerequisites
Prerequisites are specified in the course descriptions. These are conditions you must meet before enrolling in a course. It is your responsibility as a student to fulfill the prerequisite.

Some prerequisites indicate that you must complete certain preparatory courses or must have the consent of the course instructor. To gain consent, meet with the instructor before you register. Consent is based upon the instructor’s assessment of your readiness to enroll in the course.

Withdrawal from college
503-399-5001
If you decide to withdraw from Chemeketa, you may do so using the touch-tone or Web registration systems or you may obtain a Student Schedule Change (add-drop) Form from the Enrollment Center, Counseling and Career Services, or Chemeketa’s Dallas Center or McMinnville, Santiam, or Woodburn campuses. Submit the completed form to the Enrollment Center or one of our outreach campuses as soon as possible. The last day to withdraw from classes without responsibility for grades is listed in the Academic Calendar on page 2. If you leave Chemeketa without following the withdrawal procedures mentioned above, you are responsible for the final grades you receive; they will appear on your transcript of Chemeketa credits.

If you withdraw using the touch-tone or Web registration systems or a Student Change Form within the first two weeks of the term, you will receive a refund of the tuition and fees you paid. (Some exceptions apply for night and late-starting classes.) Amounts owed to any department of the college will be deducted from your refund. There may also be a nominal deduction from the refund for processing the withdrawal. No refunds less than $5 are made, unless requested. The college cannot refund the cost of student insurance or the International Student Service fee.

If you paid tuition with funds issued through Chemeketa’s Financial Aid Office, your refund will be credited to your financial aid account. Any debts you owe the college will be deducted from those credits.

Advanced Placement courses
503-399-6556
If you enrolled in an Advanced Placement course in high school and earned an acceptable score on the Advanced Placement Test, you may receive credit for Chemeketa for the course. Inquire at Counseling and Career Services about what courses and scores are accepted at Chemeketa.

College Level Examination Program (CLEP)
503-399-6556
You may earn credit for some college courses through the College Level Examination Program (CLEP). Inquire at Counseling and Career Services to determine which examinations and scores Chemeketa accepts. If you wish to take a CLEP examination, schedule a testing time through testing services in Counseling and Career Services.

Credit by examination
503-399-6556
Another way to earn credit for some courses is to demonstrate your college-level ability by successfully passing challenge examinations, which are available for a limited number of courses. These examinations are prepared by the college department directly responsible for the instruction of the courses. There is a non-refundable fee of $25 for each exam. Grades are recorded on the student’s transcript for successfully-completed exams once the student pays for the course.

Contact Counseling and Career Services for more information about earning college credits by challenge examinations.

Credit for prior learning
503-399-5120
In certain professional-technical programs, Chemeketa may award you up to 24 credit hours for documented knowledge and skills that apply to the program in which you enroll. These may be skills you acquired through working, on-the-job training, volunteer service, non-credit courses or workshops, individual study, homemaking and travel. (There is a fee for each course assessed.)

To learn how to gain such credits, enroll in CPL120 Prior Learning Resume, a three-credit-hour course.

Independent study
503-399-5120
You may receive credit for an independent study of topics not included in the college’s curriculum. If you are ready to learn on your own and are interested in studying a topic, contact your academic advisor or an instructor who teaches that subject. With that person, you can explore the possibility of an independent study project.

For more information, contact your academic advisor or Counseling and Career Services.

Distance education
503-399-5191
You can earn an Associate of Arts degree or an Associate of General Studies degree and Associate of Applied Science degrees in Fire Suppression and Fire Prevention (except for the chemistry and physical science requirements) and Hospitality and Tourism Management through a combination of distance education courses. You can also earn a Business Software Certificate. Students may be required to attend some class meetings on the Salem Campus.

Listings, registration procedures, and information about distance education courses are available on the college Web site www.chemeketa.edu/exploring/studies/distance.html or online.chemeketa.edu and are published each term in the Schedule of Classes.

Telecourses allow you to earn college credits at home. Assignments are based on televised lectures. You may view the broadcasts on your own television on local cable stations or watch videotapes of these classes at the Salem Public Library, the Salem Campus Library, the Grand Ronde Education Center, Oregon Coast Community College in Newport, or at Chemeketa’s Dallas Center or McMinnville, Santiam, or Woodburn campuses. Videos for most courses are
available by rental. Chemeketa charges a fee of $25 per tele-
course in addition to college tuition and fees.

Chemeketa television (CTV) broadcasts live Salem Campus
classes to the Dallas Center or McMinnville, Santiam, and
Woodburn campuses, and to the Grand Ronde Education
Center. One-way video and two-way audio communication
allows students at the campuses to participate in the classes.

Online courses allow you to take classes at your convenience.
You’ll need access to a computer with modem, Web browser,
and an active Internet Service Provider account to access
course material, to send your coursework to campus and to
communicate with your instructor and classmates. Chemeketa
charges a fee of $35 per course in addition to college tuition
and fees. Contact Chemeketa Online at 503-399-7873.

CTV cable classes can be taken in your home as they are
being taught simultaneously on campus. Use your telephone
to interact with the class and instructor. Classes can always be
recorded to watch later at your own convenience.

Online Telecourses See information listed above for telecours-
es. You will need access to a computer, modem, and active
Internet account and Web browser to send coursework to cam-
pus and to communicate with your instructor and classmates.

Student-instructor conferences
You may confer with your instructors regarding class assign-
ments and methods of study. Office hours are posted in each
faculty office area.

Student Development Services

Tutoring Services
503-399-5190
Tutoring is available in most subject areas to all registered
Chemeketa students taking credit classes. Visit the Tutoring
Center upstairs in Building 2, on the Salem Campus. Tutoring
is also available online via e-mail or WebBoard at our Web site:
www.chemeketa.edu/attending/tutoring/tutoring.html. A cur-ent student ID card is required to use these services. Only
limited tutoring is available the first week of the term and dur-
ing finals week.

Literacy volunteer program
503-399-2557
Volunteers offer basic-skills and English as a Second Language
tutoring on a one-to-one basis in Salem and throughout the
Chemeketa district. Contact the literacy volunteer program
coordinator in Building 17.

Study Skills Program
503-399-5162
To improve the academic skills students need for success in
college, the Study Skills Program offers individualized, lecture
and online classes. A Study Skills faculty member is available
to consult with students and instructors on course-specific
learning strategies including taking tests, controlling test anxi-
ety and managing time. For more information on these classes
and services, contact the Study Skills Center in Building 2,
Room 212 on the Salem Campus or look under the Academics
heading on the Chemeketa Web site.

English as a Second Language (ESL)
503-399-6298
The mission of the ESL/ENL Program at Chemeketa
Community College is to provide high-quality, rigorous
instruction to adults who need to gain or improve their
English proficiency to attain their goals of employment,
advancement in employment, or transition to post-secondary
education or training. Instruction in the Chemeketa ESL pro-
gram is in English and is provided by qualified professionals
using variety of language teaching techniques. The program
collaborates with community partners throughout the
Chemeketa Community College district to provide language
services for limited English speakers.

Services on the Salem Campus include:

Counseling and Career Services—Building 2, 503-399-5120,
for admission and career-planning assistance.

English as a Second Language program—Building 22,
503-399-6298.

Literacy Volunteer Program—Building 16, 503-399-2557.

Counseling, tutoring, and English as a Second Language
classes are also available at Chemeketa’s Dallas Center or
McMinnville, Santiam and Woodburn campuses.
Chemeketa Language and Culture Institute
503-315-4290

The Language Institute provides English instruction to meet the needs of international students planning to enter American colleges and universities. It also serves students who want to experience American culture and improve their English for personal or professional reasons. The Institute offers six levels of instruction from beginning through advanced. Advanced classes may be taken for college credit.

Adult Basic Education, General Educational Development (GED) and High School Completion
For students who have not completed high school, Chemeketa offers Adult Basic Education, General Educational Development (GED) and High School Diploma classes. See page 33 for more information.

Definitions

**Class** - See course.

**Course** - A course is a subject or an instructional subdivision of a subject, usually offered during a single term.

**Credit Hour** - The number of credit hours granted for each course varies. In general, a student earns one credit for a lecture class that meets one hour per week per term, or three credits for a lecture class that meets three hours per week.

Courses with labs and some other courses may vary from this pattern.

The Course Description section of this catalog lists the value of each course in credit hours.

**Curriculum** - An organized program of study arranged to provide integrated cultural or professional education leading to a certificate or degree.

**Elective** - A required, non-specific course.

**Sequence** - Closely related courses extending through three terms.

**Term** - Approximately one quarter of the academic year. Fall, winter and spring terms range in length from 11 to 12 weeks. Summer term runs for eight weeks.

---

Single parent – displaced homemaker
Life and Work Transitions Program
503-399-6554

The Life and Work Transitions Program (formally, “Life Skills”) is part of a statewide network of Transitions Programs sponsored by 14 community colleges in Oregon. The Chemeketa program offers a six-credit course for single parents and displaced homemakers who desire assistance in overcoming personal barriers to education and employment. The course is provided tuition-free to qualifying adults. Support services such as child care and transportation costs are available to low-income students to enable them to participate in the program. Follow-up support groups and brief counseling are also offered to program participants. See also page 158 (HD220/221, Life Skills Seminars 1 & 2).

Transitions Resource Center
503-399-3920

The New Workforce Transitions Resource Center is located on the Salem Campus in Building 20. The Center offers a supportive environment for re-entry adults to meet and study. Books and other media are available on personal development, career exploration and women’s issues. Information and referral to community resources are also available. Brief workshops on career and personal topics of interest to adults in transition are offered in the Resource Center free of charge.

Services for Students with Disabilities
503-399-5192 voice/TTY

The office of Services for Students with Disabilities (SSD) in Building 2 on the Salem Campus has information about services and accommodations for students with disabilities.

Chemeketa’s major buildings on the Salem Campus and at the Dallas Center or McMinnville, Santiam and Woodburn campuses are designed to provide access for students with physical disabilities. Parking spaces are reserved for persons with DMV placards for people with disabilities.

If you have a disability, including learning, psychiatric, sensory, orthopedic or otherwise, you are encouraged to use campus support services. The SSD office is available to help you assess your needs, coordinate access to facilities and processes, and plan academic adjustments that will make classes accessible.

If you need special accommodations for classes or college events, contact the SSD office at least two weeks in advance. If
you need an alternative format for this publication, call the SSD office at 503-399-5192 (voice/TTY).

A TRIO Disabled Student Support Service Program (DSSS) provides additional support in supplemental instruction, individual tutoring, scholarships and mentoring for students with disabilities who qualify as being enrolled at any degree or certificate program here at Chemeketa.

Services for students who are deaf and hard of hearing
503-399-5122 voice or 503-399-5049 TTY
Chemeketa offers services if you are deaf or hard of hearing. These include counseling, interpreting, FM loop systems and tutoring.

Trio Projects
503-315-4293
Chemeketa currently operates four Trio programs. Each program is designed to provide support for low-income, first-generation students wanting to pursue higher education.

Student Support Services offers academic support, advising, transfer information and college visits to students planning to transfer to a four-year college or university. Students may earn six college credits through program sponsored classes and are eligible to borrow textbooks at no cost. Talent Search provides students in sixth through twelfth grade an opportunity to explore the benefits of a college education. Chemeketa students can participate in the program by being a mentor for a student in the program. Mentors develop goals and plan for their academic future. Upward Bound is a college preparatory program for high school students. The program provides services year-round such as tutoring, after-school activities and Saturday workshops. During the summer, the program provides a six-week academy where students earn high school credits. See Services for Students with Disabilities for Disabled Support Service Program (DSSS).

Migrant Education Programs
Chemeketa currently operates two migrant education programs to help migrant and seasonal farm workers and their children attend classes. These programs are funded by the U.S. Department of Education.

College Assistance Migrant Program (CAMP) based in Salem offers first-year scholarships and academic and personal support for students planning to transfer to a four-year college or university. For information about CAMP call 503-589-7778.

High School Equivalency Program (HEP), located on the main campus in Salem, Building 16, assists students each year to complete instruction and take the General Educational Development (GED) test. HEP offers classes in the afternoon and evenings and provides funds for transportation and child care. For information about HEP, call 503-589-7725.

Writing Center
503-399-7179
If you need writing assistance, help is available in the college Writing Center. You may consult with writing instructors or make use of computers programmed with writing-assistance software. Watch the quarterly Schedule of Classes for a listing of classes offered by the center. For more information or to make an appointment, call or stop by the Writing Center in Building 35, Room 101.

Student Services
Library Services
503-399-5043
terra.chemeketa.edu/library/
The library is located on the second floor of Building 9, the Learning Resource Center (LRC). The collection of books, magazines, journals, newspapers, pamphlets, audio cassettes, video cassettes, laser discs and slides focus on the courses taught at Chemeketa. Our online catalog connects you to other libraries in the area and allows you to place holds on materials to be delivered here. An interlibrary loan service can locate other materials throughout Oregon and the world and have them sent to Chemeketa.

Computers are available which allow you to access library materials, electronic information resources, the Internet and word processing programs.

Within the library are group study rooms and group media viewing rooms that can be scheduled in advance, and an open media view area for use at any time. Other equipment available includes typewriters, calculators and photocopiers. Staff can assist you in making transparencies and duplicating audio cassettes. The LRC houses an art collection, a small collection of materials in Spanish, children’s books, “easy readers” and periodical stacks that you can browse.

The library is open to the community. Chemeketa students, faculty and staff may check out most materials. As a member
of the Chemeketa Cooperative Regional Library Service (CCRLS—see page 28), the library also allows people with a valid CCRLS card to borrow materials.

**Bookstore**
503-399-5131
bookstore.chemeketa.edu

You may purchase books and supplies at the college Bookstore in Building 1 on the Salem Campus. Textbooks also are available at the beginning of each term at our Dallas Center or Santiam, Woodburn and McMinnville campuses. The cost of books is included in the description of each professional-technical program.

**Refunds**—You may receive full refunds for books the first two weeks of each term for which they were purchased. All books must be returned in their original condition. You must have the sales receipt for the books and personal identification to receive a refund.

**Used book buy-back**—Each term during finals week, the Salem Campus Bookstore pays cash (up to 50 percent of the purchase price) for used textbooks that are needed for the next term. At any time, the Bookstore buys used books at prices established by used book wholesalers.

**Computers and software**—Chemeketa students are eligible to purchase computer software at special prices. Some restrictions may apply. Contact the Salem Campus Bookstore for details.

**Regular Bookstore hours**—7:30 a.m.–4:30 p.m., Monday - Friday. We have extended hours the first two weeks of Fall, Winter and Spring terms.

**Book Exchange**
503-399-5117

The Book Exchange is a non-profit service, run by Student Life, which provides an opportunity for Chemeketa students to buy or sell books at a reduced cost. The books sold in the exchange must be books currently in use at the college.

Books are sold from the Student Life Office, during the first week of fall, winter and spring terms.

**Student identification cards**
503-399-5116

A student photo identification card is recommended for all students. This card is necessary for access to computer labs, tutoring services, check-out and use of materials and equipment from the library/media services and the gym, and the sale of used books back to the college Bookstore. The card also admits you to all college sporting events at no cost and entitles you to discounts for various activities.

You may obtain your student ID card at no cost in the Student Life Office. ID cards will not be issued during final exam weeks or between terms. Lost or stolen cards can be replaced for a small fee.

**First aid**
503-399-5023

For first aid services on the Salem Campus, call Public Safety at 503-399-5023. There are also emergency red phones located throughout campus which will connect you directly with the college’s Public Safety Office. As the college has no physician or campus health facilities, you must rely upon your personal physician, dentist or clinic to meet other medical needs.

**Parking on the Salem Campus**
503-399-5023

If you park a vehicle on the Salem campus from 8 a.m.–10 p.m., Monday through Friday, the college requires a parking permit on the vehicle. Permits are available at the Enrollment Center, Bookstore, Convenience Store and the Public Safety Office. Students and staff can purchase an annual parking permit – fall term through summer term – for $25. After initial purchase on an annual permit, additional annual permits may be purchased for a reduced fee of $5 for any vehicle registered to the original annual permit purchaser. Individual term permits may be purchased for $10. Permits are assigned to a vehicle and must be attached to the exterior of the vehicle, either on the rear bumper or rear window. Visitors may obtain free parking permits at the Information Booth or Public Safety Office.
Employees of the college and students are not allowed to use visitor permits.

Along with the permit, you will receive a copy of Chemeketa’s Traffic Code. The college expects employees and students to know and follow the rules for operating and parking a vehicle on campus.

The college suggests you lock your car at all times when on campus, and not leave personal effects of value in plain view inside your vehicle. More information about campus safety is contained in an annual report available from the Public Safety Office.

**Smoking on the Salem Campus**

**503-399-5023**

College policy prohibits the use of tobacco products inside all college buildings, or within 20 feet of any building entrance. In addition, there are certain areas outside of buildings that have been designated as non-smoking areas. Non-smoking areas are: the covered area near the entrance to Building 2 facing the old quad, the curved brick area adjacent to the south side of Building 2 facing the new quad, the Art Gallery entrance to building, and all exterior stairwells leading to upper floors of buildings, e.g., buildings 6 and 8.

Non-smoking areas outside of buildings are clearly identified with appropriate signs. Smokers are asked to be considerate of non-smokers and refrain from smoking or using tobacco products in non-smoking areas, and also to use appropriate ash cans and refuse containers.

---

**Where to eat**

**Food Central**, Building 2, 503-399-5180. Open Monday through Friday. Seven station food court featuring Wraps, Grill, Grab-n-Go, Soup Express, Hot Entrees, Salad Toss and a Pastry/Dessert Station.

**Food Court Espresso**, Building 2. Espresso, gourmet coffees, pastries and smoothies.

**Summit Subs and Barrel Head Pizza**, Building 2, 503-399-5180. Sub sandwiches made to order and great pizza.

**Crossroads Café**, Building 4. Monday through Friday. Espresso, gourmet coffees, pastries, soup, sandwiches and salads.

**Blue Moon Café**, MaPS Building 48, 503-399-8005. A sit down diner serving gourmet burgers, salads, blue plate specials and great ice cream shakes.

**Catering, NW Hospitality Services**, 503-399-3906. On campus delivery, coffee services, lunches and dinners.

There are also a number of snack and beverage vending machines located in many buildings on campus.

---

**Student living accommodations**

**503-399-5116**

Chemeketa does not provide living accommodations. However, the Student Life Office on the Salem Campus maintains a bulletin board listing available housing, including apartments for rent, rooms for rent in homes, homes for rent, and roommates wanted. You may post a notice and also check this bulletin board for housing.

---

**Child care**

Chemeketa offers one child care program on the Salem Campus. The program is accredited by the National Academy of Early Childhood Programs.

**Child Development Center**, Building 39, 503-399-5107. As a training center for students enrolled in the Early Childhood Education program, the center offers full- or part-time care for approximately 35 children ages two-and-a-half to six years. Applications are accepted at any time, but we advise you to apply early. Contact the center for applications and fee information.

The Financial Aid Office, Building 2, has a list of other child-care centers in the Salem area, or you may call Salem’s Child Care Information Service, 503-585-2491. Local child care providers advertise their services on the bulletin board located outside the Student Life Office in Building 2.

---

**Lost and found**

**503-399-5023**

Lost and found items are kept in the Public Safety Department. If you have lost or found an item, please check with this office.

Local bus service to the Salem campus is available through the Cherriots. Carts and Wheels provides transportation to the campus from Woodburn, Silverton and Dallas.
For more information on all routes and schedules, contact the Salem Area Transit Information Office at 503-588-BUSS (TTY for hearing impaired: 503-370-8691) or visit their Web site: www.cherriots.org.

Information about Carts and Wheels bus service is available by calling 503-585-5187 (TTY 503-364-7869)

Cherriot bus passes are available for purchase at the Bookstore in Bldg. 1. Cherriot bus schedules are available in the lobby of Bldg. 2.

Alcohol and drug support groups
503-399-5116
Support groups for substance dependency are coordinated through the Alcohol and Other Drugs Committee and staffed by volunteers. Times and locations of meetings vary each term. Contact the Student Life Office for more information.

Counseling and Career Services
Counseling Services
503-399-5120
If you are interested in educational, vocational or personal counseling, contact our Counseling and Career Services Center in Building 2 on the Salem Campus, or make an appointment to see a counselor at Chemeketa’s Dallas Center or McMinnville, Santiam, or Woodburn campuses. Counseling and Career Services are available to both current and prospective students.

Individual assistance
Counselors offer individual help for academic course and program planning, including transfer to four-year colleges and universities, career decision making and personal issues. For assistance, drop in during open hours. Call Counseling and Career Services for current hours of operation.

Career planning classes
Career planning classes are conducted by counseling staff to assist persons in choosing or changing careers. In these workshops you may:

- gain a better understanding of your interests, values and skills;
- relate those characteristics to a wide variety of careers;
- find accurate information about occupations and the labor market trends;
- develop a personal plan of action.

Contact Counseling and Career Services for a current schedule of career planning classes.

Career Resource Center
Counseling and Career Services maintains a comprehensive career resource center. You may use materials there to assist you in choosing a career. The center has information on career and job requirements, schooling and training opportunities, and the employment outlook. The center also has a library of current catalogs of Northwest colleges.

Career Information System
A computerized Career Information System (CIS) is available for current and prospective students to use in career decision making. In using this statewide database, you respond to questions concerning your interests, abilities and preferences. The computer analyzes your responses and prints a list of occupations which may suit you.

In addition, you may:

- obtain descriptions of occupations;
- learn how to prepare and train for specific careers, and find out which schools offer such training;
- gather information about the availability of jobs;
- obtain salary information for occupations in Oregon.

For more information, contact Counseling and Career Services.

SKILLS program
SKILLS is a computerized program which allows you to compare skills you prefer to use with those required in certain occupations.

Discover
Another computerized career information resource is DISCOVER. This nationwide database complements CIS and provides a more in-depth assessment of your interests, abilities and values. This system can search through 400 job titles, give information about occupations, and suggest appropriate educational and training institutions.

Academic advising
Chemeketa offers academic advising to all students. If you are enrolling in a professional-technical program of study, you are assisted by a faculty advisor in your program. If you are a full-time “undecided” student who has not chosen a specific program of study or if you plan to transfer to a four-year school, please see a counselor in Counseling and Career Services.

If you attend only evening classes or are a part-time student, we encourage you to visit Counseling and Career Services periodically for academic advising. You may also consult with a counselor at our Dallas Center or McMinnville, Santiam, or Woodburn campuses.

Job Search and Placement
Job Placement Services
503-399-5026
Email: jobplacement@chemeketa.edu
If you are looking for a job or just need help with the job search process, check out the free services and resources available at Job Placement Services.

Job referral
There are a variety of jobs available that relate to specific career programs here at Chemeketa, as well as other part-time and full-time positions. We have daily contact with employers for jobs requiring a wide range of experience and skills.

Job search assistance and resources
Job Placement offers assistance and information with job search techniques. Resource material ranges from resume writing to
interviewing techniques. You can also take advantage of equipment such as computers, printers and fax machines available to assist you in your job search. Appointments may be scheduled for individual resume consultation and assistance.

Videotapes on job search techniques are available in the Learning Resource Center in Building 9 and at Counseling and Career Services in Building 2 on the Salem Campus. They are also available at Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses, and the Salem Public Library.

**On-campus recruiting**
Job Placement works with employers who wish to come to the Salem Campus to recruit and interview students. These visits are announced through special recruitment mailings, job postings at the center, and announcements in class.

**Cooperative Work Experience**

**503-399-5029**
As a student, you may be qualified to participate in work-based learning in your career field through our Cooperative Work Experience (CWE) program. The program allows you to combine your classroom studies with work-related experiences.

In this program, you work with CWE coordinator to find a qualified training site. Your current job may qualify if it relates to your studies. You must enroll for the appropriate number of credits for the amount of hours you work per week. The college must approve your training site and the learning objectives that you and your supervisor develop. Your participation is required in weekly seminars or in regular meetings with a CWE faculty member to discuss your progress.

CWE training helps you expand your knowledge of and experience in a particular type of work while you earn college credit. You gain valuable references for future employment and you can make the transition from school to career a smooth process.

Most of Chemeketa’s professional-technical programs include CWE for elective credit. The CWE office is located in Counseling and Career Services, Building 2, on the Salem Campus.

**Career Management classes**—Career management classes are offered for those in the process of finding, keeping or changing jobs. These classes include the Job Search Techniques series and Career Exploration classes.

Job Search Techniques is a series of one-credit courses that explores what you need to do to prepare yourself for the job search, where to look for appropriate employment and how to successfully apply for a job. Techniques for building a job network, compiling appropriate information for targeting your application materials, writing resumes, and interviewing are covered. These classes are listed under Job Search in the Schedule of Classes.

Career Exploration classes are provided for students who are in the process of exploring the job market and career options. Class focus may include job shadows, informational interviewing or career-sampler activities. These classes are listed under Career Awareness or Counseling and Guidance in the Schedule of Classes.

**Services to the Community**

**Training & Economic Development Center**

**503-399-5181**
[www.chemeketa.edu/exploring/locations/ted](http://www.chemeketa.edu/exploring/locations/ted)
The TED Center trains over 10,000 employees and business owners per year. Our highly effective workshops pay dividends through improved performance at the worksite.

Located at 365 Ferry St. SE, in downtown Salem we have safe, convenient parking and easy access. The training center offers a comfortable setting with computer and satellite communications abilities and is also available to rent for your employee development needs.

The TED Center assists regional economic development needs by providing business assistance counseling and through designing customized programs for employer’s onsite. You can choose from regularly scheduled workshops or arrange for a workshop to be delivered for your employees from one of our excellent group of trainers.

Resources include free access to business publications, videotapes and computers for researching business assistance services. The classroom allows for down linking satellite programs and group training on computer software as well as instructor led training.

Please call if you have any questions related to developing your business or employees and we will direct you to the appropriate resource at the college or from other providers.
The following services are available through the TED Center:

**Small Business Development Center**—Workshops, free one-on-one counseling and a resource center are offered for current and prospective business owners. Workshops cover a variety of topics ranging from start-up information to advanced business management. One-on-one counseling is available to help businesses develop growth strategies, pursue international trade, and increase profitability and productivity.

**Small Business Management**—This 10-month program is for business owners and operators. It includes counseling at the business site and evening classes on business topics once a month.

**Computer Based Training**—A full range of computer based classes and workshops are available both online and instructor led. Over 200 offerings are available under general headings of Internet, Computer, Certification Prep, Writing, Personal Enrichment, Test Prep, Legal, Entrepreneur, Business and Management, courses in Spanish, and Design and Media Certification courses as well as KeyTrain workplace skills training.

**Core Workplace Skills**—A wide variety of employee and organizational assessments are available for individuals or groups, including math, reading, writing, communication, problem solving, and English as a Second Language. Skill development courses can be provided for any of these subject areas. Course delivery methods range from traditional classroom to computer-based instruction.

**Customized and Workforce Training**—Training is customized for business, industry, and government agencies. Services include organizational needs assessment, employee skills assessment, management consultation, job related training and on-site tutoring.

**Management Skills and Organizational Development**—Customized seminars and workshops to meet your organization’s objectives, with skills focused on industry specific needs and performance standards. Topics include: leadership training, communication skills, supervision, project management and strategic planning, and managing customer expectations. Facilitation of groups and process improvement consulting are available.

**Occupational Spanish Participants** learn the Spanish they need for their jobs, and use it the same day. Short, outcome-based workshops and classes for dentists, nurses, law enforcement officers, bank tellers, teachers, firefighters and many other professionals yield immediate benefits for patients and customers. No prior knowledge of Spanish required.

**Computer Technology Training Center** 503-315-4590
www.chemeketa.edu/exploring/studies/cttc/index.html

The Computer Technology Training Center (CTTC) provides computer skills and technical certification preparation training for individuals and organizations. Public and customized computer courses are delivered at your site or at a variety of Chemeketa locations. The CTTC is the only Salem-located Microsoft Academy providing Microsoft certified technical training (MCSE, MCSA), industry-recognized networking and Web certification training. Additional offerings include Microsoft business software, bookkeeping, Web design, desktop publishing and programming skills training. Lab rentals are available at multiple Chemeketa locations.

**Short-term training/industry certifications** 503-399-5181

Chemeketa has a variety of short-term training, industry specific options which you can complete in less than a year that may lead to employment opportunities for you. Offerings include credit and non-credit classes and workshops that range from less than a week to four terms. Please look at page 35 for a list of these options and a contact number for specific information. Some of the programs like Occupational Skills Training and Employment Skills Training may allow you to create your own customized program if it is consistent with gaining employment in a specific occupation.

Starting dates for the classes vary. Many of these classes can be offered on demand but others follow the regular college schedule. It is best to contact the department offering the courses to check on cost, schedule and any requirements for admission and job placement information. These classes meet all college standards for quality of instruction.

Some of the credit short-term training options may apply to the Associate of Applied Science, the Associate of General Studies, and the Oregon Associate of Arts transfer degrees. Check with Counseling and Career Services in Building 2, on the main campus to see if the coursework will apply. To arrange an appointment call 503-399-5120.

Financial aid may be available to students who enroll in programs that offer 24 or more credits over approximately six months or more. For more information on financial aid call 503-399-5018 during regular business hours.

**New Workforce Department**
Agency-Sponsored Services
503-399-6075

New Workforce Department contracts with public and private agencies throughout the district to provide client and staff development services. Workshops are offered on career and personal development topics, and mental and health issues, case consultation, assessments and individual counseling can be provided under contract to agency-sponsored clients. Professional development workshops can also be arranged for agency staff.

**Capitol Learning Center**
503-316-3238
www.chemeketa.edu/exploring/locations/clc

Located in the State Library building on the Capitol Mall, 250 Winter St. NE, the center offers easy access from the downtown area. A wide range of credit and noncredit classes and other college services are available in the evening and weekends in business administration, computer science, general education, and other college transfer and short-term opportunities. Details are available in the quarterly schedule (look for location: OSL) or by calling.
Campus Gallery
503-399-2533
Chemeketa’s art gallery is in Building 3, on the Salem Campus. It presents juried exhibits of professional artists from around the country. Several shows a year, featuring a wide variety of media, are open for viewing by students, staff and the public.

Chemeketa Cooperative Regional Library Service
503-399-5119
The college library is part of the Chemeketa Cooperative Regional Library Service (CCRLS), along with 17 public libraries in the college district.

This cooperative, tax-supported effort provides library service to district residents who have no access to a local library. Member libraries share their resources and honor library cards issued by other member libraries. CCRLS also provides book delivery between libraries.

An automated, online catalog listing over 300,000 titles found in CCRLS libraries is available in each library. Patrons can search by author, title or subject to find materials in any member libraries.

Planetarium
503-399-5161
Chemeketa’s Planetarium is in Building 2 on the Salem Campus. It features a Spitz model 512 sky instrument which projects 2,500 stars, five planets, the sun and moon, and sky coordinates on a 35-foot metal dome. This instrument can project the sky for any date—past, present or future—as seen from any location on earth, and can simulate all motions of the earth.

Chemeketa usually presents two different sky shows each fall, winter and spring term. Showings are scheduled weekly during the term. There is an admission fee with a special rate for families. Call to arrange group showings for schools, clubs and organizations.

Student Life
Special programs and activities
503-399-5116
At Chemeketa Community College, we believe that activities outside the classroom involve students more fully in their education. Our student activities program is designed to respond to your recreational, service, and social interests and needs.

Students assume most of the responsibilities for Salem Campus activities, with guidance and advice from the Student Life Office staff. Students develop and administer most programs, including clubs and campus social and recreational programs.

Activities vary throughout the year, depending upon student interests. These activities and opportunities are planned for you. For more information, contact the Student Life Office on the Salem Campus. There are numerous opportunities for students to participate in leadership opportunities.

Student leadership opportunities
Student Representative Team
503-399-5185
This team of students represents the Chemeketa student voice on the Chemeketa Board of Education, Oregon Community College Student Association (OCCSA), College Council, President’s Advisory Committee and various college standing committees. They coordinate community service events, student forums and other activities for student involvement.

The Chemeketa Courier (student newspaper)
503-399-5134
The Chemeketa Courier, Chemeketa’s student newspaper, is published weekly during fall, winter and spring terms. It is written and prepared by journalism students and has won several awards from the Oregon Newspaper Publishers’ Association.

If you are interested in joining The Chemeketa Courier staff as a reporter or photographer, apply for a staff position by contacting the newspaper advisor.

Literary publication—A humanities faculty group solicits student literary contributions throughout the year. Works are reviewed and selected entries are published in Visions, a literary supplement to The Chemeketa Courier.

Into the Streets
503-399-5221
Each year Chemeketa plans a major volunteer effort to involve students and staff in community service activities in the college district. This event not only provides volunteer experience, it is an opportunity for you to learn the leadership skills associated with community service.

Cultural Forum
503-315-4263
The Cultural Forum’s goal is to increase the college community’s cultural awareness, to support the many cultures on campus and to increase the development of intercultural communication skills. The forum is staffed by a diverse student team. This team researches and plans projects and events with the help of Chemeketa staff and students.

Student Ambassadors
503-589-7644
This program gives you the opportunity to work as a student leader in a variety of college settings. Student Ambassadors conduct campus tours and provide assistance to prospective students through personal contact and correspondence. They are also involved in recruitment, promotional and special events, high school visitations, and working with international and multi-cultural students. Students are selected through a competitive application and interview process. Students may be paid at an hourly rate, a tuition grant or a combination of both.

Mentor Program
503-315-4293
The TRIO Talent Search Mentor Program gives Chemeketa students an opportunity to take part in a community service-learning project. Student mentors are trained to assist middle and high school students, one-on-one, in developing positive self-esteem and encouraging them to continue their education.
Mentors attend a seminar course for academic credit which combines large-group study/training with small-group consultations. Each mentor meets weekly at the middle or high school to assist in-class assignments and other group or one-to-one situations.

Peer Assistants
503-399-5120
Peer Assistants are experienced Chemeketa students who are trained to help others. They know about campus and community resources and assist fellow students with personal, social and academic concerns.

Students are selected for this program through an application and interview process conducted by Counseling and Career Services. Peer Assistants attend a three-credit training course and are then available to assist others while earning Cooperative Work Experience credit.

Student clubs and organizations
503-399-5118
Chemeketa Community College recognizes a number of organizations which provide a variety of activities for students. Among them are:

- Artists Alliance
- African American
- Asian American
- Campus Ambassadors
- Campus Crusade
- Cheerleading
- Chess Club
- Christian Fellowship Club
- Club Español
- Dance Team
- Deaf and Hard of Hearing Club
- Fire Protection Club
- Forestry Club
- Gamers Guild
- Geography Club
- Health Occupation Students of America (HOSA)
- Instrument Society of America (ISA)
- International Conference of Building Officials (ICBO)
- Juntos Club
- Latter-day Saints Club
- Martial Arts
- MEChA
- Native Nations Club
- Phi Theta Kappa
- Rockerty Club
- Salem Area Anime Society
- Sci Fi Fantasy
- Single Parents
- Ski Club
- Society of Manufacturing Engineers (SME)
- Student Nurses Organization (SNO)
- Table Tennis Club
- Theatre Arts Club
- Triangle Society
- Unique Club

For more information about clubs and organizations on the Salem Campus, contact the Student Life Office in Building 2.

Clubs, leadership, scheduling support and activities (CLASS ACT)
503-399-5118
This student team works to support college clubs and student organizations and assists with Leadership Development activities. It also plans and organizes campus activities and events such as College Bowl, Holiday and Spring Craft Fairs, Valentine Delivery, etc. This team also assists with the scheduling of the student center facilities.

Students are selected through an application and interview process. Students are paid at an hourly rate and may be eligible for tuition grants and college credit.

College committees
503-399-5116
Student representatives serve on the following campus-wide committees with Chemeketa staff: Academic Standards, Alcohol and Other Drugs, Curriculum and Multicultural. For more information, contact the Student Life Office.
Oregon Community College Student Association (OCCSA)  
503-399-5117  
Chemeketa Community College has a representative on the board of the Oregon Community Colleges Student Association (OCCSA), a state-wide, student-run organization representing more than 300,000 community college students in Oregon.

Intercollegiate athletics  
503-399-5082  
Chemeketa is a member of the Northwest Athletic Association of Community Colleges (NWAACC). The association includes all community colleges in western Oregon and western Washington. A highly organized program affords quality, competitive opportunities for students. In keeping with the standards of the program, emphasis is put on academic progress as well as athletic opportunity.

Chemeketa fields teams in men’s baseball, men’s and women’s basketball, women’s volleyball and women’s softball.

If you participate in interscholastic sports, a physical examination and documentation of immunization for measles are required. Team travel, uniforms and health insurance are provided. Contact the Physical Education Office in Building 7 for more information.

Community Education

Off-campus classes
We hold classes not only on the Salem Campus, but also at a number of off-campus Salem locations: at our Dallas Center or McMinnville, Santiam, and Woodburn campuses; and at other convenient sites in the district.

Committed to lifelong learning, the college schedules a wide variety of credit and non-credit classes, workshops, seminars and special programs which meet during the day, evening and on weekends. These include college transfer courses, professional-technical and job skill-upgrading classes, and personal enrichment classes in languages, art, first aid, health and other areas. In response to your requests, we are willing to develop and schedule other classes.

Chemeketa’s campuses also provide Adult Basic Education, General Educational Development (GED) test preparation, English as a Second Language, and High School Completion programs. Each campus has a mathematics lab for individualized, self-paced instruction and business skills classes which include training on computers and word processors.

Outreach campus services
In addition to classes, Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses provide these services:

- academic advising, program planning, and course selection guidance;
- career counseling;
- information on financial aid and on veterans’ benefits;
- GED, placement and interest testing;
- Services to meet employment and training needs of businesses and job seekers.

Agriculture classes  
503-399-5139 or 503-399-5146  
Chemeketa offers non-credit classes to meet continuing educational needs of persons involved in agriculture. A variety of classes are offered in each of the following areas:

- Landscape and nursery/greenhouse;
- Pesticide application license examination preparation and recertification;
- Agricultural leadership development in English and Spanish.

Lambing school, pasture management and small gas engine repair classes are also offered.

The program strives to be relevant and responsive to the agricultural community by adjusting course offerings regularly. Suggestions are welcome.

Farm Business Management  
503-399-5089 or 503-589-7759  
Chemeketa’s three-year Farm Business Management program trains farmers in basic recordkeeping and financial management. For more information, see page 81.
**CHEMEEKTA COMMUNITY COLLEGE**

**DEGREES, DIPLOMAS, CERTIFICATES AND TRANSFER INFORMATION**

“Go confidently in the direction of your dreams. Live the life you have imagined.” — Henry David Thoreau
Chemeketa’s academic programs allow you to earn an Associate of Arts Oregon Transfer degree, an Associate of Applied Science degree, an Associate of General Studies degree, or a Certificate of Completion. Or, you may wish to complete the first two years of college at Chemeketa and then transfer credits to a four-year college or university.

Degrees
Graduates of Chemeketa’s two-year programs are awarded an Associate of Arts Oregon Transfer degree, an Associate of Applied Science degree, or an Associate of General Studies degree. All are nationally-recognized degrees.

Associate of Arts Oregon Transfer degree
The Associate of Arts Oregon Transfer (AAOT) degree encompasses the core curriculum of a liberal arts education. This core includes coursework in the areas of communication, humanities, social sciences, mathematics, sciences, computer science and physical education or health. In addition, students are encouraged to explore a broad range of subjects through elective coursework.

Students who earn an Associate of Arts Oregon Transfer degree from Chemeketa will have fulfilled the lower division general education requirements at any of the schools in the Oregon University System. If you enroll full time, it usually takes two years to meet the AAOT requirements listed on page 39.

See the Program Guide on pages 36 and 37 for a complete list of our transfer programs. Information and curriculum outlines of these programs begin on page 50.

Associate of Applied Science degree
Chemeketa, with its emphasis on professional-technical education, offers training in more than 40 occupational areas.

In most of these programs, you may earn an Associate of Applied Science (AAS) degree. If you enroll full time, it usually takes two years to meet the Associate of Applied Science degree requirements. In some programs of study, there are prerequisites to enter the program. See the Program Guide on pages 36 and 37 for a complete list of Associate of Applied Science degree pro-

grams. Information and curriculum outlines of these programs begin on page 50 along with college transfer curricula.

To qualify for an Associate of Applied Science degree, you must meet the requirements listed on page 40.

Associate of General Studies degree
The Associate of General Studies (AGS) degree addresses the needs of students who are not seeking an Associate of Arts Oregon Transfer degree or the specific program requirements of an Associate of Applied Science degree. This degree allows you to combine a broad core of basic courses with a program of study that may be tailored to your academic or professional goals.

You may wish to use this degree to enhance your employment or to fulfill the requirements of a specific four-year college program or special program of study.

To qualify for the Associate of General Studies degree, you must meet the requirements listed on page 41.

Second degree
To earn a second associate’s degree, you must complete at least 12 credits in addition to those you have completed for the first degree. You must also meet all the requirements for the second degree.

Graduation
As a student, you are responsible for fulfilling the requirements for graduation. You should work with your advisor to ensure you complete these requirements.

As a candidate for graduation, fill out an Application for a Degree or Certificate form. Return the form to the Enrollment Center in Building 2, Room 200 by the fourth week of the academic term before the term in which you will complete the program requirements. Dates when applications for graduation are due are listed on page 2 and in the calendar published each term in the Schedule of Classes.

Degrees and certificates become official when graduation information is recorded on your transcript.

If you plan to complete the requirements for your degree during summer term, you may request to participate in graduation exercises held the preceding June. To do this, contact the Student Life Office.

If your studies are interrupted by two years or more, you may find upon your return to Chemeketa that some of the requirements for graduation have been changed. You may have to complete the new requirements in order to earn your certificate or degree.

You may be allowed to make substitutions in the curriculum and still meet graduation requirements by following these steps:

• Discuss the substitutions with your program director or academic advisor.
• Gain written approval of the academic/program director to make the substitution.
Chemeketa awards adult high school diplomas through its High School Completion program. The Oregon Department of Education issues General Educational Development (GED) certificates. Students receive these diplomas and certificates at a graduation ceremony in June. For details on the High School Completion and GED programs, see this page.

Classes required to complete the programs outlined in this catalog are offered on the Salem Campus and through distance learning options. Some of the classes are also offered at Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses, and the Capitol Learning Center.

Certificate of Completion

You will receive a Certificate of Completion if you meet the requirements of certain one-year professional-technical programs.

See the Program Guide on pages 36 and 37 for a complete list of Certificate of Completion programs. Information and curriculum outlines of these programs begin on page 50 along with college transfer curricula.

You may earn a Certificate of Completion by meeting these requirements:

• Satisfactorily complete the required courses or credit hours listed for each program;
• Earn a cumulative grade point average of 2.0 or above for all course work which applies to the certificate;
• Complete a minimum of 15 credit hours at Chemeketa; and;
• Apply courses numbered 050 or higher toward a certificate.

Occupational Skills Training

503-399-5028

Occupational Skills Training, Building 20. Students can earn college credit and a Certificate of Completion for work-based training at approved community training sites throughout the state. Instruction is based on a personalized curriculum created by the Skills Training coordinator, site supervisor, student or sponsoring vocational consultant if a sponsoring agency is involved. Occupational Skills Training is financial aid eligible if a student qualifies, and relevant classes may also be part of the training if necessary for completion of required skills. For further information about the program, see page 103.

On-the-Job Evaluation — The OJE process provides evaluation services and workers’ compensation coverage for clients who need a work-based evaluation at a designated site to clarify vocational goals and assess capabilities and potential for a designated job or training area. This is a non-credit, non-graded process which is monitored according to a personalized outcome assessment.

High School Completion

Chemeketa has several programs to help you earn the credits you need to receive a high school diploma or its equivalent. The college also offers special classes to help you improve the basic skills which are important when you enroll in college-level courses.

Adult high school diploma program

503-399-5115

In Chemeketa’s adult high school diploma program, you may earn the credits you need to receive a high school diploma.

To enroll in the adult high school diploma program, take copies of your high school and college transcripts to the Winema School Office in Building 50, Room 154 on the Salem Campus or to Chemeketa’s McMinnville, Santiam or Woodburn campuses. Interested students must take the college placement test and meet minimum entry scores in the ASSET test of 34 for reading, 33 for writing and 29 for math.

At Chemeketa, you may earn credits toward a high school diploma in three ways:

• Enroll in high school completion classes offered on the Salem, McMinnville, Santiam, or Woodburn campuses.
• Earn high school credit for most Chemeketa classes. All Chemeketa high school level courses must be completed with a grade of C or higher for high school credit to be awarded.
• Receive credit for some of your life experiences. These may be skills and knowledge you learned on a job, doing volunteer work, managing a home, or serving in a branch of the military. Chemeketa staff members will evaluate your experiences to award you credit.

Twenty-two high school credits, ASSET scores of 40 for reading, 39 for writing, and 38 for math are required to complete the high school diploma program. (At least two of these credits must have been earned at Chemeketa Community College.) To be in the program, you must be 16 years or older. Students who have met state minimum required courses/credits must complete residency as well as aforementioned requirements. You must have a release from your high school if you are under 18 years old.

General Educational Development (GED)

503-399-5224

You may earn a high school equivalency certificate by passing General Educational Development (GED) tests in English or Spanish. These are five tests covering language arts: writing, language arts: reading, social studies, science and mathematics.

Chemeketa offers classes throughout the college district to help you prepare for these tests. You may enroll during the term depending on space in classes and progress at your own pace. Classes are held at our Dallas Center or McMinnville, Santiam, and Woodburn campuses, and the Salem Campus. Generally, you must be 18 years or older, but if you are 16 or 17 years old, you may enroll if you have a release from your high school. Fees may apply.

GED tests are given in Salem, McMinnville, Dallas and Woodburn. The fee is $95.
Adult Basic Education
503-399-5224
If you do not have a high school diploma or if you need to upgrade your basic skills, you may sign up for non-credit classes in basic English, mathematics and reading. These classes and General Educational Development (GED) classes meet together. Classes are held on the Salem Campus and at our Dallas Center or McMinnville, Santiam and Woodburn campuses. Fees may apply.

College Transfer

General information
Chemeketa offers the Associate of Arts Oregon Transfer Degree, as well as individual transfer courses for students who wish to begin their bachelor’s degree at the community college. You can complete most of the general education requirements, and begin work on the requirements for a specific major while studying at Chemeketa.

If you plan to transfer credits toward a bachelor’s degree, follow these steps:
• Contact the four-year university you plan to attend to check entrance requirements and the suggested freshman and sophomore classes required in your chosen field.
• Confer with a Chemeketa counselor or an academic advisor before you register.
• Check with the college or university a term or two before completing your work at Chemeketa to make sure you are meeting all requirements.
• Apply for admission as a college transfer student and transfer your credits to the four-year institution.

Collaborative bachelor’s degrees
Chemeketa has partnerships with Portland State University, Linfield College, Oregon State University, Western Oregon Univ., the University of Phoenix, George Fox University, Western Baptist College, Eastern Oregon University and Capella University to offer bachelor’s and master’s degrees in Salem. Most classes are held during the evening, on weekends, or via distance education. For more information on these programs, contact advisors at the numbers listed below:

Portland State University 503-399-5262
Offers bachelor degree programs in: Child and Family Studies, General Studies, Social Science and minors or certificates in Administration of Justice, Community Development, History, Sociology, and Chicano/Latino Studies. Graduate degrees include Master of Business Administration – Statewide, Master of Curriculum and Instruction, and Master of Public Administration. Students may be co-admitted and jointly enrolled at PSU and Chemeketa under a new agreement.

Linfield College 503-399-5121

Oregon State University 503-589-7678
Offers bachelor degree programs in: Environmental Science, General Agriculture, Natural Resources, Liberal Studies and minor in Communication (Distance Education format).

George Fox University 888-888-0178
Offers a bachelor degree program in: Management and Organizational Leadership.

Western Baptist College 503-375-7590
Offers bachelor degree programs in: Family Studies and Management and Communication (Online and classroom format.)

Western Oregon University 503-838-8483
Offers a Master of Science in Education and Continuing License program or Standard License program.

Eastern Oregon University 800-547-8887
Offers bachelor degree programs in: Business, Liberal Studies, PE/Health, Philosophy, Politics, Economics and Fire Services Administration (Online format).

University of Phoenix 503-670-0590
Offers bachelor degree programs in: Business (e-business, Administration, Management), Human Services, Information Technology and Management (Online and classroom format).

Capella University www.capellauniversity.edu
Offers online bachelor degree programs in Business, Information Technology and Education.

Curriculum requirements
Chemeketa’s college transfer programs are adapted from curriculum requirements listed in the most recent catalogs of Oregon’s public four-year universities. The Counseling and Career Services in Building 2 on the Salem Campus and academic advisors have the catalogs. You may also meet with a counselor to review the requirements at Chemeketa’s Dallas Center or McMinnville, Santiam and Woodburn campuses.

General education requirements for Oregon’s four-year colleges and universities are listed on pages 42–48. The Counseling and Career Services also has advising sheets specific to these institutions, which include Eastern Oregon University, Oregon Institute of Technology, Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. Additionally, the center has advising sheets for programs offered at Bassist College, Concordia College, George Fox University, Lewis and Clark College, Linfield College, Marylhurst University, Oregon Health Sciences University, Pacific Northwest College of Art, Pacific University, University of Portland, Western Baptist College, Western States Chiropractic College, Willamette University and the University of Phoenix.
Certificates of Completion* and Short-term Training Awards

You don’t need to complete a two-year degree to prepare for some of the jobs that may be of interest you. Many programs offer Certificates of Completion that you can usually finish in one year. Another alternative is getting training for a specific workplace skill and receiving a short-term training award. The amount of time required for short-term training ranges from a few hours to one or two terms. Contact the departments or individuals below for more details.

Business and Industry Certification

Certification is a recognized approach to demonstrate your proficiencies in any one of a wide range of technical and administrative areas. Whether you are seeking a position with a new organization, or looking to advance in your present organization, certification demonstrates that you have the skills you need to take the next step. At Chemeketa Community College, our mission is to provide high quality, affordable career education that meets the needs of professionals and employers. You will be working with experienced faculty, using today’s technology, at a fraction of the cost of private training companies. The course material is developed to help you prepare for the certification test, and succeed on the job.

Certificates are available for a broad range of career areas, designed for professionals working in a wide range of fields. Training and certification give employees the skills they need for today’s high-tech workplace.

<tr>
<td>Notes: Two terms of college-level foreign language, with a grade of C or higher, are required for admission to Oregon University System universities. This requirement applies only to students graduating from high school in 1997 or later. This requirement may also be met by completing two years of foreign language at the high school level. This is not a requirement for earning the Associate of Arts degree.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Associate of Applied Science Degree Requirements

Requirements
Satisfactorily complete the required courses and credit hours listed for each professional-technical program in the Programs of Study section of this catalog.

General Education Requirements
You will meet the general education requirements if you follow the curriculum outline listed for your program. In some cases the program specifies exactly which of the general education courses you should take. The courses listed below meet the college’s general education requirements.

Writing
One class of WR115, WR121, BA214, BT184 or COM1051 or any higher numbered writing class.*

Math
One class of MTH052 or any higher numbered math course.

Computer Literacy
The following program-approved list of courses allows a student to meet the college’s computer literacy competency requirement. Check with your program advisor if you have any questions related to this requirement.

CA100** Microcomputer Basics 3 credits
CIS120** Computer Information Science I 4 credits
CSI101** Introduction to Microcomputer Applications 3 credits
DRF165** CAD System Administration 3 credits
CAM160** Programming CNC Mills 3 credits

Three credit hours from three of the four following areas:

Social Sciences
Anthropology, Chicano/Latino Studies, Economics, Geography, History, Human Development and Family Studies, Political Science, Psychology, Social Science, Sociology, Women’s Studies.

Humanities/Fine Arts
American Sign Language, Art, English, Film Arts, Foreign Language, Humanities, Music, Music Performance, Philosophy, Religion, Theater Arts.

Science/Applied Science
Approved program-related instruction may satisfy this requirement, or courses in Biology, Botany, Chemistry, General Engineering, General Science, Geology, Nutrition and Food Management, Oceanography, Physics, Zoology

Communications*
Communication Skills, English as a Non-Native Language, Journalism, Speech, Writing, Reading, plus these specific classes: BA214, BT120, RD115, RD116, RD120, and SSP112.

Three additional credits from any of these areas:

Communications
Health Education
Humanities/Fine Arts
Math
Physical Education
Science
Social Science

Complete a minimum of 30 credit hours at Chemeketa.

Earn a cumulative grade point average (GPA) of 2.0 or above for all course credits which apply toward the degree. Only courses numbered 050 or higher, unless otherwise indicated, apply toward the degree.

Notes:
1. We recommend that you see an advisor for guidance before you enroll.
2. At the end of a program or course of study, any student receiving a three-term Certificate of Completion or two-year Associate of Applied Science degree will meet exit proficiencies in communications, computation and human relations. See your advisor.
3. Some of Oregon’s four-year institutions accept certain courses in professional-technical programs as college transfer courses. If you are interested in continuing your education after completing a Chemeketa program, check with the institution you plan to attend.
4. For information on the Industrial Technology and Apprenticeship degree, see page 96.

*Courses taken to meet the Writing requirement may not also be used to meet the Communications requirement.

**Indicates a course prerequisite or requirement related to the course. For further information contact your program advisor or college advisor.

</tr>
</tbody>
</table>

Notes:
1. A maximum of 126 credit hours of lower division coursework may be applied toward a baccalaureate degree.
2. General Education Distribution Requirements: In the absence of an AAOT degree from an Oregon community college, students must complete a minimum of 15 credits in each of the following four areas: Humanities, Natural Science, Social Science and Arts, Languages and Logic. Within each of the four areas a student must have completed courses with at least two different prefixes other than the prefix or prefixes of the student’s major. No more than 12 hours in a discipline may be applied in an area.
3. Students must demonstrate “functional computer literacy” in the major field.
4. For the Bachelor of Science (B.S.) degree: In addition to completing the General Education Distribution Requirements, students are required to demonstrate the application of mathematics at the college level. Means for satisfying this requirement are described in each major at Eastern.
5. For the Bachelor of Arts (B.A.) degree: In addition to completing the General Education Distribution Requirements, students are required to demonstrate proficiency in a single foreign language (two years or completion of a second-year foreign language course sequence or equivalency).
6. The Writing Proficiency Exam (WPE) must be attempted prior to admission to a major degree program and must be passed prior to graduation from Eastern. Students are required to complete writing courses through WR121 or, upon entering, demonstrate a Test of Standard Written English (TSWE) score of 50 or better before attempting the WPE given at Eastern.
7. Courses in which “D” grades have been earned will transfer to Eastern.
8. Only courses with letter prefixes and numbers above 100 are accepted at Eastern.
9. This guide is subject to change without notice and should not be regarded as a contract between Eastern and students attending Chemeketa Community College.
10. Two years of high school or two terms of college-level foreign language (same language) required for students graduating from high school spring, 1997 or later.

**Notes:**
1. A maximum of 108 credit hours earned at a community college may be applied toward a baccalaureate degree.
2. No more than two courses from the same department may be used to fulfill the Baccalaureate Core Curriculum requirements other than writing.
3. In general, only courses with letter prefixes and numbers above 100 are accepted at OSU. Some professional/technical courses numbered 100 or higher are not accepted as transferable courses. Please contact the office of admissions and orientation at OSU regarding specific courses. Professional/Technical courses include those with prefixes of: AUM, BLD, BT, CA, CJ, DRE, ECE, ED, EIT, ENL, FE, FRP, FT, HM, HTM, MED, MFG, MT, NET, RE, VC, VMW.
4. Students with professional/technical credits (including courses numbered 50-99) should contact the assistant registrar at OSU for assistance in determining transferability of these courses to an OSU major.
5. OSU will accept “D” grades. Some departments, schools or colleges may not accept “D’s” in required courses.
6. Students with an Associate of Arts Oregon Transfer (AAOT) degree from Chemeketa Community College will be considered as having met OSU’s lower division Baccalaureate Core Curriculum requirements.
7. Departments, schools, or colleges at OSU may restrict the courses used by their major students to satisfy each general educational component.
8. This guide is subject to change without notice and should not be regarded as a contract between OSU and students attending Chemeketa Community College.
9. Two years of high school or two terms of college-level foreign language (same language) required for students graduating from high school spring, 1997 or later.

### General Education Notes:

1. Must complete 36 transferable credits before transferring.
2. Must complete a two quarter/6-8 credit sequence from each of the following three courses resulting in a total of 24 credit hours; Arts & Letters, Social Science, Science/Math.
3. Bachelor of Science
   - Need total of 8 credits w/Math, Computer Science or designated logic class.
   - Must have combined total of 48 credits from Math, Science, business and Social Science.

### Bachelor or Arts
- Need one year of a foreign language at a second year level.
- Must have a combined total of 48 credits from Humanities, and Fine and Performing Arts.

### Students entering SOU who have earned an Associate of Arts Transfer Oregon degree from Chemeketa will be considered to have met SOU's core curriculum requirements.

**Notes:**

1. A maximum of 108 hours taken at community colleges can be transferred to SOU. A total of 180 credits is required for a Bachelor of Arts or Sciences degree.
2. Only courses with a letter prefix and a number of 100 or higher are considered transferable.
3. A maximum of 24 credit hours of professional/technical courses are accepted as free electives.
4. Courses in which "D" grades have been earned are accepted by SOU except those otherwise noted.
5. This guide is subject to change without notice and should not be regarded as a contract between SOU and Chemeketa Community College.
6. *Two years of high school or two terms of college-level foreign language (same language) required for all students graduating from high school Spring 1997 or later. SOU will not grant credit for the following courses; RD115, RD116.*

</tr>
</tbody>
</table>

Notes:

1. A maximum of 108 credit hours earned at a community college may be applied toward a baccalaureate degree.
2. Courses with letter prefixes and numbers above 100 are accepted at the University of Oregon (with the exception of the following: RD115, 116, 117).
3. A maximum of 12 credit hours of vocational/technical courses are accepted as electives.
4. B.A. degree requires equivalent of two years of college foreign language. Students who have not earned the Associate of Arts Oregon (AAOT) transfer, can not use the same foreign language courses to meet both the Arts and Letters and B.A. requirements.
5. B.S. degree requires MTH111, 211, 212 and 213; or any three of the following: MTH105, 111, 241 and 243; or MTH112 or 116 plus any one of the following: MTH231, 241, 243, CS133U, 161, 162; or any one of the following: MTH251, 252, 253, 254, 255, 256. All courses must be completed with a “C” grade or better. Students who have not earned an Associate of Arts Oregon Transfer (AAOT), cannot use the same courses to meet B.S. degree Math/Computer course proficiency requirement and the Science requirement.
6. Courses in which “D” grades have been earned will transfer to UO, but will not satisfy degree requirements in writing, mathematics or foreign language and may not be acceptable for major requirements.
7. Students not meeting freshman admissions criteria must complete WR121 and MTH105 or 111 before transferring.
8. Students who have earned an Associate of Arts Oregon Transfer (AAOT) degree from Chemeketa Community College will be considered as having met the Core Curriculum requirements at UO. The Multicultural Studies requirement is not satisfied by completing the AAOT degree unless acceptable courses are taken as part of the AAOT degree.
9. This guide is subject to change without notice and should not be regarded as a contract between UO and students attending Chemeketa Community College.
10. Students graduating from high school in 1997 or after must have completed two years of high school-level second language or two terms of a college-level second language or demonstrated proficiency to be admitted to U of O.

* No more than three courses from any one department may be used to satisfy the total 48 credit group requirement. Courses in the major may be used to satisfy the group requirement.

Career Choices and Programs of Study

As you begin at Chemeketa you may have already decided on a career you want to pursue or a program area you want to enter. Many students, however, are still figuring that out when they start at the college. If you are still exploring career options, the career information here may be helpful to you. Below is a list of the fastest-growing jobs in Marion, Polk and Yamhill counties. As you look at these jobs, keep in mind that some of these jobs require a degree or certificate, but others may just require a few courses. In each of these areas Chemeketa has the training available to prepare you for work. The contact and program information will help you find the classes or program you need.

Here is a list of the fastest-growing jobs in Marion, Polk and Yamhill counties. As you look at these jobs, keep in mind that some of these jobs require a degree or certificate, but others may just require a few courses. In each of these areas Chemeketa has the training available to prepare you for work. The contact and program information will help you find the classes or program you need.
Accounting

See also Business Administration.

Are you interested in becoming a bookkeeper, accounting clerk, or junior accountant? The Accounting program offers you the training to qualify for entry-level positions requiring accounting in business, industry and government agencies.

The program includes a core of accounting, business, and general education courses and emphasizes acquiring specialized business knowledge. You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree. You may take some or most of your classes at night.

We strongly suggest that you consult with your assigned advisor to plan your course of study before you begin the first term. The college requires you to take English and mathematics placement tests before you apply for admission. If the tests show that your skills are above the levels of the required first term courses, you may request to substitute general education courses.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Chemeketa’s Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- **BT061A** Electronic Calculators A
  (if less than 80 strikes/minute) .................1
- **BT085** Business English 2 .................3
- **CA121A** Keyboarding A (if less than 25 wpm) ..............1
- **CS101** Introduction to Microcomputer Applications ....3
- **MTH060** Introductory Algebra ................4
- **RD090** College Textbook Reading ..............3

If you have questions about the requirements, call Chemeketa’s Counseling and Career Services at 503-399-5120 or 503-399-5114. Failure to be assessed may delay your entry into program classes.

You may be interested in our Cooperative Work Experience program which allows you to earn college credit for work you do relating to your program. With the approval of the CWE instructor, you may enroll in BA280A-L Cooperative Work Experience and earn up to six credit hours as a business elective. For more information, look under Cooperative Work Experience in the catalog index.

The Accounting program provides you with an opportunity to participate in a number of accounting-related extracurricular activities. Several professional accounting organizations, such as the National Association of Accountants and the American Society of Women Accountants, encourage you to become active in Salem area chapters.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,765; class fees, $200; universal access fee, $392; equipment and supplies, $150. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 98 credit hours with a grade of C or better in all Business Administration (BA) courses.

---

**Agriculture**

*(transfer course guideline)*

Oregon State University offers Bachelor of Science degrees in Agricultural and Resource Economics, Agricultural Business Management, General Agriculture, Animal Sciences, Crop and Soil Science, Fisheries and Wildlife Science, and Food Science and Technology.
The educational guide outlined below is designed to meet some requirements at OSU. It is important to check the OSU catalog for the requirements of specific majors.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at OSU to learn of any possible changes in an academic area.

*To meet OSU general education requirements.

Anthropology

(transfer course guideline)

Oregon State University, Portland State University, and University of Oregon offer Bachelor of Arts and/or Bachelor of Science degrees in Anthropology. Eastern Oregon University, Southern Oregon University both offer a combined major in anthropology and sociology.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

<td>Electives* (CS101 Introduction to Microcomputer Applications for SOU; UO recommends Computer Science and Statistics courses)</td>
</tr>
</tbody>
</table>

*To meet four-year college general education requirements; OSU students must meet liberal arts core and OSU general education requirements.

**MTH243 and MTH244 Probability and Statistics 1 and 2 and CS101 Introduction to Microcomputer Applications recommended for students planning to do graduate studies.

***A maximum of 12 credit hours of Anthropology at the 100 or 200 level can apply at UO.

Aquarium Science

The Aquarium Science program is a comprehensive two-year Associate of Applied Science degree program of both theory and practical experience designed to prepare students for a career in aquatic animal husbandry.

This program is taught at Oregon Coast Community College, and enrollment is limited. For additional information, contact
Students who successfully complete the program will be qualified to work in the aquatic animal husbandry profession. They may be eligible for positions as aquarist, aquatic biologist and keeper. Potential employment opportunities include public zoos and aquariums, ornamental fish retailers and wholesalers, aquaculture businesses, research programs, marine educational centers, state and federal natural resource agencies, as well as self-employment.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,500; class fees, $590; universal access fee, $176; equipment and supplies, $400; and travel and living expenses during the internship. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree in Aquarium Science by successfully completing the required 97 credit hours with a grade of C or better in all courses. You will need to complete 132 hours of practicum and 400 hours of field internship.

Art

(transfer course guideline)

See also Visual Communications for Graphic Design

Oregon state colleges and universities offering Bachelor of Arts and/or Bachelor of Science degrees in Art are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. OSU has majors in Art, Art History, Fine Arts, Graphic Design and Photography, and UO has majors in Art History, and Fine and Applied Arts.

A five-year educational guide in Art leading to the Bachelor of Fine Arts (B.F.A.) degree is also offered at OSU, SOU and UO.

The educational guide outlined below is designed so that you may meet requirements of these institutions in two years, if you attend full time.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Studio Art courses (EOU choose from ART154 Pottery I, ART221 Graphic Design 1: Symbols and Meaning, ART261 General Photography, ART271 Introduction to Printmaking, ART281 Painting, ART291 Beginning Sculpture) OSU ART261 General Photography, ART281 Painting, and ART291 Beginning Sculpture for most courses, also recommend ART221, ART262, and ART264 for some options; PSU choose nine-eighteen credits from study concentration and six-twelve additional Art credits outside of concentration; SOU choose eight credits from three groups listed in SOU catalog; UO Art History majors take six hours of studio courses in Drawing, Painting, Sculpture, or Design; WOU twelve hours from ART155 Pottery 2, ART230 Drawing: Anatomy for Artists, ART270 Beginning Screen Printing, ART274 Printmaking, ART281, ART291)

Electives (CS course required at EOU; ART221, 222 Graphic Design 1 and 2 recommended for EOU) 0-3

*To meet four-year college general education requirements; OSU students must meet liberal arts core as well as general education requirements.

Automotive Technology

Do you want to become an automotive maintenance and repair technician? The Automotive Technology program emphasizes technical training and development of skills through the study of the various systems of the automobile. You may select individual courses to meet your needs, or you may work toward a degree as an automotive technician. The one-year programs offer training for auto body repair and auto machine shop, including courses in auto heating and air conditioning, welding, general education courses and Cooperative Work Experience.

To help you work effectively with people, the program also includes written and oral communications classes and general education electives. The curriculum emphasizes related scientific, mathematical and general mechanical principles.

Getting Started

The first step to entering the following program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>MTH020</td>
<td>Basic Mathematics</td>
<td>3</td>
</tr>
<tr>

</tr>
<tr>
<td>SSP051</td>
<td>Studying for College</td>
<td>0</td>
</tr>
<tr>
<td>WR040</td>
<td>Writing Skills</td>
<td>0</td>
</tr>
</tbody>
</table>

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5210. Failure to be assessed may delay your entry into program classes.

You may be interested in our Cooperative Work Experience program which allows you to earn college credit for work you do relating to your program. To be eligible for on-site Cooperative Work Experience, students must maintain a 2.5 or higher GPA in Automotive Technology courses. With the approval of the program chair, you may enroll in AUM280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

Automotive Body Repair

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $305; class fees, $57; universal access fee, $184; equipment and supplies, $1,200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 46 credit hours:

| **Biology, Botany, General Science, Zoology**

(transfer course guideline)

Oregon state colleges and universities offering Bachelor of Arts and/or Bachelor of Science degrees in Biology are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University.

The educational guide outlined below is designed to meet requirements for a degree in Biology at these institutions, as well as for a major in General Science at OSU or UO, and the Botany, Zoology, Physiology and Microbiology options for Biology at PSU. With minor adjustments as noted below, this outline of classes may also be followed for majors in Botany, Microbiology or Zoology at Oregon State University. See college catalogs for other class options and additional requirements. It may be advisable to transfer after one year of community college course work.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Building Inspection Technology

The Building Inspection Technology program has two options. There are four four-term focused plans for students with experience in the building trades and a two-year (seven-term) option for those new to the field. As a graduate of either program, you may qualify for State of Oregon certification as a building inspector at the C level or higher, depending upon your experience.

There is a need for certified building inspectors working for public agencies. If you have some experience in the field, after you graduate you may qualify as a construction manager or clerk-of-the-works or perform similar functions in other jobs.

The curriculum covers technical and general education courses. Classes on various codes, plan review, inspection techniques, and construction materials are complemented by courses in mathematics, communication skills and public relations. You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree or a Certificate of Completion.

You may be interested in our Cooperative Work Experience program which allows you to earn college credit for work you do relating to your program. With the approval of the program chair, you may enroll in BLD280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

The certificate programs have been designed to be completed in one year and the degree program in two years, if you attend full time. However, there are entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. To assess the time you will need to complete the program, please meet with the program chair.

This program has special admission requirements and enrollment limits. For additional information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

Focused Plans for Certificates

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $907; class fees, $66; universal access fee, $240-264; equipment and supplies, $264. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion for the One- and Two-Family Plans Examiner, Structural Inspector and Mechanical Inspector by successfully completing these 63 required credit hours:

### Business Administration (transfer course guideline)

(Includes Accounting, Finance, International Business, Marketing and Management)

Oregon’s state universities offering a Bachelor of Arts and/or Bachelor of Science degrees in Business Administration are Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. Eastern Oregon University offers a combined degree in Business and Economics.

The educational guide outlined below is designed to meet requirements at these institutions.

Many colleges have specific requirements for admission to their Business Administration programs. These include specified GPA, completion of specific courses, and deadlines for admission. As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

The Clerical Basics program allows you to concentrate on developing the basic skills required of a receptionist, file clerk, bookkeeper, typist and an employee in other related positions. Independent study and individualized instruction allow you to proceed at your own pace. The class time is flexible to accommodate your schedule. Courses include keyboarding, records management, business English, calculators, bookkeeping, proofreading, a computer operating system, and basic word processing, spreadsheet and database. If you wish to refresh specific skills, you may enroll in other electives as your schedule allows.

Business Technology

Chemeketa offers a Clerical Basics certificate, one-year certificates and two-year degree programs in business technology for those who wish to pursue a career in a business office environment.

The Clerical Basics program is an open-entry, open-exit curriculum for people who want to develop or refresh their clerical skills in order to qualify for entry-level office work. You may select individual courses to meet your needs, or you may work toward a Certificate of Completion.

The one-year core curriculum and electives prepare you as an entry-level office support specialist. You may earn a Business Technology Certificate of Completion by successfully completing the credit hours required.

The two-year program is designed for people who want to become secretaries, assistants and support specialists. There are four options: Administrative Assistant, Accounting Administrative Assistant, Business Support Specialist and Medical Administrative Assistant. You may earn an Associate of Applied Science degree by successfully completing the credit hours required for each option.

You may be interested in our Cooperative Work Experience program which allows you to earn college credit for work you do on approved job sites in the business community.

With the approval of the program chair, you may enroll in BT280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

Required Courses:

Course Title Credit Hours
BT061A Electronic Calculators A ..........................1
BT084 Business English 1 ..................................3
BT085 Business English 2 ..................................3
BT090 Bookkeeping ...........................................3
BT099A Proofreading/Editing A ......................... 1
BT116 Office Procedures ................................. 3
BT128A Introduction to Records Management A .... 1
BT128B Introduction to Records Management B .... 1
CA121A Keyboarding A ....................................1
CA121B Keyboarding B ....................................1
CA122A Keyboard Skillbuilding A .....................1
CA122B Keyboard Skillbuilding B .....................1
CA123A Formatting A ......................................1
CA201D Word Processing Procedures 1 .............3
CS101 Introduction Microcomputer Applications ....3
CA100 Microcomputer Basics ...........................3

*Business elective: Choose courses with prefixes BA, BT, CA, CS, and FE205A, FE205B.

Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

BT084 Business English 1 ..................................3
CA121A Keyboarding A (if less than 25 wpm) ...... 1
MTH060 Introductory Algebra ..........................4
RD090 College Textbook Reading .....................3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5114. Failure to be assessed may delay your entry into program classes.

One-Year Certificate Programs

You may earn a Certificate of Completion by successfully completing the required credit hours required for the Business Technology Certificate or the Business Software Certificate.

Business Technology Certificate

This certificate prepares you to work as a word processing operator, general office clerk, receptionist, typist, file clerk, secretary, transcriptionist, bookkeeper and/or accounting clerk. You may enroll part time or full time. Upon successful com-
plication of this program, you will receive a Certificate of Completion in Business Technology. You will complete 37 required credit hours and select nine hours of elective classes.

A course with an asterisk (*) has a prerequisite or is in the pre-program requirements determined when you were tested at entrance. Your classes will be offered primarily in traditional classrooms and labs. Taking classes through distance education is an option for some classes. If you are interested in taking classes primarily by distance delivery, see the Business Software Certificate.

In addition to tuition, estimated costs for students who complete the required courses listed below are books, $1,015; class fees, $122; universal access fee, $184; equipment and supplies, $71. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 46 credit hours with a grade of C or better in all courses. These include the 40 credit hours listed under Business Technology Certificate core requirements, and six credit hours of Business Technology Certificate electives.

**Business Software Certificate**

This certificate offers students the opportunity to earn a one-year certificate in Business Technology primarily through distance delivery methods such as telecourses, online courses and CTV courses.

In addition to tuition, estimated costs for students who complete the bookkeeping specialization required courses listed below are books, $350; class fees $918; universal access fee, $188; equipment and supplies-access to a computer with a modem and appropriate software. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing 47 required credit hours. These include the 25 credit hours listed under Business Software core requirements, and 22 credit hours of Business Software electives. Successful completion requires that you earn a grade of C or better in all courses.

*In order to be most successful, take CA118A and CS101 prior to other CA and CS courses in your program.

**Other electives may be permitted. Before registering for a course not listed, contact your advisor for approval.
Two-Year Degree Programs

Chemeketa’s Business Technology two-year program is designed for a person who wants to become an accounting assistant, administrative assistant, business support specialist, medical assistant, office coordinator or manager or other administrative support specialist.

If you are employed as an office worker and you want to increase your skills in order to advance in your career, you may benefit from this training. You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree.

The program has four options: Accounting Administrative Assistant, Administrative Assistant, Business Support Specialist, and Medical Administrative Assistant. You may earn an Associate of Applied Science degree by successfully completing the credit hours required for each area. Successful completion requires that you earn a grade of C or better in all courses.

Accounting Administrative Assistant Option

The Accounting Administrative Assistant option prepares you for office positions where bookkeeping tasks are emphasized.

This option provides you with basic training in bookkeeping, both manual and computerized, in addition to training in office skills such as information processing, office procedures, records management and office management.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,803; class fees, $185; universal access fee, $384; equipment and supplies, $142. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 96 credit hours with a grade of C or better in all courses.

Administrative Assistant Option

The Administrative Assistant option prepares you for a variety of positions as an administrative support staff person. This work requires you to be able to organize a variety of tasks, accept responsibility, and work effectively as a team member. You will become skilled in areas such as keyboarding, document production, composition, machine transcription, computers and operating business machines. You will gain knowledge of records management, word processing, data processing, desktop publishing and office procedures.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,744; class fees, $114; universal access fee, $336; equipment and supplies, $94. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 99 credit hours with a grade of C or better in all courses. These include the 46 credit hours listed under Administrative Assistant first-year core requirements, and 53 credit hours from the second-year core requirements.

Chemistry

(transfer course guideline)

Oregon's state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Chemistry are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University (SOU), University of Oregon and Western Oregon University. SOU also offers a Business-Chemistry co-major.

The educational guide outlined below is designed to meet some of the requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa's Counseling and Career Services or a Chemeketa advisor. Also, you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

*To meet four-year college general education requirements. **Replaces 300 level requirement at state universities with acceptable score on ACS national exam.
Chiropractic

(transfer course guideline)

Western States Chiropractic College in Portland offers a degree in Chiropractic Medicine. Students must complete two years of pre-chiropractic credits (90 quarter credits) with at least a 2.25 grade point average as well as a 2.25 grade point average in chemistry, zoology and/or biology courses.

The program outlined below is designed to meet the prerequisite requirements for Western States Chiropractic College. However, the program has entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. To assess the time you will need to complete the program, you may consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor in your program.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also, you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Approved Humanities or Social Science electives* (from Anthropology, Art History, Economics, Literature (ENG), Fine Arts, Geography, HD220, 221, Human Development and Family Studies, History, Humanities, Journalism, Music, Philosophy, Political Science, Religion, Sociology, Speech, Theater Arts, Writing, Women’s Studies; Art, Music, and Theater Arts classes must be theory-based.)

Civil Engineering Technology

The Civil Engineering Technology program offers both a one-year Certificate of Completion and a two-year Associate of Applied Science degree. The one-year certificate program prepares the student for entry-level surveying and drafting positions. The two-year program prepares the student to provide preliminary designs of public works and subdivision design in addition to surveying projects. Both curricula include courses and field experiences in drafting and surveying. The two-year program also includes basic engineering science; communication skills; psychology; and environmental and sanitary engineering.

Job opportunities vary. As a graduate of the two-year program, you may assist in the planning, design and construction. You may go into public safety and services dealing with water supply and wastewater treatment systems. As a technician on construction projects, you may assist in estimating costs, writing specifications, inspecting, surveying, drafting or designing.

**Getting Started**

The first step to entering the following program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm) ............. 1
- CS101 Introduction to Microcomputer Applications ........ 3
- MTH070 Elementary Algebra .................................... 4
- SSP051 Studying for College .................................... 3
- RD090 College Textbook Reading .............................. 3
- WR040 Writing Skills ............................................. 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5210. Failure to be assessed may delay your entry into program classes.

**Survey Technology Certificate**

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $481; class fees, $95; universal access fee, $196; equipment and supplies, $355; optional certification exam, $100. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 49 required credit hours:

## Associate of Applied Science Degree

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,266; class fees, $275; universal access fee, $396; equipment and supplies, $355; optional certification exam, $100. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

Chemeketa also offers a pre-engineering transfer program for students who want to transfer to an accredited four-year college or university to earn a Bachelor of Science degree. For details, look under Engineering (transfer course guideline).

An Associate of Applied Science degree is awarded upon the successful completion of the required 99 credit hours:

## Computer Electronics Technology

See Electronics Technologies.

## Computer Programming

Chemeketa’s Computer Programming curriculum is for students who wish to become professional business-application programmers. As a graduate of this program, you will meet the minimum educational and experience requirements to qualify for the State of Oregon employment classification as a computer programmer trainee. After six months of experience, you may qualify as a computer programmer.

The Microcomputer Support Specialist option is for those who are seeking to start a career in microcomputer applications management and systems administration. The two-year program includes theory and technical information as well as experience in performing actual microcomputer systems maintenance in a hands-on classroom environment. The curriculum emphasizes problem solving, troubleshooting and working effectively with people.

Either program can be modified to a limited extent by working with the instructional staff to meet your individual needs, as you work toward an Associate of Applied Science degree.
Students interested in specializing in network administration should see the Network Technology program.

You may be interested in our Cooperative Work Experience program which allows you to earn college credit for work you do relating to your program. With the approval of the CWE coordinator, you may enroll in CS280A-L Cooperative Work Experience and earn college credit hours. For more information, please look under Cooperative Work Experience in the catalog index.

Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm) ............ 1
- CS101 Introduction to Microcomputer Applications .......... 3
- MTH070 Elementary Algebra .................................. 4
- RD090 College Textbook Reading ................................ 3
- WR115 Introduction to Composition ........................... 3
- WR121 English Composition-Exposition (or higher) ........... 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5114. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,675; class fees, $350; universal access fee, $396; equipment and supplies, $300. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 99 credit hours:

**Microcomputer Support Specialist Option**

This option emphasizes the horizontal integration of application packages, systems management, and provides introduction to microcomputer programming. It includes training in many of the software packages used in business, operating systems, programming essentials and networking fundamentals.

Students interested in specializing in network administration should see the Network Technology program.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,900; class fees, $400; universal access fee, $400; equipment and supplies, $300. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 100 credit hours:

Computer Science elective* 3

*Computer Science elective: Choose courses with CS or CIS prefixes above CS105. (Additional spreadsheet or database classes will not apply as CS elective.)

**Computer Science**

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Computer Science are Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. Southern Oregon University also has a computer information science option which requires less math. (See SOU catalog for requirements; must have a grade of “B” in CS133VB and CS133U to start.)

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Mathematics to meet major requirements

MTH251 and 252 Calculus for EOU; MTH231, 232, Discrete Mathematics and MTH251 and 252, MTH253 Series Calculus and Linear Algebra, and MTH254 Vector Calculus 1 for Computer Systems option at OSU; MTH241 Elementary Calculus and MTH243 Probability and Statistics for Information Systems and Applied Computer Science option at OSU; MTH231, 232, Discrete Mathematics and MTH251 and 252, MTH253 Series Calculus and Linear Algebra, and MTH254 Vector Calculus 1 for Computer Science major requirement* for PSU; MTH251, 252, 253 for UO; MTH231 or MTH252 for WOU; MTH243 for SOU

Social Science courses* 3

Arts and Letters/Humanities sequence* 3

HPE295 Health and Fitness for Life* or elective 3

Electives* (CH221 and 221R, 222 and 222R, 223 and 223R General Chemistry for PSU) (3-5) 3-5 3-5

*To meet four-year college general education requirements.

**Criminal Justice**

Graduates of Chemeketa’s Criminal Justice program may become law enforcement officers or adult or juvenile correctional officers, and they may develop a foundation for a career in parole and probation. Although there is much competition for such positions, they offer good benefits. Graduates may also find other jobs in 9-1-1 telecommunications, intake and release work in correctional institutions and in private and public security work. Or, as a graduate, you may work as an insurance adjuster or a hearings officer or a licensing inspector for the state department of motor vehicles.
Some employers may require employees to earn a bachelor’s degree before entering or advancing in this field. Chemeketa’s program is planned so that you may transfer to a four-year school where the courses also may meet social science requirements. Before you enroll at Chemeketa, consult with the Counseling and Career Services and an advisor at the institution to which you plan to transfer.

With the approval of the program chair, you may enroll in CJ280A-L Cooperative Work Experience and earn college credit hours for work you do relating to your program. For more information, look under Cooperative Work Experience in the catalog index.

There are several topical seminars offered during the calendar year. Please consult program chair about specific seminar content. Students should refer to the schedule of classes for these seminars as well as for specific criminal justice courses that are offered online.

Chemeketa’s Criminal Justice program also offers a one year (47 credit hour) certificate in Juvenile Corrections, for information refer to page 98.

Students with current or prior professional experience and training in the criminal justice career field should contact the program chair to see if they are eligible for Credit for Professional Certification college credits.

### Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses.

Students should contact program chair regarding waiver of CJ050. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credit Hours</th>

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5163. Failure to be assessed may delay your entry into program classes.

### Associate of Applied Science Degree

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,200; universal access fee, $364. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

An Associate of Applied Science degree is awarded upon successful completion of the 91 required credit hours with a grade of C or better in all courses. These include the 58 credit hours listed under general education requirements, 18 credit hours of Criminal Justice core requirements and 15 credit hours of Criminal Justice electives.

**Suggestions for students: Due to current bilingual hiring preferences, students are urged to take SPN111, 112, 113 for Humanities sequence. Law enforcement and adult corrections students are urged to take PSY201, 202, 203 for Social Science sequence.
Criminal Justice

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Criminal Justice are Western Oregon University (degree in Law Enforcement, Corrections, or Community Crime Prevention), Southern Oregon University (degree in Criminology) and Portland State University (degree in Administration of Justice).

The educational guide outlined below is designed to meet lower division general education requirements at these institutions. Students who complete all the courses outlined below will be eligible for an Associate of Arts Oregon Transfer degree from Chemeketa.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Refer to the Associate of Arts Degree information in the Degrees, Diplomas, Certificates and Transfer Information section of this catalog.

Dental Assisting

The Dental Assisting program offers technical training to persons who want to work in dental offices and clinics. The program is accredited by the American Dental Association Commission on Dental Accreditation, 211 East Chicago Avenue, Chicago, Illinois 60611-2678. The telephone number is (312) 440-2500. The internet address is www.ada.org.

The program includes instruction in assisting dentists in private offices or dental health clinics plus clinical and field trip experiences. Typical duties of dental assistants include preparing patients for treatment, mixing dental materials, taking impressions, sterilization and infection control, exposing and developing radiographs, assisting with clinical procedures, expanding functions, and inventory control. Laboratory duties include pouring study models of teeth and fabrication of custom trays, temporary crowns and small appliances. As office manager, a dental assistant acts as a receptionist, schedules appointments, keeps accounts and records, prepares statements and insurance billings, and is responsible for the general appearance of an office.

This program has special admission requirements and enrollment limits. To enroll, you must have a high school diploma or GED certificate. For additional information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>

Humanities or Science or Math elective* other than in discipline taken for sequence (PHL203 Elementary Ethics required at PSU)

CJ206 Crime and Delinquency (CJ210 and 211 Introduction to Criminal Investigation 1 and 2 required at PSU and SOU)

CJ215 Criminal Justice Administration (take CJ220 Introduction to Substantive Law and Criminal Code for PSU and SOU)

CJ226 Introduction to Constitutional Law (required at SOU)

Electives (courses numbered 100 or above)

*See page 39 in current catalog for acceptable sequences and courses for AAOT degree and pages 42-48 for 4-year institution general education requirement.
If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5058. Failure to be assessed may delay your entry into program classes.

For admission to the program, an application is required. This is a separate step from the testing and assessment steps. Applications are available in Counseling and Career Services, Admissions, and program offices.

Students must possess a Health Care Provider CPR or equivalent card prior to enrollment in winter term classes. Successful completion of the Dental Assisting program requires that you earn a grade of C or better in all courses. As a graduate you are eligible to take the Dental Assisting National Board examination, including infection control, general chairside, and radiation health and safety.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $390; lab fees, $144; universal access fee, $184; uniform and shoes, $225; post graduation exam fees, $395; dental kit and transportation fees, $500, physical examination/immunizations, $200; optional: professional membership fee, $35. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the 46 required credit hours with a grade of C or better in all courses:

*To meet four-year college general education requirements.

Dental Hygiene

(transfer course guideline)

Oregon Institute of Technology is the only state college offering a Bachelor of Science degree in Dental Hygiene.

Admission to the Dental Hygiene program is competitive; only a limited number of applicants is accepted each year. It is important to check with the college of your choice for admission requirements and deadlines, and to obtain admission materials early, as requirements change.

The educational guideline outlined below is designed to meet requirements at OIT. Since OIT begins dental hygiene courses in the second year, it will be to the student’s advantage to transfer after completing first-year classes at Chemeketa. Application must be made by April 1.

Drafting Technology—CAD

Drafting Technology offers three paths of entry into careers in drafting and design: Computer-Assisted Drafting (CAD), Mechanical Design and Computer-Aided Design/Computer-Aided Manufacturing (CAD/CAM). During the first year students in all three areas share many courses so that they may explore, gain insight and consult with advisors to make knowledgeable decisions about their careers. Choose individual courses to meet your needs, or work toward an Associate of Applied Science degree. You should choose CAD, Mechanical Design, or CAD/CAM as soon as possible during your first year.

For short-term or non-credit workshops in this area, call the Training and Economic Development Center at 503-399-5181 or 888-234-4322.

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work you do relating to your program. In your third term, as a full-time student, with the approval of the program chair you may enroll in DFR280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institute to which you plan to transfer to learn of any possible changes an academic area.

Dental Hygiene

(transfer course guideline)

Oregon Institute of Technology is the only state college offering a Bachelor of Science degree in Dental Hygiene.

Admission to the Dental Hygiene program is competitive; only a limited number of applicants is accepted each year. It is important to check with the college of your choice for admission requirements and deadlines, and to obtain admission materials early, as requirements change.

The educational guideline outlined below is designed to meet requirements at OIT. Since OIT begins dental hygiene courses in the second year, it will be to the student’s advantage to transfer after completing first-year classes at Chemeketa. Application must be made by April 1.
Computer-Assisted Drafting (CAD) Certificate

The CAD Certificate program is for students seeking a basic working knowledge of CAD systems. Full-time students can complete the program in three terms, although full-time enrollment is not required. All required courses are available online to provide maximum flexibility to non-traditional and working students.

This certificate provides initial training for entry-level CAD operator positions. This may not be suitable for students seeking employment as entry-level CAD design technicians.

Completion of the CAD Certificate includes a competency-based AutoCAD Assessment Exam. All credits apply toward the Associate of Applied Science degree in CAD Drafting Technology.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $692; class fees, $150; universal access fee, $180; certification exam, $50. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 45 credit hours:

</tr>
</tbody>
</table>

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5210. Failure to be assessed may delay your entry into program classes.

Computer-Assisted Drafting (CAD) Option

Upon graduating from the CAD option, you may become a technician in civil, mechanical, pipe or architectural drafting. Additional career opportunities include Geographic Information Systems (GIS) mapping and technical illustration. Training includes computer-aided drafting projects in all of the fields listed and broader skills in communication, teamwork and human relations which are necessary for career success.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,243; class fees, $330; universal access fee, $388; equipment and supplies, $227. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 97 credit hours:

Mechanical Design Option

Mechanical Design is a comprehensive drafting program with practical approaches to engineering and design concepts using Computer-Aided Design (CAD) methods.

You may train to become a technician in machine, control system and tool-design drafting. The program emphasizes the use of the computer as a problem-solving tool in these job areas. Instruction in design also stresses the use of manufacturers’ technical catalogs, technical handbooks and practical applications of theoretical and mathematical concepts studied in courses taken concurrently.

With specific course substitutions, you may transfer credits to the Mechanical Engineering Technology Program at Oregon Institute of Technology. See your advisor for details.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,087; class fees, $296; universal access fee, $400; equipment and supplies, $319. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

*Courses above 200 in math, physics, chemistry and engineering may be substituted.

Computer-Aided Design/
Computer-Aided Manufacturing (CAD/CAM) Option

The Computer-Aided Design/Computer-Aided Manufacturing (CAD/CAM) option offers training in using computers as tools in engineering, drafting, machine tool control and industrial mechanical design.

The first year of study emphasizes machining skills as they relate to Computer Numerical Control machining. Students completing the first year may find employment as entry-level machine tool operators.

Second-year classes concentrate on integration of mechanical design and programming of Computer-Aided Manufacturing tools-CAD/CAM. Students apply knowledge and skills to solve increasingly complex design and machining problems. After successful completion, graduates may begin employment in the fields of engineering technology and manufacturing operations. Graduates use computers on the job for drafting, design, and programming machine tools.
For short-term or non-credit workshops in this area, call the Training and Economic Development Center at 503-399-5181 or 888-234-4322.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,388; class fees, $321; universal access fee, $388; equipment and supplies, $287. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 97 credit hours:

### Early Childhood Education

Early Childhood Education is a comprehensive program of both theory and practical experiences designed to prepare you to work with young children. Many of the courses may be helpful to parents of preschool-age children and to persons working with families, children and individuals. Graduates may qualify to be child-care aides, assistants, and teachers in preschools, day care centers, kindergartens and Head Start programs.

You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree or a Certificate of Completion. Students in the program must earn grades of C or better in all Early Childhood Education (ECE) or Human Development and Family (HDF) courses. In order to enroll in certain courses, students will be required to pass a criminal records check. A valid first-aid card is required for graduation in both the one-year and two-year programs.

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work you do relating to your program. With the approval of the program chair, you may enroll in ECE280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

### One-Year Option

#### Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

CA121A Keyboarding A (if less than 25 wpm) | 1
MTH020 Basic Mathematics | 3
MTH082 Technical Mathematics 2 | 3
RD090 College Textbook Reading | 3
WR115 Introduction to Composition | 3
or COM051 Communication Skills 1 | 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-6071. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the one-year program listed below are books, $456; class fees, $35; universal access fee, $220; equipment and supplies, $36; immunization fees, $10; basic first-aid card, $35; criminal records check, $70; conference registration, $100. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 55 credit hours with a grade of C or better in all ECE and HDF courses.
ECE163 Preschool Practicum  
ECE154 Children's Literature and Literacy  

Term 3
HDF247 Preschool Child Development  
NFM225 Nutrition  
ECE155 Child Nutrition  
ECE151 Observing and Guiding Behavior  
ECE068B Observing Preschool Experiences  

Term 2
ECE068B Observing Preschool Experiences  
ECE151 Observing and Guiding Behavior  
ECE152 Creative Activities  
ECE155 Child Nutrition  
or NFM225 Nutrition  
ECE162 Early Childhood Educator Orientation  
HDF247 Preschool Child Development  
MTH060 Introductory Algebra (or higher)  
WR121 English Composition-Exposition (or higher)  

Two-Year Option
In addition to tuition, estimated costs for students who complete the entire program listed below are books, $924; class fees, $35; universal access fee, $380; equipment and supplies, $72; immunization fees, $10; basic first-aid card, $35; criminal records check, $70; and conference registration, $100. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 95 credit hours with a grade of C or better in all ECE and HDF courses.

Course Title Credit Hours
Course Term 1
ECE068A Observing Preschool Experiences 1
ECE150 Introduction and Observation in Early Childhood Education 3
ECE161 Infant/Toddler Practicum 3
HDF222 Family Relationships 3
HDF225 Prenatal, Infant and Toddler Development 3
HDF249 Introduction to Working with Infants and Toddlers 3

Course Term 2
ECE068B Observing Preschool Experiences 1
ECE151 Observing and Guiding Behavior 3
ECE152 Creative Activities 3
ECE155 Child Nutrition 2
or NFM225 Nutrition 4
ECE162 Early Childhood Educator Orientation 2
HDF247 Preschool Child Development 3
MTH060 Introductory Algebra (or higher) 4
WR121 English Composition-Exposition (or higher) 3

Course Term 3
ECE068C Observing Preschool Experiences 1
ECE153 Music and Movement for Young Children 3
ECE154 Children’s Literature and Literacy 3
ECE163 Preschool Practicum 4

Two-Year Option

Economics (transfer course guideline)
Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Economics are Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. UO also offers a five-year program combining an undergraduate economics major and a master of business administration.

The educational guideline outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

First Year
Term 1 2 3
WR121, WR122 and/or 123 English Composition or WR227 Technical Writing* (WR121 for WOU) 3 3 (3)
Social Science courses* 3 3 3
Arts and Letters/Humanities courses* 3 3 3
Math or Science courses (MTH111 College Algebra and MTH241 Elementary Calculus or MTH251 Differential Calculus for OSU;** MTH111, MTH243, MTH244 Probability and Statistics 1 and 2, and MTH241 for PSU; UO requires MTH111, 241, 242, 243 or 251, 252 [MTH242 taken at UO]; WOU requires MTH111 and additional math and computer science class for B.S. degree)* 5 4 4
HPE295 Health and Fitness for Life* or electives 3
Electives* 3 3 6

Second Year 4 5 6
Economics sequence: EC201, 202, 203 Introduction to Microeconomics, Introduction to Macroeconomics and Applications of Economic Issues (EC203 not required at OSU, SOU, or UO) 3 3 3
Science electives* 4 4 4
Arts and Letters/Humanities or Social Science electives* 3 3 3
Electives (BA211 and BA212 Financial Accounting for PSU; CS161 or higher for WOU; WOU requires a minor; MTH243, Probability and Statistics recommended for OSU) 6-7 6-7 6-7

*To meet four-year college general education requirements; OSU students should also meet College of Liberal Arts core requirements.

**OSU recommends three or more calculus courses for students interested in graduate study.

Education

See also Early Childhood Education, Professional-Technical Teacher Preparation, and Speech Language Pathology Assistant.

Elementary Education

(transfer course guideline)

Oregon’s state universities offering Elementary Education programs are Oregon State University and Western Oregon University, which offer Bachelor of Arts and/or Bachelor of Science degrees in Elementary Education. Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University and University of Oregon offer fifth-year programs.

Students planning on attending EOU will earn their degree in Multidisciplinary Studies. Students should see a Chemeketa advisor or consult with the EOU School of Education for requirements. Students planning on enrolling in a college offering a fifth-year Elementary Education program must obtain a baccalaureate degree in an academic major before being admitted to the fifth-year teacher education program. The major may be in general or liberal studies or in any subject taught in elementary schools. OSU recommends students major in Liberal Studies, General Science, Human Development, Family Studies, Exercises and Sport Science, or a single discipline that relates to the elementary school curriculum.

Admission to both four-year and fifth-year education programs requires a minimum grade point average (GPA), usually 2.75 to 3.00. Admission also requires passing the California Basic Educational Skills Test (CBEST). Students transferring to WOU are advised to take the test at the completion of their general education requirements or early in their sophomore year, as scores are included as data required for admission to the Elementary Education program.

Students planning to transfer to a college offering a fifth-year program should follow the educational guideline outlined in the catalog for the academic major which they plan to complete before entering a fifth-year program.

The guideline outlined below is designated to meet prerequisite requirements at WOU. However, the program has entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. To assess the time you will need to complete the program, you may consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor.

For students transferring to WOU, contact Counseling and Career Services at 503-399-5120.

*To meet four-year college general education requirements.

Secondary Education

(transfer course guideline)

Oregon’s state universities offering secondary education programs are Eastern Oregon University, Oregon State University, and Western Oregon University, which offer Bachelor of Science and Bachelor of Arts degrees in secondary education,
and Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, and University of Oregon, which offer a fifth-year secondary education program. University of Oregon programs are limited to special education.

Admission to fifth-year education programs requires completion of a baccalaureate degree in the subject you plan to teach at a junior or senior high school. The secondary education program is at the graduate level. Admission to these programs requires maintaining a specific grade point average (GPA), usually 2.75 to 3.00, and successfully passing the California Basic Educational Skills Test (CBEST) or Praxis I: Pre-Professional Skills Test (PPST) and the Praxis Examination in your major teaching area.

Admission to the four-year education program at Western Oregon University requires maintaining a 2.75 GPA and passing the CBEST or PPST.

You should enroll in courses that meet the general education requirements for the school to which you plan to transfer, as well as courses that meet the requirements for the major subject in which you plan to teach.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Education Certificate
The Education program offers the training necessary to help you on your way to becoming an educational assistant and/or licensed teacher. The first step is the completion of the one-year certificate in education. This certificate provides the training necessary to become an educational assistant in public schools and gain valuable teaching experience. Students who complete the one-year certificate may then work towards an Associate of General Studies degree (see requirements on page 39). Completion of the associate’s degree requirements enables you to transfer to Portland State University or Oregon State University, where you may complete Bachelor of General Studies/Liberal Arts degrees and then apply to a teacher licensing program. For students transferring to WOU, contact Counseling and Career Services at 503-399-5120.

Students pursuing the one-year education certificate take a core of required courses, including practicum. The core courses offer instruction in basic teaching strategies, human relations, communication, and non-instructional support skills. In addition to the core courses, students select from one of three areas in which to specialize. These areas include working with children in multicultural/bilingual settings, helping children who are in special education programs, or assisting in a media/technology center. Students participate in worksite practicum to gain experience and to practice skills learned in classes. You are required to maintain a grade of C or better in all Education courses in order to participate in any practicum.

Getting Started
The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm) ........... 1
- CS101 Introduction to Microcomputer Applications .......... 3
- MTH060 Introductory Algebra............................. 4
- RD090 College Textbook Reading............................ 3
- WR115 Introduction to Composition.......................... 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5048. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the certificate program listed below are books, $650; class fees, $78; universal access fee, $180; measles vaccine, $10; criminal history check, $17. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

An Education Certificate is awarded upon successful completion of the 45 required credit hours listed below. These include the 24 credit hours listed under Education core requirements and 21 credit hours of Approved Education electives. Choice of appropriate electives will depend on your prior experience and desired grade level of preparation. Students should consult with the Education program advisor, Cathie Whyte, at 503-399-2694 or e-mail to whyc@chemeketa.edu for approval before enrolling in elective classes.

You may earn a Certificate of Completion by successfully completing these 45 required credit hours:

Electronics Technologies

Career opportunities in the electronics field are diverse, exciting and rewarding. Chemeketa’s electronics department offers three programs of study to meet the present and future challenges of the electronics industry: Electronic Engineering Technician, Computer Electronics and Industrial Electronics.

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work you do related to your program. You will need department approval before you may enroll in ELT280A-L Cooperative Work Experience. For more information, look under Cooperative Work Experience in the catalog index or contact Bruce Bothwell at 503-399-6506.

For tours of the electronics laboratory or additional information visit EducationWithaFuture.Com.

Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

CA121A Keyboarding A (if less than 25 wpm) .......... 1
CS101 Introduction to Microcomputer Applications .... 3
MTH070 Elementary Algebra .......................... 4
RD090 College Textbook Reading ...................... 3
WR040 Writing Skills .................................. 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5248. Failure to be assessed may delay your entry into program classes.

Computer Electronics Option

Graduates of this option begin careers with companies that manufacture, install, or maintain computers or computer-like equipment. This equipment includes, but is not limited to, mainframe computers, mini and microcomputers, automated office equipment and systems (word processors, point-of-purchase terminals, local area and wide area networks), computer peripherals, engineering work stations, other automated factory products and data communication networks.

The training includes both specific technical skills needed in the field and broader skills in communications and human relations which are necessary for career success. You'll have hands-on practice working with computer hardware and software. Classes emphasize both component and system-level troubleshooting as well as installation and maintenance of equipment and networks.

As a graduate of this option, you may also choose to transfer to a school such as Oregon Institute of Technology to complete the course work required for a bachelor’s degree. If you wish to transfer, declare your intent before the first term and work closely with the electronics advisor, Gary Boyington, at 503-399-5218, and the institution to which you plan to transfer.

Students entering this option must have an Intel-compatible computer (Pentium or better) and be computer literate (type approximately 20 wpm, be familiar with the Windows operating system, a word processor and a spreadsheet).

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,800; class fees, $340; universal access fee, $424; equipment and supplies, $90; and Intel-compatible computer, $1,200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 106 credit hours with a grade of C or better in all courses.

Electronic Engineering Technician Option

Upon graduation from the Electronic Engineering Technician option, you may begin a career assisting in the design, manufacturing, installation, and service of microelectronics and semiconductor manufacturing systems, telecommunication equipment and systems, electronic test instruments, medical measuring and monitoring equipment, computers, video systems, automation products, security and safety systems, process control systems, and flexible automation systems (robots). Training includes specific technical skills needed in the field and broader skills in communications, teamwork, and human relations which are necessary for career success.

As a graduate of this option, you may also choose to transfer to a school such as Oregon Institute of Technology to complete the course work required for a bachelor’s degree. If you wish to transfer, declare your intent before the first term and work closely with the electronic engineering advisor, Roger White, at 503-399-5068, and the institution to which you plan to transfer. Students entering this option must have an Intel-compatible computer (Pentium or better), and be computer literate (type approximately 20 wpm, be familiar with the Windows operating system, a word processor and spreadsheet).

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,950; class fees, $340; universal access fee, $412; equipment and supplies, $90; and Intel-compatible computer, $1,200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 103 credit hours with a grade of C or better in all courses.

Industrial Electronics Option

Students selecting this option may begin careers, upon graduation, assisting in the development, manufacturing, installation, and servicing of computer integrated manufacturing systems, semiconductor and microelectronic manufacturing equipment, process control equipment, robotic and other electro-mechanical systems. This option stresses mechanical, computer and electronic theory, and communication and human relation skills needed for career advancement.

As a graduate of this option, you may also choose to transfer to a school such as Oregon Institute of Technology to complete the course work required for a bachelor’s degree. If you intend to transfer, declare your intent before the first term and work closely with the Industrial Electronics advisor, Gary Boyington, at 503-399-5218, and the institution to which you plan to transfer. Students entering this option must have an Intel-compatible computer (Pentium or better), and be computer literate (type approximately 20 wpm, be familiar with the Windows operating system, a word processor and spreadsheet).

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,750; class fees, $340; universal access fee, $408; equipment and supplies, $90; and Intel-compatible computer, $1,200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.
Emergency Medical Technology - Paramedic

The Emergency Medical Technology/Paramedic (EMT) program offers career training for entry-level personnel as well as certification and continuing education courses. Chemeketa offers a diverse, experienced EMT faculty, excellent on-campus facilities, and outstanding hospital and pre-hospital clinical training sites. The program is fully accredited by the Oregon Department of Education, the Oregon State Health Division and the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions.

Students successfully completing a level of training (EMT Basic, Intermediate or Paramedic) will be eligible to sit for the state certification exam at that level.

Emergency Medical Technicians may be employed by ambulance companies, fire departments, police departments and industries. There is a great demand for EMTs and paramedics both locally and nationally.

Students working toward EMT Paramedic certification will complete approximately 300 hours of hospital clinical experience, and 320-500 hours of field internship. Clinical experiences focus on developing the skills, attitudes and work habits necessary for graduates to be successful in their field.

The program has been designed to be completed in two years, if you attend full time. However, there are entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. This program has special admission requirements and enrollment limits. To assess the time you will need to complete the program, please call 503-399-5163.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,368; class fees, $565; universal access fee, $384; equipment and supplies, $535; testing fees, $325. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 96 credit hours with a grade of C or better in all courses:

**Employment Skills Training**

The Employment Skills Training program provides individuals the opportunity to receive a state-approved Certificate of Completion for completing an individualized 12- to 44-credit program that leads to skills and knowledge necessary for employment in an occupation or career field. Students who enroll in this short-term program will receive instruction based on a curriculum personalized for their chosen occupation and their individual abilities, knowledge and skills. This program may include a combination of classroom and on-the-job experiences. Students can enroll at the beginning of any term of the academic year.

**Engineering**

*(transfer course guideline)*

Oregon State University and Portland State University offer a Bachelor of Science or a Bachelor of Arts in Engineering. OSU offers degrees in Biological, Chemical, Civil, Electrical and Computer, Environmental, Geological, Industrial and Manufacturing, Mechanical, Metallurgical, Mining and Nuclear Engineering, as well as Construction Engineering Management and Engineering Physics. PSU offers degrees in Civil, Computer, Electrical and Mechanical Engineering.

The educational guide outlined below follows closely the pre-engineering program at OSU and PSU, and is similar to requirements of other Bachelor of Arts and Bachelor of Science degree engineering programs. If you plan to apply for admission to the professional engineering program at OSU, you must meet pre-engineering course requirements. Requirements vary by engineering field. Students planning to transfer to PSU should consult with an engineering advisor.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

### Term 1

- **First Year**
  - GE101 Engineering Orientation 3
  - EGR248 Graphics and 3-D Modeling (not required for Electrical Engineering; CS161 Computer Science 1 required for Electrical Engineering) (4) 3
  - GE102 Engineering Computations 3
  - CS162 Computer Science 2 (required for Electrical Engineering at OSU) (4) 4
  - GE103 Engineering Computations 3
  - MTH251, 252 Calculus and Calculus with Analytic Geometry; MTH253 Series Calculus and Linear Algebra 5 5 4
  - CH201, 202 Chemistry for Engineers (CH203/223 required for Civil/Mechanical Engineering at PSU) 4 4 (4)
  - Biological Science course for OSU (4)
  - WR121 English Composition-Exposition 3
  - WR227 Technical Writing 3
  - HPE295 Health and Fitness for Life (for OSU) 3
  - Approved electives* 3

### Term 2

- **Second Year**
  - EGR211 Statics 4
  - EGR212 Dynamics 4
  - EGR213 Strength of Materials (not required for Electrical Engineers) (4)
EGR201, 202 Electrical Fundamentals 1 and 2 (EGR202 not required for Civil Engineering at OSU) 4 (4)
EGR203 Electric Control Fundamentals (not required for Mechanical or Civil Engineering) (4)
MTH256 Applied Differential Equations 4
MTH254 Vector Calculus 1 4
MTH255 Vector Calculus 2 (not required for Mechanical or Civil Engineering at PSU) (4)
PH211, 212, 213 Physics for Engineers and Scientists 5 5 5
Arts and Letters/Humanities or Social Science electives and SP111 Fundamentals of Public Speaking or SP112 Fundamentals of Persuasion 0-6 0-6
*To meet four-year college general education requirements.
Note: The above requirements are for the fields of Civil, Mechanical, and Electrical Engineering. For other fields of Engineering contact the program advisor.

English (transfer course guideline)
Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in English are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

First Year

WR121, 122, 123 English Composition (Chemeketa recommends taking all courses although some colleges do not require both WR122 and 123; SOU will accept WR123 or 227 Technical Writing) 1 2 3
Literature sequence (ENG204, 205, 206 Introduction to English Literature and ENG253, 254, 255 Introduction to American Literature, take all but 255 for EOU; choose two sequences from ENG107, 108, 109 World Literature, ENG204, 205, 206, or ENG253, 254, 255 for OSU; PSU recommends ENG204, 205, 206; six credits from ENG104, 105, or 106 plus ENG201 or 203 for UO; only ENG253, 254, for WOU; SOU: take three courses: ENG104, 105, and 106) 3 3 3
First-Year Foreign Language 4 4 4
Social Science courses* 3 3 3
Science or Math* (SOU requires two courses in math, computer science, statistics or logic for BS degree) 4 4 4

Second Year

ENG201, 202, 203 Introduction to Shakespeare; EOU requires ENG201; OSU requires any one course; UO requires ENG201 or 203; PSU requires ENG201, 202; SOU and WOU do not require any. 3 3 3
Second-Year Foreign Language sequence required for literature option at SOU 4 4 4
Arts and Letters/Humanities electives* 3 3 3
HPE295 Health and Fitness for Life* or elective 3
Additional Social Science or Math/Science courses* 3 3 3
Additional courses to meet major requirements or electives (JNL216 Newswriting and WR241, 242, or 243 Imaginative Writing for EOU) 3 3
*To meet four-year college general education requirements.

English as a Non-Native Language
The English as a Non-native Language program is an intensive, multi-level program designed to teach non-native English speaking students the reading, writing, listening, speaking and intercultural skills necessary for success in academic and professional work settings. The program has reading, writing, aural (listening) and oral skills entry-level prerequisites for each course. See the course descriptions for individual course prerequisites.

The length of time you will need to complete the program will depend on your skills in each of these areas. To have your language skill levels assessed for placement in any of these classes, contact the ESL office at 503-399-6298 or the Counseling and Career Services at 503-399-5120.

Some of these courses can be transferred, as electives, to other Oregon state colleges and universities. As a student, you are responsible for learning the program requirements of the other school to which you plan to transfer.

Many of these classes are also offered on a non-credit basis. Contact the ESL office at 503-399-6298 for more information about non-credit ESL.

The courses below are designed to help students improve their English skills. They do not lead to a certificate or degree.

Oral Skills
ENL055 Listening and Speaking C .........................5
ENL102 English Pronunciation Techniques ...............4
ENL104 Academic Listening and Speaking ...............4
Reading Skills

Farm Business Management

The Farm Business Management programs teach farmers the basic principles of record keeping and financial management. The major emphasis is on the development and maintenance of a complete set of records and the skills necessary to interpret the records and use the information to make sound management decisions. The program is designed for a minimum commitment of three years and includes all active members of the farm business. Various delivery systems are used, including classroom instruction and individualized farm visits. Upon completion of the annual farm records, a computerized business analysis is provided to eligible farms. For more information, call 503-399-5089 or 503-589-7759.

XAGR9800C,D,E Farm Business Management 1
Emphasizes setting farm business goals; developing a complete set of farm financial records; and analyzing those records for management decision making.

XAGR9800F,G,H Farm Business Management 2
Monitors and assesses financial position of the farm business based upon records and analysis obtained in Farm Business Management 1. Explores computerized farm accounting and income tax management.

XAGR9800J,K,L Farm Business Management 3
Focuses on reorganizing the farm business based on accumulated financial data. Further develops estate, retirement and labor management plans.

XAGR9800M,N,P Farm Business Management 4
Applies recordkeeping skills and three years’ analysis data to farm reorganization and financial management decisions. Uses year-end analysis in evaluating effectiveness of reorganization and management practices implemented during the first three years.

XAGR9800Q,R,S Farm Business Management 5
Applies recordkeeping skills to individual farm businesses. Uses records in business dealings with off-campus agencies and individuals.

XAGR9800T Farm Tour
Demonstrates agricultural production and marketing outside of Oregon via tours. Provides participants with an opportunity to learn from local managers, extension agents, and business people at both on- and off-farm sites.

XAGR9801T Farm Business Management Workshop
Examines a selected topic of current importance to farm business management.

Fire Protection Technology

The Fire Protection program offers career training in Fire Suppression and Fire Prevention. Both options include training and education for those wanting to enter the career field and for those already employed. Chemeketa has a well-equipped fire station and training center on the Salem campus. Course work is accredited by the Oregon Board on Public Safety Standards and Training and by the International Fire Service Accreditation Congress.

Classes in this program are offered in the traditional on-campus classroom setting for students just beginning their fire protection training, and by distance education for fire service professionals active in the field. Distance education may include earning college credit for prior learning such as local training and work experience, individualized instructional contracts, transfer credits from local schools and independent study courses by modem or correspondence. For information about distance education call 503-399-6242.

Getting Started
The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with the department program chair. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study.

The Fire Suppression degree option can be coordinated with the Emergency Medical Technician-Paramedic program so that both degrees can be earned in between nine and 11 terms. Dual degree students are provided with an individualized sequence of courses that may vary depending on the term in which classes are begun. For information call 503-399-5163.

Fire Suppression Option
Most firefighters work for public fire departments. Chemeketa’s program includes a variety of courses in writing, mathematics and speech as well as technical fire protection courses. Each term, students take a Fire Incident Related Experience course which focuses on developing required skills, attitudes and work habits. On-campus fire suppression students work a 24-hour duty shift each week and respond to actual emergency incidents under the supervision of fire department officers.

This program has special admission requirements and enrollment limits. Applications are accepted every nine months. For additional information, call 503-399-5163. The program operates year-round, including summer term.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $2,228; class fees, $174; universal access fee, $400; equipment and supplies, $825. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 100 credit hours with a grade of C or better in all courses.

### Fire Prevention Option

Graduates of this option may be hired by public fire departments and industrial businesses as fire prevention specialists.

Our Cooperative Work Experience program allows you to apply your knowledge and skills while earning college credit for working in a state or local fire prevention bureau. With the approval of the program chair, you may enroll in FRP280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $843; class fees, $521; universal access fee, $404. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 101 credit hours with a grade of C or better in all courses. For information call 503-399-6241.

**Advanced Fire Officer Certificate**

The Advanced Fire Officer Certificate program can help you prepare for promotion to officer positions; or if you are already a fire officer, you can gain valuable new skills and knowledge. The certificate program meets or exceeds NFPA and Oregon Standards for Fire Officer 1 and 2. To be admitted to the Fire Officer Certificate program you must be certified as Firefighter 1, or equivalent, and actively be pursuing Firefighter 2 or have an associate’s degree in fire protection or possess professional certificates and have experience or equivalent credentials in fire prevention, fire training, or public fire education.

To be admitted to this program you must be interviewed by the program chair, Gene Fisher, 503-399-6241, and have your training, education, and experience evaluated. An individualized program of study will be developed for you.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $200; class fees, $75; universal access fee, $220; equipment and supplies, $20. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 55 credit hours with a grade of C or better in all courses.

**Foreign Languages**

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts degrees in Foreign Languages are Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. OSU offers degrees in French, German and Spanish; PSU offers degrees in Chinese, French, German, Japanese, Russian and Spanish; UO offers degrees in Chinese, French, German, Greek, Italian, Japanese, Latin, Russian and Spanish; SOU offers a Bachelor of Arts in Language and Culture with options in French, German, Spanish (see SOU catalog); and WOU offer a degree in Spanish. Eastern Oregon University offers degrees in Liberal Studies with a concentration in French, German or Spanish.

If you complete your second year of course work in the language during your first year at Chemeketa, plan to transfer to a four-year institution for your sophomore year.

The educational guide outlined below is designed so that you may meet requirements of these institutions in two years, if you attend full time.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.
Forest Resources Technology

The Forest Resources Technology curriculum includes instruction and field work in the basic knowledge and technical skills required of forest technicians. There are job opportunities in forest management, silviculture, fire prevention and control, and surveying. In addition, there is an increasing demand for technicians in the fields of fish and wildlife, forest recreation and watershed management. Potential employers include federal and state agencies and private timber or consulting firms.

You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree.

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work relating to your program. With the approval of the program chair, you may enroll in FRT280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

First Year

<table>

</tbody>
</table>

*To meet four-year college general education requirements.

Note: Prior to graduation, OSU requires graduates to participate in an approved program of study, which may include one or more of the following:

CA121A | Keyboarding A (if less than 25 wpm) | 1
COM051 | Communication Skills | 3
MTH070 | Elementary Algebra | 4
SP051 | Studying for College | 3
RD090 | College Textbook Reading | 3

In addition to tuition, estimate costs for students who complete the program listed below are books, $1,205; class fees, $316; universal access fee, $416; equipment and supplies, $400. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 104 credit hours. Successful completion requires that you have a cumulative grade point average (GPA) of 2.0 for all required courses.

Forestry

(transfer course guideline)

Several universities in the Northwest offer degrees in Forest Engineering, Forest Management, Forest Products, Forest Recreation and Natural Resources. The Oregon State University College of Forestry and the University of Idaho College of Natural Resources have developed articulation agreements with Chemeketa Community College's Forest Resources Technology program, allowing Chemeketa students to transfer many of their forestry courses as corresponding courses at these universities. Since each articulation agreement is unique to a chosen university's natural resources curriculum, students must make early contact with a faculty advisor in the Forest Resources Technology program to ensure the smoothest transfer process.

Oregon State University offers degrees in Forest Engineering, Forest Management, Forest Products, and Forest Recreation Resources or Natural Resources. These programs are designed as four-year programs of 180 to 192 credit hours. Students should plan to transfer after one year at Chemeketa.

The educational guide outlined below is for students wishing to transfer to OSU for Forest Engineering, Forest Management, Forest Products, or Forest Recreation Resources or Natural Resources.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa's Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at OSU to learn of any possible changes in an academic area.

General Science

See Biology.

General Studies

(transfer course guideline)

Most of Oregon's state universities offer Bachelor of Arts and/or Bachelor of Science degrees in General Studies. The major is listed as General Studies at Portland State University, Liberal Studies at Eastern Oregon University and Oregon State University, Humanities at University of Oregon, and Interdisciplinary Studies at Southern Oregon University and Western Oregon University.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa's Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Electives (OSU requires four credits of biological science; Chemeketa recommends a CS course) 3-4 3-4 3-4

*To meet four-year college general education requirements.

Note: UO recommends that students obtain a graduate degree for most professional positions.

Health, Health Education

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Health, Health Education and/or Public Health Education are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University and Western Oregon University. EOU’s degree is in Physical Education and Health. OSU offers options in Environmental Health and Safety, Health Promotion and Education, and Health Care Administration; PSU offers Health Education; SOU offers a Health and Physical Education degree; WOU offers a degree in Health Education with a non-teaching and a teaching option.

The educational guide outlined below is designed so that you may meet requirements of these institutions in two years, if you attend full time.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Those students planning to teach health will need to complete a fifth year of post-baccalaureate work to meet teacher certification at all state-system colleges except WOU. Please refer to the section on Elementary and Secondary Education in this catalog.

Dietetics

Oregon State University (OSU) offers a Bachelor of Science degree in Nutrition and Food Management with a Dietetics Option. The Dietetics Option meets the American Dietetics Association academic and accreditation requirements for students interested in becoming Registered Dietitians. It is essential that you work closely with Chemeketa’s Dietetics program advisor or an advisor from OSU to ensure that you choose the appropriate courses.

Please contact Nancy Duncan at 503-399-5296 for a Chemeketa specific transfer guideline and further advising. For OSU advice about undergraduate course requirements, students can contact the OSU College of Health and Human Sciences Student Support and Advising Office at 541-737-8900.
Health Services Management

The Health Services Management program offers one-year and two-year training for students on a career ladder in health care services. The one-year program allows you to be trained as a health information technician. The two-year programs includes Health Services Management and Medical Transcription. Medical Office Assisting students should contact the advisors for the Health Services Management program as some classes taken in the Medical Office Assisting program may apply toward the A.A.S. degree. Students must earn grades of C or better on all required courses.

Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

AH112A Health Care Systems and Professions .......... 2
CA121A Keyboarding A (if less than 25 wpm) .......... 1
CS101 Introduction to Microcomputer Applications .. 3
MTH060 Introductory Algebra .......................... 4
RD090 College Textbook Reading .................... 3
WR115 Introduction to Composition .................. 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5114. Failure to be assessed may delay your entry into program classes.

One-Year Program
Health Information Technology

As a graduate of the Health Information Technology program, you may become a health information technician or a medical biller. You may continue in this program to earn your Associate of Applied Science degree in Health Services Management or continue on to Public Health or Health Care Administration at four-year institutions.

As a health information technician, your duties may include maintaining and using a variety of health record indexes, special registries, storage and retrieval systems; inputting and retrieving computerized health data; administering medical office duties; abstracting medical information for correspondence purposes; and assisting in compiling, analyzing and preparing information needed by the health facility or external agencies. Graduates can also work in areas of coding and insurance billing in outpatient settings.

If you plan to transfer to Central Oregon Community College or Portland Community College to earn an associate’s degree as an associate records technician, you must meet college graduation requirements including general education, math and English competencies as well as CA210 Office Microcomputer Applications, or an equivalent. Consult a program advisor for help in planning general education classes.

This program has special admission requirements and enrollment limits. For additional information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $625; class fees, $100; universal access fee, $192; equipment and supplies, $325. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 48 required credit hours:

Two-Year Programs
Health Services Management

As a graduate of this two-year program, you will be prepared for a variety of middle-management jobs in the health care field. You may be employed by hospitals, state agencies, medical clinics or other health care organizations.

The Health Services Management program curriculum focuses on four areas: applied science; the U.S. health care delivery system; accounting, business and health management; and general education courses.

You may transfer to a four-year institution to continue coursework in public health administration or health care administration. The combination of technical/professional courses and transfer courses will give you a wide variety of options.

Students must earn grades of C or better in all required courses and be eligible for graduation in order to participate in the practicum.

In addition to tuition, estimated costs for students who complete the entire second year listed below are books, $1,710; class fees, $225; universal access fee, $388; equipment and supplies, $325. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 97 credit hours. If you have completed or are currently enrolled in a health occupations program and wish to apply credits toward the Health Services Management degree program, contact the advisor in this program.
Medical Transcription

The two-year medical transcription program prepares you for a career as a professional medical transcriptionist within an acute or non-acute health care environment. This program emphasizes the transcribing applications that will help you train for entry-level employment as a medical transcriptionist and provides the basic knowledge and skills required to transcribe medical dictation accurately and within timelines. Training stresses microcomputer word processing skills, as well as proofreading, transcription and formatting.

Students must earn grades of C or better in all required courses and be eligible for graduation in order to participate in the practicum.

This program has special admission requirements and enrollment limits. For additional information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,710; class fees, $225; universal access fee, $392; equipment and supplies, $225. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing these 98 required credit hours.

History

(transfer course guideline)

Oregon's state universities offering Bachelor of Arts and/or Bachelor of Science degrees in History are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa's Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Home Economics

(transfer course guideline)

Oregon State University offers a Bachelor of Science degree in Home Economics. Students major in Apparel, Interiors, Housing, and Merchandising; Human Development and Family Science. There are several options for each major. It is essential that you work closely with Chemeketa's home economics advisor or an advisor from OSU to ensure that you choose appropriate courses.

The educational guide outlined below is designed to meet requirements at OSU. (For some options, it may be to your advantage to transfer after one year at Chemeketa.)

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa's Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at OSU to learn of any possible changes in an academic area.

</tr>
<tr>
<td>Literature and Arts elective* (ART115 Basic Design required in most majors; NFM225 required in some)</td>
<td>3-4</td>
<td></td>
</tr>
<tr>
<td>SP111 Fundamentals of Public Speaking or SP112 Fundamentals of Persuasion or SP218 Interpersonal Communications depending upon option selected</td>
<td>3</td>
<td></td>
</tr>
</tbody>
</table>

Additional required courses can be taken at Chemeketa during a second year. These vary considerably, depending upon option chosen, including NFM225, Art courses, HE209 or additional Science courses. It is important to work carefully with a home economics advisor to meet OSU's Baccalaureate Core requirements, major requirements and option requirements.

*To meet OSU general education requirements.

**Check OSU catalog for requirements in your major and option.
Hospitality and Tourism Management

The Hospitality and Tourism Management curriculum focuses on the management aspects of today’s exciting hospitality industry: food and beverage; travel and tourism; lodging, recreation and leisure; meeting and convention management; and casino management. Upon graduation you may enter the hospitality industry working in such areas as travel and tourism organizations, hotel operations, restaurant management, convention and visitor associations, recreation resource management, and casinos.

Cooperative Work Experience is required and between six and nine college credit hours are needed for graduation. If you have a 2.0 grade point average or higher and the program chair approves, you may enroll in HTM280A-L Cooperative Work Experience. For more information, look under Cooperative Work Experience in the catalog index.

Hospitality and Tourism Management Certificate

The Hospitality and Tourism Management One-Year Certificate program introduces the management aspects of today’s exciting Hospitality Industry including travel, tourism, and marketing. Coursework focuses on building management and communication skills. This program combines classroom and online instruction with internships, which offer students the opportunity to gain practical experience at Hospitality and Tourism job sites. Students who wish to further their education upon completion of the one-year certificate program may use applicable course credits toward an Associate of Applied Science degree in Hospitality and Tourism Management.

This certificate is designed to encourage students to begin the program and eventually obtain the two-year degree, but offers students the opportunity to tailor the certificate to their career interests.

Getting Started

The first step to entering the following programs is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>

</tr>
</tbody>
</table>

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or Nancy Duncan at 503-399-5296. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $760; class fees, $32; universal access fee, $200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

A Certificate of Completion is awarded upon successful completion of the required 50 credit hours.

**Hotel, Restaurant and Resort Management**

(transfer course guideline)

Southern Oregon University offers a bachelor’s degree in Business Administration with a concentration in Hotel, Restaurant and Resort Management. An agreement has been made with SOU that all 96 credits listed below will be accepted toward a degree.

The educational guide outlined below is designed to meet requirements at Southern Oregon University.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. You should also make early contact with an advisor at the institutions to which you plan to transfer to learn of any possible changes in an academic area. For questions contact Nancy Duncan, 503-399-5296.

**Hotel Business Management**

(transfer course guideline)

An articulation agreement with Washington State University (WSU) has been developed for Hotel Business Manager under WSU’s School of Hospitality Business Management. The following education guideline, totaling 94 credits, is designed to meet their requirements.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or
a Chemeketa advisor. You should also make early contact with an advisor at the institutions to which you plan to transfer to learn of any possible changes in an academic area. For questions contact Nancy Duncan, 503-399-5296.

Human Services

The Human Services program offers training for entry-level positions in social service agencies. It is a two-year program which combines academic course work with five quarters of supervised field work in two different sites, each of which is at least two terms long. Students specialize in one of two options: Addiction Studies or Social Services.

This program has special admissions requirements and enrollment limits. For additional information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

Post B.A./B.S. students are also eligible to complete the Addiction Counselor Certification Preparation program and receive a one-year certificate.

Admission to the certificate program is assessed individually by Donna Hirt, 503-399-6157.

By enrolling in the CPL120 Credit for Prior Learning Resume course, you may be able to earn credit for prior learning you acquired through your job, non-credit classes, community or volunteer service and individual study.

Getting Started

The first step to entering the two-year program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- MTH020 Basic Mathematics ........................................ 3
- RD090 College Textbook Reading .................................. 3
- WR115 Introduction to Composition ............................... 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5048. Failure to be assessed may delay your entry into program classes.

Addiction Studies Option

The Addiction Studies option trains students to work in public and private agencies treating chemically dependent people and their families. Training sites include both in-patient and out-patient programs.

The curriculum includes courses in alcohol and drug information, family dynamics, case management, and basic and group counseling skills.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,680; class fees, $150; universal access fee, $424; equipment and supplies, $175; measles vaccine, $15. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

An Associate of Applied Science degree is awarded upon successful completion of the required 106 credit hours with a grade of C or better in WR121 and all Human Services courses. Twenty-five credits of practicum are required, at least 15 of which must be in an alcohol and drug placement.

### Addiction Counselor Certification Preparation

This one-year certificate program is designed for individuals with a baccalaureate or master’s degree seeking the necessary course work and practical experience to enable them to compete for employment in the field of addiction treatment. This certificate prepares students to take the Oregon Level I Certified Alcohol and Drug Counselors (CADC) exam.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $925; class fees, $100; universal access fee, $196; equipment and supplies, $130; measles vaccine, $15. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the required 49 credit hours with a grade of C or better in all Human Services courses.

### Social Services Option

The Social Services option trains students for employment in social service agencies. These agencies provide services in areas such as crisis counseling, employment services, housing, mental health, corrections and advocacy.

The curriculum includes courses in personal growth, interviewing, counseling, assessment and case management.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,636; class fees, $150; universal access fee, $404; equipment and supplies, $175; measles vaccine, $15. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

An Associate of Applied Science degree is awarded upon successful completion of the required 101 credit hours with a grade of C or better in all Human Services courses. Twenty-five credits of practicum are required.

Industrial Technology and Apprenticeship

Industrial Technology

Chemeketa grants an Associate of Applied Science degree in industrial technology. Journey-level men and women may earn credit for on-the-job training and related instruction. To earn the degree, you must meet the following requirements:

1. Have achieved journey-level status in a skilled occupation.

2. Complete a minimum of 30 credit hours or equivalent at Chemeketa.

3. Complete general education requirements for an Associate of Applied Science degree. (See page 40 of this catalog.)

4. Compile a total of 90 credit hours. You may be awarded up to 22 credit hours for journey-level status, 47 credit hours for trade-related training, and seven credit hours of Cooperative Work Experience.

If you have questions about the requirements, call 503-399-5255 or 503-399-5210. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program will vary. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

Apprenticeship

Apprenticeship training as a method of vocational education is recognized by the Oregon Bureau of Labor and Industries (BOLI). It combines full-time, on-the-job work experience with trade-related theoretical instruction.

The instruction at Chemeketa is for people working in particular trades. Students generally are apprentices who are registered with the Oregon Bureau of Labor and Industries. They can also be journey-level men and women who wish to upgrade their skills and knowledge, pre-apprenticeship students and others, as approved by local committees.

Chemeketa has apprenticeships classes for brick masons, concrete finishers, plumbers, electricians, sheet metal workers, heating ventilating air conditioning (HVAC) technicians, welders and other trades, as required by local committees.

Integrated Circuit Mask Design

Chemeketa offers a Certificate of Completion or Associate of Applied Science degree in Integrated Circuit (IC) Mask Design.

Graduates of the IC Mask Design programs are employed by firms who design and manufacture the subminiature electronic circuits that are at the nucleus of all electronic and computerized equipment. Integrated circuit mask designers use computer-aided-design systems to design the templates or masks that are used to manufacture microelectronic circuits.

Graduates of this program may also be employed as electronic circuit board designers and layout specialists.

The IC Mask Design program includes courses in computer-aided-design (CAD), CMOS layout, electronics, computer programming, computer operating systems and the semiconductor manufacturing process, as well as the communication and human relations skills needed for career advancement.

Integrated Circuit Mask Design Certificate

If you already have an Associates or Bachelors degree in Electronics, you may enroll in Chemeketa’s online IC Mask Design certification program. This program is offered entirely online and can be completed from anywhere in the world.
Students entering this program need to contact the program chair, Gary Boyington at 503-399-5218 or visit EducationWithaFuture.Com, and have their previous coursework evaluated before registering. To register go to online.chemeketa.edu.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $400; class fees, $350; universal access fee, $80; equipment and supplies, $20; and Intel-compatible computer and Internet access, $900. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing the following required 20 hours with a grade of C or better in all courses.

**Required courses:**

**Integrated Circuit Mask Design**

If you do not have a degree in Electronics, Chemeketa also offers an Associate of Applied Science degree program in Integrated Circuit Mask Design. This program is a mixture of classroom lecture and online classes.

**Getting Started**

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>

*Approved computer electives:*

- CS145, CS179, CS179, or NET123. See program chair for other approved electives.

### Journalism

(transfer course guideline)

The University of Oregon offers Bachelor of Arts and Bachelor of Science degrees in Journalism. Southern Oregon University offers Bachelor of Arts and Bachelor of Science degrees in Communication: Journalism, with concentrations in News-Editorial, and Photojournalism.

The educational guide outlined below is designed to meet requirements at these institutions.

Students planning to transfer to UO should consult the UO catalog for journalism major admission requirements and to determine when to transfer. (This usually is after one year at another college.)

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer.
Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Juvenile Corrections Certificate

Juvenile corrections workers provide supervision, facilitate in the treatment process and crisis intervention, provide social and life skills training, maintain records and documentation, engage in support services, and monitor and ensure a secure environment.

This one-year certificate program is specifically designed for individuals who want to work directly with juvenile offenders through different agencies in various settings. These agencies may include Oregon Youth Authority (OYA), as well as other public, private, and non-profit organizations.

As a statewide cooperative effort among several Oregon community colleges this program is transferable to the following participating schools: Clackamas Community College, Clatsop Community College, Lane Community College, Linn-Benton Community College, Portland Community College, Southwestern Community College and Treasure Valley Community College. In addition, some courses may be applicable as electives toward a two-year degree. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor on course transferability.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services staff. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm)
- CJ050 Criminal Justice Foundations
- MTH020 Basic Mathematics
- RD090 College Textbook Reading
- WR115 Introduction to Composition
- or
- COM051 Communication Skills

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-6153. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program are books, $700; universal access fee, $188. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion degree by successfully completing these 47 credit hours:

Management

As a graduate of Chemeketa’s Management program, you may begin as a management trainee or other entry-level employee of a small business or large firm.

You may select individual courses to meet your needs, or you may work toward an Associate of Applied Science degree.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then,
your advisor will help you develop an individualized program of study, which may include one or more of the following:

<table>

</tbody>
</table>

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5114. Failure to be assessed may delay your entry into program classes.

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work you do relating to your program. With the approval of the CWE instructor/coordinator, you may enroll in BA280A-L Cooperative Work Experience and earn college credit hours. For more information, look under Cooperative Work Experience in the catalog index.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,620; class fees, $100; universal access fee, $384; equipment and supplies, $100. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 96 credit hours with a grade of C or better in all Business Administration (BA) courses:

*BA051, BA052, and BA053 may be substituted for BA211 and BA212. MTH062 or higher math placement recommended for BA211 or BA051.

**Placement in math and English determined by testing. Lower division college classes may be substituted. WR123 may be substituted for BA214.

***Business electives: Choose courses with prefixes BA, BT, CA, CS, CIS, EC, and RE except BT084, BT085, BA051, BA052, BA053 and CS101.

****Choose from CS133VB, CS133C, CS133E, CS133U or CA201X.

** Manufacturing **

Curriculum providing training for Computer Numerical Control (CNC) operators and integration of mechanical design and Computer Aided Manufacturing tools (CAD/CAM) is listed in the CAD/CAM option under Drafting Technology-CAD.

** Mathematics (transfer course guideline) **

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Mathematics are Eastern Oregon University, Oregon State University, Portland State University, Southern Oregon University, University of Oregon, and Western Oregon University. Oregon State University offers degrees in Mathematical Sciences and Mathematics.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Medical Office Assisting

The program prepares you for a wide range of duties in medical offices. Administrative responsibilities may include scheduling and receiving patients, keeping medical records, handling telephone calls and correspondence, and purchasing and maintaining supplies and equipment. Medical office assistants may be responsible for administrative functions and processing insurance claims, accounts, fees and collections. Students should contact the advisors for the Health Services Management program as some classes taken in the program may apply toward the A.A.S. degree.

Your clinical duties may include assisting with examinations and treatments, obtaining medical histories, sterilizing instruments and equipment, and performing certain diagnostic tests and laboratory procedures in a health care facility.

The program offers clinical experience as well as theory and laboratory courses. Students in the program must earn grades of C or better in all required courses and complete all courses required in the first two terms to be eligible for the practicum offered spring term.

This program is a fall term entry program with special admission requirements and enrollment limits. For information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- AH112A Health Care Systems and Professions
- CA121A Keyboarding A (if less than 25 wpm)
- CS101 Introduction to Microcomputer Applications
- MTH052 Introduction to Algebra and Geometry
- RD090 College Textbook Reading
- WR115 Introduction to Composition

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-8343. Failure to be assessed may delay your entry into program classes.

For admission to the program, an application is required. This is a separate step from the testing and assessment steps. Applications are available in Counseling and Career Services, Admissions, and program offices.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $975; class fees, $142; universal access fee, $200; equipment and supplies, $284; physical examination, $100; measles vaccination, $20; Hepatitis B vaccination series, $150. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 50 required credit hours:

Network Technology

The Network Technology program offers hands-on training in a rapidly growing field. Graduates of this program will be able to design, install, administer and maintain computer networks for hardware and software.

Students entering this option must have an Intel-compatible computer (Pentium or better) and be computer literate (type approximately 20 wpm, be familiar with the Windows operating system, a word processor and a spreadsheet).

You may be interested in our Cooperative Work Experience program, which allows you to earn college credit for work you do relating to your program. For more information, look under Cooperative Work Experience in the catalog index.

If you are already employed in the field or have a degree (master’s, bachelor’s, associate’s), some of your education and training may transfer into this program. Contact Gary Boyington at 503-399-5218 for an appointment to assess your education/training.

Some high schools that have been certified by Chemeketa can offer selected courses to students while they are in high school.
Check with your high school counselor or contact Larry Cheyne, 503-399-7746, to see if your high school is certified.

For a tour of the Network Technology laboratory, visit EducationWithaFuture.Com.

This program is a fall term entry program and has special admission procedures and requirements. For information, contact the Enrollment Services (Admissions) Office at 503-399-5006.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

CA121A  Keyboarding A (if less than 25 wpm)  .  1  
CS101  Introduction to Microcomputer Applications  .  3  
MTH070  Elementary Algebra  .  4  
RD090  College Textbook Reading  .  3  
WR040  Writing Skills  .  3  

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-5218. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $1,625; class fees, $340; universal access fee, $428; equipment and supplies, $120; and Intel-compatible computer, $1,200. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully competing the 107 required credit hours with a grade of C or better in all courses.

Nursing

Chemeketa offers a career ladder program for women and men who want to become licensed practical nurses or registered nurses.

The program is approved by the Oregon State Board of Nursing and accredited by the National League for Nursing Accrediting Commission (NLNAC). You may contact NLNAC for information about the program’s accreditation status, tuition, fees and length. The address for NLNAC is 61 Broadway, New York, NY 10006. The telephone number is 212-989-9393. The internet address is www.nlnac.org.

Chemeketa’s staff members are also ready to advise and help you plan your pre-Nursing program if you plan to transfer to a school of nursing that grants baccalaureate degrees.

Chemeketa offers general education courses that apply to a Bachelor of Science program. See information under Nursing (transfer course guideline).

The following five courses are required for application to the Nursing program:

1. Algebra (MTH070), or one year of high school algebra, or placement in MTH095 based upon the results of the Chemeketa Placement Test.
2. Chemistry, CH110 and 110R or 104 and 104R or 121 and 121R or 221 and 221R or one year of high school chemistry. A full sequence of chemistry is recommended for students planning to pursue a four-year degree.
3. Anatomy and Physiology, BI231.
5. Medical Terminology/System 1, HM120 or equivalent.

These courses must be completed by the end of spring term of the application year with a grade of C or better, and within
five years prior to entering the Nursing Program (except for HM120).

In addition to the five prerequisite courses, most pre-Nursing students complete the majority of general education and science courses required for the Nursing Program in order to enhance their chance of admission. Specific entry requirements are outlined in a pre-nursing packet that you may obtain from Counseling and Career Services. Enrollment in the program is limited, and there is an early deadline for applications. We recommend that you contact the Enrollment Services (Admissions) Office at 503-399-5006, or Counseling and Career Services at 503-399-5120 for details if you are considering the Nursing program. Most students spend one or more years in a pre-Nursing program to prepare for applying to the Nursing program.

The nursing curriculum is designed to prepare you to apply for licensure at the following levels:

**Practical Nursing**

A practical nurse is a member of a nursing or health care team and gives care to patients of all ages under the direction of registered nurses and/or licensed physicians and dentists.

In addition to tuition, estimated costs for students who complete the entire Level I program listed below are books, $1,945; class fees, $147; universal access fee, $200; equipment and supplies, $430; testing fee, $280. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

After successfully completing the required 50 credits of the first year of the Nursing program, you will be awarded a Certificate of Completion. You must earn grades of C or better in all required courses. Completion of this level qualifies you to apply to take the National Council Licensure Exam (NCLEX-PN) to become a licensed practical nurse (LPN).

Note: The number of clock hours required for the above courses is higher than the number of credit hours. Details about clock hours for each course can be found in the Course Descriptions section of this catalog. Nursing courses are a combination of classroom and clinical hours with each classroom credit hour equal to one clock hour per week and each clinical credit hour equal to three clock hours per week. Preparation time for class and clinical experiences is outside the clock hours required for each course.

**Associate Degree Nursing**

You may earn an Associate of Applied Science degree in Nursing by successfully completing 94 required credit hours of the two-year Nursing program (44 credits during the second year after the 50 credits of Practical Nursing). You must earn grades of C or better in all required courses. An associate degree in nursing qualifies you to apply to take the National Council Licensure Exam (NCLEX-RN) to become a registered nurse (RN).

RNAs apply knowledge drawn from a broad, in-depth education in the social and physical sciences to assess, plan, order, give, delegate, teach and supervise care that promotes a patient’s optimum health and independence.

An RN guides other team members with less education and/or experience, evaluates needs for patient instruction, plans and participates in health teaching, and applies mental health principles to nursing care and function. RNs must also assume responsibility for their professional development.

In addition to tuition, estimated costs for students in Level II listed below are books, $530; class fees, $85; universal access fee, $176; equipment and supplies, $212; licensure testing fee, $310. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

For clock hour information, see Note following Practical Nursing course plan.

**Specialized and Refresher Courses**

The college periodically offers specialized and refresher courses to help registered nurses, licensed practical nurses and other health care personnel keep abreast of current knowledge and new developments in nursing. Non-credit basic nursing assistant and medication aide courses approved by the Oregon State Board of Nursing are also available. For more information about courses, contact the Nursing office, 503-399-5252.

**Nursing (transfer course guideline)**

Oregon Health Sciences University offers Bachelor of Science degrees in Nursing at Eastern Oregon University, Oregon Institute of Technology, Southern Oregon University and at OHSU’s School of Nursing in Portland. The curriculum is a two-year, upper division major.

Admission to the nursing programs is competitive. Students must complete 91 credits of general education requirements before being admitted to the nursing major. A 2.5 GPA is required. Deadline for admission to the program is usually in February. It is important to check with OHSU in September for admission requirements and to obtain admissions materials early, as requirements may change.
OHSU provides an opportunity for licensed practical nurses and registered nurses, including those completing Chemeketa’s Licensed Practical Nurse and Registered Nurse program, to complete requirements for a baccalaureate degree. Contact OHSU for transfer requirements.

The educational guide outline below indicates courses required for admission to the nursing major and is designed to meet prerequisite requirements.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. You should also make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

### Occupational Skills Training

The Occupational Skills Training program offers students the opportunity to earn college credit for worksite-based training at approved community training sites throughout the state. When you enroll in this short-term program (up to four terms or 60 credits), you will receive instruction based on a curriculum personalized for your chosen occupation and your individual abilities, skills and interests. A suitable training site and curriculum will be determined jointly with you, your sponsoring agency (if applicable), and a Skills Training Coordinator at Chemeketa. The program is offered on an open entry/open exit basis so you may start the program any time during the year.

A variety of occupational areas may be appropriate for the Occupational Skills Training program. Related classroom instruction may be included in the program if deemed part of the approved training plan.

Costs vary depending on credits and related classes taken. Books and supplies average $150 per term if related courses are taken. Some sites may receive an additional $336 per term employer/trainer incentive in addition to the above costs if approved and paid by the sponsoring agency (if applicable).

You may earn a Certificate of Completion by successfully completing up to 60 credits of ST050A-P Occupational Skills Training and related prescribed courses based upon the approved length of your training plan. Up to 12 credit hours may be applied toward the Associate of Arts Oregon Transfer Degree. Up to 36 credit hours may be applied toward the Associate of General Studies degree, and variable credits may be applied toward the Associate of Applied Science degree as determined by each professional-technical program area.

Non-credit options (such as On-the-Job Evaluation) are also available to evaluate potential sites as well as student skills and career potential.

Interested agencies or students should contact an Occupational Skills Training Coordinator in Building 20, 503-399-5028, on the Salem Campus.

### Philosophy

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Philosophy are Oregon State University, Portland State University and University of Oregon.

The two-year program outlined below is designed to meet requirements at these institutions in two years. However, the program has entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. To assess the time you will need to complete the program, you may consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor in your program.

As a student, you are responsible for learning the program requirements of the school to which you plan to transfer. Consult with our Counseling and Career Services or a Chemeketa advisor. You should also make early contact with
an advisor at the institution to which you plan to transfer to learn of any possible changes in a program.

Refer to the Associate of Arts Oregon Transfer Degree information in the Degrees, Diplomas, Certificates and Transfer Information section of this catalog beginning on page 39.

*To meet four-year college general education requirements.

Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

### Physical Education/Human Movement Studies

**Transfer course guideline**

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Physical Education, Human Movement Studies or Exercise and Movement Science are Eastern Oregon University, Oregon State University, Southern Oregon University, University of Oregon and Western Oregon University. OSU offers a bachelor’s degree in Exercise and Sports Science with options in Athletic Training, Fitness Program Management, Physical Education, Teacher Education/Pretherapy, and Applied Exercise Science. SOU offers options in Athletic Training/Sports Medicine and Health Promotion/Fitness Management. WOU has teaching and non-teaching options. Those students planning to teach Physical Education will need to complete a year of post-baccalaureate work to meet teacher certification at all state system colleges except WOU. Refer to the section on Elementary and Secondary Education in this catalog.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer.

### Physics

**Transfer course guideline**

Oregon’s state universities offering Bachelor of Arts and/or Bachelor of Science degrees in Physics are Eastern Oregon...
University, Oregon State University, Portland State University, Southern Oregon University and University of Oregon.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

## Pre-Engineering

See Engineering.

## Pre-Law

(transfer course guideline)

University of Oregon is the only Oregon state university which has a School of Law. (Lewis and Clark College and Willamette University are the Oregon independent schools which have Schools of Law.) Applicants for law school must have a baccalaureate degree from an accredited college or university. Admission to law schools is highly competitive.
Law schools do not recommend any particular major for pre-legal education. In general, they prefer a liberal undergraduate background to one which is narrowly specialized. Students may pursue an undergraduate major of their choice. The University of Oregon School of Law emphasizes the importance of well-developed skills in writing and communications and of acquiring the ability to read with understanding, to think logically, and to perform research and analysis competently.

Although not required for admission, University of Oregon recommends the following courses: BA211, 212, 213 Financial Accounting and Managerial Accounting; EC201, 202 Introduction to Microeconomics and Introduction to Macroeconomics; HST201, 202, 203 History of the United States; WR121, 122, 123 English Composition; as well as Philosophy, Psychology and Sociology courses.

**Professional-Technical Teacher Preparation**

The Professional-Technical Teacher Preparation program is designed for people who have gained professional skills from business and industry who now desire to share their knowledge and experience as teachers. Graduates of this program will be eligible to apply for a special license enabling them to teach in Oregon’s public high schools. Additional upper division coursework is required for a bachelor’s degree and initial teaching license.

The one-year certificate option offers training for those who wish to apply through a school district for a special three-year non-renewable professional-technical license. Students who complete the two-year Associate of Applied Science degree, combined with one year of successful teaching, will be eligible to apply through a school district for a five-year renewable professional-technical teacher license.

To be accepted into these programs, students will need to provide verification of 4,000 hours of work experience in one of the following professional-technical fields: accounting/financial systems, agricultural science and technology, drafting technology, electronics technology, forestry/natural resources, graphic design and production, health occupations, hospitality, tourism and recreation, marketing, office systems, manufacturing technology (metals), and mechanical technology. They will also be required to demonstrate basic reading, writing, and computer skills on the college’s placement test or through verification of course completion. Interested students should contact the program chair, Cathie Whyte, at 503-399-2694 or email whyte@chemeketa.edu prior to enrolling in this program.

**Certificate of Completion**

In addition to tuition, estimated costs for students who complete the one-year program listed below are books, $420; class fee, $70; universal access fee, $184; measles vaccination, $10, criminal history check, $17. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 46 required credit hours, plus any additional professional-technical coursework determined necessary by your appraisal/advisory committee.

**Pre-Professional Study (Medicine, Dentistry, Veterinary Medicine)**

*(transfer course guideline)*

Oregon Health Sciences University offers a D.M.D. degree in Dentistry and an M.D. degree in Medicine, and Oregon State University offers a D.V.M. in Veterinary Medicine.

Because admission into these professional schools is highly competitive, students should plan to transfer to a four-year institution upon completion of the first year at Chemeketa. Students should complete the most rigorous chemistry sequence for which they are qualified, as well as stipulated courses in basic science and general education.

The educational guide outlined below is designed to meet requirements for these majors.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer. Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

Associate of Applied Science Degree

In addition to tuition, estimated costs for students who complete the two-year program listed below are books, $695; class fee, $75; universal access fee, $376; measles vaccination, $10; criminal history check, $17. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science Degree by successfully completing the courses listed below, in addition to the courses listed under the Certificate of Completion option plus any additional professional-technical coursework determined necessary. To meet graduation requirements you must earn a total of 94 credit hours.

Small Business Management

The Small Business Management program is designed to provide practical skills to owners of small businesses and their partners.

This one-year course features monthly evening classes, workshops, and on-site business consultation. The owner’s business becomes the textbook and laboratory, achievement of business and family goals is the course assignment, and putting the owner in control of the business is the course objective.

Students are enrolled annually, but are allowed to reapply each year.

Classes cover small business taxation, record keeping and accounting, marketing and advertising, and human relations and legal considerations. For more information or to be evaluated for enrollment, call 503-399-5181.

Sociology

(transfer course guideline)

Oregon’s state universities offering Bachelor of Arts or Bachelor of Science degrees in Sociology are Oregon State University, Portland State University, Southern Oregon University, University of Oregon and Western Oregon University. Eastern Oregon University offers an Anthropology/Sociology degree with emphasis in Sociology.

The educational guide outlined below is designed to meet requirements at these institutions.

As a student, you are responsible for learning the departmental requirements of the school to which you plan to transfer.
Consult with Chemeketa’s Counseling and Career Services or a Chemeketa advisor. Also you should make early contact with an advisor at the institution to which you plan to transfer to learn of any possible changes in an academic area.

### Speech Language Pathology Assistant

The Speech Language Pathology Assistant (SLPA) program is a comprehensive certificate and degree program of both theory and practical experience designed to prepare students to become licensed Speech Language Pathology assistants.

An SLPA is a support person who helps a certified/licensed speech-language pathologist carry out professional responsibilities. The SLPA carries out specific therapy related tasks that are prescribed and directed by their supervising speech-language pathologist. The SLPA work closely with others in a variety of settings including schools, hospitals, rehabilitation centers, or in private practice. As a member of a speech-language therapy team, the SLPA helps children and adults with communication disorders improve their ability to speak to, listen to, and interact with others.

### Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm)
- CS101 Introduction to Microcomputer Applications
- MTH060 Introductory Algebra
- RD090 College Textbook Reading
- WR115 Introduction to Composition

If you have any questions about the requirements, call Counseling and Career Services at 503-399-5120 or Cathie Whyte at 503-399-2694. Failure to be assessed may delay your entry into program classes.

### Certificate of Completion

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $660; class fees, $540; universal access fee, $180; online fee, $525. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a one-year Certificate of Completion by successfully completing these 45 required credit hours with a grade of C or better in all courses.

### Travel Systems Operations

The Travel Systems Operations program offers technical training to persons who wish to work in the travel and tourism industry.

The curriculum covers technical and general education courses. Classes on the role, structure, and components of the travel industry; geography; and global distribution systems including computer reservations are complemented by courses in verbal and written communication skills, human resources, and career management. The program combines classroom instruction with internships, which offer students the opportunity to gain practical experience at travel industry job sites.

### Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm) 1
- MTH060 Introductory Algebra 4
- RD090 College Textbook Reading 3
- WR040 Writing Skills 3

If you have any questions about the requirements, call Counseling and Career Services at 503-399-5210 or Nancy Duncan at 503-399-5296. Failure to be assessed may delay your entry into program classes.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $467; class fees, $32; universal access fee, $148. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 37 required credit hours:

Vineyard Management

Vineyard Management training includes instruction and hands-on training in the basic knowledge and technical skills required for successful employment in the cool-climate wine industry as a vineyard manager. Training is appropriate for employees or potential employees of vineyards or for people wanting to establish such a business. Practical skills will also be emphasized and students will gain on-the-job work experience through the Cooperative Work Experience Program.

For more information about this program contact Al MacDonald at 503-399-5066 or D. Craig Anderson at 503-399-6565.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

CA121A Keyboarding A (if less than 25 wpm) .......... 1
MTH020 Basic Mathematics ............................ 3
RD090 College Textbook Reading ....................... 3
WR115 Introduction to Composition ........................ 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-6071. Failure to be assessed may delay your entry into program classes.

In addition to tuition, costs for students who complete the entire program listed below may vary. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

Additional courses that are offered. Spread their coursework over three years to take advantage of advise you on which courses to take while waiting to begin the program. If you are entering in winter or spring, we will take two full years from the fall that you enter to complete the program. This hands-on, intensive program can lead to numerous career opportunities. Students will produce both a traditional and digital portfolio of work including a personal stationery package and résumé in preparation for entering the job market. A class portfolio show is part of spring term your final year.

The Visual Communications program offers a two-year Associate of Applied Science degree that emphasizes Graphic Design. Additional coursework is available for further study in Web design, illustration, photography and digital imaging. Apply early. The program has special admissions prerequisites, screening requirements and enrollment limits. A block transfer articulation is in place with Portland State University and the Art Institute of Portland for students planning on pursuing a Bachelor’s degree. Students planning on transferring are encouraged to see an advisor regarding general education requirements.

This hands-on, intensive program can lead to numerous career options. Because most courses are only offered once a year, it will take two full years from the fall that you enter to complete the program. If you are entering in winter or spring, we will advise you on which courses to take while waiting to begin the fall sequence of required courses. Many students elect to spread their coursework over three years to take advantage of additional courses that are offered.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with counseling and advising staff. You may need to complete pre-program courses. Your advisor will then help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm)
- CS101 Introduction to Microcomputer Applications
- MTH020 Basic Mathematics

**Visual Communications**

The Visual Communications program is constantly changing, reflecting the rapid growth of the field of graphic arts in a digital age. The logo you design may be printed on a T-shirt or animated on a Web page. The photograph you take might be published in a magazine or shown as part of a multimedia presentation. Never have there been so many opportunities in a variety of media. As part of the Visual Communications program, you may work in both classroom and live production settings to learn not only the technical skills, but also the teamwork and creative problem solving essential to a lifelong career. You will develop skills in graphic design, layout, typography, traditional and digital photography, and electronic imaging. Students will produce both a traditional and digital portfolio of work including a personal stationery package and résumé in preparation for entering the job market. A class portfolio show is part of spring term your final year.

The Visual Communications program offers a two-year Associate of Applied Science degree that emphasizes Graphic Design. Additional coursework is available for further study in Web design, illustration, photography and digital imaging. Apply early. The program has special admissions prerequisites, screening requirements and enrollment limits. A block transfer articulation is in place with Portland State University and the Art Institute of Portland for students planning on pursuing a Bachelor’s degree. Students planning on transferring are encouraged to see an advisor regarding general education requirements.

This hands-on, intensive program can lead to numerous career options. Because most courses are only offered once a year, it will take two full years from the fall that you enter to complete the program. If you are entering in winter or spring, we will advise you on which courses to take while waiting to begin the fall sequence of required courses. Many students elect to spread their coursework over three years to take advantage of additional courses that are offered.

**Getting Started**

The first step to entering this program is to take part in an assessment process which includes taking the college’s free placement test and meeting with counseling and advising staff. You may need to complete pre-program courses. Your advisor will then help you develop an individualized program of study, which may include one or more of the following:

- CA121A Keyboarding A (if less than 25 wpm)
- CS101 Introduction to Microcomputer Applications
- MTH020 Basic Mathematics

All interested students must submit a program application and required screening materials. Detailed information is available through the program, and on the program links on the www.chemeketa.edu Website.

All Visual Communications classes take place in a Macintosh lab. If you have questions about the program requirements, call Counseling and Career Services at 503-399-5120 or the Visual Communications program chair at 503-399-6473. You are required to complete the entire enrollment process prior to registering for program classes. A packet of detailed program information is available in Counseling and Career Services or Visual Communications, Building 4, Room 284.

In addition to tuition, estimated costs for students who complete the entire program listed below, average $475 per term. These costs include photographic supplies, books, high resolution output, mounting boards and tissue, and storage media. A 35mm camera with manual controls, approximately $350, is required for the photography courses. A portfolio, at a cost of up to $200, is required for graduation. Class fees total an additional $360; universal access fee, $416. Although not required, a home computer and digital camera greatly enhances the student’s ability to successfully complete coursework and learn new software. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by maintaining an overall grade point average of 2.5 and successfully completing the required 104 credit hours with a grade of C or better in all required courses.

**Course Title Credit Hours**

Welding

The Welding program offers two options. The three-term Welding Technology program combines training with classes in the background knowledge needed by workers in welding occupations. You practice and develop your welding skills in the laboratory and may take an examination for certification in arc MIG welding. The six-term Welding Fabrication program is for those who want to acquire the technical knowledge and skills required for workers in welding, fabrication and related occupations.

Welding fabrication technicians are skilled in the use of oxyacetylene welding and cutting equipment, manual arc, tungsten inert gas (TIG) and metallic inert gas processes (MIG) and have a working knowledge of shop blueprints and welding symbols, jig fabrication and assembly processes.

The certificate program has been designed to be completed in one year and the degree program in two years, if you attend full time. However, there are entry-level expectations for skill levels in reading, writing and mathematics. The length of time you take to complete the program will depend on your skills in these areas. To assess the time you will need to complete the program, please meet with the program chair.

Welding Technology

This program prepares you for a variety of positions in job specialty production and maintenance shops. Graduates may find work as (MIG) welders, arc welders, oxyacetylene welders, semiautomatic welding equipment operators and (TIG) welders.

In addition to tuition, estimated costs for students who complete the entire program listed below are books, $278; class fees, $302; universal access fee, $208; equipment and supplies, $612; certification test, $200 (optional). Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn an Associate of Applied Science degree by successfully completing the required 90 credit hours:

Winemaking Certificate

Coursework for the Winemaking certificate includes instruction and hands-on training in the basic knowledge and practical skills required for successful employment as a winery technician or for people wanting to establish a winery.

For more information about this program contact Al MacDonald at 503-399-5066 or D. Craig Anderson at 503-399-6565.

Getting Started

The first step to entering this program is to take part in an assessment process which includes taking the college's free placement test and meeting with Counseling and Career Services. You may need to complete pre-program courses. Then, your advisor will help you develop an individualized program of study, which may include one or more of the following:

CA121A Keyboarding A (if less than 25 wpm) .......................... 1
MTH020 Basic Mathematics ........................................... 3
RD090 College Textbook Reading .................................... 3
WR040 Writing Skills .................................................. 3

If you have questions about the requirements, call Counseling and Career Services at 503-399-5120 or 503-399-6071. Failure to be assessed may delay your entry into program classes.

In addition to tuition, costs for students who complete the entire program listed below may vary. Contact the Financial Aid Office at 503-399-5018 to find out if you qualify for help with these costs.

You may earn a Certificate of Completion by successfully completing these 42 required credit hours:

Course Descriptions

About these course descriptions
This list of course descriptions reflects the diversity and scope of the many credit courses Chemeketa currently offers. However, some of our current courses may not be included here as the college may add classes after this catalog is published.

The courses are listed alphabetically by letter prefix.
You will find prerequisites specified in many of these course descriptions. These are conditions you must meet before you enroll in a course. It is your responsibility as a student to fulfill the prerequisite.

Some prerequisites indicate that you must complete certain preparatory courses or must have the consent of the course instructor. To gain consent, meet with the instructor. Consent is based upon the instructor’s assessment of your readiness to enroll in the course.

Chemeketa also offers many non-credit personal enrichment courses not included here. They are also listed in the Schedule of Classes.

Note:
The letters, F, W, Sp, and Su at the end of a course description indicate the term (fall, winter, spring, summer) the course is usually offered.

For information on when and where classes meet, consult the Schedule of Classes available in print and on the Web each term.

Universal Access Fee
A Universal Access Fee, implemented spring term 2003 applies to both credit and non-credit classes. The fee is $4 per credit for credit classes and 30 cents per hour for non-credit classes.

Definitions of Electives
You may find the information listed below helpful in choosing the classes necessary to fulfill your Associate of Applied Science and Associate of General Studies degree requirements. The general area of study is followed by the course prefixes which satisfy the elective requirements in those areas. (All courses selected must be numbered 050 or higher.)

Please be advised that not all courses may apply to all degrees. Consult with our Counseling and Career Services Center or a Chemeketa advisor for details regarding specific program and degree requirements.

Communication Electives: COM (Communication Skills), ENL (English as a Non-Native Language), JNL (Journalism), SP (Speech), WR (Writing), plus these specific classes: BA214, BT120, RD115, RD116, RD120 and SSP112.

Humanities/Fine Arts Electives: ART (Art), ASL (American Sign Language), ENG (English), FA (Film Arts), FR (French), GER (German), JPN (Japanese), HUM (Humanities), MUP (Music Performance), MUS (Music), PHI (Philosophy), REL (Religion), RUS (Russian), SPN (Spanish), TA (Theater Arts).

Science/Applied Science Electives: BI (Biology), BOT (Botany), CH (Chemistry), GE (General Engineering), GEO (Geology), GS (General Science), NFM (Nutrition and Food Management), OC (Oceanography), PH (Physics), ZOO (Zoology).

Social Science Electives: ATH (Anthropology), CLA (Chicano/Latino Studies), EC (Economics), GEG (Geography), HDF (Human Development and Family Studies), HST (History), PS (Political Science), PSY (Psychology), SOC (Sociology), SSC (Social Science), WS (Women’s Studies).
How courses are numbered

Chemeketa Community College is committed to offering instruction that provides students with the opportunity for self-improvement, entry-level employment skills, and completion of the first two years of a baccalaureate degree. The following course prefixes describe the primary intent of the courses offered:

Developmental Courses*

MTH: Mathematics
RD: Reading
SSP: Study Skills Program
WR: Writing

*Developmental courses numbered less than 50 are considered below collegiate level academic and Professional-Technical Education courses, and do not apply to meeting the requirements of the AAOT, A.A.S. or A.G.S. degree.

Professional-Technical Courses**

AH: Allied Health
AQS: Aquarium Science
AUM: Automotive Technology
BLD: Building Inspection Technology
BT: Business Technology
CA: Computer Applications
CAM: Computer-Aided Manufacturing
CJ: Criminal Justice
COM: Communication Skills
CPL: Credit for Prior Learning
CS: Computer Science
CVL: Civil Engineering Technology
DEN: Dental Assisting
DRF: Drafting Technology
ECE: Early Childhood Education
ED: Education
ELT: Electronics Technologies
EMT: Emergency Medical Technology
ENL: English as a Non-Native Language
ES: Emergency Services
FE: Field Experiences
FRP: Fire Protection Technology
FT: Forest Resources Technology
HD: Human Development
HDF: Human Development and Family Studies
HM: Health Services Management
HOR: Horticulture
HS: Human Services
HTM: Hospitality and Tourism Management
LIB: Library
MED: Medical Office Assisting
MFG: Manufacturing Technologies
MT: Microelectronics/Industrial
NET: Network Technology
NUR: Nursing
QS: Quality Science
SSP: Study Skills Program
ST: Occupational Skills Training
VC: Visual Communications
VMW: Vineyard Management/Winemaking
WFB: Welding Fabrication
WLD: Welding

**Many professional-technical courses are applicable to the baccalaureate degree. Check with the BA-granting institution.

Lower Division Collegiate Courses

(first two years of the baccalaureate degree)

ASL: American Sign Language

***A number below 100 indicates a support course, which is usually not transferable to a BA-granting institution.
**Accounting**

See Business Administration.

**AH**

**Allied Health**

See also Chemistry, Dental Assisting, Emergency Medical Technology, Emergency Services, Health Education, Health Services Management, Medical Office Assisting and Nursing.

**AH080 Crisis Intervention**

3 class hrs/wk, 3 cr.

Provides a theoretical background for understanding crisis. Offers practical guidelines in assessment and proper management in a variety of crisis events. Assists emergency services workers by providing a framework for understanding and coping with their own reactions. F, W, Sp, offered as needed.

**AH112A Health Care Systems and Professions**

2 class hrs/wk, 2 cr.

Introduces health care systems and related professions. Includes health care delivery systems and trends, characteristics of the health care professional, societal issues influencing health care systems and health promotion and wellness. F, W, Sp, Su

**AQS**

**Aquarium Science**

**AQS100 Introduction to Aquarium Science**

2 class and 2 lab hrs/wk, 3 cr.

Examines the history of animal keeping and present-day aquatic animal husbandry industries. Explores the biological processes occurring in the aquarium environment. Learn proper set-up and maintenance of home aquarium. Class fee $18. Offered as needed.

**AQS110 Aquarium Science Practicum 1**

6 lab hrs/wk, 2 cr.

Introduces aquatic animal husbandry work environment and the care of captive aquatic animals. Emphasize daily animal care and exhibit readiness. Class fee $18. Offered as needed.

**AQS111 Aquarium Science Practicum 2**

6 lab hrs/wk, 2 cr.

Builds upon the experiences gained in Practicum 1. Involves participation in a higher level of aquatic animal husbandry activities including animal health procedures, long-term record keeping and life support systems training. Can be repeated for additional credits. Prerequisite: AQS110. Class fee $18. Offered as needed.

**AQS141 Interpretation and Communication**

3 class and 2 lab hrs/wk, 4 cr.

Examines the techniques used to present natural resource educational experiences to visitors. Emphasizes developing the skills to conduct informational research and assimilate information into a presentation that takes into account individual learning styles. Class fee $24. Offered as needed.

**AQS150 Special Projects**

4 lab hrs/wk, 2 cr.

Provides the opportunity to work on an approved special project in aquarium science. Topics may include independent research in an area of interest or in-depth study in a particular aspect of aquarium science. Class fee $12. Offered as needed.

**AQS165 Current Issues in Aquarium Science**

2 class hrs/wk, 2 cr.

Industry professionals share their experiences about facility operations and challenges facing their organization. Discussion topics may vary by term. Class fee $12. Offered as needed.

**AQS215 Biology of Captive Fish**

3 class and 2 lab hrs/wk, 4 cr.

Examines the anatomy and physiology of freshwater and marine fishes and the constraints placed upon them in a controlled environment. Increases an understanding of fish behavior through the use of ethograms. Prerequisite: BI1103 or consent of instructor. Class fee $24. Offered as needed.

**AQS220 Biology of Captive Invertebrates**

3 class and 2 lab hrs/wk, 4 cr.

Reviews the life history and captive care requirements of invertebrates commonly cultured in the aquatic animal industry/profession. Prerequisite: BI1103 or consent of instructor. Class fee $24. Offered as needed.

**AQS230 Fish and Invertebrate Nutrition**

3 class and 2 lab hrs/wk, 4 cr.

Examines the nutritional requirements of fishes and invertebrates throughout their life history. Reviews the composition of fresh frozen feed and processed diets. Discusses industry standards for food handling and HACCP requirements. Prerequisite: AQS215 and AQS220. Class fee $24. Offered as needed.

**AQS231 Fish and Invertebrate Reproduction**

3 class and 2 lab hrs/wk, 4 cr.

Examines the reproductive strategies of fishes and invertebrates in a controlled environment and the manipulation of environmental and physiological parameters to initiate reproduction. Prerequisite: AQS215 and AQS220. Class fee $24. Offered as needed.

**AQS240 Life Support System Design and Operation**

3 class and 2 lab hrs/wk, 4 cr.

Examines the role of life support systems in maintaining a balanced, stable aquatic environment. Presents how to design, construct, maintain and troubleshoot semi-closed, closed and open systems. Prerequisite: Concurrent enrollment in AQS215 and AQS220 or consent of instructor. Class fee $24. Offered as needed.

**AQS250 Principles of Exhibit Development**

3 class and 2 lab hrs/wk, 4 cr.

Examines the processes involved in natural resources-related exhibit development. Presents the issues, materials and technologies associated with aquatic exhibit development. Emphasis is placed on integrating diverse goals, assimilating information and coordinating personnel to ensure an effective exhibit team. Prerequisite: Concurrent enrollment in AQS270. Class fee $24. Offered as needed.

**AQS270 Fish and Invertebrate Health Management**

3 class and 2 lab hrs/wk, 4 cr.

Reviews the common infectious and non-infectious diseases of captive fish and invertebrates. Examines the common techniques of fish and invertebrate health management. Prerequisite: AQS215 and AQS220. Class fee $24. Offered as needed.

**AQS275 Aquarium Science Internship**

400 lab hrs, 12 cr.

Exposes students to the daily diligence, responsibilities and rewards of the aquatic animal husbandry profession. Includes daily animal care and facility readiness routines, assisting life support staff and animal health management professionals and evaluation of operational aspects of the facility. Prerequisite: AQS111 and AQS270. Class fee $75. Offered as needed.

**ART**

**Art**

See also Visual Communications.

**ART101 Understanding Art**

3 class hrs/wk, 3 cr.

Provides students with the tools to look at, think about, and communicate ideas about the visual arts. Focuses on purposes of art; subject/form/content; media and techniques; approaches to art (critical, historical, analytical, interpretive); and artists’ intentions. Prerequisite: College-level writing skills. F, W, Sp, Su

**ART115, 116, 117 Basic Design**

2 class and 2 lab hrs/wk, 3 cr each

ART115, 116 and 117 form a three-term introduction to the basic principals of design, visual perception and organization of visual elements. ART 115 is devoted to black and white two-dimensional design; ART 116 is devoted to color and two-dimensional design; ART 117 to three-dimensional design. ART115: F, W, Sp, Su; 116: W, Sp, Su; 117: Sp
ART131 Introduction to Drawing 1
2 class hrs and 4 lab hrs/wk, 3 cr.
Provides individualized instruction in practical drawing skills designed for the beginner. Introduces fundamental gesture, contour, and value approaches to drawing, utilizing a variety of monochromatic media. Covers lectures, demonstrations, and training in traditional methods of representing shape and space on a two-dimensional surface. F, W, Sp, Su

ART132 Introduction to Drawing 2
6 lab hrs/wk, 3 cr.
Covers basic drawing skills of observation, selection, representation, perception and hand-eye-mind coordination. Emphasizes composition and the understanding of visual form, and introduces style as a means to personal expression. Prerequisite: ART131 or consent of instructor (based on portfolio review). W, Sp, Su

ART133 Introduction to Drawing 3
6 lab hrs/wk, 3 cr.
Continues training in skills of observation, selection, representation, perception, and hand-eye-mind coordination. Emphasizes composition and understanding drawing as a visual form of communication and expression. Prerequisite: ART131 and ART132, or consent of instructor (based on portfolio review). W, Sp, Su

ART154 Pottery 1—Handbuilding
6 lab hrs/wk, 3 cr.
Introduces ceramics through handbuilding. Includes basic form and design considerations as well as pinch, coil, slab construction, press mold, decoration and glazing techniques. Class fee $12. F, W

ART155 Pottery 2—Beginning Wheel Throwing
6 lab hrs/wk, 3 cr.
Learn basic techniques for producing pottery on the potter’s wheel. Emphasis is on forming, trimming, decorating, glazing and firing of projects, as well as visual and functional form considerations. Class fee $12. F, W, Sp

ART156 Pottery 3—Intermediate Techniques
6 lab hrs/wk, 3 cr.
Expands on the basic wheelthrowing skills acquired in ART155 through a series of intermediate projects. Includes production of lidded containers, teapots, combined forms, altered forms; study of kiln theory and design; development and testing of glazes; and the use of alternative firing techniques. Prerequisite: ART154 and ART155, or consent of instructor. Class fee $12. F, W, Sp

ART204 Introduction to Art History
3 class hrs/wk, 3 cr.
Examines art in the Western tradition from the Prehistoric era through the Early Christian/Byzantine period. F

ART205 Introduction to Art History
3 class hrs/wk, 3 cr.
Examines art in the Western tradition from the Middle Ages to A.D. 1500. W

ART206 Introduction to Art History
3 class hrs/wk, 3 cr.
Examines art in the Western tradition from A.D. 1500 to the present. Sp

ART210 Topics in Art History
3 class hrs/wk, 3 cr.
Covers specific historical art topics. Topics will vary and may include historical styles and periods, genres, women artists and media. Offered as needed.

ART221 Graphic Design 1: Symbols and Meaning
2 class and 4 lab hrs/wk, 4 cr.
Applies the principles and elements of design to the process of creating solutions to graphic design challenges. Introduces the use of illustration software on the Macintosh as a production tool. Prerequisite: ART115, ART116 and ART131; demonstrated ability to work with computers. Class fee $20. F

ART222 Graphic Design 2: Logo Design
2 class and 4 lab hrs/wk, 4 cr.
Builds on the concepts learned in ART221. Emphasizes symbol and logo design and corporate identification. Prerequisite: ART221. Class fee $20. W

ART223 Graphic Design 3: Package Design
2 class and 4 lab hrs/wk, 4 cr.
Builds on the concepts learned in ART221 and ART222. Continues exploration of graphic design with advanced projects emphasizing package design. Prerequisite: ART222. Class fee $20. Sp

ART224 Type Design 1
2 class and 4 lab hrs/wk, 4 cr.
Introduces the study of letterforms/typography and its importance in the design of visual communications. Prerequisite: VC111, VC114, VC121, and enrollment in the Visual Communications program. Class fee $20. F

ART225 Type Design 2
2 class and 4 lab hrs/wk, 4 cr.
Continues the study of letterforms/typography as a design element in visual communications. Prerequisite: ART224 or consent of instructor. Class fee $20. W

ART230 Drawing: Anatomy for Artists
1 class and 4 lab hrs/wk, 3 cr.
An introductory anatomy course designed specifically for art students. Includes a brief overview of body organization and terminology, an examination of body proportions and of the skeletal and musculature systems, and a summary of surface features (e.g. skin, superficial vessels). Expands on basic skills developed in beginning drawing classes. Prerequisite: Grade of C or better in a college-level drawing class. Offered as needed.

ART233 Color Drawing Media
6 lab hrs/wk, 3 cr.
Continues ART133. Emphasizes the development of personal style and expressive exploration of personal imagery, using color drawing tools and mixed media. Prerequisite: ART131 or consent of instructor. ART132 and ART133 are recommended. Class fee $9. Offered as needed.

ART234 Figure Drawing 1
6 lab hrs/wk, 3 cr.
Uses the human figure as a constant subject matter. Offers intensive study of the problems the figure presents to the artist. Proportion, composition, and dynamic representation are emphasized. Prerequisite: ART131 or consent of instructor. Class fee $12. F, W, Sp, Su

ART235 Figure Drawing 2
6 lab hrs/wk, 3 cr.
Offers further study and practice in drawing the human figure. Prerequisite: ART131 and ART234, or consent of instructor. Class fee $12. F, W, Sp, Su

ART236 Figure Drawing 3
6 lab hrs/wk, 3 cr.
Continues study and practice in drawing the human figure. Prerequisite: ART131, ART234 and ART235, or consent of instructor. Class fee $12. F, W, Sp, Su

ART238 Introduction to Illustration
2 class and 2 lab hrs/wk, 3 cr.
Introduces concepts of illustration in the graphic arts. Offers instruction in traditional (non-digital) illustration techniques, for students with strong skills in drawing and/or painting. Course may be repeated for a maximum of nine credits. Prerequisite: ART131, ART132 or any 200 level drawing or painting course, or demonstrated experience in drawing and/or painting. ART115, ART116 and Art History courses and experience with color media are recommended. Class fee $5. W, offered as needed.

ART239 Introduction to Computer Illustration
2 class and 2 lab hrs/wk, 3 cr.
Introduces the basics of illustration using computers and graphic arts software. Course may be repeated for a maximum of nine credits. Prerequisite: ART221 or VC139 or previous experience in vector graphics software and Photoshop. Class fee $15. Sp, offered as needed.

ART244 Stained Glass
6 lab hrs/wk, 3 cr.
Provides individualized instruction for the beginner in the design and construction of two moderately challenging stained glass windows made of both smooth clear and textured colored glass. Introduces techniques in designing, pattern making, glass cutting, assembling, soldering, and puttying using both lead cane and copper foil. Students produce original designs based on sources selected by the student. Class fee $12. F, W, Sp, Su
ART244. Class
ART247 and at least one of the
Completion of at least one of
ART248 and comple-
ART250
ART131 or consent of
ART284 or
ART271. Class fee $12.
ART246 Advanced Stained Glass
6 lab hrs/wk, 3 cr.
Continues ART245. Projects will reflect an
depth investigation of sources, including per-
sonal influences, and exhibit technical mas-
tery of the medium. Prerequisite: ART244, ART245. Class fee $12. F, W, Sp, Su

ART247 Glass Slumping and Fusing -
Beginning
6 lab hrs/wk, 3 cr.
Provides an introduction and technical infor-
mation on using an electric kiln and refracto-
ry molds to flat fuse and form glass. Prerequisite: Completion of at least one of the following studio art classes: ART115; ART244, ART245, or ART246; ART291, ART292, or ART293. Class fee $30. Offered as needed.

ART248 Kiln Cast Glass - Beginning
6 lab hrs/wk, 3 cr.
Provides an introduction and technical infor-
mation on casting solid sculptural glass forms and hollow glass containing forms using open and closed face molds. Includes an extension of the glass chemistry and fin-
ishing techniques presented in ART247. Prerequisite: ART247 and at least one of the following studio art classes: ART115; ART244, ART245, or ART246; ART291, ART292, or ART293. Class fee $30. Offered as needed.

ART250 Flameworking - Beginning
6 lab hrs/wk, 3 cr.
Provides an introduction and technical infor-
mation on using a torch to model and shape hot glass. Prerequisite: ART248 and comple-
tion of at least one of the following studio art classes: ART115; ART244, ART245, or ART246; ART291, ART292, or ART293. Class fee $30. Offered as needed.

ART251 Glass Blowing - Beginning
6 lab hrs/wk, 3 cr.
Provides an introduction and technical infor-
mation necessary for blowing and shaping basic hot glass forms. Prerequisite: ART250 and completion of at least one of the following studio art classes: ART115; ART244, ART245, or ART246; ART291, ART292, or ART293. Class fee $30. Offered as needed.

ART254 Pottery 4-Low-Fire Ceramics
2 class and 4 lab hrs/wk, 3 cr.
Introduces low-fire ceramic materials, includ-
ing both low-tech and high-tech application and processes. Prerequisite: ART154, ART155, ART156, or consent of instructor. Class fee $12. Offered as needed.

ART256 Art as a Profession
3 class hrs/wk, 3 cr.
Provides visual artists with the professional skills necessary to succeed in their own art business. Through a series of marketing, pro-
motion, presentation, employment and edu-
cation-related assignments, students will gain an understanding of the business aspects involved in being a visual artist. Prerequisite: Completion of a studio art class or experience with studio art, or consent of instructor. Class fee $12. Offered as needed.

ART261 General Photography
2 class and 4 lab hrs/wk, 4 cr.
Introduces 35mm black and white photo-
graphy. Includes the history of contemporary
photography, use of camera equipment, cor-
rect exposure calibrations, film processing,
darkroom techniques and presentation of
enlargements. Class fee $25. F, W, Sp, Su

ART262 Technical Photography
2 class and 4 lab hrs/wk, 4 cr.
Introduces technical photography including
studio lighting, color transparency, copystand
work and art direction. Includes 35mm as
well as medium-format cameras. Prerequisite: ART261. Class fee $25. Sp, offered as needed.

ART263 Intermediate Photography
2 class and 4 lab hrs/wk, 4 cr.
Emphasizes the freedom to experiment with
photographic techniques. Includes darkroom
work, infrared black and white, toning tech-
niques, multiprinting and introduces color
negative printing. Prerequisite: ART261 or consent of instructor. Class fee $25. F, offered as needed.

ART264 Digital Photography
2 class and 4 lab hrs/wk, 4 cr.
Adds digital imaging and manipulation to
traditional photographic skills in the study of
photo illustration for print or Web design. Prerequisite: ART261 and PhotoShop experi-
ence. Class fee $20. Sp, offered as needed.

ART265 Introduction to Printmaking: Screen Printing 1, Beginning
6 lab hrs/wk, 3 cr.
Introduces the materials, methods, and tech-
niques of screen printing, including the
photostencil process through lecture, demon-
stration and studio experience. Students will
design and pull their own prints. Prerequisite:
ART131, ART115, or consent of instructor. Class fee $12. F, W, Sp

ART266 Intermediate Photography
2 class and 4 lab hrs/wk, 4 cr.
Demonstrates advanced techniques, methods,
and materials of printmaking using media
such as relief (woodcut, linocut, embossing),
intaglio (etching, engraving, colligraphy),
monotype/monoprint, and lithography.
Emphasizes studio practice and experimenta-
tion with all printmaking processes and style
development as a means of personal expres-
sion. Relates historical and modern contexts.
Prerequisite: ART247. Class fee $12. W, Sp

ART271 Introduction to Printmaking: Press Processes 1
6 lab hrs/wk, 3 cr.
Demonstrates advanced techniques, methods,
and materials of printmaking using media
such as relief (woodcut, linocut, embossing),
intaglio (etching, engraving, colligraphy),
monotype/monoprint, and lithography.
Emphasizes studio practice and experimenta-
tion with all printmaking processes and style
development as a means of personal expres-
sion. Relates historical and modern contexts.
Prerequisite: ART271. Class fee $12. F, W, Sp

ART272 Introduction to Printmaking: Press Processes 2
6 lab hrs/wk, 3 cr.
Integrates the methods and materials intro-
duced in ART271 and ART272 to create
mixed media prints. Emphasizes collage plate
printmaking and mixed media monoprinting.
Offers lectures, demonstrations and studio
experience. Prerequisite: ART271, ART272.
Class fee $12. W, Sp

ART273 Printmaking: Press Processes 3
6 lab hrs/wk, 3 cr.
Integrates the methods and materials intro-
duced in ART271 and ART272 to create
mixed media prints. Emphasizes collage plate
printmaking and mixed media monoprinting.
Offers lectures, demonstrations and studio
experience. Prerequisite: ART271, ART272.
Class fee $12. W, Sp

ART274 Printmaking: Screen
Printing 2, Intermediate
6 lab hrs/wk, 3 cr.
Builds skill in the techniques of silkscreen
printing introduced in ART270, including
photographic processes. Prerequisite:
ART270. Class fee $12. F, W, Sp

ART275 Printmaking: Screen Printing 3, Advanced
6 lab hrs/wk, 3 cr.
Practice the expressive and technical prin-
ciples of screen printing. Emphasizes skill
development and use of composition, color,
and various stencil processes to achieve an
expressive visual form. Prerequisite: ART274.
Class fee $12. F, W, Sp

ART281 Painting
6 lab hrs/wk, 3 cr.
Introduces traditional approaches to and
techniques of painting. Includes introduction
to materials, color theory and historical per-
spectives. For beginning painters who have
strong fundamental drawing skills. Course
may be repeated for a maximum of nine cred-
its. Prerequisite: ART131 or consent of
instructor based upon demonstration in
drawing. ART115 and ART116 recommended.
Offered as needed.

ART284 Watercolor
6 lab hrs/wk, 3 cr.
Learn the technique and use of watercolor.
Includes characteristics of watercolor as a
medium, compositional problems, observa-
tion of detail, potential for personal expres-
sion, and color theory and design elements.
Prerequisite: ART131, or consent of instruc-
tor based upon demonstrated skill in draw-
ing. ART115 and ART116 recommended.
Offered as needed.

ART285 Intermediate Watercolor
6 lab hrs/wk, 3 cr.
Emphasizes skill building and technical con-
trol of the medium. Prerequisite: ART284 or
consent of instructor. Offered as needed.
ART284 Advanced Watercolor
6 lab hrs/wk, 3 cr.
Continues projects and explorations begun in ART284 and ART285. A self-motivated contract class. Prerequisite: ART284 and ART285, or consent of instructor. Offered as needed.

ART291 Beginning Sculpture
6 lab hrs/wk, 3 cr.
Introduces the use of materials, tools, and methods of sculpture, and an exploration of the three-dimensional form. Class fee $12. F

ART292 Ceramic Sculpture
6 lab hrs/wk, 3 cr.
Introduces the characteristics and potential of clay as a sculptural material. Class fee $12. W

ART293 Wax to Bronze Sculpture
6 lab hrs/wk, 3 cr.
Introduces the casting and finishing of bronze sculpture through the lost wax process using ceramic shell technologies. Class fee $12. Sp

ASL

American Sign Language
ASL101 American Sign Language 1
3 class hrs/wk, 3 cr.
Introduces American Sign Language (ASL) and the culture and diversity of the deaf community. Covers the study and application of ASL vocabulary and grammar to real life contexts. F, W, Sp, Su

ASL102 American Sign Language 2
3 class hrs/wk, 3 cr.
Continues ASL101 and the culture and diversity of the deaf community. Increases ASL vocabulary and grammar and offers increased depth of experience. Prerequisite: ASL101 and/or consent of instructor. Instructor can test student or require additional assignments to satisfy prerequisite skill/knowledge requirements. W, Sp, Su

ASL103 American Sign Language 3
3 class hrs/wk, 3 cr.
Continues ASL102 and the culture and diversity of the deaf community. Continues to increase ASL vocabulary and grammar. Prerequisite: ASL102 and/or consent of instructor. Instructor can test student or require additional assignments to satisfy prerequisite skill/knowledge requirements. Sp, Su

AST104 The Nature of Language
3 class hrs/wk, 3 cr.
Introduces anthropological linguistics. Includes the history of linguistics and written language, descriptive linguistics, sociolinguistics, language and thought, language acquisition and the biology and physiology of language development. Also includes bilingualism and multiculturism and written language development in both the old and new world. Offered as needed.

ATH201 Peoples of Africa
3 class hrs/wk, 3 cr.
Introduces anthropological study of peoples and cultures of Africa from earliest times to the present, emphasizing geography, history, politics, role of women, religion, literature, music, art, language, trends and prospects. F

ATH202 Peoples of the Middle East
3 class hrs/wk, 3 cr.
Introduces anthropological study of peoples and cultures of the Middle East from earliest times to the present, emphasizing geography, history, politics, role of women, religion, literature, music, art, language, trends and prospects. W

ATH203 Peoples of Asia
3 class hrs/wk, 3 cr.
Introduces anthropological study of peoples and cultures of Asia (China, Japan and Korea) from earliest times to the present, emphasizing geography, history, politics, role of women, religion, literature, music, art, language, trends and prospects. Sp

ATH207 Cultural Anthropology
3 class hrs/wk, 3 cr.
Explores human culture. Includes a cross-cultural study of marriage and the family, and an examination of kinship and social groupings, belief systems, mythology, the functions of religion, art and creativity in human societies. Offered as needed.

ATH208 Cultural Anthropology
3 class hrs/wk, 3 cr.
Explores the processes of cultural growth and expansion and the nature of culture change. Analyzes the nature of culture as it relates to such conditions as acculturation and assimilation, the implication of technical assistance programs in developing nations, the ethics of applied anthropology, and the future of humanity. Prerequisite: ATH207 and ATH208 recommended. Offered as needed.

ATH212 Aztec Civilization/La Civilización Azteca
3 class hrs/wk, 3 cr.
Prints an overview of Aztec institutions and demonstrates examples present in contemporary Mexican culture. Focuses on the daily life, culture, religion, philosophy, literature, social, political, and economic structures of the Aztecs. Students will analyze and compare Aztec concepts of life, death, the sacred, time, space, property, and education with American mainstream concepts. Offered as needed.
ATH214 Contemporary Mexican Culture 3 class hrs/wk, 3 cr.
Provides an understanding of Mexican culture by focusing on the main historical events that have shaped the identity of the Mexican. Explores the mixture of cultural institutions in modern Mexico from pre-Columbian indigenous cultures through European conquest and the Revolution. Offered as needed.

ATH231 Native American Studies 3 class hrs/wk, 3 cr.
Focuses on the Northeastern and Southeastern Native American cultures from earliest times to the present. Explores the Algonkian and Iroquois confederacies, as well as the Five Civilized Tribes; evaluates differences in tribal strategies adapting to Europeans while struggling to retain tribal sovereignty. Covers native identity, intertribal culture, and contemporary issues. Offered as needed.

ATH232 Native American Studies 3 class hrs/wk, 3 cr.
Focuses on the Prairie-Plains (Northern and Southern Plains) and Southwestern Native American cultures from earliest times to the present, emphasizing environmental adaptive strategies; explores Lakota and Kiowa relations with Euro-Americans while struggling to retain tribal sovereignty. Surveys intertribal powwows, religious rights, urban migration, culture loss and retention, and changing gender roles. Outlines environmental impact on traditional and contemporary Navajo and Hopi cultures. Offered as needed.

ATH233 Native American Studies 3 class hrs/wk, 3 cr.
Focuses on the Northwestern Native American cultures from earliest times to the present. Explores the various cultures west of the Rockies, with particular emphasis on women’s changing roles. Explores Oregon coastal (Coos) and California (Pomo) tribal cultures and their adaptations to Europeans while struggling to retain tribal sovereignty. Covers Kwakiutl and Haida masking arts and contemporary potlatch. Offered as needed.

AUM Automotive Technology

AUM086A Automotive Air Conditioning and Heating 1 class and 2 lab hrs/wk, 2 cr.
AUM161 Manual Drive Trains and Axles 1 3 class and 6 lab hrs/wk, 5 cr.
AUM168 Automotive Electrical Systems 1 3 class and 3 lab hrs/wk, 4 cr.
AUM184 Automotive Materials and Resources 2 lab hrs/wk, 1 cr.
AUM185 Automotive Machining Fundamentals 1 class and 3 lab hrs/wk, 2 cr.
AUM187 Automotive Milling Machine Processes 1 class and 3 lab hrs/wk, 2 cr.
AUM188 Automotive Machine Shop - Upper Engine 1 class and 4 lab hrs/wk, 3 cr.
AUM189 Automotive Machine Shop - Lower Engine 1 class and 4 lab hrs/wk, 3 cr.
AUM190 Automotive Machine Shop - Engine Assembly
1 class and 4 lab hrs/wk, 3 cr.
Covers theory and application in automotive machining procedures. Includes use of precision measuring tools, torque wrenches, camshaft timing checks, clearancing, blue-print measurement, and engine assembly and sealing techniques. Class fee $20. Sp

AUM192 Automotive Diesel Engines
2 class and 3 lab hrs/wk, 3 cr.
Covers construction, working principles and methods of servicing automotive diesel engines. Prerequisite: AUM151. Class fee $9. Sp

AUM253 Automotive Engines 2
1 class and 6 lab hrs/wk, 3 cr.
Focuses on repair and service of automotive internal combustion engines. Stresses speed and accuracy of diagnosis and repair. Builds on prior training. Prerequisite: Sixth term standing in the Automotive program or consent of instructor. Class fee $15. Sp

AUM262 Manual Drive Trains and Axles 2
1 class and 6 lab hrs/wk, 3 cr.
Continues AUM161, concentrating on diagnosis and service of automotive power train components on vehicles in the lab. Practical application of diagnosis, service, and repair of clutches, drive shafts, universal joints, front-wheel-drive axles, manual transmissions, manual transaxles, rear axles, differentials and four-wheel-drive transfer cases. Prerequisite: AUM161. Class fee $15. F

AUM263 Automatic Transmissions and Transaxles 1
3 class and 6 lab hrs/wk, 5 cr.
Introduces the fundamentals of automatic transmission operation. Explains methods of gear change, power flows, and basic hydraulic principles used in automatic transmissions. Emphasizes the service and overhaul of automatic transmissions. Class fee $15. F

AUM266 Basic Fuel Systems
3 class and 3 lab hrs/wk, 4 cr.
Covers basic principals of carburetion and carburetor circuits. Includes the basics of pressure differential, the venturi principle, fuel systems, gasoline, and engine variables pertinent to gasoline. Examines basic one-, two-, and four-barrel carburetor overhaul, service and adjustment, fuel pump testing and inspection, and introduces closed loop systems. Class fee $15. F

AUM267 Advanced Fuel Systems
3 class and 5 lab hrs/wk, 5 cr.
Covers advanced carburetor systems and operating principles; diagnosis of system problems, and service of the electro-mechanical (feedback) carburetors. Includes the theory and principles of carburetor accessory special feature devices, and carburetor computer control operation and adjustments. Also focuses on automatic fuel injection systems, computer functions, inputs, commands, system diagnosis, causes of emissions, testing, and instrumentation studies and infrared, four-gas, and five-gas analyzer testing. Prerequisite: AUM266 or consent of instructor. Class fee $15. W

AUM273 Automatic Transmissions and Transaxles 2
1 class and 6 lab hrs/wk, 3 cr.
Focuses on diagnosis, repair, and service of automatic transmissions and automatic transaxles, including electronic transmissions. Emphasizes speed and accuracy in diagnosis and repair. Builds on prior training. Prerequisite: AUM263. Class fee $15. Sp

AUM276 Automotive Electrical Systems 2
3 class and 3 lab hrs/wk, 4 cr.
Continues DC electrical systems for the repair and service of automotive vehicles. Includes basic electrical systems, storage batteries, starters, charging systems and ignition systems. Prerequisite: AUM168 or consent of instructor. Class fee $12. F

AUM277 Automotive Electrical Systems 3
3 class and 5 lab hrs/wk, 5 cr.
Emphasizes testing, diagnosis, theory of ignition operations, charging, cranking systems, electronic ignitions, oscilloscope testing, meter usage, and vehicle computer systems and testing. Reviews basic electrical principles, laws and forces. Prerequisite: AUM168 and AUM276 or consent of instructor. Class fee $15. W

AUM280A-L Cooperative Work Experience
See Cooperative Work Experience.

AUM281 Tune-up and Driveability
3 class and 8 lab hrs/wk, 6 cr.
Covers tuneup and diagnosis procedures of the gasoline internal combustion engine, including use of diagnostic equipment, with emphasis on tuneup of computer-controlled vehicles. Stresses diagnosis and repair of electrical and fuel systems related to tuneup and diagnosis of these systems using computer scanners, exhaust analyzers, engine analyzers and oscilloscopes. Prerequisite: AUM267 and AUM277, or consent of instructor. Class fee $18. Sp

AUM282 Electronic Vehicle Controls
3 class and 4 lab hrs/wk, 5 cr.
Familiarizes the student with the theory, operation, and testing of automotive electronic engine control system. Includes emission control systems, automotive computer systems, anti-lock brake systems, turbo charging and fuel injection systems as they relate to engine control systems. Prerequisite: AUM168, AUM266 and AUM267, AUM276 and AUM277. Class fee $15. W

AUM283 Advanced Electronic Vehicle Control Systems
3 class and 3 lab hrs/wk, 4 cr.
Designed to provide advanced training in the operation and testing of automotive electronic control systems. Prerequisite: AUM282 or consent of instructor. Class fee $12. Sp

AUM286 Automotive Heating and Air Conditioning
3 class and 5 lab hrs/wk, 5 cr.
Presents the theory and operation of automotive heating and air-conditioning systems. Covers methods for service, repair, and troubleshooting heating and air-conditioning systems. Class fee $15. W
BA062B AMA-Managing and Resolving Conflict
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on negotiation techniques. Topics range from the steps used in pre-negotiation planning to the use of specific andvp in development, including planning, organizing, staff, motivation and controlling. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062C AMA-Communication Skills for Managers
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on effective oral, non-verbal and written communication. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062D AMA-First-Line Supervision
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on contemporary management skills, including planning, organizing, staffing, motivating and controlling. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062E AMA-Getting Results with Time Management
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on techniques to increase productivity and efficiency by better use of time and organizational skills. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062F AMA-How to Delegate Effectively
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on effective delegation methods. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062G AMA-A Manager’s Guide to Human Behavior
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on the skills necessary to inspire employees to high performance, maximize positive impact on others, deal with on-the-job conflict, develop more productive working relationships, establish rapport and mutual trust, and receive performance feedback. Designed for management and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062H AMA-Leadership Skills for Managers
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on leadership skills, decision making, rewards, productivity, conflict, grievances and problem employees. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062I AMA-Manager’s Guide to Human Behavior
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on the skills necessary to inspire employees to high performance, maximize positive impact on others, deal with on-the-job conflict, develop more productive working relationships, establish rapport and mutual trust, and receive performance feedback. Designed for management and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062J AMA-Successful Negotiating
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on negotiation techniques. Topics range from the steps used in pre-negotiation planning to the use of specific arrangements and meeting site selection to determine the results of negotiations. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062K AMA-Leadership Skills for Managers
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on leadership skills necessary for managing a diverse and changing workforce. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062L AMA-Writing for Managers
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods to improve writing and grammar skills. Emphasizes writing, letter, memo, reports. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062M AMA-Writing for Management Success
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods to improve writing and grammar skills. Emphasizes writing, letter, memo, reports. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062N AMA-Total Quality Management
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods to improve writing and grammar skills. Emphasizes writing, letter, memo, reports. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062O AMA-How to Make Teams Work
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods of team-building skills for a changing business environment. In the role of team leader, participants gain an understanding of and management tools to make teams function. Class fee $126. Offered as needed.

BA062P AMA-Effective Team-Building for Managers
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods of team-building: from recruiting the right team members to empowering them with authority and responsibility for their decisions and performance. Covers methods of building trust, confidence and group work skills. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA062Q AMA-First Level Leadership: Supervising in the New Organization
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on the concepts and skills needed to manage the “new” workforce, influence others, and create and foster organizational stewardship. Emphasizes the key topics for building strong teams, defining the basics of their businesses, and gaining the tools to manage the change process. Uses case studies, assessments and focused activities to measure progress and gain the tools to lead in the new organization. Class fee $126. Offered as needed.

BA063 AMA-First Level Supervision
2.5 class hrs/wk, for 5 weeks, 1 cr.
Covers the essential elements of supervising others. Focuses on leadership styles, decision making, rewards, productivity, conflict, grievances and problem employees. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA063 Call Center Customer Service Training with Computer Skills
3 class hrs/wk, 3 cr.
Provides the necessary customer service, telephone, and computer operation skills for an entry-level call center/customer service representative. Class fee $171. Offered as needed.

BA092 AMA-First Level Supervision
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods for enhancing the leadership qualities necessary for managing a diverse and changing workforce. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA095 AMA-First Level Supervision
2.5 class hrs/wk, for 5 weeks, 1 cr.
Focuses on methods for enhancing the leadership qualities necessary for managing a diverse and changing workforce. Designed for managers and supervisors in business, industry and government. Class fee $126. Offered as needed.

BA101 Leadership Strategies
2 class hrs, 2 cr.
Focuses on leadership skills necessary to inspire employees to high performance, maximize positive impact on others, deal with on-the-job conflict, develop more productive working relationships, establish rapport and mutual trust, and receive performance feedback. Designed for management and supervisors in business, industry and government. Class fee $126. Offered as needed.
BA121 Project Management 1 - Tools and Techniques
3 class hrs/wk, 3 cr.
Covers tools and techniques associated with project management. Focuses on gathering, analyzing, formatting, and presenting specific types of information and data. Offered as needed.

BA122 Project Management 2 - Teams and Influencing Without Authority
2 class hrs/wk, 2 cr.
Covers team development associated with project management, including application, and how to influence others without authority. Offered as needed.

BA123 Project Management 3 - Estimating, Risk, Contracts and Procurement
3 class hrs/wk, 3 cr.
Covers estimating, risk, contracts and procurement. Offered as needed.

BA124 Project Management 4 - Simulation: Controlling the Project
2 class hrs/wk, 2 cr.
Reviews project management techniques from start-up to close-out. Brings together tools learned in the previous Project Management courses through use of a simulation. Offered as needed.

BA160 Purchasing
3 class hrs/wk, 3 cr.
Discusses purchasing functions, policies, procedures, manuals, legal considerations, public relations, ethics, quality and sources of supplies, storekeeping and personnel. Offered as needed.

BA173 Public Relations in Business
3 class hrs/wk, 3 cr.
Explains the basic theories and principles involved in the practice of public relations and provides practical information needed to develop or to implement public relations activities in the business environment. Offered as needed.

BA177 Payroll
4 class hrs/wk, 4 cr.
Offers a comprehensive overview to both federal and State of Oregon payroll practices and procedures. Includes computing and recording gross wages, withholding amounts, and net wages. Introduces computerized and manual systems to create and maintain employee earnings records and payroll registers; computes employers taxes and other payroll-related costs; make payroll tax deposits; complete payroll reports and W-2s; and make general journal entries for all payroll transactions. Prerequisite: CS101 and BT090 or BA051 or BA211 or consent of instructor. Class fee $20. F, Sp

BA200K Conflict Resolution at Work
1 class hr/wk, 1 cr.
Stresses skills and methods which lead to conflict resolution in the workplace. Offered as needed.

BA201 Community Leadership
1 class hr and 6 lab hrs/wk, 3 cr.
Studies effective leadership action within the community. Includes motivation techniques to prepare individuals to assume leadership positions within the community. Participants will attend seminars, tours, and briefings and will talk with people in decision-making positions. Offered as needed.

BA202 Personal Effectiveness
3 class hrs/wk, 3 cr.
Uses individual and small group exercises to improve skills in self-awareness, communication, values clarification, individual problem-solving, and presents strategies to assist the student in maintaining employment and in demonstrating a professional image and work behavior. F, W, Sp

BA203 Interpersonal Relations in Business
3 class hrs/wk, 3 cr.
Covers interpersonal relations in an organization. Includes effective verbal and nonverbal communication styles, interviewing skills, coworker relations considering individual and cultural differences, customer relationships, conflict management and coaching/teaching. BA202 recommended. W, Sp

BA204 Teamwork Dynamics
3 class hrs/wk, 3 cr.
Introduces fundamentals of effective work-team relationships. Covers team-building, group problem solving, self-directed teams, cultural diversity in the Northwest and diversity and team management. BA202 recommended. Sp

BA205 Business Management Principles
3 class hrs/wk, 3 cr.
Analyzes and synthesizes historical and current theories in leadership, group processes, organizational structures, personnel policies, motivation, and training that allow an individual to plan, organize, control, staff and direct subordinates in an organization. College level reading and writing recommended. F, W, Sp, Su

BA207 Business Communications
3 class hrs/wk, 3 cr.
Applies principles of written, oral and nonverbal communication. Covers preparation of good news, bad news and persuasive messages in applied situations using letters, memoranda and reports, using proper format. Includes development of resumes, job application letters and job interviews. Emphasizes written and oral assignments that require individual and group work. Prerequisite: BT120 or consent of instructor based on the proficiency exam. F, W, Sp, Su

BA211 Financial Accounting 1
4 class hrs, 4 cr.
Covers the complete accounting cycle for service and merchandising firms including recording transactions, adjustments, financial statements, worksheets, closing entries, cash and accounts receivable, notes and interest, and accounting for inventories. Designed for students enrolled in the Accounting program and/or students transferring to four-year institutions. F, W, Sp, Su

BA212 Financial Accounting 2
4 class hrs, 4 cr.
Covers accounting theory, capital assets and depreciation, current and long-term liabilities, partnerships, corporations, investments, cash flow statements and ratio analysis. Prerequisite: BA101, BA211 and MTH070 or higher math or concurrent enrollment in MTH070, or consent of instructor. F, W, Sp, Su

BA213 Managerial Accounting
4 class hrs/wk, 4 cr.
Covers the accountant’s role in an organization, cost terms and purposes, cost-volume-profit relationships, budgeting, systems design, standard costs, flexible budgets and overhead control, joint costing, cost allocation, income effects of alternative product-costing methods and relevant costs, and the contribution approach to decisions. Prerequisite: BA212 or consent of instructor. F, W, Sp

BA214 Business Communications
3 class hrs/wk, 3 cr.
Applies principles of written, oral and nonverbal communication. Covers preparation of good news, bad news and persuasive messages in applied situations using letters, memoranda and reports, using proper format. Includes development of resumes, job application letters and job interviews. Emphasizes written and oral assignments that require individual and group work. Prerequisite: BT120 or consent of instructor based on the proficiency exam. F, W, Sp, Su

BA215 Cost Accounting
3 class hrs/wk, 3 cr.
Analyzes methods of detailed and specific identification of cost elements in business. Emphasizes job orders, processes, and standard cost accounting systems and their related theory; principles, techniques, and managerial use of cost accounting data; and use of budget and performance reports as related to cost accounting. Offered as needed.

BA216 Financial Accounting 2
3 class hrs/wk, 3 cr.
Covers accounting theory, capital assets and depreciation, current and long-term liabilities, partnerships, corporations, investments, cash flow statements and ratio analysis. Prerequisite: BA101, BA211 and MTH070 or higher math or concurrent enrollment in MTH070, or consent of instructor. F, W, Sp, Su

BA218 Personal Finance
3 class hrs/wk, 3 cr.
Introduces principles and concepts of consumer economics. Covers consumer decision making, money management, use of credit, food shopping, housing, family transportation, insurance, savings and investment. Sp.
BA221 Production and Operations Management
3 class hrs/wk, 3 cr.
Introduces basic aspects of managing a small business. Includes policy formulation, employee selection and placement, interviewing and counseling, discipline, labor-management relations, wage and salary administration, human resource development, and employee health and safety. F, Sp

BA222 Business Law 1
3 class hrs/wk, 3 cr.
Introduces the nature and function of the law in our society. The study of contracts, the formation of contracts, the right of contracts, and the obligations of contracts. F, W, Sp, Su

BA223 Principles of Marketing
3 class hrs/wk, 3 cr.
Surveys all functions of marketing from research and product development to the sale of a product or service and feedback of consumer acceptance. Emphasizes marketing planning and strategy as dictated by the consumer through marketing research. Prerequisite: BA101 or consent of instructor. F, Sp

BA224 Personnel Management
3 class hrs/wk, 3 cr.
Covers the principles and functions of a personnel department relating to supervision. Includes policy formulation, employee selection and placement, interviewing and counseling, discipline, labor-management relations, wage and salary administration, human resource development, and employee health and safety. F, Sp

BA225 Income Tax Accounting 1
4 class hrs, 4 cr.
Introduces the first of two introductory courses in preparing Federal and Oregon individual income tax returns. Completing BA256 and BA257 meets the Board of Tax Service Examiners educational requirements to take the Oregon Tax Preparer’s Licensing Examination. Prerequisite: BA212 or BA052 or consent of instructor. F, Sp, Su

BA226 Business Law 2
3 class hrs/wk, 3 cr.
Covers legal aspects of personal property, sales, commercial paper and bankruptcy. Continues BA225. Prerequisite: BA226. W, Sp

BA227 Business Law 2
3 class hrs/wk, 3 cr.
Covers legal aspects of personal property, sales, commercial paper and bankruptcy. Continues BA226. Prerequisite: BA226. W, Sp

BA228 Computer Accounting Applications
3 class hrs/wk, 3 cr.
Introduces computer-based accounting for small businesses and provides hands-on experience with business applications including general ledger, accounts receivable, accounts payable, payroll, inventory management processing, sales invoicing, check reconciliation and financial statements. Prerequisite: BA212 and BA213 and CS125E or equivalent microcomputer experience; or BT90 and CA091 and CS125E or equivalent microcomputer experience. Class fee $15. F, Sp

BA229 Principles of Advertising
3 class hrs/wk, 3 cr.
Examines advertisements within each segment of media. Explores relative merits of several media. Practice in the planning and analysis of complete advertising campaigns and their coordination with other marketing strategies. Offered as needed.

BA230 Governmental/Non-Profit Accounting 1
3 class hrs/wk, 3 cr.
Considers budgets, accounting for general funds, special revenue funds, revenue accounting, expenditure accounting, capital projects funds, debt-service funds, special assessment funds, enterprise funds, general fixed asset group of accounts, and summary of funds and groups. Comprehensive study of accounting for governmental and non-profit entities. Prerequisite: BA212. F

BA231 Risk and Insurance
3 class hrs/wk, 3 cr.
Emphasizes the role of insurance from the viewpoint of the consumer. Covers business and personal applications of the major types of property and liability insurance, and life and health insurance, with emphasis on the underlying economic need each is designed to meet. Concepts of risk, probability and insurance; role of insurance in the management of risk. An examination of the underlying legal principles and common elements of most insurance contracts. Offered as needed.

BA240 Marketing Research
3 class hrs/wk, 3 cr.
Emphasizes research design and the development of information gathering systems as applied to marketing. Use of secondary and primary data and the interpretation of information gathered. Offered as needed.

BA241 Introduction to Consumer Behavior
3 class hrs/wk, 3 cr.
Covers elementary statistical techniques to aid decision making in business. Includes populations and variances, indexes, estimating, hypotheses testing, analysis of variances, time series and correlation. Prerequisite: MTH095. Su

BA242 Investments
3 class hrs/wk, 3 cr.
Explains the individual investment opportunities as part of an investor’s portfolio. How investors may consolidate and coordinate previous experiences with basic information and data in order to survive in the marketplace. F, W, Sp

BA243 Introduction to Consumer Behavior
3 class hrs/wk, 3 cr.
Discusses the influences of perception, personality, attitudes, culture, family life, and social class on how and why people buy and consume products. How behavioral science concepts, theories, and research observations apply to various aspects of consumer behavior. Offered as needed.

BA250 Small Business Management
3 class hrs/wk, 3 cr.
Introduces basic aspects of managing a small business, including planning, organizing, staffing, actuating and controlling. General functions and procedures used in the operation of a small business. Prerequisite: Second-year standing or consent of instructor. Offered as needed.

BA251 Office Management
3 class hrs/wk, 3 cr.
Includes planning, organizing and controlling business services, systems and procedures. A study of administrative office manager responsibilities. W, Sp

BA255 Elements of Supervision
3 class hrs/wk, 3 cr.
Studies current supervisory processes, reviews supervisory responsibilities, provides practical instruction for new and current supervisors; and examines the role of supervision in business and industry. Offered as needed.

BA256 Income Tax Accounting 1
4 class hrs, 4 cr.
Offers the second of two introductory courses in preparing Federal and Oregon individual income tax returns. Completing BA256 and BA257 meets the Board of Tax Service Examiners educational requirements to take the Oregon Tax Preparer’s Licensing Examination. Prerequisite: BA212 or BA052 or consent of instructor. F, Sp, Su

BA257 Income Tax Accounting 2
4 class hrs, 4 cr.
Offers the second of two introductory courses in preparing Federal and Oregon individual income tax returns. Completing BA256 and BA257 meets the Board of Tax Service Examiners educational requirements to take the Oregon Tax Preparer’s Licensing Examination. Prerequisite: BA256 or consent of instructor. F

BA258 Budgeting in the Public Sector
3 class hrs, 3 cr.
Provides an overview of the techniques and politics of budget preparation, modification and implementation in the public sector. Includes the budget plan, budget process, budget approval process and budgeting control. Prerequisite: Knowledge of fund accounting and spreadsheets; BA240 or equivalent experience; and CS125E or equivalent experience. Offered as needed.
BA213 or concurrent enrollment
BA266 or consent of
BA267 or MTH244, CS125E. Class fee $20.

BA266 Intermediate Financial Accounting 1
4 class hrs/wk, 4 cr.
Studies the environment and development of accounting principles, basic theory, accounting process, statement of income and retained earnings, statement of financial position, present value, monetary assets, valuation of inventories, and current liabilities. Prerequisite: BA213 or concurrent enrollment in BA213 or consent of instructor. F

BA267 Intermediate Financial Accounting 2
4 class hrs/wk, 4 cr.
Studies plant assets, depreciation, depletion, intangible assets, long-term liabilities, issuance and reacquisition of capital stock, additional paid-in capital and retained earnings, dilutive securities and earnings per share calculations, long-term investments in securities and funds, and revenue recognition. Prerequisite: BA266 or consent of instructor. W

BA268 Intermediate Financial Accounting 3
4 class hrs/wk, 4 cr.
Offers a comprehensive study of revenue recognition, accounting changes, error analysis, income taxes, pension plans, leases and cash flow statements. Prerequisite: BA267 or consent of instructor. W

BA271 Information Technology in Business
4 class hrs/wk, 4 cr.
Studies application of information technology in the business environment through the combined use of database, spreadsheet, word processing, presentation, groupware and hypertext tools. Prerequisite: BA101, BA211, BA212, BA213, CS101 and CS125E. Class fee $20. W

BA275 Quantitative Business Methods
4 class hrs/wk, 4 cr.
Presents management decision processes utilizing statistical methods, use and application of probability concepts, sampling procedures, statistical estimation and regression. Prerequisite: MTH244, CS125E. Class fee $20. Offered as needed.

BA277 Business Ethics
3 class hrs/wk, 3 cr.
Includes a comparative study of ethical and economic systems designed to increase decision-making capabilities. Emphasizes issues and policy formation in varied business settings. W

BA280A-L Cooperative Work Experience
See Cooperative Work Experience.

BA281 Consumer Lending
3 class hrs/wk, 3 cr.
Covers consumer lending, including the many types of credit arrangements in which a financial charge is paid for the privilege of repaying debts in delayed payments. Includes credit evaluation, consumer credit policy, the requirements of making credit decisions, and loan documentation and closing. Prerequisite: Current employment in a financial institution. Offered as needed.

BI

Biology

BI060 Basic Science for Dental Assistants
2 class and 2 lab hrs/wk, 3 cr.
Designed especially for Dental Assisting program students. Presents introductory concepts of cell biology, microbiology, oral histology and embryology, and head and neck anatomy. Includes practical application of problem solving, scientific observation and measurement, use of equipment and basic laboratory techniques. Class fee $10. Sp, Su

BI071 Body Structure and Function 1
2 class and 2 lab hrs/wk, 3 cr.
Introduces the normal structure and function of the human body, chemical principles, characteristics of the cell as a basis for life, organization of tissues, organs and systems; and structure and function of body systems. Includes lecture, demonstration and laboratory practice. Class fee $10. Offered as needed.

BI072 Body Structure and Function 2
2 class and 2 lab hrs/wk, 3 cr.
Continues BI071. Prerequisite: BI071. Class fee $10. Offered as needed.

BI100 Orientation to Marine Life of the Oregon Coast
2 class and 3 lab hrs/wk, 3 cr.
Presents introductory information about marine organisms including birds, mammals, fish and invertebrates native to the Oregon Coast. Includes identification of these organisms, basic knowledge about their natural history, introduction to scientific terminology, basic awareness of scientific classification and information related to the understanding of the physical exhibition structure and life support systems to maintain these animals in an aquarium environment. Class fee $15. Sp

BI101 General Biology
3 class and 3 lab hrs/wk, 4 cr.
Investigates the diversity of organisms, principles of ecology, and effects and consequences of ecosystem alteration by humans. Prerequisite: None. This sequence need not be taken in order, although some carryover from one term to the next does occur. Class fee $15. F, Sp, Su

BI102 General Biology
3 class and 3 lab hrs/wk, 4 cr.
Investigates the principles of cell division; Mendelian, population, and molecular genetics; evolution, natural selection and origin of species; and animal behavior. Prerequisite: None. This sequence need not be taken in order, although some carryover from one term to the next does occur. Class fee $15. F, W, offered Summer as needed.

BI103 General Biology
3 class and 3 lab hrs/wk, 4 cr.
Investigates the principles of animal structure (anatomy) and function (physiology); human (and comparative) reproductive, nervous, circulatory, immune, digestive, respiratory, and urinary systems; plant structure and function; nutrition, growth and reproduction. Prerequisite: None. This sequence need not be taken in order, although some carryover from one term to the next does occur. Class fee $15. W, Sp, offered Summer as needed.

BI131 Environmental Science 1
3 class and 3 lab hrs/wk, 4 cr.
Introduces basic principles of ecology and environmental science and examines environmental problems and issues concerning human population growth. Class fee $15. F

BI132 Environmental Science 2
3 class and 3 lab hrs/wk, 4 cr.
Examines environmental problems and issues related to resource use and management such as deforestation, global warming, soil erosion, water and food shortages, the loss of biodiversity and energy issues. Prerequisite: BI131 or BI101. Class fee $15. W

BI133 Environmental Science 3
3 class and 3 lab hrs/wk, 4 cr.
Examines environmental problems and issues related to environmental contamination such as air and water pollution, solid waste disposal, and pesticide use, and explores relationships between environmental problems and other aspects of society. Prerequisite: BI132. Class fee $15. Sp

BI143 Marine Biology
3 class and 3 lab hrs/wk, 4 cr.
Investigates a variety of marine ecosystems, including intertidal areas, salt marshes, estuaries, and other marine environments. Examines the ecology, physiology, and morphology of marine plants and animals. Emphasizes Oregon adaptations of life forms to marine environments. Class fee $15. W

BI200 Principles of Ecology-Field Biology
3 class and 3 lab hrs/wk, 4 cr.
Emphasizes the broad concepts of ecology using Western Oregon coniferous forests as a model. Concepts are first introduced in the classroom and then examined in detail using student-collected field data. Prerequisite: BI101, BI102, or consent of instructor. Class fee $15. Su
B1231 Human Anatomy and Physiology
3 class and 3 lab hrs/wk, 4 cr.
Aids in the in-depth examination of the structure and function of the human body in the first of a three-term sequence. Includes a review of chemical principles, the study of cells, tissues and the integumentary, skeletal and nervous systems. Prerequisite: CH110, CH104 or CH105 (CH105 must be taken concurrently with B1231 if not completed previously) or consent of instructor. Class fee $15. F, W, Sp, offered Summer as needed.

B1232 Human Anatomy and Physiology
3 class and 3 lab hrs/wk, 4 cr.
Aids in the in-depth examination of the structure and function of the human body in the second of a three-term sequence. Includes the study of the muscular, circulatory and respiratory systems. Prerequisite: B1231 with a grade of C or better, CH110, CH105 or CH106 (CH106 must be taken concurrently with B1232 if not completed previously) or consent of instructor. Class fee $15. F, W, Sp, offered Summer as needed.

B1233 Human Anatomy and Physiology
3 class and 3 lab hrs/wk, 4 cr.
Aids in the in-depth examination of the structure of the human body in the third of a three-term sequence. Includes the study of the endocrine, digestive, urinary and reproductive systems. Also includes an examination of body fluids, electrolytes, pH balance and medical genetics. Prerequisite: B1232 with grade of C or better, or consent of instructor. Class fee $15. W, Sp, offered Summer as needed.

B1234 Microbiology
3 class and 3 lab hrs/wk, 4 cr.
Studies bacteria and other microorganisms emphasizing their impact upon human health. Includes discussion of infection, immunity, common pathogens, and methods and mechanisms of control. Prerequisite: B1231, CH110, CH104 or CH105 or consent of instructor. Class fee $15. F, W, Sp, offered Summer as needed.

B1251 Principles of Wildlife Conservation
3 class hrs/wk, 3 cr.
Introduces the principles and practices of wildlife conservation and management. Covers the history of wildlife conservation, basic ecological concepts, human impact on wildlife and habitat, social and economic issues relating to wildlife management, and management objectives and strategies for fisheries and wildlife populations. Sp

B1263 Structural Inspection-Concrete
3 class hrs/wk, 3 cr.
Introduces concrete as a construction material and its identity as a type of construction as defined by the Uniform Building Code. Covers its physical properties including mix design, handling, storage, delivery, placement and its fire resistive qualities. Emphasizes analysis of one- and two-family structures (up to 30 percent of course). Class fee $10. F

B1265 Building Department Administration
3 class hrs/wk, 3 cr.
Discusses purpose and procedures of building department administration. Examines laws and principles that affect building department personnel and code compliance. Sp

B1269 Fire Protection for Buildings
3 class hrs/wk, 3 cr.
Covers the installation, function, location and purpose of sprinkler systems. Sp

B1270 Fire Protection for Buildings
3 class hrs/wk, 3 cr.
Covers the installation, function, location and purpose of sprinkler systems. Sp

B150 Introduction to Building Inspection
3 class hrs/wk, 3 cr.
Introduces history and legality of building codes. Explores and compares the performance versus specification standards. Emphasizes Uniform Building Code with Oregon amendments. F

B151 Building Codes 1
3 class hrs/wk, 3 cr.
Covers the nonstructural standards of the Uniform Building Code including occupancy classifications, building area, height and location limitations, types of construction, exits and fire resistive standards. Emphasizes one- and two-family structures. F

B152 Building Codes 2
3 class hrs/wk, 3 cr.
Continues building code studies concerning areas that present hazards in building construction such as vertical shafts, treatment of exterior and interior surfaces, detailed exit requirements, fire protection systems, public property and weather protection. Prerequisite: B151. W

B153 Building Codes 3
3 class hrs/wk, 3 cr.
Provides a comprehensive review of the Uniform Building Code including pedestrian protection, permanent occupancy, prefabricated construction, fire systems, energy conservation and architectural barriers. Prerequisite: B151 and B152. Sp

B154 Dwelling Construction Under the UBC
3 class hrs/wk, 3 cr.
Relates the Uniform Building Code to residential buildings and miscellaneous structures. Includes administration, definitions, foundations, occupancy standards, wood framing systems and roof and wall coverings. Sp

B155 Building Department Administration
3 class hrs/wk, 3 cr.
Discusses purpose and procedures of building department administration. Examines laws and principles that affect building department personnel and code compliance. Sp

B159 Materials of Construction
2 class hrs/wk, 2 cr.
Covers materials and processes regulated by the Uniform Building Code. Reviews testing standards as a quality control of traditional and nontraditional building materials. Class fee $10. W

B161 Structural Inspection-Wood
3 class hrs/wk, 3 cr.
Introduces basic methods of wood framing. Covers allowable stresses, loads, and fundamental design of wood products and construction systems. Emphasizes one- and two-family structures. Class fee $10. W

B162 Structural Inspection-Masonry
3 class hrs/wk, 3 cr.
Covers the specific code requirements for all types of masonry construction, both structural and nonstructural. Includes an introduction to fireplace construction. Class fee $10. Sp

B181 Mechanical Codes 1
3 class hrs/wk, 3 cr.
Introduces the thermodynamics of heat and how it relates to the mechanical appliance. Examines the International Mechanical Codes general code requirements for heating, ventilating and air conditioning equipment. Studies the fuel gas piping system from the gas meter to the appliance, and the combustion air requirements for appliances that burn gas fuel. Stresses evaluation of appliances and equipment for its listing and installation instruction for dwelling and commercial applications. F

B182 Mechanical Codes 2
3 class hrs/wk, 3 cr.
Studies the air distribution system that services a central heating plant. Studies the construction and installation requirements for sheet metal ducts and the fabrication and installation requirements for factory-made air ducts. Covers the venting systems serving gas burning and solid fuel burning appliances. Examines commercial and domestic incinerators, vented decorative appliances, direct gas-fired makeup air heaters and industrial air heaters, and domestic ranges and clothes dryers. Stresses evaluation of the appliance and equipment for its listing and installation instruction for dwellings and commercial applications. Prerequisite: B181. W

B183 Mechanical Codes 3
3 class hrs/wk, 3 cr.
Provides a working knowledge of the International Mechanical Codes and its provisions for the exhaust systems, boilers, water heaters, hydronics heating systems, and process piping and refrigeration systems. Prerequisite: B181, B182. Sp

B193A-F Building Inspection-Lab
4 lab hrs/wk, 1 cr. each.
Provides code standards and conditions typical of building inspection work for inspectors in the following areas: mechanical inspection, structural inspection, and one- and two-family dwelling codes. Stresses writing correction notices based upon field observations. Class fee $10 each. F, W, Sp

B260 Fire Protection for Buildings
3 class hrs/wk, 3 cr.
Covers the installation, function, location and purpose of sprinkler systems. Sp

B263 Structural Inspection-Concrete
3 class hrs/wk, 3 cr.
Introduces concrete as a construction material and its identity as a type of construction as defined by the Uniform Building Code. Covers its physical properties including mix design, handling, storage, delivery, placement and its fire resistive qualities. Emphasizes analysis of one- and two-family structures (up to 30 percent of course). Class fee $10. F
BLD264 Structural Inspection-Steel
3 class hrs/wk, 3 cr.
Introduces steel as a construction material and its identity as a construction type in light, medium, and heavy steel frame construction. Covers methods of connections, its fire resistive qualities, and manufacturing and fabrication processes. Prerequisite: BLD151 or consent of program chair. Class fee $10. W

BLD266 Structural Plan Review
2 class and 3 lab hrs/wk, 3 cr.
Covers the fundamentals of structural plan review. Includes analysis and design of beams, columns and connections. Prerequisite: BLD269. W

BLD267 Non-Structural Plan Review
2 class and 3 lab hrs/wk, 3 cr.
Examines the techniques and processes of non-structural plans. Includes familiarization with plan and construction documents, specifications, and the application of fire, life and safety code requirements. Prerequisite: BLD151 and BLD152. Sp

BLD268 Foundations, Excavation and Grading
3 class hrs/wk, 3 cr.
Covers fundamentals of and the code requirements for regulating excavations and fills for any building or structure, construction of foundation and retaining structures and general grading. Presents code requirements and emphasizes application to plan review and inspection functions. Uses grading and building plans and soil reports to complement the codes. Prerequisite: MTH052. F

BLD269 Engineering for the Building Inspector
3 class hrs/wk, 3 cr.
Studies static forces and their effect upon rigid bodies at rest, including a study of stresses and strains that occur in these bodies when subjected to tensile, compressive and shearing forces. Prerequisite: MTH052 or equivalent. F

BLD271 Plumbing Codes 1
3 class hrs/wk, 3 cr.
Investigates certain standards of the Uniform Plumbing Code. Covers the following principles: plumbing design, materials and installation standards related to dwelling construction. F

BLD272 Plumbing Codes 2
3 class hrs/wk, 3 cr.
Covers plumbing code requirements related to water and gas distribution systems, storm and sanitary sewer systems, water heater installations and mobile home connections. Prerequisite: BLD271 or consent of instructor. W

BLD280A-L Cooperative Work Experience
See Cooperative Work Experience.

BLD291 One- and Two-Family Electrical Code
3 class hrs/wk, 3 cr.
Covers general wiring design, methods and equipment, as related to one- and two-family dwelling applications. Sp

BLD292A One- and Two-Family Dwelling Code (Structural)
3 class hrs/wk, 3 cr.
Covers the structural portion of the One- and Two-Family Dwelling Specialty Code as it relates to residential constructional and other applicable codes. W

BLD292B One- and Two-Family Dwelling Code (Mechanical)
3 class hrs/wk, 3 cr.
Covers the mechanical portion of the One- and Two-Family Dwelling Specialty Code as it relates to residential construction and applicable codes. Sp

BOT

Botany

BOT201 General Botany
3 class and 3 lab hrs/wk, 4 cr.
Introduces the study of plant life, emphasizing principles, theories and applications of plant biology. Includes the study of plant ecology, generalized plant cells, photosynthesis and respiration. Prerequisite: High school biology and chemistry, or college equivalents recommended. Class fee $15. F

BOT202 General Botany
3 class and 3 lab hrs/wk, 4 cr.
Introduces the study of plant life, emphasizing principles, theories and applications of plant biology. Includes the study of genetics, evolution, diversity of prokaryotes, fungi, and algae. Prerequisite: High school biology and chemistry, or college equivalents recommended. Class fee $15. W

BOT203 General Botany
3 class and 3 lab hrs/wk, 4 cr.
Introduces the study of plant life, emphasizing principles, theories and applications of plant biology. Includes the diversity, growth, development, and structure of vascular plants, including the effects of light, hormones, water and nutrients. Laboratory work includes the identification of flowering plants. Prerequisite: High school biology and chemistry, or college equivalents recommended. Class fee $15. Sp

BT

Business Technology

BT061 Electronic Calculators
2 class hrs/wk, 2 cr.
Covers the use of electronic printing calculators to solve simple business and mathematical problems. Prerequisite: MTH060. Class fee $10. F, W, Su.

BT061A Electronic Calculators A
2 lab hrs/wk, 1 cr.
Introduces use of electronic calculators to solve problems involving addition, subtraction, multiplication, division and fractions. Includes speed and accuracy in touch operation of the calculator. Prerequisite: MTH060. Class fee $5. F, Sp

BT061B Electronic Calculators B
2 lab hrs/wk, 1 cr.
Continues BT061A. Applies the functions of an electronic calculator to solve business problems. Covers the percentage formula, simple interest, trade discounts, payroll and consumer installment buying. Stresses speed and accuracy in touch operation of the calculator. Prerequisite: MTH060. Class fee $5. F, Sp

BT084 Business English 1
3 class hrs/wk, 3 cr.
Emphasizes basic English skills, including spelling, parts of speech, sentence patterns, terminal punctuation and dictionary use. Uses written and oral exercises to develop skills in class. Offered as needed.

BT085 Business English 2
3 class hrs/wk, 3 cr.
Emphasizes effective business writing by focusing on proper grammar, punctuation and sentence structure. Covers the writing of business-related paragraphs. Prerequisite: BT084 or consent of instructor based on proficiency exam. F, W, Sp, Su

BT086 Personal and Professional Development
3 class hrs/wk, 3 cr.
Assists students in identifying the personal and professional strengths sought by employers in hiring and promoting employees. Encourages students, through self-assessment, to compare those traits with their own personal and professional strengths and potential weaknesses. Offers opportunities to develop step-by-step approaches toward enhancing the marketability of their skills. Sp

BT090 Bookkeeping
3 class hrs/wk, 3 cr.
Covers basic accounting principles and procedures to provide familiarity with financial records and current accounting terminology. Includes training in processing techniques for handling information; special journals, controlling accounts and worksheets used in preparation of account statements, purchases, sales and end-of-the-period procedures. F or W or Sp
BT099 Proofreading/Editing
3 class hrs/wk, 3 cr.
Prerequisite: BT085 or BA051 or BA211, or placement through the office reference manual while developing editing and pre-transcription skills.

BT099A Proofreading/Editing A
1 class hr/wk, 1 cr.
Prerequisite: BT084 or BT085.

BT099B Proofreading/Editing B
1 class hr/wk, 1 cr.
Prerequisite: BT085, BT099A, CA121, or equivalent as determined by instructor.

BT099C Proofreading/Editing C
1 class hr/wk, 1 cr.
Prerequisite: BT099A, BT099B, CA121, or equivalent as determined by instructor.

BT110A, B, C Business Grammar and Punctuation Review 1, 2, 3
1 class hr/wk, 1 cr. each
Reviews impact of grammar rules on business documents. BT110A: Sentence types, parts of speech, nouns and pronouns; BT110B: Verbs, verb tenses, adjectives and adverbs; BT110C: Prepositions, conjunctions, phrases, clauses, capitalization and punctuation. BT110A,B,C will not substitute for BT084 or BT085.

BT116 Office Procedures
3 class hrs/wk, 3 cr.
Introduces administrative support activities. Includes using the telephone, practicing effective listening skills, employing mailing and shipping services, preparing financial records, planning meetings and conferences, making travel arrangements, scheduling appointments, meeting with the public and developing supervision and leadership skills. Presents employment opportunities.

BT120 Professional Communication Skills
4 class hrs/wk, 4 cr.
Introduces principles of written, oral and nonverbal communication. Includes composition of business documents related to meetings (letters, memorandums, agendas, minutes); use of reference manuals and procedures manuals; participation in small groups and business meetings (group dynamics, team building, short oral reports); and preparation of written report with documentation.

BT128 Introduction to Records Management A
3 class hrs/wk, 3 cr.
Introduces principles and procedures for efficient organization and control of business records. Covers the creation, management, maintenance, storage and disposition of records. Includes practice in alphabetic, numeric, subject and geographic filing systems. Includes correspondence and other papers.

BT128B Introduction to Records Management B
1 class hr/wk, 1 cr.
Introduces various other types of filing systems: color-coded, alphabetic, subject, numeric and geographic. Emphasizes records control, transfer, storage, retrieval and disposition of paper records and special records filing.

BT128C Introduction to Records Management C
1 class hr/wk, 1 cr.
Introduces basic principles used in the systematic planning of the classification, arrangement and filing of alphanumeric correspondence and the requisition, charge and follow-up controls.

BT280A-L Cooperative Work Experience
See Cooperative Work Experience.
CA115 Introduction to Office XP
4 class hrs/wk, 4 cr.
Introduces three programs within the Microsoft Office Suite with emphasis on word processing, spreadsheet and presentation software. Includes exploring the Internet, managing documents and creating a Web page. Prerequisite: Computer literacy; touch keyboarding ability; CS101 or other beginning computer class preferred. Class fee $16. Offered as needed.

CA117A Microsoft Publisher 1
1 class hrs/wk, 1 cr.
Provides part one of a hands-on introduction to Microsoft Publisher publication software. Covers topics including formatting and enhancing text, working with art, Design Gallery and drawing tools, and using the Catalog feature for creating publications. Prerequisite: Computer literacy (prior experience with computer and mouse device) and touch keyboarding ability of 25 words per minute. Class fee $5 Offered as needed.

CA117B Microsoft Publisher 2
1 class hrs/wk, 1 cr.
Presents part two of a hands-on introduction to Microsoft Publisher publication software. Includes using special features including using and analyzing list data, using macros, enhancing charts, sharing Excel files and saving as a Web page. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed.

CA117C Microsoft Publisher 3
1 class hrs/wk, 1 cr.
Offers part three of a hands-on introduction to Microsoft Publisher publication software. Includes using special features such as BorderArt, WordArt, text wrap around objects, mail merge and preparation for commercial printing. Covers features for working efficiently and creating a Web site. Prerequisite: CA117B or equivalent, computer literacy (prior experience with computer and mouse device) and touch keyboarding ability of 25 words per minute. Class fee $5 Offered as needed.

CA118A Current Office Software-Operating Systems/Utilities
1 class hr/wk, 1 cr.
Introduces software currently used in business and industry. The brands of software in this class may change as industry standards evolve. Currently in use: Microsoft Windows. Includes the use of Program Manager, File Manager, Windows Accessories and other features. Prerequisite: Computer literacy (prior experience with computer and mouse device) and touch keyboarding skill of 25 words per minute. Class fee $5. F or W or Sp or Su

CA118B1 Excel Basics 1
1 class hr/wk, 1 cr.
Introduces building and editing worksheets, formatting and printing worksheets, working with formulas and functions, and charting using Microsoft Excel. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA118B2 Excel Basics 2
1 class hr/wk, 1 cr.
Covers use of special features including using and analyzing list data, using macros, enhancing charts, sharing Excel files and saving as a Web page. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA118B3 Excel Basics 3
1 class hr/wk, 1 cr.
Focuses on "what-if" analysis, PivotTables, linking, embedding and customizing using Microsoft Excel. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA118C1 Access Basics 1
1 class hr/wk, 1 cr.
Introduces database basics for forms design, data entry, queries and reports. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA118C2 Access Basics 2
1 class hr/wk, 1 cr.
Introduces multiple table and advanced queries; PivotTables and PivotCharts; forms and subforms; and importing, exporting and linking data. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA118D Current Office Software-Internet
1 class hr/wk, 1 cr.
Demonstrates the Internet and how this resource may be used effectively in a modern office. Emphasizes search and retrieval of information most often needed by office professionals. Prerequisite: CA118A or CS101. Class fee $5. F or W or Sp or Su

CA118E Current Office Software-Electronic Messaging Systems
1 class hr/wk, 1 cr.
Introduces office software currently used in business and industry. The brands of software in this class may change as industry standards evolve. Currently in use: Electronic Messaging Systems Software-Outlook. Covers electronic messaging (e-mail management), use of the address book, calendar and task management, discussions (chat sessions) and remote access. Prerequisite: Computer literacy (prior experience with computer and mouse device) and touch keyboarding skill of 25 words per minute. Class fee $5. Offered as needed

CA118F1 PowerPoint Basics 1
1 class hr/wk, 1 cr.
Introduces presentation software with an emphasis on designing and formatting business-related presentations. Prerequisite: Computer literacy (prior experience with computer and mouse device); touch keyboarding ability of 25 words per minute; or consent of instructor. Class fee $5. Offered as needed

CA119 Exploring Office Desktop Publishing
3 class hrs/wk, 3 cr.
Introduces publication planning, typography, publication design principles and desktop publishing for preparation of office publications. Includes an overview of duplication methods and working with print shops. Prerequisite: Touch keyboarding skill. Class fee $15. Offered as needed

CA121 Keyboarding
2 class and 3 lab hrs/wk, 5 cr.
Presents basic touch keyboarding skills on standard microcomputer or typewriter keyboard. Emphasizes speed and accuracy, understanding the basic vocabulary of entering or retrieving information, and formatting business letters and reports. Class fee $15. F or W or Sp or Su

CA121A Keyboarding A
2 lab hrs/wk, 1 cr.
Covers basic touch keyboarding on standard microcomputers or typewriter keyboard. Class fee $5. F or W or Sp or Su

CA121B Keyboarding B
2 lab hrs/wk, 1 cr.
Reviews alphabetic and numeric keyboarding and emphasizes the development of speed and accuracy in touch keyboarding. The course introduces number and symbol keys, and basic punctuation rules. Prerequisite: CA121A. Class fee $5. F or W or Sp or Su

CA121C Keyboarding C
2 lab hrs/wk, 1 cr.
Emphasizes drills to increase speed and accuracy in touch keyboarding. Includes formatting different types of business letters and a short report. Prerequisite: CA121A and CA121B. Class fee $5. F or W or Sp or Su
CA122A,B,C Keyboard Skillbuilding
A, B, C
2 lab hrs/wk, 1 cr. each
Improves keyboarding skill, including keyboard proficiency, speed and accuracy. May be taken any time after one has learned the keyboard and is keyboarding approximately 30 words per minute. Prerequisite: CA122A and touch keyboarding skill of 35 words per minute. Class fee $15. F or W or Sp or Su

CA123 Formatting A
2 lab hrs/wk, 1 cr.
Provides an introduction to formatting business documents, including letters, envelopes, tables, memos and reports. Prerequisite: CA123A and CA201D1. Touch keyboarding skill is essential. Class fee $5. Offered as needed.

CA123B Formatting B
2 lab hrs/wk, 1 cr.
Provides the second credit of formatting, including various format styles for business letters, envelopes, tables, memos and reports. Prerequisite: CA123A and CA201D1 and CA201D2. Touch keyboarding skill is essential. Class fee $5. Offered as needed.

CA123C Formatting C
2 lab hrs/wk, 1 cr.
Provides the third credit of formatting. Covers development of correct formats for personal and business letters, envelopes, tables, memos, reports, and business forms. Emphasis is placed on the production of documents accurately within specified timed guidelines and touch type at a minimum of 40 words per minute. Prerequisite: CA201 and touch keyboarding skill of 35 words per minute. Class fee $5. Sp

CA201D Word Processing Procedures 1
3 class hrs/wk, 3 cr.
Introduces Microsoft Word for Windows. Prerequisite: Touch keyboarding skill of 30 words per minute. Class fee $15. F or W or Sp or Su

CA201D1-D3 Word Processing Procedures 1-Parts 1, 2, 3
2 lab hrs/wk, 1 cr. each
Emphasizes basic to intermediate Microsoft Word for Windows. Prerequisite: CA201D1: Touch keyboarding skill of 30 words per minute. CA201D2: CA201D1. CA201D3: CA201D2. Class fee $5 each. F or W or Sp or Su

CA202D Word Processing Procedures 2
3 class hrs/wk, 3 cr.
Offers intermediate word processing training using Microsoft Word software for persons with basic skills and knowledge of word processing. Prerequisite: CA201D1 and equivalent as determined by instructor and touch typing ability of 35 wpm. Class fee $15. F, W

CA202D1 Word Processing Procedures 2-Part 1
2 lab hrs/wk, 1 cr.
Provides intermediate Microsoft Word for persons with basic skills and knowledge of word processing. Prerequisite: CA201D1 and touch keyboarding skill of 35 words per minute. Class fee $5. F, W

CA202D2 Word Processing Procedures 2-Part 2
2 lab hrs/wk, 1 cr.
Provides intermediate Microsoft Word for persons with basic skills and knowledge of word processing. Prerequisite: CA201D2. Class fee $5. F, W

CA202D3 Word Processing Procedures 2-Part 3
2 lab hrs/wk, 1 cr.
Provides intermediate Microsoft Word for persons with basic skills and knowledge of word processing. Prerequisite: CA201D3. Class fee $5. F, W

CA203 Advanced Formatting
1 class hr/wk, 1 cr.
Provides an introduction to formatting business documents, including letters, envelopes, tables, memos, reports, and business forms. Emphasis is placed on the production of documents accurately within specified timed guidelines and touch type at a minimum of 40 words per minute. Prerequisite: CA201 and touch keyboarding skill of 35 words per minute. Class fee $5. Sp

CA204D Advanced Word Processing 3
3 class hrs/wk, 3 cr.
Offers a review of Microsoft Word features, including drawing, WordArt, charts, styles, macros, sort and select, tables, indexes and lists. Emphasizes the production of documents requiring students to combine features in a project-oriented format. Prerequisite: CA202D, or proficiency in intermediate word processing skills and touch keyboarding skill of 35 words per minute. Class fee $15. Sp

CA205 Desktop Publishing 1—PageMaker
3 class hrs/wk, 3 cr.
Focuses on hands-on computer desktop publishing course providing beginning level training in the use of Adobe PageMaker desktop publishing software. Includes setting up and printing publications, importing and formatting text and graphics, using styles, using graphics tools, using spot color and tints, and using layers and frames. Prerequisite: Touch keyboarding skill of 25 words per minute and previous computer experience. Class fee $15. F, W
CA213 Integrating Office Procedures
3 class hrs/wk, 3 cr.
Brings together the knowledge, skills and abilities required of one-year Business Technology students, and serves as a review for students continuing for a degree. Uses a business simulation to reinforce and expand computer and other office skills. Prerequisite: CS101, CA118A, CA118B, CA118C, CA201D, BT116, BT128, and BT120 (or concurrent enrollment). Class fee $12. W, Sp

CA225A Machine Transcription 1-A
2 lab hrs/wk, 1 cr.
Introduces transcribing from recorded dictation using a microcomputer, including operation of a transcribing machine and techniques of efficient transcribing. Stresses language arts skills and the development of accuracy. Students progress at their own rate of speed. Prerequisite: BT099 or BT099A; CA121A, B, C or equivalent as determined by instructor; CA201D. Class fee $5. Sp

CA225B Machine Transcription 1-B
2 lab hrs/wk, 1 cr.
Covers techniques of efficient transcription on a transcribing machine. Language arts skills and the development of accuracy are stressed. Students progress at their own rate of speed. Prerequisite: CA225A. Class fee $5. Sp

CA225C Machine Transcription 1-C
2 lab hrs/wk, 1 cr.
Covers techniques of efficient transcription on a transcribing machine. Stresses language arts skills and the development of accuracy. Students progress at their own rate of speed. Prerequisite: CA225B. Class fee $5. Sp

CA230 Executive Office Simulation
2 class and 2 lab hrs/wk, 3 cr.
Provides a work-flow simulation that gives students experience in working as team members with office co-workers. Includes practice in decision-making, prioritizing and time management. This course brings together skills acquired in prerequisite courses. Prerequisite: BA214, BT116 and CA213. Class fee $15. Sp

CA232 Integrating Office Software Applications
3 class hrs/wk, 3 cr.
Emphasizes critical thinking skills to apply previous computer and business knowledge in the creation of individual and group projects. Students study and apply procedures for importing, exporting, linking, embedding and merging. Students will also use electronic mail, peripheral equipment and presentation software in the production of business documentation and oral reports. Prerequisite: CA118ABC, CA202D and CA213. Offered as needed.

CA280A-L Cooperative Work Experience
See Cooperative Work Experience.

CAM Computer-Aided Manufacturing
See also Drafting.
CAM110 CNC/Manual Fundamentals
1 class and 3 lab hrs/wk, 2 cr.
Introduces the fundamentals of machining processes and measuring instruments. Covers the use of basic hand tools, drill presses, power saws, pedestal grinders, arbor presses, basic layout and layout tools and measuring tools. Includes proper use of measuring tools, the use of appropriate charts and tables including decimal equivalent and drill and tap selection with speed and feed calculations. Provides orientation to machine shop manufacturing with emphasis CNC and working in teams. F

CAM111 Industrial Safety Seminar
1 class hr/wk, 1 cr.
Details the joint responsibility of the company and employee in complying with federal and state safety regulations pertaining to business and industry. Class fee $6. F

CAM115 Geometric Dimensioning/Tolerancing
2 class hrs/wk, 2 cr.
Covers geometric dimensioning and tolerancing principles based on ANSI/ASME standards. Computation of tolerance values required insuring proper fit and function. Emphasizes measurement and inspection required to match design specifications. Prerequisite: DRF130, print reading experience or consent of instructor. W

CAM116 Geometric Dimensioning and Tolerancing for CNC Lab
3 lab hrs/wk, 1 cr.
Covers practical application of geometric concepts and practices related to surface plate and coordinate measuring machine technology. Emphasizes industry standard interpretation of geometric dimensioned engineering drawings and recognition of the correct setup method and procedure necessary to manufacture and inspect parts according to functional requirements. Prerequisite: CAM115, concurrent enrollment in CAM116, or consent of instructor. W

CAM120 CNC/Manual Milling
2 class and 3 lab hrs/wk, 3 cr.
Covers basic milling processes, work-holding methods, cutter identification and selection and use, speeds and feeds, adapters, tool holders and application. Includes operation of CNC Vertical Machining Center and vertical and horizontal manual milling machines, applying related operational theory. Class fee $20. W

CAM121 CNC/Manual Lathe
1 class and 3 lab hrs/wk, 2 cr.
Introduces turning operations as related to CNC machining with emphasis on work holding methods and tool holding/selection methods. Covers related hole-making process, facing, tapping, grooving and parting. Includes operation of CNC Turning Center and manual lathes, applying related operational theory. Class fee $20. Sp

CAM130 CNC Machine Setup/Operation
2 class and 3 lab hrs/wk, 3 cr.
Focuses on application of the Computer Numerical Control (CNC) systems used in today’s manufacturing environment. Includes hands-on experiences with both personal and manufacturing specific (CNC) computers to establish basic operational skills. Class fee $15. F

CAM160 Programming CNC Mills
2 class and 3 lab hrs/wk, 3 cr.
Introduces Computer Numerical Control (CNC) programming for milling applications and operations related to manufacturing. Prerequisite: Consent of instructor. Class fee $15. W

CAM190 Programming CNC Lathes
2 class and 3 lab hrs/wk, 3 cr.
Introduces Computer Numerical Control (CNC) programming for lathe applications and operations related to manufacturing. Prerequisite: CAM130 or consent of instructor. Class fee $15. Sp

CAM230 CAM Applications/Mills
2 class and 3 lab hrs/wk, 3 cr.
Introduces the concepts and application of Computer Aided Manufacturing (CAM) software programs for creating CNC milling machine part programs. Prerequisite: CAM130, CAM160 or CAM190 or consent of instructor. Class fee $20. F

CAM260 CAM Applications/Lathes
2 class and 3 lab hrs/wk, 3 cr.
Introduces the concepts and applications of Computer Aided Manufacturing (CAM) software programs for creating CNC lathe part programs. Prerequisite: CAM130, CAM160 or CAM190 or consent of instructor. Class fee $20. W

CAM290 CAD/CAM Integrations
2 class and 6 lab hrs/wk, 4 cr.
Introduces projects that demonstrate practical applications of computer integrated manufacturing. Includes 3-D and fourth axis generated parts and transfer of Computer Aided Design (CAD) generated 2-D drawings solids and parametric models to a Computer Aided Manufacturing (CAM) system for manufacturing purposes. Prerequisite: CAM230 or CAM260 or consent of instructor. Class fee $20. Sp
Counseling and Guidance

CG003 College Orientation For Deaf Students
1 class hr/wk, 1 cr.
Provides training in implementing communication skills and referral techniques and in locating college and community-based resources and services as peer assistant. Students serve as resource personnel to assist and refer other students with personal, social or academic concerns. Offered as needed.

CG090 Peer Assistance Training
3 class hrs/wk, 3 cr.
Provides training in implementing communication skills and referral techniques and in locating college and community-based resources and services as peer assistant. Students serve as resource personnel to assist and refer other students with personal, social or academic concerns. Offered as needed.

CG100 Preparing for College
1 class hr/wk, 1 cr.
Introduces students to techniques, strategies and information fundamental to success in the college environment. F, W, Sp

CG101 Planning College Finances
1 class hr/wk, 1 cr.
Explores issues involved in creating a personal plan for financing higher education. Includes types of financial aid, scholarship searching, student loans, financial planning, and financial decision making strategies. Offered as needed.

CG105 Career and Life Planning
1 class hr/wk, 1 cr.
Introduces students to the strategies and procedures fundamental to the identification of career development. Provides an assessment of individual personality traits, interests, skills, and values. Students will be exposed to career related materials, methods and activities. Class fee $15. F, W, Sp

CG114 Career and Life Development
3 class hrs/wk, 3 cr.
Provides strategies to integrate the personal, educational and occupational elements of career and life development. Introduces the life-long process of career planning and transitions. Includes assessment of experiences, interests, skills, values, personality and how these can influence career choice. Covers planning for education and training, decision-making, and planning short-, medium-, and long-range career plans. Prerequisite: None. College-level reading and writing skills; some computer and World Wide Web/Internet experience is helpful. F, W, Sp, Su

CG130A Career Exploration and Planning
1 class hr/wk, 1 cr.
Uses an individualized study approach to select and explore career identification and decision-making. Includes evaluation of individual personality type, interests, skills, values and work-related preferences. Offered as needed.

CG130B Career Exploration and Planning
2 class hrs/wk, 2 cr.
Uses an individualized study approach to provide information and resources needed in exploring careers. Explores and assesses how interests, skills, values and personality type influence career choice. Includes career research references as well as information on job and labor market trends. Class fee $15. Offered as needed.

CG130C Career Exploration and Planning
3 class hrs/wk, 3 cr.
Uses an individualized study approach to provide information, instruments and procedures useful in exploring and determining career and life decisions. Includes selection of various career components involving assessment, research, planning, and decision-making process and identification of educational or training objectives. Class fee $15. Offered as needed.

CG130D Career Exploration and Planning
2 class hrs/wk, 2 cr.
Provides an overview of career exploration, planning and decision-making. Includes evaluation of individual personality type, interests, skills, values and work-related preferences. Offered as needed.

CG130E Career Exploration and Planning
1 class hr/wk, 1 cr.
Provides an overview of career exploration, planning and decision-making. Includes evaluation of individual personality type, interests, skills, values and work-related preferences. Offered as needed.

CG130F Career Exploration and Planning
3 class hrs/wk, 3 cr.
Uses an individualized study approach to provide information, instruments and procedures useful in exploring and determining career and life decisions. Includes selection of various career components involving assessment, research, planning, and decision-making process and identification of educational or training objectives. Class fee $15. Offered as needed.

CG217 Career Development Facilitator 1
4 class hrs/wk, 4 cr.
Presents overview of career development theory and practice. Includes application of the career development facilitator’s role/scope of practice, case management, career development theorists, adult development and legal/ethical issues. Covers working with diverse populations, the career development interview and helping, assessment skills. Prerequisite: Consent of instructor. Class fee $20. Offered as needed.

CG218 Career Development Facilitator 2
3 class hrs/wk, 3 cr.
Presents overview of assessment and labor market information in relation to career development. Includes hands-on use of formal and informal assessment instruments, selection criteria, administration and interpretation. Covers assessment of obstacles/opportunities and research of labor market information. Prerequisite: CG217 or consent of instructor. Class fee $20. Offered as needed.

CG219 Career Development Facilitator 3
4 class hrs/wk, 4 cr.
Presents overview of career decision-making and goal setting, job search strategies and techniques, and workshop facilitation skills. Includes program design and promotion. Prerequisite: CG217, CG218, or consent of instructor. Class fee $20. Offered as needed.

CG225 Understanding the Four-Year College Transition
2 class hrs/wk, 2 cr.
Identifies the connection between the transfer student’s previous collegial institution and that of four-year colleges. Introduces students to the four-year college systems and provides strategies and information critical to both academic development and adjustment. F, W, Sp

Chemistry

CH104 and CH104R Chemistry for Allied Health
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.
Focuses on general chemistry with emphasis on the applications of chemical principles to the life sciences. Topics include structure and properties of matter; energy; atomic structure and bonding; gas laws; chemical reactions; reaction rates and equilibrium; and water, solutions and colloids. First term of a three-term sequence dealing with the molecular basis for life. Designed for Nursing, Dental Hygiene, EMT and other Allied Health students who plan to pursue careers in the health science professions. Prerequisite: MTH070. Corequisite: CH104 with CH104R. Class fee $10. F

CH105 and CH105R Chemistry for Allied Health
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.
Covers the molecular basis for life. Designed for Nursing, Dental Hygiene, EMT and other Allied Health students who plan to pursue careers in the health science professions. Topics include colloids; reaction rates and equilibrium; acids and bases and their regulation in the body; saturated and unsaturated hydrocarbons; alcohol, ethers, aldehydes, ketones, carboxylic acids and esters. Second term of a three-term sequence. Prerequisite: CH104. Corequisite: CH105 with CH105R. Class fee $10. W

CH106 and CH106R Chemistry for Allied Health
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.
Covers the molecular basis for life. Designed for Nursing, Dental Hygiene, EMT and other Allied Health students who plan to pursue careers in the health science professions. Topics include carbohydrates; lipids; proteins; enzymes, vitamins, and hormones; pathways of metabolism; and nucleic acids. Third term of a three-term sequence. Prerequisite: CH1105. Corequisite: CH106 with CH106R. Class fee $10. Sp
CH110 and CH110R Foundations of General, Organic and Biochemistry  
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.  
Serves as a minimum prerequisite for students entering beginning anatomy and physiology courses. A one-term survey course of basic general, organic and biochemistry designed to introduce students to the chemistry needed for understanding the functions of living organisms. Prerequisite: MTH070. No previous background in chemistry is required. Corequisite: CH110 with CH110R. Class fee $10. F, W, Sp, Su

CH111 and CH111R Chemistry for Fire Science and Emergency Services  
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.  
Prerequisite: CH116 or higher. Class fee $10. F, W, Sp, Su

CH112 and CH112R College Chemistry  
3 class, 2 lab and 1 recitation hrs/wk, 5 cr.  
Introduces the fundamentals of chemistry for students majoring in fields other than chemistry. Examines the interrelationships of chemistry to all disciplines of science. Covers scientific method, atomic theory, stoichiometry, energy, periodicity, atomic structure and bonding. First of a three-term sequence. Prerequisite: MTH070 or equivalent as determined by instructor. Corequisite: CH112 with CH112R. Class fee $10. F, W, Su

CH201 Chemistry for Engineers  
3 class and 3 lab hrs/wk, 4 cr.  
Covers chemical bonds, polar molecules, the periodic table, conductivity, bonding theories, molecular shapes, crystals, nonconductors, semiconductors, liquid crystals, metals, alloys, ceramic materials, polymers, electrochemistry, oxidation and reduction, electrochemical cells, galvanic cells, electrolysis and electrolytic processes. Third of a three-term sequence. Prerequisite: CH202. Class fee $15. Offered as needed.

CH202 Chemistry for Engineers  
3 class and 3 lab hrs/wk, 4 cr.  
Covers periodic properties; molecular bonding; hybridization; resonance; solutions and solids; intermolecular forces; rates of reactions and organic polymers. Second of a three-term sequence designed for students majoring in science and related professional fields. Prerequisite: CH201. Corequisite: CH202 with CH222R. Class fee $15. F

CH221 and CH221R General Chemistry  
3 class, 3 lab and 1 recitation hrs/wk, 5 cr.  
Introduces chemical concepts and experimental techniques to students majoring in scientific, engineering and medical fields. Covers the history of chemical developments, measurements and their uncertainty, components of matter, chemical periodicity, chemical calculations using the mole concept, chemical reactions, kinetic-molecular theory of gases, energy flow, experiments on chemical systems and atomic structure. Prerequisite: MTH111 or consent of instructor. Corequisite: CH221 with CH221R. Class fee $15. F

CH222 and CH222R General Chemistry  
3 class, 3 lab and 1 recitation hrs/wk, 5 cr.  
Covers periodic properties; molecular bonding; hybridization; resonance; solutions and solids; intermolecular forces; rates of reactions and organic polymers. Second of a three-term sequence designed for students majoring in science and related professional fields. Prerequisite: CH221. Corequisite: CH222 with CH222R. Class fee $15. W

CH223 and CH223R General Chemistry  
3 class, 3 lab and 1 recitation hrs/wk, 5 cr.  
Covers the rates and mechanisms of chemical reactions; fundamentals of chemical equilibrium; acid-base equilibria; ionic equilibria in aqueous systems; free energy concepts; voltaic/electrolytic cells; and metallurgical processes. Third of a three-term sequence designed for students majoring in scientific, engineering and medical fields. Prerequisite: CH222. Corequisite: CH223 with CH223R. Class fee $15. Sp

CH241 Organic Chemistry  
4 class hrs/wk, 4 cr.  
Introduces the principles of organic chemistry for students majoring in the physical or life sciences. Emphasizes structure, nomenclature, physical properties and chemical reactivities of organic molecules. Stresses bonding, functional groups, alkanes and cycloalkanes, conformational analysis, stereochemistry, alkenes and alkynes. Prerequisite: CH123 or CH223. Offered as needed.
CH241B Organic Chemistry Lab
3 lab hrs/wk, 1 cr.
Accompanies CH241 Organic Chemistry as a laboratory for students majoring in the physical or life sciences. Emphasizes microscale laboratory experiments related to basic techniques of recrystallization, extraction, melting and boiling point determination, IR spectroscopy, extraction, chromatography and synthesis. Students requiring lecture and lab credit for transfer must take CH241 and CH241B. Prerequisite: CH123 or CH223. Class fee $15. Offered as needed.

CH242 Organic Chemistry
4 class hrs/wk, 4 cr.
Introduces the principles of organic chemistry for students majoring in the physical or life sciences. Emphasizes structure, nomenclature, physical properties and chemical reactivities of organic molecules. Stresses alcohols, ethers, free-radical reactions, aromatic compounds, spectroscopy, oxidation-reduction, aldehydes and ketones. Prerequisite: CH241. Offered as needed.

CH242B Organic Chemistry Lab
3 lab hrs/wk, 1 cr.
Offers a laboratory course to accompany CH242 Organic Chemistry for students majoring in physical and life sciences. Emphasizes microscale laboratory experiments related to reaction mechanisms, kinetics, spectroscopy, gas chromatography and synthetic techniques. Students requiring lecture and lab credit for transfer must take CH242 and CH242B. Prerequisite: CH241B. Class fee $15. Offered as needed.

CH243 Organic Chemistry
4 class hrs/wk, 4 cr.
Introduces the principles of organic chemistry for students majoring in the physical or life sciences. Emphasizes structure, nomenclature, physical properties and chemical reactivities of organic molecules. Stresses carboxylic acids and their derivatives, amines, condensation reactions, carboxyls, lipids, amino acids, proteins and nucleic acids. Prerequisite: CH242 or consent of instructor. Offered as needed.

CH243B Organic Chemistry Lab
3 lab hrs/wk, 1 cr.
Offers a laboratory course to accompany CH243 Organic Chemistry for students majoring in physical and life sciences. Emphasizes microscale laboratory synthesis, spectroscopy, covering biological activity of organic compounds, and qualitative analysis of unknowns. Students requiring lecture and lab credit for transfer must take CH243 and CH243B. Prerequisite: CH242B or consent of instructor. Class fee $15. Offered as needed.

CH272 Fundamentals of Wine Chemistry and Microbiology
2 class hrs and 2 lab hrs/wk, 3 cr.
Covers wine chemistry and microbiology including wine acidity (with special emphasis on ionization curves, diprotic acids and buffers), sulfur dioxide in wine, spoilage and its treatment. Includes wine microorganisms, microbiological spoilage, stuck fermentations, sanitation, stabilization and quality assurance. Prerequisite: CH172. Class fee $10. Sp

CIS

Computer Information Science

CIS120 Computer Information Science 1
4 class hrs/wk, 4 cr.
Introduces terminology and overview of the historical development of computer and information science. Focuses on the basic concepts of computer hardware and software systems, the science of information representation, and the fundamental elements of program design and computer language. Concepts are reinforced in a laboratory environment. First in a three-course sequence. Prerequisite: MTH070 and RD115, or equivalent level of skill as demonstrated by satisfactory score on placement test. Class fee $20. F, W, Sp

CIS121 Computer Information Science 2
4 class hrs/wk, 4 cr.
Introduces the fundamental logic in designing specific algorithms for processing information typified by management information systems. Concepts are reinforced in a laboratory environment. Second in a three-course sequence. Prerequisite: CIS120 or concurrent enrollment, or consent of instructor. Class fee $20. F, W

CIS122 Computer Information Science 3
4 class hrs/wk, 4 cr.
Introduces software and languages that are used in today’s network environment. Covers features of object-oriented design and programming concepts and contrasts them with structured methodology and related language. Serves as the third in a three-part sequence. Prerequisite: CIS121 or consent of instructor. Class fee $20. Sp, Su

CJ

Criminal Justice

CJ050 Criminal Justice Foundation
3 class hrs/wk, 3 cr.
Provides the basic knowledge and skills needed to succeed in the Criminal Justice program. Includes the integration of reading, writing, technology, interpersonal communication, reasoning and study skills as they pertain to the criminal justice profession. Designed for students who have not completed the Certificate of Advanced Mastery in Human Resources. Prerequisite: Designated placement procedure. Offered as needed.

CJ100 Survey of the Criminal Justice System
3 class hrs/wk, 3 cr.
Reviews court systems and procedures from criminal violation to final disposition. Covers six primary functional areas of administration of justice and reviews principles of federal, state, criminal and civil laws as they apply to and affect law enforcement. Offered as needed.

CJ101 Criminology
3 class hrs/wk, 3 cr.
Presents an overview of criminology, research, data gathering and analysis. Introduces theoretical perspectives on the nature of crime, criminals and victimization and identifies current trends and patterns of crime. Development and conceptualization of crime, including historical perspective, social and legal definitions and classifications. Offered as needed.

CJ110 Introduction to Law Enforcement
3 class hrs/wk, 3 cr.
Introduces the history and philosophy of law enforcement and the administration of justice. Provides a preview of law enforcement as a career and examines how an agency functions in relation to the community. Offered as needed.

CJ112 Field Operations and Patrol Procedures
3 class hrs/wk, 3 cr.
Introduces the nature and purpose of patrol activities, including routine and emergency procedures, types of patrol, arrest procedures and field interviews. Covers equipment, technology and vehicle operation. Emphasizes report documentation, courtroom testimony and police tactical communications. Offered as needed.

CJ123 Spanish for Law Enforcement Personnel
3 class hrs/wk, 3 cr.
Emphasizes officer safety, increased community safety, enhanced job performance, projecting a positive image in the Hispanic community, and protection from legal liability. No prior knowledge of Spanish is necessary. A practical, learner-friendly Spanish language course for law enforcement students and personnel. Offered as needed.

CJ130 Introduction to Corrections Process
3 class hrs/wk, 3 cr.
Covers inmate demographics, special-needs inmates, safety and security concerns and current issues. An overview of the corrections process, including historical development through contemporary issues. Examines variations in correctional institutions, levels of custody, administration practices, correctional staff roles and responsibilities, institutional policies, procedures and programs. Offered as needed.
CJ106 Crime and Delinquency
3 class hrs/wk, 3 cr.
Studies crime and delinquency data using age, sex, race, socioeconomic and educational status, urbanization and other variables. Introduces key concepts affecting juvenile victimization and theoretical perspectives and their application in the study of juvenile delinquency. Offered as needed.

CJ107 Seminar in Criminal Justice
3 class hrs/wk, 3 cr.
Analyzes current and ongoing issues in criminal justice including race, ethnic, gender and cultural diversity. Stresses creative thinking and problem solving through team discussion and classroom presentation. Offered as needed.

CJ200 Police and Public Policy
3 class hrs/wk, 3 cr.
Discusses the role of criminal justice practitioners in maintaining community relations. Examines the interrelationships and role expectations of agencies and the public, and police image. Presents information on domestic violence, incest and police stress. Offered as needed.

CJ203 Crisis Intervention Seminar
1 class hr/wk, 1 cr.
Includes personal effectiveness, recognition of threat levels, voluntary compliance, verbal and non-verbal communication, active listening and mediation. An overview of the techniques and approaches to crisis intervention for entry-level criminal justice professionals. Presents strategies for initial intervention, defusion and assessment, resolution and/or referral, with emphasis on safety. Offered as needed.

CJ206 Crime and Delinquency
3 class hrs/wk, 3 cr.
Studies crime and delinquency data using age, sex, race, socioeconomic and educational status, urbanization and other variables. Introduces key concepts affecting juvenile victimization and theoretical perspectives and their application in the study of juvenile delinquency. Offered as needed.

CJ210 Introduction to Criminal Investigations 1: Crimes vs. Persons
3 class hrs, 3 cr.
Covers historical development of criminalistics. Introduces basic techniques and components involved in processing and investigating person-related crime scenes. Identifies specialized procedures and technology used to identify, profile, locate and apprehend offenders. Offered as needed.

CJ211 Introduction to Criminal Investigations 2: Crimes vs. Property
3 class hrs, 3 cr.
Introduces basic techniques and components involved in processing and investigating property-related crime scenes. Identifies specialized procedures and technology used to identify, locate and recover stolen property. Covers methods to identify and apprehend individuals. Emphasizes correlation between property crimes and drug use. Offered as needed.

CJ212 Police Report Writing
3 class hrs, 3 cr.
Provides students with the necessary information to become knowledgeable and successful writers of narrative police reports, documenting both original crimes and follow-up investigations. Utilizes a specialized format to meet different types of investigative activities, e.g., crime scene processing, interviews with suspects and witnesses, undercover operations and the execution of search warrants. Re-emphasizes basic writing skills and spelling accuracy related to criminal justice terminology. Offered as needed.

CJ215 Criminal Justice Administration
3 class hrs, 3 cr.
Covers the administrative practices of criminal justice agencies with special emphasis on law enforcement. Covers administration in the public services area, including organizational theory and management, personnel management and policy and procedures formulation. Offered as needed.

CJ220 Introduction to Substantive Law and Oregon Criminal Code
3 class hrs/wk, 3 cr.
Reviews the origin and structure of common law crimes and procedures, and statutory crimes. Definitions and distinctions between criminal and civil law, criminal court procedures, criminal law case reading, federal and state law, and Oregon criminal code sections. Offered as needed.

CJ226 Introduction to Constitutional Law
3 class hrs/wk, 3 cr.
Analyzes the United States Constitution and court decisions which determine the admissibility of evidence in criminal cases and which affect the role of law enforcement in police procedures. An intensive study which includes criminal procedures processes. Offered as needed.

CJ230 Introduction to Juvenile Corrections
3 class hrs/wk, 3 cr.
Surveys the historical and contemporary aspects of juvenile corrections. Identifies and explores the philosophy, functions and goals of the juvenile justice system. Emphasizes the role of law enforcement, the courts, community-based corrections and custodial facilities, and includes an overview of the ongoing debate concerning rehabilitation vs. punishment philosophies in the juvenile justice system. Offered as needed.

CJ232 Introduction to Corrections Casework
3 class hrs/wk, 3 cr.
Introduces to casework in corrections settings. Includes introduction to behavior-modification theories and methods, contemporary counseling techniques, assessment processes and the development of officer-client relations. Emphasizes observation skills, perception issues, information gathering, interpersonal communication skills and interviewing strategies and techniques. Offered as needed.

CJ235 Youth, Drugs and Corrections
3 class hrs/wk, 3 cr.
Studies current trends, programs and philosophies regarding addiction, assessment processes, treatment options and related behavioral issues for youth offenders specifically in correctional institutions and post-conviction supervision. Offered as needed.

CJ236 Introduction to Penology
3 class hrs/wk, 3 cr.
Includes a historical overview of punishment, the development of prisons and the role of imprisonment as a correctional tool. Examines prison conditions, administrative practices, classification and custody, as well as corrections staff responsibilities, recruitment, training and retention. Focuses on inmate demographics, special-needs inmates, basic prison programs, visitation, prisoners rights and legal issues. Offered as needed.
CLA

Chicano/Latino Studies

CLA201 Introduction to Chicano/Latino Studies 1: Historical Overview
4 class hrs/wk, 4 cr.
Introduces Latino history in the United States beginning with Spanish colonization and continuing with the Mexican-American War. Covers the Mexicans’ role in American labor, economics, Bracero Program and the Chicano Movement. F

CLA202 Introduction to Chicano/Latino Studies 2: Political and Economic Overview
4 class hrs/wk, 4 cr.
Introduces the social, educational, political and economic status of Latinos in the context of United States institutions and structures. Examines demographic profiles and current issues within a Chicano/Latino perspective. W

CLA203 Introduction to Chicano/Latino Studies 3: Cultural Overview
4 class hrs/wk, 4 cr.
Provides an overview of the cultural heritage of Chicanos and Latinos in the United States. Draws from anthropology, folklore, literature and linguistics. Examines folk and popular culture as well as the integration of various traditions. Offered as needed.

COM

Communication Skills
See also Human Development, Reading, Study Skills Program, Writing.

COM051 Communication Skills 1
3 class hrs/wk, 3 cr.
Improves writing skills. Focuses on writing intended to replicate projects in occupational and technical fields. Class fee $2. F, W, Sp, Su

COM051A,B,C Communication Skills
1A, 1B, 1C
1 class hr/wk each, 1 cr. each
Improves writing skills. Students work on writing projects intended to replicate projects in the occupational and technical fields in order to keep practical considerations in the foreground. Prerequisite: COM051B. COM051A, COM051C, COM051B. Class fee $2 each. COM051A: F, COM051B: W, COM051C: Sp

COM052 Communication Skills 2
3 class hrs/wk, 3 cr.
Improves student’s reading, writing, speaking and listening skills using a variety of oral and written formats. Prerequisite: COM051 or equivalent as determined by instructor. Class fee $2. F, W, Sp

COM053 Technical Report Writing
3 class hrs/wk, 3 cr.
Prepares students to write reports in a variety of styles, emphasizing clarity, coherence, conciseness and accuracy. For those following a vocational (non-transfer) track of study. Prerequisite: COM051 or consent of instructor. Class fee $2. Sp

CPL

Credit for Prior Learning

CPL120 Prior Learning Resume
3 class hrs/wk, 3 cr.
Provides means to obtain credit hours for prior learning. Focuses on identifying career and educational goals; defining college level learning; identifying, documenting and describing prior learning; writing competency statements; and preparing a resume for credit evaluation. Class fee $5. F, W, Sp

CS

Computer Science

CS060 Techniques of User Training
2 class hrs/wk, 2 cr.
Introduces teaching methods, materials and instructional design as related to training computer users. Prerequisite: Second-year standing in the Computer Programming program. Sp

CS061 Computer Lab Assistant
3 lab hrs/wk, 1 cr.
Working with students in a microcomputer lab. Prerequisite: Second-year standing in Computer Programming program. Class fee $5. Offered as needed.

CS100 Beginning Microcomputer Use
1 class hr/wk, 1 cr.
Introduces the use of microcomputers in an office. A brief overview of necessary hardware and software, proper use of the equipment, operation of a microcomputer, use of purchased programs and maintenance of computer files. Class fee $5. Offered as needed.

CS105 Introduction to MS Windows
3 class hrs/wk, 3 cr.
Introduces the Graphical User Interface (GUI) environment with an emphasis on the operation of Microsoft Windows. Focuses on the multi-tasking environment, including multiple window interface, common user access (CUA) pull-down menus, and the interaction of RAM memory and PC hardware. Prerequisite: CS101. Class fee $15. F, W, Sp, Su

CS125A Micro Database Software-Access
3 class hrs/wk, 3 cr.
Studies microcomputer database software using Microsoft Access. Topics include: navigation through Windows and Access menus; PC relational database concepts; creation and updating of a relational database; simple queries, reports and forms; complex queries, reports and forms. Prerequisite: CS101 or consent of instructor. Class fee $15. F, W, Sp

CS125E Excel-Workbooks
4 class hrs/wk, 4 cr.
Prerequisite: CS101 or consent of instructor. Class fee $15. F, W, Sp, Su

CS133C COBOL 1
4 class hrs/wk, 4 cr.
Introduces ANSI COBOL programming. Presents how simple business-oriented programs are coded, debugged and documented. Emphasizes language structure and problem solving by applying top-down structured programming techniques. Prerequisite: CS121 or equivalent as determined by the instructor. Class fee $15. Sp

CS133E EASYTRIEVE PLUS
3 class hrs/wk, 3 cr.
Introduces coding for simple business-oriented programs. Emphasizes language structure and rules, file management and retrieval. Prerequisite: CS233C or equivalent as determined by the instructor. Class fee $15. Offered as needed.

CS133J Fundamentals of Java Programming 1
4 class hrs/wk, 4 cr.
Introduces Java programming language. Provides a conceptual understanding of object-oriented programming using Java. Covers the structure of the language, the manipulation of data and arrays, how to handle input and output, and how to create classes, objects and applications. Prerequisite: MTH040, CS101, or consent of instructor. Class fee $15 F, W

CS133U C++ Language
4 class hrs/wk, 4 cr.
Introduces the C++ programming language. Covers the structure of the language, the manipulation of data and arrays, and how to handle input and output functions. Prerequisite: CS121. Class fee $20. Sp
CS135VB Visual Basic—Event-Driven Programming
3 class hrs/wk, 4 cr.
Continues in the use of Visual Basic programming environment.Emphasizes event-driven application development and the use of objects to create program files that can be used in a variety of applications.
Prerequisite: CS101 or consent of instructor.
Class fee $20.

CS135AC Advanced Microcomputer Database Software Using Access
3 class hrs/wk, 3 cr.
Provides an advanced course in the use of Access as a database management system. Emphasizes the use of Access forms and tables to create and manipulate data.
Prerequisite: CS120 or equivalent as determined by the instructor.
Class fee $20.

CS179 Introduction to Client-Server Networks
3 class hrs/wk, 4 cr.
Continues CS133C. Business-oriented programming techniques are emphasized using top-down structured programming techniques. Emphasizes coding techniques to make program coding, debugging and documentation easier.
Prerequisite: CS133C. Class fee $15.

CS178W Fundamentals of Web Design
3 class and 4 lab hrs/wk, 5 cr.
Prerequisite: CS101 or CS120 or equivalent. Class fee $20.

CS233F Fundamentals of Java Programming
3 class hrs/wk, 4 cr.
Continues the Fundamentals of Java Programming 1 course. Provides a conceptual understanding of encapsulation, polymorphism and inheritance related to the object-oriented programming paradigm and Java.
Covers the use of java.lang, java.util, java.applet, java.awt and java.io packages to create program code. Includes documenting program code using the Javadoc interface and creating a Graphical User Interface (GUI) application using a visual Interface Development Environment (IDE).
Prerequisite: CS133J or consent of instructor.
Class fee $15.

CS233U Advanced C
3 class hrs/wk, 4 cr.
Continues CS133U. Studies features and instructions of the C language. Emphasizes application-oriented programs that produce printed reports, maintain files and modify an operating system.
Class fee $20.
Prerequisite: CS133U. Offered as needed.

CS234C COBOL/CICS Programming Techniques
4 class hrs/wk, 4 cr.
Provides an advanced study of ANS COBOL. Complete business application packages are coded and documented. Emphasis on efficiency coding, file backup and restoration procedures, systems planning, modular programming, VSAM files, systems documentation, data management techniques, independent research and problem solving.
Prerequisite: CS234L and CS246. Class fee $20.
CS240U Advanced Unix/Linux
4 class hrs/wk, 4 cr.
Covers an advanced course covering the concepts used for installing, administering and maintaining a Unix/Linux system. Students will install and manage a version of Linux in their laboratory experience. Prerequisite: CS140U or equivalent. Class fee $20. F

CS244 Systems Analysis 1
3 class hrs/wk, 3 cr.
Covers basic administrative procedures. Principles of organizing, planning and administering a procedure program. Methods of carrying out individual systems and procedures studies. Procedures analysis and improvement techniques, the role of systems and procedures in business management, systems charting, work simplification and measurement. Sp

CS246 Systems Analysis 2
3 class hrs/wk, 3 cr.
Presents the fundamentals of automated systems and procedures. Techniques and principles of top-down systems analysis and design, data gathering, feasibility studies, problem analysis, systems economics, forms design and control, procedure writing and the planning involved in the installation of electronic data processing systems. Prerequisite: CS244. F

CS260 Computer Science 3: Data Structures
4 class hrs/wk, 4 cr.
Presents a further analysis of topics in CS162 with additional concepts in recursion, binary trees and object-oriented programming. Prerequisite: Grade of C or better in CS162 or equivalent as determined by the instructor. Class fee $20. Sp

CS275 Database Management
4 class hrs/wk, 4 cr.
Addresses database development, a concept which includes data modeling, database design and database implementation. Identifies the entity-relationship and object data modeling techniques and the importance of normalizing data models. Presents techniques of implementing these models into a relational database scheme. Designed to be broader than teaching specific database products or fourth generation languages. Discusses SQL. Prerequisite: CS244. F

CS278 Data Communications
3 class hrs/wk, 3 cr.
Introduces the fundamental concepts in data communication including definition of terms, communicating concepts, comparison of voice and data communication (analog vs. digital signals), medium access, elementary data link protocols, topologies, servers and operating system standards implemented in Local Area Networks (LAN). Prerequisite: Second-year standing in Computer Programming program. Class fee $15. W

CS279 Network Management
3 class and 4 lab hrs/wk, 5 cr.
Studies Local Area Network Systems (LANs) and Wide Area Network Systems (WANs) using Novell’s operating system. Includes the design, construction, operation, maintenance and management of a network, including the installation of software packages, printers and adding new users. Prerequisite: CS145 and CS278 or NET151. Class fee $30. Sp

CS280A-L Cooperative Work Experience
See Cooperative Work Experience.

CS285 Fourth-Generation Language—SQL
3 class hrs/wk, 3 cr.
Covers standard SQL commands and syntax forms to perform typical query commands. Prerequisite: CIS121 or equivalent as determined by instructor. Class fee $15. W

CS286 Web Server Configuration and Management
3 class and 2 lab hrs/wk, 4 cr.
Explains the process to design and build an Intranet system. Includes establishing a multi-server environment that requires Web services, Common Gateway Interfaces, E-mail services, database services and other Web based applications. Prerequisite: CS140U and CS288. Class fee $30. Sp

CS288 Advanced Client-Server Networks
3 class and 2 lab hrs/wk, 4 cr.
Provides experience installing, configuring, customizing, administering and maintaining a server and its resources in a client-server network. Prerequisite: CS179. Class fee $30. F, W

CS289 Advanced Network Application Support
3 class and 2 lab hrs/wk, 4 cr.
Focuses on software and hardware troubleshooting and support required in a Local Area Network environment. Prerequisite: Concurrent enrollment in CS279, or consent of instructor. Class fee $30. Sp

CVL

Civil Engineering Technology

CVL130 Work Zone Safety and First Aid
1 class/wk, 1 cr.
Covers signage and cone setup standards related to basic traffic control for short-term work zones. Presents introductory flagging procedures with additional coursework in basic first aid and CPR. Prerequisite: Consent of instructor. F

CVL143 Introduction to Civil Survey
2 class and 3 lab hrs/wk, 3 cr.
Introduces a broad variety of office- and field-based activities associated with the work of a professional land surveyor. Emphasizes professional-technical development. Prerequisite: MTH080 or concurrent enrollment. Class fee $15. F

CVL161A Plane Surveying 1-Lecture
2 class hrs/wk, 2 cr.
Covers plane survey theory and practice. Includes measurement techniques associated with tapering, leveling, topographic and boundary surveys. Emphasizes professional-technical development. Prerequisite: MTH081 or MTH070 and concurrent enrollment in CVL161B, or consent of instructor. W

CVL161B Plane Surveying 1-Lab
6 lab hrs/wk, 2 cr.
Covers field practices and application of equipment utilized in professional land surveying. Emphasizes tactile learning with strong team orientation. Prerequisite: CVL161A, concurrent enrollment in CVL161A, or consent of instructor. Class fee $10. W

CVL162A Plane Surveying 2-Lecture
2 class hrs/wk, 2 cr.
Continues Plane Surveying. Studies distance and direction measurement, employing theodolites, steel tapes, traversing and associated office computations, areas, stadia, circular curves and outlines of public land surveys. Introduces electronic distance-measuring devices. Prerequisite: CVL161A, concurrent enrollment in MTH082 and CVL162B. Sp

CVL162B Plane Surveying 2-Lab
6 lab hrs/wk, 2 cr.
Incorporates field survey with a focus on data gathering for computerized mapping. Introduces American Land Title Association specification standards. Prerequisite: CVL162A, concurrent enrollment in CVL162A, or consent of instructor. Class fee $10. Sp
CWE

Cooperative Work Experience

Cooperative Work Experience 280A-L 1-12 cr.
Places students in a business, industry or agency for on-the-job training and experience related to instruction. Field experience supervised by college instructors and work experience coordinators. See program advisors. Class fees vary. Offered as needed.

Dance
See Physical Education.

DEN

Dental Assisting

DEN050 Dental Sciences 3 class hrs/wk, 3 cr.
Focuses on a study of the sciences associated with the practice of dentistry. Includes oral microbiology, oral pathology, sterilization and disinfection principles, OSHA blood-borne pathogens and hazard communication standards, anesthesia and pharmacology. Prerequisite: Enrollment in the Dental Assisting program or consent of instructor. F

DEN051 Introductory Concepts in Dental Assisting 2 class and 3 lab hrs/wk, 3 cr.
Provides a basic study of the dental assistant’s role with emphasis on terminology, instruments and equipment, professional regimen, chairside techniques and patient communication. Emphasizes the qualifications necessary for success in the dental assistant field. Prerequisite: Enrollment in the Dental Assisting program or consent of instructor. Class fee $15. F

DEN052 Dental Anatomy 2 class and 2 lab hrs/wk, 3 cr.
Introduces dental anatomy. Particular attention is directed toward the oral cavity and its associated structures and anatomical terminology. Identification, form and function of the adult dentition is included. Deciduous dentition is introduced. Includes dental charting for conditions of the oral cavity. Prerequisite: Enrollment in the Dental Assisting program or consent of instructor. Class fee $15. F

DEN053 Dental Materials 1 2 class and 3 lab hrs/wk, 3 cr.
Introduces the various materials and laboratory equipment used in the dental office. Includes the chemical and physical properties, manipulation, and uses of restorative materials, medications, impression materials and dental cements. Includes an overview of restorative and crown preparation procedures. Prerequisite: Enrollment in the Dental Assisting program or consent of instructor. Class fee $15. F

DEN054 Preventive Dentistry 1 class hrs/wk, 1 cr.
Introduces the basic techniques and information relevant to the prevention of plaque-related disease. Includes causative factors, nutritional influences, prevention products and their uses, patient motivation, and public health programs. Prerequisite: Enrollment in the Dental Assisting program or consent of instructor. F

DEN060 Dental Specialties 3 class hrs/wk, 3 cr.
Studies the various fields of specialized dentistry recognized by the American Dental Association. Includes principles and armamentarium related to each dental specialty as well as the role of the dental auxiliary during specialty procedures. Prerequisite: Second-term standing in the Dental Assisting program. W

DEN061 Dental Assisting Practicum 1 1 class and 7 lab hrs/wk, 3 cr.
Provides supervised clinical experience in basic chairside assisting procedures, including material manipulation, oral evacuation, instrument transfer, charting and patient management at the Oregon Health Sciences University School of Dentistry. Prerequisite: Second-term standing in the Dental Assisting program and proof of current health care provider CPR card. Class fee $17. W

DEN062 Intermediate Clinical Skills 1 class and 3 lab hrs/wk, 2 cr.
Presents the theory and practice of intermediate clinical responsibilities delegated to dental auxiliary personnel. Includes discussion, demonstration and practical application of the following: intra- and extra-oral examination, alginate impressions, bite registration, oral hygiene instruction, dietary analysis, and rubber dam placement and removal. Prerequisite: Second-term standing in the Dental Assisting program. Class fee $15. W

DEN063 Dental Materials 2 2 class and 3 lab hrs/wk, 3 cr.
Introduces the principles of laboratory procedures related to fixed and removable prosthetics. The utilization of appropriate laboratory equipment by the student will be supplemented by instructional demonstration of additional laboratory techniques and materials. Prerequisite: Second-term standing in the Dental Assisting program. Class fee $15. W

DEN064 Dental Radiology 1 2 class and 3 lab hrs/wk, 3 cr.
Provides information pertinent to the principles of dental radiology, and legal aspects regarding the use of radiation. Includes the history of dental radiology; terminology; radiation physics; machine operation and equipment use; biological effects of x-rays; principles of radiation health, safety, and protection; anatomical landmarks; dental films and darkroom processing techniques. Students use x-ray manikins to practice film placement and exposure techniques. One patient full-mouth radiographic series is required and exposed films are processed and evaluated. Prerequisite: Second-term standing in the Dental Assisting program. Class fee $15. W
DEN065 Dental Office Emergency Management  
1 class hrs/wk, 1 cr.  
Emphasizes prevention and treatment of the most common medical emergencies in the dental office. Covers the preparation of the office and staff to deal with these emergencies, including gathering patient information, such as a health history and vital signs. Discusses the use of emergency equipment and supplies. Prerequisite: Second-term standing in the Dental Assisting program. W

DEN070 Dental Office Management  
2 class hrs/wk, 2 cr.  
Introduces management of the dental office, including business office procedures and techniques, written and electronic communications, computer use, dental insurance, inventory control, accounts receivable, recall systems and staff and patient management. Class fee $5. Prerequisite: CS101. F

DEN071 Dental Assisting Practicum 2  
1 class and 24 lab hrs/wk, 9 cr.  
Consists of observation and practice in an ethical dental office. Students develop communication rapport with the dental team and patients; perform specified basic, intermediate, and expanded function chairside procedures; complete reception and business office tasks; apply skills in laboratory procedures; and expose and process patient x-rays as directed by the dentist. Prerequisite: Third-term standing in the Dental Assisting program. Class fee $17. Sp

DEN072 Expanded Functions  
2 class and 3 lab hrs/wk, 3 cr.  
Presents the theory and practice of legal Expanded Functions for dental assistants. Includes discussion, demonstration and practical application of the following: coronal polish, topical fluoride, amalgam polish, provisional coverage, suture removal, cement removal, and pit and fissure sealant placement. Prerequisite: Third-term standing in the Dental Assisting program. Class fee $15. Sp

DEN074 Dental Radiology 2  
1 class and 3 lab hrs/wk, 2 cr.  
Continues DEN064 Dental Radiology 1. Allows students to take additional adult and pediatric (pedodontic) manikin films using low-dose technique. Students develop skills in patient management and perfect radiographic techniques by completing two full mouth patient x-ray series. Includes information in taking pediatric films, films in endodontal areas, films taken while the patient is in a supine position, endodontic films, occlusal films, and extra-oral films. Students learn utilization of the panoramic x-ray unit, film duplicators, and automatic film processors and process, and evaluate all exposed films and are eligible to take the State x-ray examination upon successful completion of DEN064 and DEN074. Prerequisite: Third-term standing in the Dental Assisting program. Class fee $15. Sp

DEN080 Dental Assistant Seminar  
2 class hrs/wk, 2 cr.  
Prepares students for the General Chairside and Infection Control components of the Dental Assisting National Board Certification Examination. Also prepares students for successful employment by incorporating resume writing, completion of a job application, and interview techniques into the course. Prerequisite: Third-term standing in the Dental Assisting program. Sp

DRF  
Drafting Technology  
See also Computer-Aided Manufacturing.

DRF051 Technical Graphics  
1 class and 6 lab hrs/wk, 3 cr.  
Covers fundamentals of graphics communication. Includes multiview and pictorial representation, dimensioning and section and auxiliary views. Prerequisite: DRF130 or consent of instructor. Class fee $15. Offered as needed.

DRF054 Drafting 1  
1 class and 3 lab hrs/wk, 2 cr.  
Introduces fundamentals of drafting and basic drawing techniques. Emphasizes use of drafting instruments, standard orthographic projections, layout procedures, ASA-approved lettering techniques, geometric construction, selection of views, sectional auxiliary views, and standard dimensioning practices, including metrics. Class fee $10. Offered as needed.

DRF095A,B,C Special Projects in Drafting and Design  
Variable hours/1-3 credits  
Allows student and instructor to identify a drafting project or problem and jointly draw up a contract. The contract sets forth a proposal to complete the project or solve the problem. Identifies objectives, procedures and equipment needed, together with key checkpoints for student-instructor conferences. This course is intended for, but not limited to, second-year drafting or mechanical design students as an elective. Potential areas of consideration include community development projects, computer programming and applications, machine design, mapping, civil engineering drafting, or any drafting-related field. Provides consideration and presentation of technical data. Includes cutting-edge technology. Includes creating and presenting multimedia reports. Class fee $5. Offered as needed.

DRF102 Print Reading  
1 class and 3 lab hrs/wk, 2 cr.  
Focuses on reading drawings of residential and commercial construction. Covers symbol designation used in construction. Stresses construction methods, terminology and reference sources. Offered as needed.

DRF103 Advanced Print Reading  
1 class and 3 lab hrs/wk, 2 cr.  
Focuses on advanced reading and interpreting architectural drawings and specifications for complex building construction using the Uniform Building Code (UBC) as a basis for plan review. Prerequisite: DRF102 or consent of instructor. Offered as needed.

DRF110 Applied Engineering Computations  
2 class hrs/wk, 2 cr.  
Covers computation and presentation of technical data using the HP engineering calculator to solve typical problems in mechanical, civil, design and related areas. Prerequisite: Concurrent registration in an algebra course or consent of instructor. F, W

DRF112 Sketching  
3 labs/wk, 1 cr.  
Develops basic freehand technical sketching skills and techniques used in drafting and practical pictorial communication. F

DRF114 Drafting Orientation  
1 class and 3 lab hrs/wk, 2 cr.  
Introduces drafting as a career option. Offers field trips to offices and job sites, guest lecturers, Internet and other sources. F

DRF121 AutoCAD R14 to 2000  
3 lab hrs/wk, 1 cr.  
Introduces new features and commands found in AutoCAD 2000 for current users of AutoCAD Release 14. Implements new techniques to complete a project. Prerequisite: Experience with AutoCAD R14. Class fee $5. Offered as needed.

DRF130 AutoCAD 1  
2 class and 3 lab hrs/wk, 3 cr.  
Incorporates hands-on experience with AutoCAD, a PC based computer-aided drafting program. Includes standard graphics commands for 2-DIM drawings. Class fee $15. F, W, Sp, Su

DRF131 AutoCAD 2  
2 class and 3 lab hrs/wk, 3 cr.  
Incorporates hands-on experience with AutoCAD, PC based computer-aided drafting program. Includes standard graphics commands for 2-DIM drawings. Prerequisite: DRF130 AutoCAD 1, or consent of instructor. Class fee $15. F, W, Sp, Su
DRF130 AutoCAD 2 or consent of instructor. Class fee $15. 

DRF140 Advanced Technical Graphics 
1 class and 6 lab hrs/wk, 3 cr.
Covers fundamentals of graphics communication. Includes multi-view drawings, dimensioning, section views, auxiliary views and descriptive geometry concepts. **Prerequisite:** DRF130 or consent of instructor. Class fee $15. 

DRF150 Architectural Drafting 1 
1 class and 6 lab hrs/wk, 3 cr.
Covers basic architectural drafting techniques and methods. Includes architectural lettering, dimensioning, layout, arrangement, symbols and conventional construction methods used in residential or light commercial buildings. Uses AutoCAD to draft a set of construction drawings. **Prerequisite:** DRF130 or consent of instructor. Class fee $15. 

DRF155 Mapping and Plotting 
1 class and 6 lab hrs/wk, 3 cr.
Covers map components, legal descriptions, plot plans and contours. Introduces Geographic Information Systems (GIS) and Global Positioning Systems (GPS). **Prerequisite:** DRF131 or consent of instructor. Class fee $15. 

DRF160 Technical Software Applications 
2 class and 3 lab hrs/wk, 3 cr.
Covers engineering applications of purchased software packages. Includes the use of spreadsheets to design structural members and as an aide in statistical analysis and parametric design. **Prerequisite:** CS101, MTH081 and concurrent enrollment in DRF131. Class fee $15. 

DRF165 CAD System Administration 
2 class and 3 lab hrs/wk, 3 cr.
Covers techniques for enhancing performance of AutoCAD software; selecting hardware components; using conventional, system, expanded, and extended memory; customizing operating systems; and installing ADI drivers. Includes use of local area network. **Prerequisite:** DRF131 or consent of instructor. Class fee $15. 

DRF170 AutoCAD Certification Preparation 
1 class and 2 lab hrs/wk, 2 cr.
Prepares for certification for AutoCAD Certification Exam administered by AutoDESK. **Prerequisite:** DRF131, DRF132. Class fee $5. 

DRF201 CMOS 1 
2 class and 6 lab hrs/wk, 4 cr.
Covers entry-level integrated circuit design in CMOS (Complementary Metal Oxide Siliccone) Technology. Emphasizes creating the layout for IC circuits based on logic and schematic diagrams. **Prerequisite:** DRF101, ELT151, MT110 or consent of instructor. Class fee $20. 

**DRF202 CMOS 2**
1 class and 6 lab hrs/wk, 3 cr.
Covers advanced concepts of Integrated Circuit Mask design using specialized CAD tools. Focuses on producing an integrated circuit layout project as a member of a project team. **Prerequisite:** DRF201 or consent of instructor. Class fee $15. 

**DRF203 CMOS 3**
1 class and 6 lab hrs/wk, 3 cr.
Focuses on the design and layout of masks for IC Circuits. Covers how to: interpret schematics; create a floor plan; divide responsibility among team members to produce the layout for IC sub-systems. **Prerequisite:** DRF202 or consent of instructor. Class fee $15. 

**DRF210 Parametric Design**
1 class and 6 lab hrs/wk, 3 cr.
Uses Autodesk Mechanical Desktop parametric design software to create models of parts. Produces detail and assembly drawings for a simple machine. Applies precision dimensioning and tolerancing to current manufacturing standards. **Prerequisite:** DRF130 or consent of instructor. Class fee $15. 

**DRF220 GIS ArcView**
1 class, 3 lab hrs/wk, 2 cr.
Uses ArcView software to view geographic relationships. Study of GIS basic concepts. Covers physical, climatic and social attributes of various regions of the world. Class fee $10. 

**DRF221 GIS ArcCAD**
1 class and 6 lab hrs/wk, 3 cr.
Uses ArcCAD and R13 AutoCAD software in GIS applications. Studies advanced GIS concepts and covers ArcCAD commands and operations. **Prerequisite:** DRF220 or consent of instructor. Class fee $15. 

**DRF230 Introduction to MicroStation PC**
2 class and 3 lab hrs/wk, 3 cr.
Introduces the MicroStation PC drafting software. Covers the basic drawing, editing and display commands. Contrasts operations to AutoCAD. **Prerequisite:** DRF130. Class fee $15. 

**DRF231 Advanced MicroStation**
1 class and 6 lab hrs/wk, 3 cr.
Uses MicroStation software to produce building construction drawings. Emphasizes creating master drawings containing all building data. Includes manipulation of file contents to produce multiple drawings. Covers research- ing codes to develop a site plan. **Prerequisite:** DRF230, DRF241. Class fee $15. 

**DRF240 Architectural Drafting 2**
1 class and 6 lab hrs/wk, 3 cr.
Covers advanced architectural drafting techniques and methods. Includes complete plan submittal process, shearwall designs, engineered foundation wall, advanced building process, advanced construction details, complex roof systems, current building products, advanced CABO and UBC. **Prerequisite:** DRF150 or consent of instructor. Class fee $15. 

**DRF241 Structural Drafting**
1 class and 6 lab hrs/wk, 3 cr.
Covers production of working drawings using AutoCAD software. Covers drafting practices applied with the building materials of steel, CMU and concrete. Uses the steel manual as a reference. **Prerequisite:** DRF131 or consent of instructor. Class fee $15. 

**DRF243 Architectural Design**
1 class and 6 lab hrs/wk, 3 cr.
Covers elements and principles of aesthetic design are studied and applied to assigned laboratory projects. **Prerequisite:** DRF132 or consent of instructor. Class fee $15. 

**DRF245 Civil Drafting and Design**
1 class and 9 lab hrs/wk, 4 cr.
Introduces AutoCAD Land Development Desktop. Develops residential subdivision and typical utility design documentation. **Prerequisite:** DRF131 or consent of instructor. Class fee $15. 

**DRF246 Project Development**
1 class and 6 lab hrs/wk, 3 cr.
Covers elements of field and office survey, residential design and layout with associated utility work including an engineer's cost estimate. Incorporates preparation of all design documentation in review-ready condition. **Prerequisite:** CVL261. Class fee $15. 

**DRF251 Power Transmission Design**
3 class hrs/wk, 3 cr.
Focuses on the design of power transmission systems. Incorporates hydraulics, pneumatics, electric motors, chains, belts, bearings and speed reducers. Analyzes system requirements, sizing of machine elements and selection of components from industrial catalogs. **Prerequisite:** MTH082 or consent of instructor. 

143
DRF252 Flexible Manufacturing Systems
2 class and 3 lab hrs/wk, 3 cr.
Studies the application of hydraulic, pneumatic and electronic circuits for automated control of industrial systems. Includes digital design, Boolean algebra, combinational logic and sequential logic. Lab exercises cover programming of industrial robots and programmable logic controllers. Prerequisite: MTH082 and concurrent enrollment in PH081. Class fee $15. Sp

DRF255 Technical Illustration
1 class and 6 lab hrs/wk, 3 cr.
Provides methods of pictorial drawing, exploded view drawing, computer rendering and printing. Introduces AutoCAD and Photoshop software for use in color rendering. Prerequisite: DRF132 or consent of instructor. Class fee $15. Sp

DRF260 Tool Design
1 class and 6 lab hrs/wk, 3 cr.
Introduces the principles of tool design, focusing on gauging, locating, clamping and figure design. Incorporates high production techniques and tooling. Prerequisite: DRF210 or consent of instructor. Class fee $15. F

DRF262 Machine Design
1 class and 6 lab hrs/wk, 3 cr.
Presents practical design situations related to the drafting room. Selected design project(s) demonstrate a comprehensive study of parts relationships, materials application and product design. Prerequisite: DRF210. Class fee $15. Sp

DRF280A-L Cooperative Work Experience
See Cooperative Work Experience.

EC

Economics
EC200 Introduction to Economics
3 class hrs/wk, 3 cr.
Introduces the economic concepts of scarcity and choice, supply and demand, business cycles, unemployment, inflation, taxes, work and welfare. Prerequisite: MTH070.

EC201 Introduction to Microeconomics
3 class hrs/wk, 3 cr.
Introduces the concepts of price elasticity, production costs, the competitive firm, monopoly, imperfect competition, market power and antitrust, (de)regulation of business, and the labor market. Prerequisite: MTH095.

EC202 Introduction to Macroeconomics
3 class hrs/wk, 3 cr.
Introduces the concepts of aggregate spending, fiscal and monetary policies, money and banking, the Federal Reserve, business cycles, unemployment and inflation. Prerequisite: MTH095.

EC203 Applications to Economic Issues
3 class hrs/wk, 3 cr.
Emphasizes such global issues as economic growth, environmental protection, rent, interest and profit, international trade and finance, and international development. Sp

ECE

Early Childhood Education
See also Education, Human Development and Family Studies.

ECE068A, B, C Observing Preschool Experiences
1 class hrs/wk, 1 cr. each
Oberves various aspects of a preschool. In ECE068A, students observe children’s development; ECE068B focuses on observing guidance; ECE068C emphasizes the classroom environment and curriculum. Each course may be repeated for a maximum of two credits. Prerequisite: Consent of instructor. ECE068A: F, ECE068B: W; ECE068C: Sp

ECE070A-D Infant/Toddler Training
1 class hr/wk, 1 cr. each
Covers four infant/toddler training modules. A: Social-emotional growth and socialization; B: Group care; C: Cognitive learning and developing; D: Culture and families. Offered as needed.

ECE086 Family Day Care 1 (Basic)
1 class hr/wk, 1 cr.
Provides the caregiver with basic information on managing a family day care home. Includes practical suggestions for working with parents, keeping business records, providing healthy and safe environments for children, and establishing a home business. F, W, Sp, Su

ECE087 Family Day Care 2 (Advanced)
1 class hr/wk, 1 cr.
Continues information on managing a family day care home. Focuses on environments and activities and how children grow and learn. Covers children of different ages, cultures and abilities. Offered as needed.

ECE150 Introduction and Observation in Early Childhood Education
3 class hrs/wk, 3 cr.
Reviews early childhood education, including the history, professional opportunities, and different philosophies of early education. Covers the value and use of objective observation as a teaching tool. Includes occasional field trips during class time, weekly lecture-discussion and written observations. F

ECE151 Observing and Guiding Behavior
3 class hrs/wk, 3 cr.
Emphasizes the role of the teacher and techniques of individual and group guidance and management. Prerequisite: ECE150 or consent of instructor. W

ECE152 Creative Activities
2 class and 2 lab hrs/wk, 3 cr.
Focuses on understanding and implementing a developmental approach to creative activities for the young child. Involves hands-on experience with a wide variety of activities, discussion of presentation and methods of evaluation. Includes art activities, use of natural materials, cooking experiences, puppet-making and the development of new art. Class fee $10. W

ECE153 Music and Movement for Young Children
3 class hrs/wk, 3 cr.
Emphasizes music as a pleasurable medium of expression. Topics include: the value of music in the preschool setting; the role of the teacher; environments that support music and movement experiences; basic music theory and terminology; and the use of spontaneous and planned activities for young children. Class fee $5. Sp

ECE154 Children’s Literature and Literacy
3 class hrs/wk, 3 cr.
Offers an overview of what is available in quality children’s literature, along with a rationale for the purposes of such literature, ways to implement its use and ways to evaluate its appropriateness in a given school situation. Includes the evaluation and reading of children’s books and holding groups with children. Explores in depth how children develop literacy. Sp

ECE155 Child Nutrition
2 class hrs/wk, 2 cr.
Introduces human nutrition and health with emphasis on the nutritional needs and food experiences of the young child. Includes practical application in the day care setting, planning snacks and meals for preschool children. W

ECE161 Infant/Toddler Practicum
1 class and 6 lab hrs/wk, 3 cr.
Provides experience working with infants and toddlers in a laboratory setting and assisting with supervision of the various daily activities. Prerequisite: HDI209 or consent of instructor. Class fee $5. F, W, Sp

ECE162 Early Childhood Educator Orientation
1 class and 3 lab hrs/wk, 2 cr.
Studies the roles and responsibilities of the early childhood educator. Experience in working with young children in an organized setting and assisting with supervision of the various daily activities in a preschool program. Prerequisite: ECE151 or consent of instructor. Class fee $5. F, W, Sp
ECE163 Preschool Practicum
1 class and 9 lab hrs/wk, 4 cr.
Provides experience working with young children in a laboratory preschool setting.
Assists with supervision of the various activities in a preschool program. Includes some planning, executing and evaluating of curriculum materials appropriate for the young child. Prerequisite: Grade of C or better in HDF225, HDF249, ECE062, ECE151 and ECE162. Class fee $10. F, W, Sp

ECE251 Environments for Young Children
3 class hrs/wk, 3 cr.
Covers planning, implementing and evaluating environments for preschool children. Includes how to facilitate play in the environment, room arrangements, outdoor areas, equipment and sources for children’s furniture, and scavenging for materials usable in the preschool environment. Prerequisite: Second-year standing in the Early Childhood Education program or consent of instructor. F

ECE261 Student Teaching 1, Early Childhood Education
2 class and 12 lab hrs/wk, 6 cr.
Offers supervised teaching of young children in a laboratory setting. Prerequisite: Grade of C or better in ECE163, second-year standing in the Early Childhood Education program, and consent of instructor. Class fee $10. F, W, Sp

ECE262 Student Teaching 2, Early Childhood Education
2 class and 12 lab hrs/wk, 6 cr.
Offers supervised teaching of young children in a preschool laboratory. Prerequisite: Grade of C or better in ECE261, and consent of instructor. Class fee $10. F, W, Sp

ECE280A-L Cooperative Work Experience
See Cooperative Work Experience.

ECE295 Administration of Early Childhood Programs
3 class hrs/wk, 3 cr.
Covers areas of administrative responsibility: finances and budget and sources of income; selection and purpose of materials and equipment; standards (local, state, federal) and regulatory agencies in regard to health, nutrition and safety. Computer simulations and software will be used to experience administrative functions. Prerequisite: Second-year standing in Early Childhood Education program or consent of instructor. Sp

ED Education

ED101 Introductory Observation and Experience
2 class and 3 lab hrs/wk, 3 cr.
Introduces the role and work of educators. Presents Oregon Education Standards and covers occupational and career development opportunities. Provides direct experience with educational settings and opportunities to examine attitudes and work habits which influence job effectiveness and satisfaction. F, W, Sp

ED102 Practicum
1 class and 6 lab hrs/wk, 3 cr.
Focuses on field experience in a variety of classroom activities directly related to assisting and supervising children in school settings. Applies knowledge, methods and skills gained from prior education courses. Seminars cover classroom experience, problem-solving techniques, and materials. Prerequisite: ED101 or equivalent experience, and current First Aid Card. Class fee $20. W

ED103 Advanced Practicum
1 class and 15 lab hrs/wk, 6 cr.
Focuses on field experience in a variety of classroom settings closely paralleling duties regularly assigned to an instructional assistant on a school team. Applies in-depth knowledge, methods and skills gained from prior education courses. Seminars cover classroom experience and problem-solving techniques. Prerequisite: ED102 and current First Aid Card. See advisor for writing, math and computer science prerequisites. Class fee $20. Sp

ED110 Psychology of Learning
3 class hrs/wk, 3 cr.
Presents modern theories of behavior, motivation, and human development as applied to the classroom. Includes techniques derived from these theories. F, W

ED123 Classroom Techniques in Reading and Language
3 class hrs/wk, 3 cr.
Introduces the nature of the reading process, and the skills and techniques used in providing supplemental reading instruction with elementary age students. Focuses on teaching reading for meaning through the use of the four cueing systems. Includes comprehension strategies, developing sight and meaning vocabulary, connecting reading and writing, and understanding appropriate uses of graphophonics. F, W

ED123A Classroom Techniques in Reading and Language A
1 class hr/wk, 1 cr.

ED123B Classroom Techniques in Reading and Language B
1 class hr/wk, 1 cr.
Focuses on assessing student knowledge in reading and writing based on Oregon Benchmark Standards. Students will write an assessment summary that will be the basis for instructional decisions. Class fee $12. F, offered as needed.

ED123C Classroom Techniques in Reading and Language C
1 class hr/wk, 1 cr.
Focuses on using Oregon Benchmark Standards and student interest to design and implement developmentally appropriate teaching strategies that enhance a child’s reading, vocabulary comprehension and writing skills. Class fee $12. W, offered as needed.

ED124 Classroom Techniques in Mathematics and Science
3 class hrs/wk, 3 cr.
Focuses on preparing educators to help children learn specific mathematical content (facts, skills, concepts), apply mathematical ideas to solve problems, and to foster a positive attitude toward mathematics. Includes math concepts in patterns, estimation, graphing, addition, subtraction, multiplication, division and fractions. W, Sp

ED125 Techniques for Tutoring Adults
1 class and 4 lab hrs/wk, 3 cr.
Presents basic tutoring theory and techniques to prepare tutors to work with adult learners primarily in professional-technical content areas. Offered as needed.

ED126A Tutoring Principles and Practices A
1 class hr/wk, 1 cr.
Prepares tutors and instructional assistants to determine appropriate learning outcomes for students based on learner characteristics. Class fee $12. F, offered as needed.

ED126B Tutoring Principles and Practices B
1 class hr/wk, 1 cr.
Prepares tutors and instructional assistants to select appropriate materials and strategies to help learners meet specific learning outcomes. Class fee $12. W, offered as needed.

ED126C Tutoring Principles and Practices C
1 class hr/wk, 1 cr.
Provides the skills necessary for effective tutoring and assisting in educational environments. Class fee $12. W, offered as needed.

ED131 Teaching Techniques
3 class hrs/wk, 3 cr.
Introduces a variety of teaching techniques and provides practice in instructional design. Emphasizes student planning and teaching lessons to small groups of peers and participating in self-evaluation and peer-evaluation of others’ teaching. W, Sp
ED133 Instructional Media and Materials 3 class hrs/wk, 3 cr. Covers the preparation and use of instructional media and materials commonly found in public schools. Includes an introduction to computers and other new learning technologies and how to design lessons using these materials. Develops an understanding of the place and importance of these instructional tools. Class fee $5. F, W

ED180 Survey of Speech and Language Disorders 3 class hrs/wk, 3 cr. Provides students with an overview of the profession of Speech Language Pathology. Describes the nature of various speech, language, voice and hearing; covers communication development in children and description of language differences. Includes the training, scope and practice of a Speech Language Pathologist and a Speech Language Pathology Assistant. Class fee $36. F, offered as needed.

ED181 Phonetics for Language 3 class hrs/wk, 3 cr. Covets the listening/discrimination and transcription skills required to identify normal and disordered speech behaviors. Describes the motoric and linguistic acquisition of normal and disordered speech along with basic approaches to intervention that can be used by Speech and Language Pathology Assistants. Focuses on transcription of American English speech sounds and the physical and linguistic development of speech. The second will target the implementation of speech treatment programming expected of an assistant. Class fee $36. W, offered as needed.

ED182 Intervention Strategies for SLP Assistants 3 class hrs/wk, 3 cr. Focuses on approaches to intervention that speech and language pathology assistants can use with children, adolescents and adults within the limits of a specified scope of practice. Covers data and record keeping methodologies along with types of materials and approaches that are motivating for students/clients in different age groups. Class fee $36. F, offered as needed.

ED183 Introduction to Language Development 3 class hrs/wk, 3 cr. Introduces language development for students pursuing training as a speech-language pathology assistant and those in early childhood education. Provides an overview of basic linguistics and practical applications of the theoretical explanations of language acquisition. Includes observation of infants, children, and adolescents as the major focus for the identifying and the milestones of language development. Class fee $36. Offered as needed.

ED184 Language Therapy 3 class hrs/wk, 3 cr. Offers an advanced clinical course for students pursuing training as a speech-language pathology assistant. Focuses primarily on the age groups of early childhood, childhood, and adolescence; however, intervention approaches that can be used successfully with adults are included. Provides directed application of language, cognitive and behavioral therapy techniques in individual and group intervention modalities. Stresses integration of interpersonal and paraprofessional knowledge and skills into clinical activities. Prerequisite: ED183, ED181, ED182. Class fee $36. Offered as needed.

ED185 Anatomy and Physiology of Speech and Language 3 class hrs/wk, 3 cr. Focuses on the anatomy and physiology specific to speech as a medium of communication and to the underlying modalities of language. Presents the anatomical structures and the physiology fundamental to various speech disorders, along with the role of anatomy and physiology in speech and language rehabilitation. Provides differentiation when appropriate among the anatomy and physiology of infants, children, adolescents and adults. Class fee $36. W

ED186 Speech Intervention with Children, Adolescents and Adults 3 class hrs/wk, 3 cr. Presents an advanced clinical intervention course for speech language pathology assistants. Covers the various uses of group and individual therapy. Discusses treatment content and pacing. Includes the application of reinforcement schedules along with effective use of various speech sound teaching and correction strategies. Prerequisite: ED180, ED181 and ED182. Class fee $36. W, Sp

ED187 Clinical Documentation and Materials Management for the SLPA 3 class hrs/wk, 3 cr. Covers the development and use of therapeutic teaching materials based on knowledge of communication disorders, speech production, clinical intervention, and normal language and cognitive development. Includes various approaches to documenting the results of intervention. Focuses on the use of developmental and behavioral models to produce materials and assessment of various intervention programs. Prerequisite: ED180, ED181, ED182, ED183 and ED258. Class fee $36. W, Sp

ED188 Communication Disorders in Low Incidence Populations 3 class hrs/wk, 3 cr. Focuses on the nature of communication and on swallowing and feeding disorders in groups of children with various types of disabilities that occur with a low frequency in the general population. Describes the specific communication, swallowing and feeding disorders manifested in these various groups, along with the approaches to and types of intervention. Emphasizes the role of the assistant in the administration of behavioral treatment and methods and the tracking of progress with various data methods as a major key to success for these clients in both group and individual treatment models. Includes an overview of the various genetic disorders. Prerequisite: ED180 and ED182. Also recommended, but not required, are ED217 and ED110. Class fee $36. W, Sp

ED189 SLPA Practicum 1 1 class and 6 lab hrs/wk, 3 cr. Focuses on guided practice in speech language pathology assisting. Includes working with a speech language pathologist supervisor at one or more sites of service. Emphasizes skill shaping and improvement using input from the supervising clinician and the college instructor. Prerequisite: Successful completion of all SLPA courses or consent of instructor. Class fee $36. W

ED190 SLPA Practicum 2 1 class and 6 lab hrs/wk, 3 cr. Focuses on guided practice in speech language pathology assisting. Includes working with a speech language pathologist supervisor at one or more sites of service. Emphasizes skill shaping and improvement using input from the supervising clinician and the college instructor. Prerequisite: ED189 or consent of instructor. Class fee $36. W

ED205A Tutoring Principles and Practices 1 class and 2 lab hrs/wk, 2 cr. Teaches principles and practices of effectively tutoring adult learners in skill areas of basic reading, writing and English as a Second Language. Includes additional instruction in tutoring basic math, advanced grammar, conversation and pronunciation following completion of basic course. Offered as needed.

ED205B Tutoring Principles and Practices 1 class and 4 lab hrs/wk, 3 cr. Presents the principles and practices of tutoring basic reading, writing and English as a Second Language skills to adult learners. Following completion of course basics, additional options provide instruction in tutoring basic math, advanced grammar, conversation and pronunciation. Also considers learning styles and tutoring with the aid of a computer. Offered as needed.
ED209B Practicum: Introductory Observation and Experience
1 class and 6 lab hrs/wk, 3 cr.
Introduces the field of education to students exploring education as a career. Class fee $10. Sp, offered as needed.

ED209C Professional Technical Practicum 1
1 class and 15 lab hrs/wk, 6 cr.
Prepares students for extended teaching responsibilities in professional technical education in a public school setting. Students assess, plan and implement a five-day unit of instruction at the practicum placement site. Prerequisite: ED209B. W

ED209D Professional Technical Practicum 2
2 class and 21 lab hrs/wk, 9 cr.
Prepares students for full teaching responsibility in professional technical education in a public school setting. Students assess, plan and implement all instructional programs for a period of four weeks at the practicum placement site. Prerequisite: ED209B and ED209C. Sp

ED209V1-V4 Advanced Education Practicum
1 class and 6-16 lab hrs/wk, variable 3-6 cr.
Provides an educational field experience in a classroom setting for students pursuing careers in instructional assisting, professional-technical, or education settings. Prerequisite: Consent of instructor. Class fee $10 for ED209V4. Offered as needed.

ED210 Professional Portfolio Development
3 class hrs/wk, 3 cr.
Focuses on professional portfolio development to document educational experience and expertise. Provides an opportunity to develop a professional portfolio which will document experience and effectiveness as an educator. Includes portfolio demonstrations in seeking a certified position. Offered as needed.

ED212 Schools and Society
3 class hrs/wk, 3 cr.
Provides an overview of public education in the United States today. Explores contemporary purposes and practices in relation to historical trends and philosophical issues. Covers organization, financing and operation of local school districts. Sp

ED213 Advanced Instructional Techniques in Reading
3 class hrs/wk, 3 cr.
The use of a variety of instructional strategies, which build upon the foundations of reading, developed in ED123. Compares and contrasts current instructional strategies and explores the interactive nature of language, reading, writing and spelling. Prerequisite: ED123. W

ED214 Advanced Instructional Techniques in Mathematics and Science
3 class hrs/wk, 3 cr.
Covers the use of a variety of instructional strategies, which build upon the foundations of mathematics in ED124. Explores manipulative mathematics across the curriculum as well as the integration of science into the curriculum. Prerequisite: ED124. Sp

ED217 Comprehensive Classroom Management
3 class hrs/wk, 3 cr.
Provides current theory and methodology for managing small and large groups of students so that students choose to be productively involved in instructional activities. Covers the four major factors or skill areas of effective classroom management: (1) understanding students' personal/psychological and learning needs, (2) establishing positive teacher-student relationships, (3) implementing instructional methods that facilitate optimal learning, and (4) using organizational and group management methods that maximize on-task student behavior. W, Sp

ED217A Comprehensive Classroom Management A
1 class hr/wk, 1 cr.
Covers understanding students' personal, psychological and learning needs and establishing positive teacher-student relationships. Class fee $12. F, offered as needed

ED217B Comprehensive Classroom Management B
1 class hr/wk, 1 cr.
Focuses on the selection and application of a range of behavior management strategies to solve particular school behavior problems. Class fee $12. F, offered as needed

ED217C Comprehensive Classroom Management C
1 class hr/wk, 1 cr.
Provides an opportunity to evaluate the success of a behavioral intervention plan based on pre- and post-assessments. Covers adapting and/ or extending the plan on the basis of its success. Class fee $12. W, offered as needed

ED235 Instructional Technology
3 class hrs/wk, 3 cr.
Introduces current advanced technology available in education. Emphasizes the tools to evaluate, select and implement appropriate technology in the instructional setting. W

ED236 Introduction to Library/Media Services
3 class hrs/wk, 3 cr.
Introduces the role of the Instructional Assistant in library/media centers. Focuses on common features in the organization of these centers and the performance of routine duties to maintain the collection and provide service to library/media center patrons. Offered as needed.

ED251 Overview of Students with Special Needs
3 class hrs/wk, 3 cr.
Introduces the disabling conditions that teachers in the public and private sector must recognize and understand in order to plan accordingly. Includes coverage of learning disabilities, mental retardation, severe emotional disturbances, speech and language impairments, hearing impairments, physical and other health disabilities, autism, traumatic brain injuries, and Tourette's Syndrome. Also examines attention deficit disorder and the needs of at-risk youth. F

ED253 Current Issues in Special Education
3 class hrs/wk, 3 cr.
Provides students interested in special education an opportunity to explore in more depth current issues in special education. Includes current philosophical frameworks, legislative changes, emerging conditions and technological advances. Prerequisite: ED251 or consent of instructor. Sp, Su

ED257 Second Language Teaching Techniques
3 class hrs/wk, 3 cr.
Covers philosophy, activities, materials and various techniques used to teach English as a second language. W, Su

ED258 Multicultural Education
3 class hrs/wk, 3 cr.
Covers philosophy, activities and materials used in developing a culturally-sensitive multicultural classroom and curriculum. F

ED259 Bilingual Methodology
3 class hrs/wk, 3 cr.
Covers the philosophy, techniques, activities and materials used in bilingual/bicultural education programs. Examines the philosophy, rationale and legal implications of bilingual/bicultural programs and management and use of English and Spanish reading materials in a bilingual classroom. Sp

ED268 Educating the Mildly and Severely Disabled
3 class hrs/wk, 3 cr.
Presents the theory and techniques of working with students with disabilities. Studies services and funding provided for students with mild and severe disabilities. Prerequisite: ED251 or consent of instructor. Sp

ED270 Teaching at the Community College
3 class hrs/wk, 3 cr.
Assists new, continuing or adjunct instructors develop and refine the skills necessary to apply successful instructional strategies in a community college classroom. Addresses shifting paradigms in teaching/learning related to diversity, brain based teaching and student-centered instruction. In addition, participants will gain an understanding of the historical and current perspective of the role of community colleges in a seamless education system. F, W, Sp, Su
ED291 Natural Resource Institute
5 class hrs and 35 lab hrs/wk, 2 cr.
Studies natural resource education for teachers interested in establishing a natural resource program at their high schools. Involves instruction in ecosystem-based management and sustainability in natural resource education. Field experiences are provided by experts in natural resource management and connections are made toward program development at schools. Prerequisite: ED299B F

ED292 Occupational Analysis, Curriculum and Evaluation
3 class hrs/wk, 3 cr.
Provides students with the opportunity to analyze their professional-technical specialty area in order to develop curriculum and evaluation strategies for professional-technical programs. Includes community surveys, occupational advisory committees, occupational analysis, program goals and objectives, and evaluation. Prerequisite: ED299B F

ED293 Applied Integrated Academics
3 class hrs/wk, 3 cr.
Designed for students in the Professional Technical Teacher Preparation program. Prepares professional-technical teachers to integrate mathematics, language arts and science content into their professional-technical courses. W

EGR
Engineering
See also General Engineering.

EGR201 Electrical Fundamentals 1
3 class and 2 lab hrs/wk, 4 cr.
Studies basic electrical circuit theory, including voltage and current relationships, and circuit parameters of resistance, inductance and capacitance. Covers basic DC, AC and natural responses of circuits. Prerequisite: MTH252. Class fee $20. F

EGR202 Electrical Fundamentals 2
3 class and 2 lab hrs/wk, 4 cr.
Studies the Fourier-Series representation of periodic time-varying functions, sinusoidal steady-state analysis, basic operation of three-phase circuits, electric circuits which contain mutually coupled coils, functions of transformers in circuits, characteristics of resonant circuits, and use of operational amplifiers to perform various functions in circuits with periodic inputs. Prerequisite: MTH252 and EGR201. Class fee $20. W

EGR203 Electric Control Fundamentals
3 class and 2 lab hrs/wk, 4 cr.
Studies LaPlace Transform and its use in electrical control theory including the bode diagram. Includes analysis of two-part circuits, Boolean algebra and basic logic gates. Prerequisite: MTH252, EGR201 and concurrent enrollment in MTH256. Class fee $20. Offered as needed.

EGR211 Statics
3 class and 2 lab hrs/wk, 4 cr.
Analyzes the forces induced in structures and machines by various types of loading. Prerequisite: MTH252. F

EGR212 Dynamics
3 class and 2 lab hrs/wk, 4 cr.
Studies kinematics, Newton’s laws of motion, work energy, and impulse-momentum relationships applied to engineering systems. Prerequisite: EGR211, MTH252 and PH211. W

EGR213 Strength of Materials
3 class and 2 lab hrs/wk, 4 cr.
Covers properties of structural materials and analysis of stress and deformation in axially loaded members, circular shafts, and beams, and in statically indeterminate systems containing these components. Prerequisite: EGR211 and MTH252. Sp

EGR248 Graphics and 3-D Modeling
1 class hr and 6 lab hrs/wk, 3 cr.
Covers graphic communication, multiview and pictorial representation, conceptual design, spatial analysis, and engineering design representation through use of advanced level computer tools. Prerequisite: DRF130 or consent of instructor. Class fee $15. F, W

ELT
Electronics Technologies
See also Industrial and Network Technology.

ELT056 Concepts of Electronics
4 class and 4 lab hrs/wk, 6 cr.
Covers DC and AC theories, troubleshooting concepts, use of test equipment and safety principles. Prerequisite: MTH070 or equivalent. Class fee $20. Offered as needed.

ELT100 Electronics Fundamentals for Non-Majors
3 class and 2 lab hrs/wk, 4 cr.
Introduces the fundamental theories, circuits and devices used in electronics. Covers direct and alternating current theories, test equipment, semiconductor devices, motors and generators. Emphasizes practical concepts in both lectures and laboratories. Suitable for those desiring a general knowledge of electronics or exploring electronics as a career. Prerequisite: MTH070, high school Algebra 2 or instructor consent. Class fee $10. F

ELT111 Electronics Orientation
2 lab hrs/wk, 1 cr.
Provides an introduction to the field of electronics and its opportunities. Covers career opportunities and requirements, basic vocabulary, soldering, static awareness, tool identification, safety, hardware and chemicals used in electronics. Class fee $10. F

ELT113 Electronic Problems 1
2 lab hrs/wk, 1 cr.
Introduces electronic problem solving techniques with an emphasis on calculations, scientific and engineering notations, formula manipulation, and use of the calculator in solving problems associated with electronics. Prerequisite: Enrollment in the Electronics Technologies program and concurrent enrollment in MTH081 or MTH111 or consent of instructor. Class fee $10. Offered as needed.

ELT121 Programming Concepts 1
3 class and 2 lab hrs/wk, 4 cr.
Introduces computer programming and computer operating systems using Java language. Prerequisite: MTH081 or consent of instructor. Class fee $10. F

ELT122 Programming Concepts 2
3 class and 2 lab hrs/wk, 4 cr.
Offers the second course in the Programming Concepts sequence. Surveys the various professional software applications. Includes learning and demonstrating one major software application. Prerequisite: ELT121 or any high-level programming class. Class fee $10. Offered as needed.

ELT131 Electronic Concepts 1
3 class and 4 lab hrs/wk, 4 cr.
Covers atomic and direct current (DC) theory applicable to the field of electronics. Includes series, parallel and series-parallel resistive circuit analysis theorems. Prerequisite: MTH070, high school algebra and concurrent enrollment in an advanced algebra class, such as MTH111 or MTH081, or consent of instructor. Class fee $20. F, W

ELT132 Electronic Concepts 2
3 class and 2 lab hrs/wk, 4 cr.
Covers atomic and alternating current (AC) electrical theory applicable to resistors, capacitors, and inductors. Stresses reactive circuit theorems used for circuit analysis. Prerequisite: ELT131 or consent of instructor and concurrent enrollment in a trigonometry class. Class fee $20. W, Sp

ELT133 Electronic Concepts 3
3 class and 3 lab hrs/wk, 4 cr.
Covers electric circuit theory and analysis applicable to passive RLC reactive circuits. Includes transformers, polyphase AC, resonance, passive filters, and other RLC series/parallel circuit applications. Applies fundamental AC/DC concepts developed in ELT131 and ELT132. Prerequisite: ELT132. Class fee $15. Sp, Su

ELT141 Transistor Fundamentals
3 class and 6 lab hrs/wk, 5 cr.
Introduces semiconductor physics and covers the fundamental principles of diodes, bipolar transistors and field effect transistors. Prerequisite: Concurrent enrollment in ELT132. Class fee $30. W, Sp
ELT142 Semiconductor Devices
2 class and 3 lab hrs/wk, 3 cr.
Covers the fundamentals of basic diode rectifier, multiplier, transistor voltage regulators and current limiting circuits. Introduces the operating principles of solid-state devices such as unijunction transistors, special purpose diodes, thyristors and optoelectronic devices. Prerequisite: ELT141 or consent of instructor. Class fee $15. Sp, Su

ELT143 Pulse Circuit Fundamentals
2 class and 3 lab hrs/wk, 3 cr.
Introduces the theory, analysis and operation of discrete pulse waveform circuits. Prerequisite: ELT141 or consent of instructor. Class fee $15. Sp, Su

ELT151 Digital Fundamentals
3 class and 2 lab hrs/wk, 4 cr.
First course in a two-part sequence covering digital electronics. Includes number systems and conversions, Boolean algebra, simplification theorems, combinational logic and an introduction to arithmetic circuits. Prerequisite: ELT131 or consent of instructor. Class fee $10. W, Sp

ELT161 Linear IC Fundamentals
3 class and 3 lab hrs/wk, 4 cr.
Introduces linear integrated circuit amplifiers. Emphasizes device parameters and basic circuit operating characteristics. Various linear integrated circuit devices are compared and evaluated through laboratory experiments. Corequisite: ELT133 and ELT142. Prerequisite: ELT132 and ELT141. Class fee $15. Sp, Su

ELT244 Electronic Circuit Analysis
2 class and 6 lab hrs/wk, 4 cr.
Covers basic electronic devices and circuit design. Emphasizes verifying and analyzing the designs, using the “R” parameters. Includes Small-Signal Amplifiers, Bipolar Circuits, FET Circuits, Oscillators and Power Amplifiers. Some circuits are analyzed using simulation software, while other circuits are constructed and analyzed, using laboratory test equipment. Prerequisite: ELT141 and ELT133 or consent of instructor. Class fee $30. F

ELT252 Digital Circuit Applications
2 class and 3 lab hrs/wk, 3 cr.
Provides theory and a laboratory experience with sequential logic circuits such as flip-flops, counters, registers, combinations circuits and arithmetic logic units. A continuation of ELT151. Prerequisite: ELT151. Class fee $15. F

ELT253 Microprocessor Systems
3 class and 6 lab hrs/wk, 5 cr.
Covers hardware and software concepts used with microcomputers. Stresses theory and laboratory application of interfacing criteria, hardware and software troubleshooting techniques, writing machine language programs and using programs for testing hardware and system interfaces. Prerequisite: ELT244 and ELT252. Class fee $30. W

ELT254 Computer Hardware
3 class and 3 lab hrs/wk, 4 cr.
Covers the hardware concepts necessary to install and maintain computers and computer peripherals. Relates the interface between software and hardware. Includes the requirements for A+ certification. Prerequisite: CS140B, or NET123 plus ELT151. Class fee $15. W

ELT255 Advanced Data Communication
3 class and 6 lab hrs/wk, 5 cr.
Covers theory of data communications and concepts of information exchange between computers, via data networks. Emphasizes configuration, maintenance and management of data communication network systems. Constructs and tests multiple network hardware configurations using the Novell NetWare Operating System. Prerequisite: ELT253, CS278, DOS and a high level programming language or consent of instructor. Class fee $30. Sp

ELT256 Advanced Computer Architecture
3 class and 3 lab hrs/wk, 4 cr.
Explains advanced computer system theory. Lab sessions emphasize system installation and troubleshooting of both hardware and software. For students with a solid foundation in digital logic, microprocessors and programming. Prerequisite: ELT253. Class fee $15. Sp

ELT262 Linear IC Applications
2 class and 3 lab hrs/wk, 3 cr.
Applies and evaluates selected circuit designs in the laboratory. A design and applications course using the integrated circuit amplifier and special function IC devices to study circuits related to industrial applications. Prerequisite: ELT244 and ELT161. Class fee $15. W

ELT280A-L Cooperative Work Experience
See Cooperative Work Experience.

ELT281 Antennas and Transmission Lines
2 class hrs and 3 lab hrs/wk, 3 cr.
Covers the practical and theoretical aspects of basic transmission lines and antennas. Includes characteristics and properties of open-wire, coaxial and special purpose transmission lines, plus those of vertical and horizontal antennas, and the coupling of source, transmission lines, and antennas. Prerequisite: ELT244 and ELT252. W

ELT282 Telecommunications
2 class hrs and 3 lab hrs/wk, 3 cr.
Covers communications theory and systems. Develops practical skills and reinforces theoretical concepts through laboratory experiments and field trips. Prerequisite: Concurrent enrollment in ELT281. Class fee $15. W

ELT283 Logical Troubleshooting
3 class and 6 lab hrs/wk, 5 cr.
Introduces and applies industry recognized standards, procedures and practices for logical-troubleshooting and analysis of electronic systems. Includes lab activities such as system-level, board-level and component-level troubleshooting and diagnosis, using live systems and real world circuit faults. Prerequisite: ELT244 and ELT161, or equivalent with consent of instructor. Class fee $30. Sp

ELT291 Advanced Industrial Electronics
3 class and 3 lab hrs/wk, 4 cr.
Covers principles and concepts of electronic and electrical control and sensing devices used in industry. Introduces electric motors, three-phase electricity, control devices and circuits, process control systems and servos, measurement transducers and programmable controllers (PLCs). Prerequisite: ELT141, ELT142, ELT161, or consent of instructor. Class fee $15. Sp

EMT

EMT051 Emergency Medical Technician Basic, Part 1
4 class and 3 lab hrs/wk, 5 cr.
Provides instruction at the level of Emergency Medical Technician Basic who is a vital link in the chain of the health care system. Includes all skills necessary for the individual to provide emergency medical care as outlined by scope of practice established by the Oregon Board of Medical Examiners. Serves as the first of a two-part course in a series of courses making up a national and state EMS training program. Failure of this course will require retaking the full sequence of EMT-Basic courses. Prerequisite: Completion of placement testing for writing skills at WR040 or higher, reading at RD090 or higher and math at MTH020 or higher. Concurrent enrollment in BLS Health Care Provider CPR. Must meet standards as set by the State EMS Office for certification which includes health, driving, immunization and criminal record check. Class fee $25. F, offered as needed.

EMT052 Emergency Medical Technician Basic, Part 2
3 class and 3 lab hrs/wk, 4 cr.
Continues instruction at the level of Emergency Medical Technician Basic, who is a vital link in the chain of the health care system. Includes all skills necessary for the individual to provide emergency medical care as outlined by scope of practice established by the Oregon Board of Medical Examiners. Serves as the second in a series of courses making up a national and state EMS training program. Failure of this course will require retaking the full sequence of EMT-Basic courses. Prerequisite: Successful completion of EMT051 and concurrent enrollment in EMT280A. Class fee $25. W, offered as needed.
EMT051 and EMT052, or current Oregon EMT Basic certification as needed.

EMT056 Emergency Medical Technician Intermediate, Part 1 4 class and 2 lab hrs/wk, 5 cr.
Covers intermediate emergency medical procedures. Includes the roles and responsibilities of the technician, patient assessment, and procedures related to airway, oxygen, ventilation, shock, intravenous, intravenous, and ECG monitoring, defibrillation, pharmacology and field protocols. Failure of this course will require retaking the full sequence of EMT-Intermediate courses. Prerequisite: Completion of placement testing for writing skills at WR040 or higher, reading at RD090 or higher and math at MTH020 or higher. Current Oregon EMT Basic certification and 80 percent or higher on pre-test. Class fee $25. Offered as needed.

EMT066 Emergency Medical Technician Intermediate, Part 2 4 class and 2 lab hrs/wk, 5 cr.
Continues study of intermediate emergency medical procedures for technicians. Gives students successfully completing Part 2 a recommendation to the Oregon Health Division for the certification process. Failure of this course will require retaking the full sequence of EMT-Intermediate courses. Prerequisite: EMT056. Class fee $25. Offered as needed.

EMT069 EMT Rescue 2 class and 4 lab hrs/wk, 3 cr.
Covers elementary procedures of rescue practices, systems, components, support and control of rescue operations including ladder procedures and basic rescue tools. Introduces techniques and tools of patient extrication, emphasizing application to traffic accidents, as required for paramedic certification. Prerequisite: EMT051 and EMT052, or current Oregon EMT Basic certification. Offered as needed.

EMT070 Emergency Communication and Patient Transportation 2 class and 3 lab hrs/wk, 3 cr.
Covers ambulance operation, laws, maintenance and safety; emergency response driving and route planning; communication systems, radio types, HEAR system, code and correct techniques. Class fee $5. Sp, offered as needed.

EMT075 Introduction to Emergency Medical Service 3 class hrs/wk, 3 cr.
Covers roles and responsibilities of the EMT and paramedic, emergency medical services systems, medical-legal considerations, major incident response, hazardous materials awareness and stress management. Offered as needed.

EMT096 EMT Paramedic, Part 1 11 class and 9 lab hrs/wk, 14 cr.
Offers first term of a three-term course, which includes EMT096, EMT097 and CWE280F. Focuses on patient assessment; airway/ventilation; pathophysiology of shock; general pharmacology; respiratory, cardiovascular, neurologic, endocrine systems; and acute abdomen emergencies. Applies didactic knowledge to campus-based laboratory skills practice and clinical patient care in the hospital setting. Failure of this course will require retaking the full sequence of Paramedic courses (EMT096, EMT097 and CWE280F). Prerequisite: Fourth-term standing in the Emergency Medical Technology program. Class fee $167. F, Sp

EMT097 EMT Paramedic, Part 2 6 class and 24 lab hrs/wk, 14 cr.
Offers second part of a three-term course, which includes EMT096, EMT097 and CWE280F. Focuses on anaphylactic, toxicologic, environmental, geriatric, pediatric, obstetric, gynecologic, neonatal, and behavioral emergencies; infectious diseases and trauma care. Applies didactic knowledge to campus-based laboratory skills practice and clinical patient care in the hospital setting. Failure of this course will require retaking the full sequence of Paramedic courses (EMT096, EMT097 and CWE280F). Prerequisite: EMT096. Class fee $167. W, Su

ENG

ENG104 Introduction to Fiction 3 class hrs/wk, 3 cr.
Features critical analysis and appreciation of fiction through the reading of narratives originally written in English as well as works in translation. Employs chronological, genre, stylistic, or thematic approaches to content to introduce the short story, the novel or novella and basic literary terminology and concepts. F, W, Sp, Su

ENG105 Introduction to Dramatic Literature 3 class hrs/wk, 3 cr.
Features critical analysis and appreciation of drama from the classical Greek to contemporary periods written by an international range of playwrights. Introduces concepts and types of dramatic literature, including comedy and tragedy as well as the elements and conventions of drama as both a literary and performing art. F, W, Sp, Su

ENG106 Introduction to Poetry 3 class hrs/wk, 3 cr.
Features critical analysis and appreciation of poetry originally written in English as well as works in translation by major poets from various cultural backgrounds. Introduces poetic terminology, concepts and principles, and explores a variety of the poetry’s structures and types. F, W, Sp, Su

ENG107 Introduction to World Literature 3 class hrs/wk, 3 cr.
Features discussion and analysis of histories, stories, poems, and plays of the Western and non-Western world between 2000 B.C.E. and 1450. F

ENG108 Introduction to World Literature 3 class hrs/wk, 3 cr.
Features discussion and analysis of literary works of the Western and non-Western world of the nineteenth and twentieth centuries. Sp

ENG201 Introduction to Shakespeare 3 class hrs/wk, 3 cr.
Surveys selected Shakespearean tragedies, emphasizing dramatic structure, characterization, imagery and theme. Uses critical essays to explore these plays and to provide background on the nature of tragedy. F

ENG202 Introduction to Shakespeare 3 class hrs/wk, 3 cr.
Surveys selected Shakespearean comedies, emphasizing dramatic structure, characterization, imagery and theme. Uses critical essays to provide background on the nature of comedy. W

ENG203 Introduction to Shakespeare 3 class hrs/wk, 3 cr.
Surveys selected Shakespearean history plays, emphasizing dramatic structure, characterization, imagery and theme. Uses critical essays to provide background on the nature of historical drama. Sp

ENG204 Introduction to English Literature 3 class hrs/wk, 3 cr.
Covers the development of English literature from its beginnings in the Anglo-Saxon period through the early Renaissance (to c.1600). Focuses on literary works as products of a historical period and on the analysis and interpretation of works. F

ENG205 Introduction to English Literature 3 class hrs/wk, 3 cr.
Covers the development of English literature from the time of Shakespeare (c. 1600) to the end of the 18th century. Focuses on literary works as products of a historical period and on the analysis and interpretation of works. W
ENG206 Introduction to English Literature
3 class hrs/wk, 3 cr.
Covers the development of English literature from late 18th century (Romanticism) to the late 20th century. Focuses on literary works as products of a historical period and on the analysis and interpretation of works. Sp

ENG214 Literature of the Northwest
3 class hrs/wk, 3 cr.
Studies fictional and non-fictional works by Northwest writers from the time of early exploration of the territory. Emphasizes the relationship between Northwest writing and the unique Northwest social, cultural and physical environments. Offered as needed.

ENG222 Images of Women in Literature
3 class hrs/wk, 3 cr.
Focuses on the portrayal of the feminine in mythology, conventional images in Western literature, literature of non-Western cultures or that of other groups within the Western world in relation to specific themes, or a combination of any of these. Students analyze and interpret images of women in the works of literature assigned. Offered as needed.

ENG250 Introduction to Mythology and Folklore
3 class hrs/wk, 3 cr.
Introduces folklore and some of its various forms: myths, legends, and folktales. Explores the nature and functions of folklore through examples from the classical world, from the native cultures of the Americas, and from at least one other area of the world. Also examines folklore in contemporary life. Offered as needed.

ENG253 Introduction to American Literature
3 class hrs/wk, 3 cr.
Focuses on the literature of the Native Americans, European explorers, settlers, chroniclers, missionaries, and American contributors to the character of a new nation, the United States of America from 1492-1800. Genres include story, chant, journal, letter, report, biography, autobiography, chronicle, narrative, dictionary, satire, poetry, song, sermon, novel, drama, essay and political documents. F

ENG254 Introduction to American Literature
3 class hrs/wk, 3 cr.
Focuses on the literature of the 19th Century, with attention given to the themes and issues of slavery, abolition, Native American and women’s rights, the Civil War, westward expansion, and industrial and urban growth. Genres studied include journal, narrative, speech, poetry, short story, novel and essay. W

ENG255 Introduction to American Literature
3 class hrs/wk, 3 cr.
Focuses on the literature of the 20th Century, with attention given to the eras and events of the World Wars, American-European interconnections, modernism, the decade of the twenties (including the Harlem Renaissance), the Depression, post-World War II issues and realities, the Cold War with the Soviet Union, the civil rights movement, the Vietnam War, the Sixties, environmentalism, post-modern and contemporary life, multiculturalism and global perspectives. Genres studied are poetry, short story, novel, drama, essay and lyrics. Sp

ENG256 African-American Literature
3 class hrs/wk, 3 cr.
Studies African-American literature, with attention given to the themes and issues of African origins, oral tradition, the diaspora, slavery, the post-Civil War era, the Harlem Renaissance, the civil rights movement, and recent and contemporary periods. Focuses on oral and written texts representing interests, aspirations, and experiences of African-Americans. Includes a selection of works taken from slave narratives, early literary publications, novels, short stories, poems, autobiographies and plays. Uses a chronological or thematic approach. F

ENG257 Native American Literature
3 class hrs/wk, 3 cr.
Introduces formal written and oral literatures by Native Americans through a wide variety of texts from different tribes, regions and individual authors. Examines world views and major thematic currents of Native American literatures; distinctive characteristics of Native American writing; characteristics it shares with Euro-American writing; and characteristics of oral literature. Sp

ENG258 Latin American Literature
3 class hrs/wk, 3 cr.
Survey the literature of the Latin American countries, with an emphasis on literature of the 20th century, including the major literary movements and figures. Sp

ENG260 Introduction to Women Writers
3 class hrs/wk, 3 cr.
Focuses on the achievements and perspectives of women writers through critical analysis of their literary works and literary strategies. Uses a chronological, stylistic or thematic approach. W

ENG261 Introduction to Science Fiction
3 class hrs/wk, 3 cr.
Focuses on the development of science fiction as a literary genre and its role in society. Sp

ENG262 The American Western
3 class hrs/wk, 3 cr.
Features the critical reading and analysis of western fiction to determine the conventions and the variety of the genre. Focuses primarily on the novel, but may include short stories, essays and poetry. Uses either a chronological, thematic or stylistic approach. W

ENG263 Introduction to Detective Fiction
3 class hrs/wk, 3 cr.
Focuses on the genre of detective fiction, its history, and conventions through reading and critical analysis of representative works and authors. Uses a chronological, thematic or stylistic approach. F

ENG269 Environmental Literature
3 class hrs/wk, 3 cr.
Emphasizes environmental literature, which addresses the relationship between human beings and the natural world, as well as the place of humans in the natural world. Uses chronological, regional or thematic approaches. Analyzes and interprets various works. Includes field trips, recording “field notes,” and writing environmental literature. Offered as needed.

ENL

English as a Non-Native Language

ENL055 Listening and Speaking C
5 class hrs/wk, 5 cr.
Focuses on improving interpersonal and small-group speaking and listening skills needed for success in academic and professional settings. Designed for non-native speakers of English preparing to take college credit classes. Prerequisite: Completion of ESL level 3 or CELSA score of 40-49. Class fee $2. F, W, Sp

ENL057 Reading
5 class hrs/wk, 5 cr.
Focuses on developing reading skills in preparation for academic and professional purposes. Improves reading strategies, vocabulary, and basic library research skills, and reinforces reading skills through the use of extended reading selections as a basis for writing assignments. Designed for non-native speakers of English preparing for college credit classes. Prerequisite: Completion of ESL level 3 or CELSA score of 40-49 and a writing sample. Class fee $2. F, Sp, Su

ENL058 Reading and Vocabulary
5 class hrs/wk, 5 cr.
Focuses on improving basic reading skills, paragraph comprehension, and vocabulary skills (using the dictionary; identifying word parts, and finding the meaning of a word based on context clues). Designed for non-native speakers of English preparing for college credit classes. Prerequisite: Completion of ESL level 3 or CELSA score of 40-49. Class fee $2. W
ENL061 American Grammar and Reading
5 class hrs/wk, 5 cr.
Reviews basic English grammar and applies this knowledge to the reading and understanding of short stories, poems, and/or short novels written by contemporary American authors who represent a variety of cultural and ethnic groups. Designed for non-native speakers of English preparing to take college classes. **Prerequisite:** Completion of ESL level 3 or CELSA score of 40-49 and a writing sample. Class fee $2. Sp

ENL065 Grammatical Sentences
4 class hrs/wk, 4 cr.
Focuses on writing accurate sentences in English. Covers parts of speech, kinds of sentences, common sentence errors, and spelling. **Prerequisite:** ESL Level 3 Reading and Writing, or CELSA score of 35 and a writing assessment. F

ENL066 Writing Paragraphs
5 class hrs/wk, 5 cr.
Focuses on writing standard paragraphs in English. Covers paragraph structure and organization. Incorporates use of paragraphs to respond to test questions. **Prerequisite:** Successful completion of ENL065 or CELSA score of 40 and a writing assessment. Class fee $2. W, Su

ENL067 Introduction to Essay Writing
5 class hrs/wk, 5 cr.
Focuses on writing simple essays with complete paragraphs and writing responses to academic reading selections. **Prerequisite:** Completion of ENL066 or CELSA score of 45 and a writing assessment. Class fee $2. F, W, Sp, Su

ENL068 American Reading and Writing
4 class hrs/wk, 4 cr.
Focuses on reading, writing, and responding to reading selections at the sentence, paragraph and essay level. Includes sources of professional literature, awareness and identification of hazardous materials, emergency services agencies and allied organizations, education and certification. Introduces the effective listening and speaking skills needed for success in academic and professional settings, including interpersonal, small-group communication, and intercultural communication. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA score of 50+. A writing sample. Class fee $2.

ENL069 Technical Writing and Research
4 class hrs/wk, 4 cr.
Focuses on production of English speech patterns, intonation, and pronunciation for the purpose of improved comprehensibility. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA score of 45+. Class fee $2. F, W, Sp

ENL104 Academic Listening and Speaking
4 class hrs/wk, 4 cr.
Introduces the effective listening and speaking skills needed for success in academic and professional settings, including interpersonal, small-group communication, and intercultural communication. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA score of 50. Class fee $2. F, W, Sp, Su

ENL106 American Business Language
4 class hrs/wk, 4 cr.
Develops communication skills, including reading, writing, vocabulary, idioms, grammar for business and employment. Prepares students who plan to enter college programs or immediate employment in the fields of accounting, financial services, business administration, business technology, economics, marketing, real estate, computer science or small business management. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA score of 50+ and a writing sample. Class fee $2. Offered as needed.

ENL107 Better Writing Through Editing
5 class hrs/wk, 5 cr.
Teaches students how to proofread and edit their own writing, to find and correct errors, and improve writing through skilled proofreading, editing, and revising. Focuses on spelling, grammatical sentences, and punctuation at the sentence, paragraph and essay level. **Prerequisite:** Successful completion of ENL067 or CELSA score of 50 and writing assessment. F, W, Sp

ENL108 Advanced Grammar 1
4 class hrs/wk, 4 cr.
Focuses on advanced English grammar, with a contextual emphasis on American culture and current topics of interest. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA test score of 50+. Class fee $2. F, W, Sp, Su

ENL109 Academic Reading and Writing
4 class hrs/wk, 4 cr.
Focuses on reading, writing, and responding to reading selections at the sentence, paragraph and essay level. Source documentation and test-taking skills are included. Designed for non-native speakers of English who wish to improve their academic skills in preparation for taking college credit classes. **Prerequisite:** Completion of ESL level 4 or CELSA test score of 50+.

ENL110 Better Writing Through Editing
5 class hrs/wk, 5 cr.
Teaches students how to proofread and edit their own writing, to find and correct errors, and improve writing through skilled proofreading, editing, and revising. Focuses on spelling, grammatical sentences, and punctuation at the sentence, paragraph and essay level. **Prerequisite:** Successful completion of ENL067 or CELSA score of 50 and writing assessment. F, W, Sp

ENL111 Advanced Grammar 2
4 class hrs/wk, 4 cr.
Focuses on advanced English grammar, with a contextual focus on American culture and current topics of interest. Designed for non-native speakers of English who wish to improve their academic skills. **Prerequisite:** Completion of ESL level 4 or CELSA score of 50+ and a writing sample. F, Sp

ENL112 Technical Writing and Research
4 class hrs/wk, 4 cr.
Focuses on production of English speech patterns, intonation, and pronunciation for the purpose of improved comprehensibility. Designed for non-native speakers of English who wish to improve their academic skills. A comprehensive writing course which introduces the English composition concepts of WR121. **Prerequisite:** ENL114 or CELSA score of 55+ and a writing sample. Class fee $2. Offered as needed.

**ES**

Emergency Services

ES071 Workplace Safety Skills
3 lab hrs/wk, 1 cr.
Combines first aid, CPR, and hazardous materials awareness to meet minimum federal and state occupational safety requirements. Students completing the course will receive American Red Cross first aid certification. Meets OSHA requirements. Class fee $7. F, W, Sp, Su

ES072 Introduction to Emergency Services
4 class hrs/wk, 4 cr.
Explores the philosophy and history of emergency services. Presents the history of loss of life and property in fire, major medical emergencies and natural disasters. Covers the responsibility of emergency services in a community, the roles and responsibilities of a paramedic and firefighter, an overview of the ICS system, and the organization and function of emergency services agencies and allied organizations, education and certification. Includes sources of professional literature, awareness and identification of hazardous materials, emergency services apparatus, fire behavior, detection and protection systems, cultural diversity, harassment in the workplace, survey of professional career opportunities and requirements, and development of a resume. **Offered as needed.**
FE

Field Experiences

FE185 Service Learning Seminar
1 class hr/wk, 1 cr.
Provides structured activities for students enrolled in service learning options to share, evaluate, and reflect on their experiences while examining the larger dimensions of community service. Prerequisite: Linked to other courses offering a service learning option. F, W, Sp

FE205A Job Search Preparation
1 class hr/wk, 1 cr.
Helps you find the job you want. Self-analysis of what you have to offer an employer, the ideal job for you, the job search process, and employer research. Includes informational interviewing, follow-up procedures, and portfolio documentation. F, W, Sp, Su

FE205B Resumes and Job Search Correspondence
1 class hr/wk, 1 cr.
Shows you how to apply for the job you want. Covers composition and analysis of all written correspondence used in applying for employment, including applications, resumes, and other employment-related communications. F, W, Sp, Su

FA

Film Arts

FA255 Understanding Movies: Film Styles
3 class and 2 lab hrs/wk, 4 cr.
Introduces the art of cinema. Emphasizes the feature-length film. Focuses on ways in which a person can come to understand the meaning of a movie. Includes a weekly film screening lab that accompanies the lecture. Class fee $8. F

FA256 Understanding Movies: The Great Film Directors
3 class and 2 lab hrs/wk, 4 cr.
Analyzes films from the standpoint of the director as creator. Highlights the films of one or two directors in an effort to understand and critique the individual films as the work of an artist, especially within the context of viewing the films as an evolving body of work expressing a particular and unique view of the world. Course may be repeated for a maximum of 12 lecture and lab credits. Class fee $8. W

FA257 Understanding Movies: Themes and Genres
3 class and 2 lab hrs/wk, 4 cr.
Explores the meanings a film conveys within the context of a specific film genre, national movement or thematic topic. There is a weekly film screening lab that accompanies the lecture. This course may be repeated for a maximum of 12 credits total. Class fee $8. Sp

FN

Foods and Nutrition
See Nutrition and Food Management.

FR

French

FR101, 102, 103 First Year French,
Terms 1, 2, 3
4 class hrs/wk, 4 cr. each
Introduces the French language (including listening, speaking, reading and writing) and Francophone culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Instructor and students use French as the primary language of the class. Prerequisite: These classes are to be taken sequentially. FR101: None; FR102: FR101, one year of high school French, or consent of instructor; FR103: FR102, two years of high school French, or consent of instructor. Class fee $2 each. FR101: F; FR102: W; FR103: Sp

FR201, 202, 203 Second Year French,
Terms 1, 2, 3
4 class hrs/wk, 4 cr. each
Practice in all four language skills (reading, writing, speaking, listening). Included are cultural and literary readings and an in-depth review and expansion of basic French grammar and vocabulary, as well as a broadening of the student’s understanding of Francophone culture. All classroom interaction (both by instructor and students) takes place in French. Prerequisite: These classes are to be taken sequentially. FR201: FR103, three years of high school French, or consent of instructor; FR202: FR201, or consent of instructor; FR203: FR202, or consent of instructor. Class fee $2 each. FR201: F; FR202: W; FR203: Sp.

FRP

Fire Protection Technology

FRP050 Introduction to Fire Protection
3 class hrs/wk, 3 cr.
Introduces the philosophy and history of fire protection. History of loss of life and property by fire, responsibilities of fire departments in a community, organization and function of fire protection agencies and allied organizations, sources of professional literature, survey of professional career opportunities and requirements, and development of resume. Offered as needed.

FRP051 Fire Incident Related Experience 1
9 lab hrs/wk, 3 cr.
Provides an introductory orientation to Fire Incident Related Experience that fulfills the requirements of OR-OSHA and the Department of Public Safety Standards and Training for Entry Level Firefighter. These standards must be met prior to an individual responding to emergency incidents. Prerequisite: Admission is restricted to the students chosen through an application process. Consent of instructor required. Class fee $17. Offered as needed.

FRP052 Fire Incident Related Experience 2
9 lab hrs/wk, 3 cr.
Provides continuing information about large-diameter hose uses, attack hose procedures, ICS and passport information, firefighter responsibilities and ISI SCBA procedures. Includes SCBA use under extreme working loads, refilling SCBA bottles, the use of cascade systems, live-fire attack practices, salvage operations, overhaul practices, fire cause investigation, the firefighter’s responsibility, district familiarization, map book use, radio procedures, driving laws and practices, power tool operation and maintenance, ventilation principles and vertical ventilation. Includes a practicum for “Driver” certification and driving portions of “Pumper Operator.” Prerequisite: FRP051. Class fee $17. Offered as needed.

FRP053 Fire Incident Related Experience 3
9 lab hrs/wk, 3 cr.
Introduces new skills and a practicum to function safely and effectively as an integral member of a firefighting team and successfully pass testing for Firefighter I. Includes a practicum for “Driver” and “Pumper Operator” certification. Prerequisite: FRP052. Class fee $17. Offered as needed.

FRP054 Water Supply Operations
3 class hrs/wk, 3 cr.
Covers water supply operations in fire service, including pre-fire planning operations, water quantity calculations, water source options, delivery systems and options, and hydraulic calculations. Designed to meet the competencies as set forth by the Fire Standards and Accreditation Board in Firefighter II. Apparatus Operator I and II. Prerequisite: MTH070. FRP052, or consent of instructor. Offered as needed.

FRP056 Fire Service Rescue Practices
2 class and 4 lab hrs/wk, 4 cr.
Presents elementary procedures of rescue practices, systems, components, support and control of rescue operations. Introduces basic ladder procedures, ropes/knots, and basic rescue tools and equipment. Applies techniques and tools of extrication, emphasizing applications to traffic accidents. Prerequisite: FRP051, FRP052, or consent of instructor. Class fee $5. Offered as needed.
FRP058 Fire Pump Construction and Operation
2 class and 2 lab hrs/wk, 3 cr.
Covers the theory of pump operation, types and features of various pumps, practical operation of fire pumps and accessories. Includes drafting, hydrant and tanker operations and rule-of-thumb fire ground hydraulic calculations. Prerequisite: FRP051, FRP052, or consent of instructor. Offered as needed.

FRP059 Major Emergency Strategy and Tactics
3 class hrs/wk, 3 cr.
Covers major emergencies and applies principles relating to incident priorities, resource management, and tactical operations to make judgments about the management of major emergencies. Prerequisite: FRP050, FRP051, FRP052, FRP053, or consent of instructor. Offered as needed.

FRP060 Fundamentals of Fire Prevention
3 class hrs/wk, 3 cr.
Covers the history and philosophy of fire protection, through review of life and property loss statistics, case studies of fire protection agencies, current and future fire protection problems, and fire prevention laws and regulations. Develops an awareness of and positive attitude toward fire prevention as a method of accomplishing the fire department mission. Offered as needed.

FRP061 Fire Incident Related Experience 4
9 lab hrs/wk, 3 cr.
Introduces additional skills and provides a practicum to function safely and effectively as an integral member of a firefighting team and successfully pass testing for Firefighter 1. Includes a practicum for “Driver” and “Pumper Operator” certification. Prerequisite: FRP053. Class fee $17. Offered as needed.

FRP061H, 062H, 063H Fire Incident Related Experience Honors
9 lab hrs/wk, 3 cr. each
Provides the student officer with practice in supervision of a shift of firefighters during a 24-hour period. Covers assisting staff with training cadet firefighters and apparatus operators during drill sessions and supervising and directing cadet crews during emergency responses and operations. Students taking this course will act as a liaison to staff in regard to Fire Incident Related Experience and complete special projects and assignments given by staff. Prerequisite: FRP053 and consent of instructor. Class fee $17 each. Offered as needed.

FRP062 Fire Incident Related Experience 5
9 lab hrs/wk, 3 cr.
Introduces new skills and provides a practicum for Firefighter 2, “Driver,” and “Pumper Operator” certifications. Assists with entering the job market and in becoming more successful in competitive fire service entry processes. Prerequisite: FRP061. Class fee $17. Offered as needed.

FRP063 Fire Incident Related Experience 6
9 lab hrs/wk, 3 cr.
Offers additional skills and provides a practicum for Firefighter 2, “Driver,” and “Pumper Operator” certifications. Prepares students for entering the job market and assists them in becoming more successful in competitive fire service entry processes. Introduces contemporary issues regarding the furnishing of emergency services. Students completing the course will take written and task performance tests for Firefighter 2. Prerequisite: FRP062. Class fee $17. Offered as needed.

FRP064 Hazardous Materials Operations
3 class hrs/wk, 3 cr.
Provides knowledge and skills necessary to safely respond to and manage the defensive operations involved in a chemical emergency. Prerequisite: Concurrent enrollment in FRP060. Offered as needed.

FRP065 Interface Fire Prevention and Mitigation
2 class and 2 lab hrs/wk, 2 cr.
Provides instruction in analyzing conflagration potential and employing strategies to improve the survival of structures located in grassland, brush and light timber. Prerequisite: FRP060 or consent of instructor. Offered as needed.

FRP066 Building Construction for Fire Suppression
3 class hrs/wk, 3 cr.
Focuses on fire problems inherent in structural elements of buildings. Includes inspection of various building types as a basis for applying effective extinguishment practices with adequate safeguards for personnel. Offered as needed.

FRP067 Hazardous Materials Regulations
3 class hrs/wk, 3 cr.
Provides an overview of the numerous federal, state, and local laws, codes, and regulations governing hazardous materials. This course is confined to the storage, handling, and release of hazardous materials. Describes the legal limitations and liabilities of respondents, as well as business owners. Gives an in-depth profile of dealing with the disposal of hazardous waste. Prerequisite: Consent of instructor. Offered as needed.

FRP068 Law Enforcement Procedures for Fire Prevention
2 class and 2 lab hrs/wk, 3 cr.
Focuses on the importance of the legal and court systems to the enforcement of fire laws. Covers the preparation of cases for prosecution. Prerequisite: FRP072, FRP073, FRP074, or consent of instructor. Offered as needed.

FRP069 Fire Department Leadership
3 class hrs/wk, 3 cr.
Emphasizes the role of fire service leaders in managing the daily operations of a fire company. Covers leadership concepts such as types of supervisors, including attitudes, cooperation, individual differences, motivation, communications and counseling as part of the management cycle. Prerequisite: FRP050. Offered as needed.

FRP070 Fire Fighting Tactics and Strategy
3 class hrs/wk, 3 cr.
Covers the development of systematic action plans for emergency situations. Includes recognizing and prioritizing emergency scene needs and developing related strategies, tactics and contingencies. Describes how resources should be deployed to implement those plans. Offered as needed.

FRP071 Fire Protection Systems and Extinguishers
3 class hrs/wk, 3 cr.
Covers types and uses of portable fire extinguishers, as well as care, inspection, and recharging procedures. Includes various types of sprinklers and special extinguishing systems, standpipe systems, and systems designed to detect and report fires. Offered as needed.

FRP072 Uniform Fire Code
3 class hrs/wk, 3 cr.
Interprets the Uniform Building Code, Uniform Fire Code, State Fire Marshal Fire Safety Regulations and related Oregon revised statutes, N.F.P.A. and other codes relating to fire prevention and life safety. Offered as needed.

FRP073 Law for Emergency Services
3 class hrs/wk, 3 cr.
Covers Emergency Services’ legal responsibilities related to driving, inspections, emergency operations, communications, fire prevention, and provision of ambulance services. Includes employee and member’s rights, duties, liabilities and preparation for presentations in court. Offered as needed.

FRP074 Fire Investigation
3 class and 2 lab hrs/wk, 4 cr.
Emphasizes the importance of determining the cause of fire. Studies the burning characteristics of combustibles and the effects of fire on materials, interpreting burn patterns and isolating the area and point of origin, identifying incendiary indications, sources of ignition and materials ignited and preservation of fire scene and evidence. Prerequisite: FRP050 or consent of instructor. Offered as needed.
FRP075 Crash/Rescue for Non-Commercial Aircraft  
1 class hr/wk, 1 cr.  
Provides basic knowledge of aircraft types and systems, rescue equipment, airfield characteristics, and aircraft rescue and firefighting procedures (ARFF) for general aviation/non-commercial type aircraft. Emphasizes structural firefighters responding to accidents at non-indexed airports and procedures to follow in the event of a downed aircraft within a fire district. Course does not meet the training requirement for FAA firefighter position at indexed airports. Offered as needed.

FRP079 Wildland Urban Interface  
3 class hrs/wk, 3 cr.  
Studies causes and prevention of natural cover fires, ground cover fire behavior, standard firefighting orders, urban interface problems, fire suppression methods and fireground management. Offered as needed.

FRP080 Hazardous Materials for Inspectors  
3 class hrs/wk, 3 cr.  
Covers how to handle inspections involving hazardous materials. Covers the requirements for handling, storing and reporting on various hazardous materials. Prerequisite: Consent of instructor. Offered as needed.

FRP081 Fire Prevention Inspection  
3 class hrs/wk, 3 cr.  
Covers methods of contemporary fire prevention inspection practices. Includes preparation, pre-approach information, written inspection notices, relations with owners and occupants, and compliances. Prerequisite: FRP060, FRP066, FRP072, or consent of instructor. Offered as needed.

FRP083 Incident Report Writing  
2 class hrs/wk, 2 cr.  
Covers methods of contemporary fire prevention inspection practices, including preparation, pre-approach information, written inspection notices, relations with owners and occupants, and compliances. Prerequisite: FRP073, FRP074, WR121, or consent of instructor. Offered as needed.

FRP084 Public Information for the Fire Service  
3 class hrs/wk, 3 cr.  
Provides participants with the ability to identify public and proprietary information to form media releases and develop and maintain positive relations with media representatives. Prerequisite: FRP073, FRP074, or consent of instructor. Offered as needed.

FRP086 Advanced Detection and Protection Systems  
3 class hrs/wk, 3 cr.  
Provides training in the design of fire protection systems and the evaluation of existing systems with regard to fire codes, fire code standards and National Fire Protection Standards. Prerequisite: FRP071 or consent of instructor. Offered as needed.

FRP087 Fire Insurance Fundamentals  
3 class hrs/wk, 3 cr.  
Covers the relationship of fire defenses and fire losses to insurance rates, basic insurance principles, fire loss experience and loss ratio applying the ISO grading schedule and state regulations of fire insurance. Prerequisite: FRP060 or consent of instructor. Offered as needed.

FRP088 Fire Prevention Education Programs  
3 class hrs/wk, 3 cr.  
Uses fire data to analyze the prevention needs in a community and to design a public fire education program directed to preventing or mitigating certain fires in that community. Offered as needed.

FRP089 Fire Codes and Ordinances  
3 class hrs/wk, 3 cr.  
Studies the Uniform Fire Code, State Fire Marshal Fire Safety Regulations and related Oregon revised statutes, N.F.P.A., and other codes relating to fire prevention and life safety. Offered as needed.

FRP160 Incident Safety Officer  
1 class hr/wk, 1 cr.  
Covers N.F.P.A. 1521 and OSHA regulations regarding utilization of an on-scene safety officer. Prepares officers and firefighters to work together to promote safety at every emergency scene. Offered as needed.

FRP161 Fire Management Practices  
1 class hr/wk, 1 cr.  
Covers the concept of fire management including the role of departments and districts in local government, funding and selection methods for providing fire protection. Offered as needed.

FRP162 Managing Fire Personnel  
1 class hr/wk, 1 cr.  
Introduces fire department human resource management techniques. Includes hiring, supervision and performance review procedures. Offered as needed.

FRP163 Planning Fire Protection  
1 class hr/wk, 1 cr.  
Covers the tools needed to plan a community’s fire protection system. Includes analyzing a community’s fire risk, establishing types of protection, and developing implementation and evaluation plans. Offered as needed.

FRP164 Fire Department Budgets  
1 class hr/wk, 1 cr.  
Covers the preparation, adoption and filing of public law, and management of a fire district budget. Includes district budget analysis methods, use of levies, budget management and appropriation of expenditures. Offered as needed.

FRP165 Public Relations, Public Information and Public Education  
1 class hr/wk, 1 cr.  
Introduces the role of public relations, public information and public education as tools to provide and enhance awareness of public safety. Offered as needed.

FRP166 Firefighter’s Law  
1 class hr/wk, 1 cr.  
Covers the legal responsibilities of firefighters in driving, inspection, emergency operations, communication, fire prevention, and rights. Includes a firefighter’s rights as a civil service employee. Offered as needed.

FRP277 NFP A Fire Instructor  
3 class hrs/wk, 3 cr.  
Provides training to instructor candidates from multi-discipline activities found within Public Safety (fire, law enforcement, wildland, emergency medical services, etc.). Prepares the program participants for planning instruction, using a variety of instructional methods, teaching diverse learners, and evaluating course outcomes. Includes guidelines for addressing the critical issues of safety and the legal issues of training, and provides opportunities for participants to take part in application activities. This course meets the competency standards established by the National Fire Protection Association (NFPA) 1041 Standard for Fire Service Instructor Professional Qualifications, Instructor I. Offered as needed.

FRP280A-L Cooperative Work Experience  
See Cooperative Work Experience.

Food Service  
See Hospitality and Tourism Management.

FT  
Forest Resources Technology  
FT101 Fire Suppression Skills  
1 class and 3 lab hrs/wk, 2 cr.  
Provides a hands-on practice of various wildfire suppression and control techniques combined with an introduction to and analysis of fire behavior and crew-building methods. Includes on-site class visits in the forested mountain areas of western or eastern Oregon. Sp
FT111 Introduction to Forest Resources  
3 class and 6 lab hrs/wk, 5 cr.  
Introduces the functions, structure, and management of America’s forests. Includes multip- 
field labs that will focus on landowner goals and objectives of forests in northwest Oregon. Class fee $25. F

FT120 Principles of Supervision  
3 class hrs/wk, 3 cr.  
Analyzes the changing job environment in forestry including an introductory study of the roles of attitude, goal setting, teamwork, and self-improvement in being a good employee, and the elements necessary to be an effective manager. W

FT130 Forest Insect and Disease Management  
2 class and 3 lab hrs/wk, 3 cr.  
Studies of important pathogens and insects, their role in forest ecology, and the damage they cause in the forested lands of the northwest. Prerequisite: FT111, FT141B, and BI132. Class fee $15. F

FT141A Oregon Tree and Shrub Identification 1  
2 class and 3 lab hrs/wk, 3 cr.  
Focuses on identification of 29 species of evergreen trees and 12 species of evergreen shrubs in the field using the common and scientific names of each species. Class fee $15. F

FT141B Oregon Tree and Shrub Identification 2  
2 class and 3 lab hrs/wk, 3 cr.  
Covers identification of 11 species of hardwood trees, 27 species of deciduous shrubs and 12 species of forbs and grasses. Uses both common and scientific names of each species to aid in forest management. Class fee $15. Sp

FT150 Forest Seminar  
1 class hrs/wk, 1 cr.  
Covers the basic steps in organizing and presenting forestry career and work experience. Presents informative elements of career/work experience in an audio/visual presentation. Focuses on use of audio/visual techniques including computer generated graphics and text. Prerequisite: FT280 and CS101. W

FT200 Forest Contracts  
3 class hrs/wk, 3 cr.  
Covers the principles and specifics of preparing a forest contract, from providing the specifications to the actual writing of a legal contract. Prerequisite: FT223 and WR227. Sp

FT210A Forest Surveying 1  
2 class and 3 lab hrs/wk, 3 cr.  
Covers basic forest surveying techniques including fundamentals of horizontal and vertical measurements. Provides field and office procedures for forest mapping. Prerequisite: MTH070 or concurrent enrollment. Class fee $15. W

FT210B Forest Surveying 2  
3 class and 6 lab hrs/wk, 5 cr.  
Continues Forest Surveying 1. Studies distance and direction measurement, employing transit, theodolites, electronic distance measuring (EDM), and Global Positioning Systems (GPS). Prerequisite: FT210A and MTH082. Class fee $25. F

FT220 Forest Photo Interpretation  
2 class and 3 lab hrs/wk, 3 cr.  
Introduces the basic principles of photogrammetry and photo interpretation, with particular emphasis on the uses of vertical aerial photographs in forest resources management. Prerequisite: MTH070 or concurrent enrollment. Class fee $15. W

FT221 Forest Inventory  
3 class and 4 lab hrs/wk, 5 cr.  
Introduces the basic principles of forest sampling. Includes use of survey, measurement, and statistical analysis. Prerequisite: FT210A, FT220, FT141B or concurrent enrollment, and MTH082 or current enrollment. Class fee $25. Sp

FT223 Timber Cruising/Log Scaling  
3 class and 4 lab hrs/wk, 5 cr.  
Introduces measurement and appraisal of individual trees, stands, and forest sites for volume and value. Introduces the theory and principles of log scaling. Prerequisite: FT210B, FT221, and CS101. Class fee $25. F

FT230 Forest Policy  
3 class and 3 lab hrs/wk, 4 cr.  
Studies the acts, regulations, orders and court decisions that define and constrain natural resource management plans. Prerequisite: FT111 and FT141B. Class fee $20. Sp

FT270A Silviculture 1  
1 class and 3 lab hrs/wk, 2 cr.  
Provides an initial analysis of forest ecology, tree growth, and silvicultural practices in the management of forest lands in the Pacific Northwest. Focuses on overviews of even-aged silvicultural systems, harvesting methods and the application of uneven-aged silvicultural systems. Prerequisite: FT141B, FT221. Class fee $10. F

FT270B Silviculture 2  
2 class and 3 lab hrs/wk, 3 cr.  
Analyzes forest ecology, tree growth, and silvicultural practices in the management of forest lands in the Pacific Northwest. Focuses on detailed analysis of traditional even-aged management practices and the associated thinning regimes. Prerequisite: FT270A. Class fee $15. W

FT280A-L Cooperative Work Experience  
See Cooperative Work Experience.

FT290 Forest Management Problem Solving  
2 class and 6 lab hrs/wk, 4 cr.  
Provides capstone experience for forestry students. Designed to offer real-world forest management problems in an environment of uncertainty and to build problem-solving skills based on management alternatives presented in previous classes. Prerequisite: FT120, FT223, FT270B, and WR227. Class fee $20. Sp

GE

General Engineering  
See also Engineering.

GE101 Engineering Orientation  
2 class and 2 lab hrs/wk, 3 cr.  
Introduces the engineering profession and engineering problem-solving. Prerequisite: MTH111. Class fee $15. F

GE102 Engineering Computations  
2 class and 2 lab hrs/wk, 3 cr.  
Acquaints engineering students with the use and operation of the micro computer. Programs will be developed and used by students in the solution of typical engineering problems. Structured programming techniques will be emphasized. Prerequisite: MTH111. Class fee $15. W

GE103 Engineering Computations  
2 class and 2 lab hrs/wk, 3 cr.  
Develops systematic approach to engineering problem solving using computers. Includes applications in computer analysis, graphing and database operations using spreadsheet software. Prerequisite: GE102, CS101, or consent of instructor. Class fee $15. Sp

GE115 Engineering Graphics  
2 class and 3 lab hrs/wk, 3 cr.  
Covers graphic communication, multiview and pictorial representation, graphical analysis and solutions, and computer-aided drafting. Prerequisite: DRF130. Class fee $15. Offered as needed.

GEG

Geography  
GEG105 Physical Geography  
3 class and 2 lab hrs/wk, 4 cr.  
Focuses on the physical subsystems of the earth (atmosphere, biosphere, hydrosphere, and lithosphere), with emphasis on human-environment relations. Includes basic map skills, latitude/longitude, weather, climate, biogeography, volcanism, erosion and desert landscapes. F, W, Su

GEG106 Cultural Geography  
3 class hrs/wk, 3 cr.  
Introduces the cultural elements of geography, including the study of human population, migration, language, religion, cultural landscapes and geopolitics. W, Sp
**GEG107 Economic Geography**  
3 class hrs/wk, 3 cr.  
Introduces economic geography, including the study of development and underdevelopment, agriculture, industry, settlement, urban landscapes and natural resource issues. F, Sp  

**GEG140 Map Reading and Interpretation**  
3 class hrs/wk, 3 cr.  
Introduces basic concepts in reading, interpreting and analyzing information from a variety of maps. Topics include map projections, map misuse, grid systems, map scale, route planning, Global Positioning System (GPS), Geographic Information System (GIS), contour reading, satellite imagery and computer-based mapping. W  

**GEG190 Geography of Natural Hazards**  
3 class hrs/wk, 3 cr.  
Studies the causes, characteristics, and geographic distribution of natural hazards, as well as various means of preparing for and minimizing the negative effects of hazards affecting the Pacific Northwest including: earthquakes, volcanoes, debris flows, floods, forest fires and drought. Offered as needed.  

**GEG201 World Regional Geography: The Developed World**  
3 class hrs/wk, 3 cr  
Introduces the physical and cultural geography of the developed world (Europe, Russia, Japan, North America, and Australia). Emphasizes major geographic themes and concepts, including population change, natural resource use, environmental concerns, economic development, geopolitical conflicts and cultural perceptions. Offered as needed.  

**GEG202 World Regional Geography: The Developing World**  
3 class hrs/wk, 3 cr  
Introduces the physical and cultural geography of the developing world (Middle East, Sub-Saharan Africa, Latin America, and South, East and Southeast Asia). Emphasizes regional survey of the geography of developing countries, major geographic themes and concepts, including population change, natural resource use, environmental degradation, economic development, geopolitical conflict and cultural perceptions. Offered as needed.  

**GEG206 Geography of Oregon**  
3 class hrs/wk, 3 cr  
Examines the geography of Oregon, including its settlement by Europeans, various geographic regions, diverse physical environments, important natural resources, and varied population and economy. Offered as needed.  

**GEG207 Geography of U.S. and Canada**  
3 class hrs/wk, 3 cr.  
Examines the natural and cultural environments of the U.S. and Canada including: climate, vegetation, landform regions, natural resource issues, and population and settlement patterns. Offered as needed.  

**GEO**  

**Geology**  

**GEO130 Dinosaurs and Life of the Mesozoic**  
3 class hrs/wk, 3 cr.  
Describes the dinosaurs and other animal and plant groups of the Mesozoic era. Covers their origins, mode of life, evolution, and theories concerning their extinction within a plate tectonics setting. Offered as needed.  

**GEO142 The Geology of Pacific Northwest Volcanoes, Mountains, and Glaciers**  
3 class and 2 lab hrs/wk, 4 cr.  
Studies the nature and origin of Northwest mountains and mountain ranges. Includes volcanoes, mountain building, and glacial sculpture. Includes lecture, laboratory and field trip. Class fee $10. Offered as needed.  

**GEO143 Pacific Northwest Rocks and Minerals**  
3 class and 2 lab hrs/wk, 4 cr.  
Studies identification, occurrence, and origin of common Northwest rocks and minerals and properties of precious, semiprecious, and ornamental stones, and economically important rocks and minerals. Class fee $10. Offered as needed.  

**GEO144 The Geology of Pacific Northwest Rivers, Streams and Deserts**  
3 class and 2 lab hrs/wk, 4 cr.  
Studies the geomorphology of Pacific Northwest rivers, lakes, and deserts, especially those in Oregon. Also studies the ancient landscapes and environments as indicated by the extensive Northwest fossil record. Includes lecture, lab and field trips. Class fee $10. Offered as needed.  

**GEO201 Geology**  
3 class and 3 lab hrs/wk, 4 cr.  
Studies the nature and origin of common rocks and minerals. Identification techniques applied in laboratory and on field trips. Class fee $15. F  

**GEO202 Geology**  
3 class and 3 lab hrs/wk, 4 cr.  
Offers a broad non-quantitative, descriptive survey of geologic landforms. Map interpretation activities applied in laboratory and on field trips. Class fee $15. W  

**GEO203 Geology**  
3 class and 3 lab hrs/wk, 4 cr.  
Offers a geophysical study of earth history, interpreted through geophysics and plate tectonics, coupled with laboratory field study of paleontology. Class fee $15. Sp  

**GER**  

**German**  

**GER101, 102, 103 First Year German, Terms 1, 2, 3**  
4 class hrs/wk, 4 cr. each  
Introduces the German language (including listening, speaking, reading and writing) and Germanic culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Instructor and students use German as the primary language of the class. Prerequisite: These classes are to be taken sequentially. GER101: None; GER102: GER101, one year of high school German, or consent of instructor; GER103: GER102, two years of high school German, or consent of instructor. Class fee $2 each. GER101: F; GER102: W; GER103: Sp  

**GS**  

**General Science**  

**GS104 Physical Science**  
3 class and 3 lab hrs/wk, 4 cr.  
Integrates the study of forces and motions in the physical world. Class fee $15. F, offered as needed.  

**GS105 Physical Science**  
3 class and 3 lab hrs/wk, 4 cr.  
Offers a broad, nonquantitative, descriptive survey of chemical principles which are relevant to everyday life. Class fee $15. W, offered as needed.  

**GS106 Physical Science**  
3 class and 3 lab hrs/wk, 4 cr.  
Introduces various branches of earth sciences. Includes basic terminology, fundamental processes and respective interrelations. Class fee $15. Sp, offered as needed.  

**GS107 Introduction to Astronomy**  
3 class and 3 lab hrs/wk, 4 cr.  
Surveys the physical properties of planets, stars and galaxies. Emphasizes the size of the universe and the objects within. Examines the processes astronomers use to gather data and form models. Class fee $15. F, offered as needed.  

**GS111 Integrated Science 1**  
3 class and 3 lab hrs/wk, 4 cr.  
Integrates study of fundamental forces, energy and matter. Suitable for students planning a future in elementary education. Emphasizes classroom activities to teach these concepts. Class fee $15. Offered as needed.  

**GS120 Rudiments of Meteorology**  
3 class hrs/wk, 3 cr.  
Describes the treatment of contents of the atmosphere, cloud and precipitation types, weather instruments, thunderstorms, cyclones, hurricanes, air masses, fronts and weather forecasting. Offered as needed.
**GS141 Earth, Our Planet**  
3 class and 3 lab hrs/wk, 4 cr.  
Investigates geoscience topics by introducing students to internationally recognized experts who share their theories, models and opinions. On-location film footage will take students to places and events they might not otherwise see. A telecourse, the class includes video viewing, written worksheet lessons, at-home quizzes, topical outside reading summaries and an on-campus exam. Class fee $15. F

**GS142 Earth Revealed**  
3 class and 3 lab hrs/wk, 4 cr.  
An introductory telecourse or modem geology course. Studies the Earth as a system. A textbook, study packet, and lab component are closely integrated with video components. Class fee $15. W, offered as needed.

**GS143 The Earth’s Oceans**  
3 class and 3 lab hrs/wk, 4 cr.  
Focuses on the marine environment as a unique feature of Planet Earth. This telecourse includes video viewing, journal writing, class projects and site-based labs. Class fee $15. Sp

### HD

#### Human Development

**HD220 Life Skills Seminar 1**  
3 class hrs/wk, 3 cr.  
Helps adults re-entering education or the workforce identify their abilities, interests and values and develop an individual career plan. Includes personal assessment, career exploration and decision-making, identification and removal of barriers to success and effective job search strategies. **Prerequisite:** Concurrent enrollment in HD221. Individual intake interview and consent of instructor required. Class fee $40. F, W, Sp

**HD221 Life Skills Seminar 2**  
3 class hrs/wk, 3 cr.  
Helps re-entering adults develop goals, skills and support systems that promote success in education and careers. Topics include building self-confidence, balancing work and family, assertiveness, communication skills, stress and time management, and development of an individual action plan. **Prerequisite:** Concurrent enrollment in HD220. Individual intake interview and consent of instructor required. F, W, Sp

#### HDF

##### Human Development and Family Studies

**HDF051 Parent/Toddler**  
1 class hr/wk, 1 cr.  
Covers toddler growth, learning, behavior, guidance, health, and nutrition; expectations of parenthood; and activities with toddlers. Parents and children attend class together. Course may be repeated for a maximum of six credits. F, W, Sp

**HDF052 Parent/Preschooler**  
1 class hr/wk, 1 cr.  
Covers preschooler growth, learning, behavior, guidance, health, and nutrition; expectations of parenthood; and activities with preschoolers. Parents and children attend class together. Course may be repeated for a maximum of six credits. F, W, Sp

**HDF222 Family Relationships**  
3 class hrs/wk, 3 cr.  
Examines communication patterns and relationships between adults, adults and children, and within intimate personal relations (marriage, families, and couple relations). Emphasizes understanding the role of the family and its consequent role in the development of the individual. F

**HDF225 Prenatal, Infant and Toddler Development**  
3 class hrs/wk, 3 cr.  
Studies the basic principles of development, prenatal through two years of age. Emphasizes physical, intellectual, emotional, and social growth and development of young children. F

**HDF226 A Time to Grow**  
3 class hrs/wk, 3 cr.  
Presents an overview of children, ages birth through adolescence, from a developmental perspective. Includes how children change as a result of age and experience. Examines the interplay of biology, experience, and the child’s current stage of development. F, Sp

**HDF227 The Whole Child**  
3 class hrs/wk, 3 cr.  
Gives students, parents, teachers, and professional child care providers the tools they need to foster the growth and well-being of children in their care. Features real child care givers, working and playing together with children in ways that facilitate learning and development. Locations used during the filming include a suburban preschool, an urban infant center and preschool, an in-home family child care program, two university child care centers and Head Start classrooms. Offered as needed.

**HDF229 Development in Middle Childhood**  
3 class hrs/wk, 3 cr.  
Studies growth and development in 6- through 12-year-old children. Emphasizes physical, intellectual, emotional, and social growth of the school-aged child. Sp

**HDF242 Balancing School, Work, and Family**  
1 class hr/wk, 1 cr.  
Presents information on balancing the demands of school, work and family. Covers the work-family lifestyle, handling stress, communication skills, and time and money management. F, W, Sp

**HDF247 Preschool Child Development**  
3 class hrs/wk, 3 cr.  
Examines the principles of development as they apply to the young child, primarily ages 2 1/2 through 5. Emphasizes physical, intellectual, emotional and social growth in children. W

**HDF248 Learning Experiences for Young Children**  
4 class hrs/wk, 4 cr.  
Focuses on planning and implementing preschool curriculum based on development theory. Involves lectures and experiences covering presentation, development, analysis, and evaluation of materials and concepts which facilitate development of the whole child (physical, social, emotional, and cognitive). **Prerequisite:** HDF225 and HDF247 or consent of instructor. Class fee $5. Sp

**HDF249 Introduction to Working and Living with Infants and Toddlers**  
3 class hrs/wk, 3 cr.  
Assists child care practitioners who work with infants and toddlers in child development centers and home settings. Focuses on understanding, facilitating, and respecting infant and toddler development. Appropriate environmental planning, activities, and observation skills will be discussed, demonstrated, and practiced. F

**HDF257 Home, School and Community**  
3 class hrs/wk, 3 cr.  
Designed to help future teachers and child care workers recognize and understand their unique position as resource coordinator and facilitator for parents. In addition to lectures and reading, the course requires active participation in discussion, oral and written exercises, parent interviews and simulated conferences, parent education programs, community resources, and other activities designed to help the student integrate skills to become more effective in working with families. **Prerequisite:** Second-year standing in the Early Childhood Education program or consent of instructor. W

**HDF258 Teaching In An Anti-Bias Classroom**  
3 class hrs/wk, 3 cr.  
Focuses on a process that leads to understanding and developing practices for teaching young children in culturally relevant and inclusive ways. Provides an understanding of identity development in relation to gender, race and other biases that influence and affect children and families. Includes uncovering and naming biases. Examines the social context that contributes to biases that affect teaching attitudes and practices. F
HE250 Personal Health
3 class hrs/wk, 3 cr.
Presents basic information concerning the social, emotional, intellectual, physical, spiritual, and environmental aspects of personal health and wellness. Emphasizes health-enhancing skills and behaviors. Provides an opportunity for students to apply and practice decision-making models regarding their own personal health issues. F, W, Sp, Su

HE262 Cardiopulmonary Resuscitation Instruction
2 class hrs/wk, 2 cr.
Reviews theory and application of basic life support, instructional materials, and methods of use in CPR courses. Successful completion provides instructor certification or recertification by the Oregon Heart Association. Prerequisite: Certification in CPR by the Oregon Heart Association. Class fee $5. Offered as needed.

Health Services Management
See also Allied Health and Medical Office Assisting.

HM101 Medical Law and Ethics
3 class hrs/wk, 3 cr.
Explores the relationships between the law, ethics, and bioethics and the health care professional. An interactive class using case studies, independent and group projects, and personal reflection to identify common legal and ethical problems. F, W or Sp

HM102, 103, 104 Professional Development A, B, C
1 class hr/wk, 1 cr. each
Designed to develop students leadership qualities, and present opportunities for student-community participation. Provides a setting for self-improvement in conjunction with health occupations student organizations. HM102: F; HM103: W; HM104: Sp

HM110 Health Information Systems Procedures 1
2 class and 4 lab hrs/wk, 4 cr.
Designed to provide the student with a fundamental knowledge of medical clinics and health-related organizations. Covers procedures used to keep any kind of medical office running efficiently. Provides entry-level skills for the Health Information Technician/ Medical Transcriptionist and other students in Health Services Management and other programs to become proficient in a number of skills that are required of a professional office worker dedicated to assisting in the care of health care consumers. Class fee $20. F
HM121 Medical Terminology/Systems 2
3 class hrs/wk, 3 cr.
Focuses on the digestive, cardiovascular, respiratory, blood, lymphatic, genitourinary, female reproductive, and endocrine systems. Explores the origin of terms and the use of anatomical, general, operative and symptomatic terms using a variety of case-based and experiential learning techniques. Prerequisite: HM120 or consent of instructor. F, W, Sp or Su

HM122 Advanced Topics in the Language of Medicine
3 class hrs/wk, 3 cr.
Focuses on the reading, analyzing, and use of clinical research and literature to explore advanced topics. Emphasizes written and verbal presentation of the findings of individual and group student research projects. An advanced course dealing with the language of clinical medicine in a variety of settings, including oncology, diagnostic radiology, the clinical laboratory and pharmacology. Prerequisite: HM120 and HM121 or consent of instructor. F, W, Sp or Su

HM130 Health Information Systems Office Practice
16 lab hrs/wk, 5 cr.
Includes practices in clinical situations of health information methods and techniques. Prerequisite: Third-term standing in the Health Information Technician program with a grade of C or better in all required courses in the first two terms of the program. Class fee $25. F or W, Sp

HM131 Health Information Systems Seminar
1 class hr/wk, 1 cr.
Studies the relationship of practicum in a health care setting with theoretical course content, as well as its application to career and personal goals. Prerequisite: HM130. F or W, Sp

HM140 Medical Transcription
2 class and 2 lab hrs/wk, 3 cr.
Introduces the techniques of transcribing from the recorded voice to the computer and operation of the transcriber. Includes transcribing letters, case histories, pathological reports and other medical reports. Prerequisite: HM120, keyboarding of 40 words per minute, basic word processing skills, or consent of instructor. Class fee $15. F or W, Sp

HM141 Advanced Medical Transcription 1
1 class and 4 lab hrs/wk, 3 cr.
Introduces in-depth transcription in all fields of medicine. Spelling, grammar, punctuation and formatting will be emphasized. Production goals will be set and assessed regularly with timed tests. Prerequisite: HM140, HM120, concurrent enrollment in HM121, or consent of instructor. Class fee $15. F or W or Sp

HM142 Advanced Medical Transcription 2
1 class and 4 lab hrs/wk, 3 cr.
Includes transcription of comprehensive dictation in medical specialty areas including radiology, pathology, and cardiology using American Association of Medical Transcriptionist course tapes. Prerequisite: HM120, HM121, HM140, HM141, enrollment in the Medical Transcription program, touch keyboarding skill of 55 words per minute, or equivalent as determined by instructor. Class fee $15. F or W or Sp

HM143 Advanced Medical Transcription 3
1 class and 4 lab hrs/wk, 3 cr.
Continues HM142. Includes transcription of 20 advanced tapes in all fields. Prerequisite: HM120, HM121, HM140, HM141, HM142, enrollment in the Medical Transcription program, and touch keyboarding skill of 65 words per minute or proficiency in WordPerfect at an intermediate level. Class fee $15. F or W or Sp

HM144 Medical Transcription Seminar
1 class hr/wk, 1 cr.
Assists the student in relating classroom theory to practical experience and to discuss self-evaluations of work environment experiences. Prerequisite: Concurrent enrollment in HM280. F or W or Sp

HM210 Introduction to Health Services
3 class hrs/wk, 3 cr.
Provides an overview of the nation’s health system. Includes use of health services, history of the health care system, and hospitals and other health service providers and their relationship to the system as a whole. Explores the financial, legal, political, and ethical aspects of the health care system in the United States. F

HM214 Advanced CPT-IV Coding
3 class hrs/wk, 3 cr.
Builds on previous experience or instruction to further develop ability and skills in CPT-IV coding practices and principles. Expands resources for further coding problem solving. Prerequisite: H114, H210, H212 or basic knowledge of medical terminology. Sp (as needed).

HM215 Advanced ICD-9-CM Coding
3 class hrs/wk, 3 cr.
Focuses on advanced ICD-9-CM coding practices and principles as well as resources for future coding problem solving. Prerequisite: HM115 or basic coding experience on the job, HM120, and HM121 or basic knowledge of medical terminology. Class fee $15. W or Sp

HM216 Health Care Data and Statistics
3 class hrs/wk, 3 cr.
Provides the student with a working knowledge of basic statistical techniques and their application to various health care literature and clinical environments. Uses the concepts of experiential and case-based-learning to facilitate the learning process. Prerequisite: MTH095 or BA211, and HM116 or consent of instructor. Sp

HM230 Health Services Externship
16 lab hrs/wk, 6 cr.
Provides one hundred sixty hours of workplace experience in a health care or related setting. Prerequisite: HM210, HM250 and HM251, or consent of instructor, and concurrent enrollment in HM231. Class fee $30. F or W, Sp

HM231 Health Services Seminar
1 class hr/wk, 1 cr.
Studies of the relationship between clinical practicum in health care or related setting with theoretical course content and application to career and personal goals. Prerequisite: Concurrent enrollment in HM230, or consent of instructor. F or W, Sp

HM250 Health Services Management 1
3 class hrs/wk, 3 cr.
Introduces the student to management functions, concepts, and principles as well as managerial roles in the context of the health services organization and the health services delivery system. F

HM251 Health Services Management 2
3 class hrs/wk, 3 cr.
Emphasizes the area of human resource management in health services organizations. Explores the concepts of motivation, leadership, communication, dynamics of change, personnel administration, labor relations, and new trends within the context of the health service organization and delivery system in the United States. Prerequisite: HM231. W

HM280A-L Cooperative Work Experience
See Cooperative Work Experience.

HOR

Horticulture

HOR111 Introduction to Horticulture
3 class and 2 lab hrs/wk, 4 cr.
Provides a broad view of the horticulture industry, with emphasis on greenhouse and nursery production. Introduces the basic requirements for plant growth. Explores environmental and social aspects of horticulture. Class fee $25. F, Sp

HOR121 Ecology in Horticulture
4 class hrs/wk, 4 cr.
Introduces basic environmental factors that influenc e horticulture. Explores ecological implications in the horticulture industry. Presents ecologically sound management options. F, Sp

HOR211 Plant Propagation
2 class and 2 lab hrs/wk, 3 cr.
Introduces biological and environmental principles that influence horticulture. Covers anatomy, physiology and genetics related to plant reproduction. Class fee $25. F, W, Sp
HS121 Introduction to Hospice Care
3 class hrs/wk, 3 cr.
Introduces care of terminally ill patients in the hospice environment. Covers palliative care techniques, with emphasis on social and psychological needs. Includes the practical, ethical and philosophic aspects of death, dying and bereavement. Offered as needed.

HS155 Interviewing Theory and Techniques
3 class hrs/wk, 3 cr.
Provides the theory and specific techniques required for entry level interviewing in human service settings. Prerequisite: Grade of C or better in HS150. Sp

HS156 Counseling Theories
3 class hrs/wk, 3 cr.
Introduces the major counseling theories that have demonstrated effectiveness with substance disorders and a variety of mental health issues. Presents an overview of ten specific theories, their founders, key concepts, techniques and appropriate applications. F

HS165 Activity Director Training/Long-Term Care
3 class hrs/wk, 3 cr.
Meets training requirements of activity directors in long-term care facilities. Focuses on therapeutic activities and appropriate use of people and material resources in meeting patient needs. Promotes continual growth and development of long-term care residents. F

HS170 Introduction to Practicum
3 class hrs/wk, 3 cr.
Provides the background and specific skills needed to select and succeed in the practicum placement. Serves as a prerequisite for Human Services practicum courses (HS284A,S - HS288A,S) and is designed to be taken during the first term of the program. Prerequisite: Admission to Human Services program and recommended concurrent enrollment in HS150 and HS154. F, W

HS201 Family Addiction
3 class hrs/wk, 3 cr.
Assists students in working with chemically-dependent youth. Includes prevention, intervention, assessment, and continuing recovery techniques for individuals and groups. Prerequisite: HS101 or consent of instructor. Sp

HS205 Youth Addiction
3 class hrs/wk, 3 cr.
Assists students in developing skills with chemically-dependent clients who are convicted criminals. Includes information on recognizing, confronting and treating the addicted criminal. Prerequisite: HS101 or consent of instructor. Su.

HS206 The Addicted Criminal
3 class hrs/wk, 3 cr.
Assists students in developing skills with chemically-dependent clients who are convicted criminals. Includes information on recognizing, confronting and treating the addicted criminal. Prerequisite: HS101 or consent of instructor. W.
HS207 Adult Children of Alcoholics/Addicts
1 class hr/wk, 1 cr.
Explores the relationship between growing up in a chemically-dependent or dysfunctional family and problems which surface in adulthood. Includes discussion of family dynamics, denial, relationships, work, social skills and feelings. F, W, Sp, Su

HS209 Co-occurring Disorders
2 class hrs/wk, 2 cr.
Covers basic information about simultaneous diagnosis of addiction and chronic mental illness in the same patient/client. Stresses the importance of assessing and treating these areas in a blended format. Prerequisite: HS101 or consent of instructor. Offered as needed.

HS211 HIV, TB and Infectious Diseases: Risk Assessment, Harm Reduction and Counseling
1 class hrs/wk, 1 cr.
Explores the relationship between alcohol and other drug abuse and infectious diseases, including HIV/AIDS, tuberculosis, sexually-transmitted diseases and hepatitis. Provides counseling techniques for assisting clients to identify personal risk and practice harm reduction. Also addresses special issues affecting diverse populations. Examines personal issues/discomforts arising from frankly discussing sexual behaviors of clients. Prerequisite: None. HS101, HS150 and HS155 recommended. F, W, Sp, Su

HS213 Multicultural Counseling
3 class hrs/wk, 3 cr.
Explores the ways membership in a cultural group affects the counseling process for the client and for the counselor. Encourages increased levels of intercultural sensitivity and skills; develops a plan to increase abilities in cross-cultural counseling situations. Focuses on factors affecting major ethnic minorities in the U.S. including, African Americans, Asian groups, Latinos and Native Americans. Addresses factors affecting other minority groups, such as gays and lesbians and the elderly. Students will complete a cultural assessment that meets Oregon administrative Rule (OAR) requirements. F, Sp

HS214 Advanced Interviewing and Counseling Skills
3 class hrs/wk, 3 cr.
Second of a two-course sequence designed to introduce intentional interviewing. Focuses on developing advanced skills and strategies with significant opportunity for hands-on practice. Prerequisite: HS155 or consent of instructor. Concurrent enrollment in HS284-288 is highly recommended. F

HS215 Conflict Resolution
3 class hrs/wk, 3 cr.
Explores the sources and dynamics of conflict in interpersonal, family and work settings. Participants will develop an awareness of their own style in conflict situations and learn effective strategies for resolving conflict. Offered as needed.

HS216 Clinical Screening, Assessment and Treatment Planning
3 class hrs/wk, 3 cr.
Introduces diagnostic criteria for substance use disorders as well as a number of other major mental health disorders often seen in substance abusing clientele. Provides a systematic approach to screening, assessment and treatment planning in order to determine the most appropriate initial course of action given the client’s needs, characteristics and available resources. Provides significant opportunity for hands-on practice. Prerequisite: HS214 or consent of instructor. Concurrent enrollment in HS284-288 is highly recommended. W

HS217 Group Counseling Skills
3 class hrs/wk, 3 cr.
Focuses on factors affecting major ethnic minorities in the U.S. including, African Americans, Asian groups, Latinos and Native Americans. Addresses factors affecting other minority groups, such as gays and lesbians and the elderly. Students will complete a cultural assessment that meets Oregon administrative Rule (OAR) requirements. F, W, Sp

HS218A Group Processes A
1 class hrs/wk, 1 cr.
Provides experiential group training designed for actual experience with the power of group process. Provides opportunities to learn about leadership, group stages, rules and norms as well as self-disclosure, roles and group skills. First course in a three-term sequence. Prerequisite: Admission into the Human Services program, HS155 and HS260 or consent of instructor. Concurrent enrollment in HS284-288 is highly recommended. F

HS218B Group Processes B
1 class hrs/wk, 1 cr.
Provides experiential group training designed for actual experience with the power of group process. Provides opportunities to learn about leadership, group stages, rules and norms as well as self-disclosure, roles and group skills. Second course in a three-term sequence. Prerequisite: Admission into the Human Services program and HS218A. Concurrent enrollment in HS284-288 is highly recommended. W

HS218C Group Processes C
1 class hrs/wk, 1 cr.
Provides experiential group training designed for actual experience with the power of group process. Provides opportunities to learn about leadership, group stages, rules and norms as well as self-disclosure, roles and group skills. Third course in a three-term sequence. Prerequisite: Admission into the Human Services program and HS218B. Concurrent enrollment in HS284-288 is highly recommended. Sp

HS219 Case Management and Client Records
3 class hrs/wk, 3 cr.
Covers the preparation of clinical documentation related to screening and intake processes, assessments, treatment plans, reports, progress notes, discharge summaries and other client-related data. Applies State, ASAM and other professionally relevant standards. Concurrent enrollment in HS284-288 is highly recommended. Sp

HS220 Aging and Society
3 class hrs/wk, 3 cr.
Introduces the field of social gerontology and explores the relationship between the aging individual and society. Serves as an introduction to the field of gerontology. Class fee $15. W, or as needed.

HS222 Aging and Behavior
3 class hrs/wk, 3 cr.
Presents information about behavioral responses in the normal aging process, including coping, cognition and memory, personality, and adjustment. Emphasizes healthy adaptation to aging and promotion of ego integrity in older adults. Also covers the description, diagnosis, assessment, and treatment of common organic and functional mental disorders. W, or as needed.

HS260 Group Dynamics
3 class hrs/wk, 3 cr.
Provides students with the theory and experience to work as effective members of small task groups. Styles of leadership, member roles, problem solving, decision-making and resolving conflicts/controversy are defined and studied. Offers the opportunity to evaluate personal performance within a group. Prerequisite: Grade of C or better in HS150. W, Sp

HS262 Misuse and Abuse of Alcohol and Drugs Among the Elderly
1 class hrs/wk, 1 cr.
Addresses problems of drug and alcohol misuse and abuse among older adults. Focuses on prescription drugs, over-the-counter drugs, and alcohol used either alone or in combination. Prerequisite: HS101 or consent of instructor. Sp

HS265 Casework Interviewing
3 class hrs/wk, 3 cr.
Provides training in the casework interviewing skills needed for cross-cultural human services work. Includes interviewing, problem solving and assessment, case management, and applied theory. Prerequisite: Grade of C or better in HS284-288 or concurrent enrollment. F

HS266 Case Management
3 class hrs/wk, 3 cr.
Provides theory and application in casework and interviewing applied to diverse populations and cultures in human services. Includes interviewing for assessment, problem solving, planning, monitoring and crisis intervention. Prerequisite: Grade of C or better in HS265 and HS284-288 or concurrent enrollment. W
HST267 Systems Strategies
3 class hrs/wk, 3 cr.
Provides intervention strategies needed for human service work. Includes theory and practice in the use of family, group and community intervention strategies. Prerequisite: Grade of C or better in HS266 or HS216. Class fee $25. Sp

HS284-288A,S Practicum-Human Services
12-23 lab hrs/wk, 4-8 cr.
Provides experience working on-site in a human service agency to integrate field and classroom experience. Offers students two different practicum sites, each at least two terms in length, during the two years. The second-year practicum is more comprehensive and provides an opportunity to develop more advanced skills. Prerequisite: Grade of C or better in HS150 and HS170. Class fee $20 each. F, W, Sp (Su as needed)

HST

History

HST110, 111, 112 History of World Civilization
3 class hrs/wk, 3 cr. each
Surveys human cultural, social, economic and political development of world civilizations. HST110 covers ancient times to 1500 C.E.; HST111 covers 1500 to 1870; HST112 covers 1870 to the present. F, W, Sp

HST157 History of the Middle East and North Africa
3 class hrs/wk, 3 cr.
Surveys cultural, social, economic and political development in the Middle East and North Africa. Offered as needed.

HST158 History of Latin America
3 class hrs/wk, 3 cr.
Surveys cultural, social, economic and political development in Latin America. Offered as needed.

HST159 History of Asia
3 class hrs/wk, 3 cr.
Surveys cultural, social, economic and political development in Asia. Offered as needed.

HST201, 202, 203 History of the United States
3 class hrs/wk, 3 cr. each
Studies the cultural, economic, social, and political development of the United States. HST201: 1492 to 1840; HST202: 1840 to 1900; HST203: 1900 to the present. F, W, Sp

HST228 History of Modern Europe
3 class hrs/wk, 3 cr.
Introduces the history and culture of Europe during the twentieth century. Covers the impact of war and revolution, the end of colonialism and decline of European empires, and the search for European unification. Offered as needed.

HST257 Native American History
3 class hrs/wk, 3 cr.
Focuses on the history of native peoples in the United States, from prehistory to the present. Examines how Native American societies have adapted themselves over time to a constantly changing world. Emphasizes the relationship between European Americans and Native Americans after 1492. Offered as needed.

HST258 African American History
3 class hrs/wk, 3 cr.
Recounts and explains experiences which lie at the heart of America’s struggle to deal with its racial composition. Examines historical forces which denied African Americans the opportunity to secure meaningful first-class citizenship. Focuses on the political decisions and social institutions that determined public policy regarding Americans of African descent. Offered as needed.

HST259 Latino American History
3 class hrs/wk, 3 cr.
Focuses on the racial, cultural, educational, economic, and political development of Latino Americans in the United States. Offered as needed.

HST262 Women in U.S. History
3 class hrs/wk, 3 cr.
Studies the transformation of the role of women in American society. Offered as needed.

HST293 Modern Japanese History
3 class hrs/wk, 3 cr.
Covers modern Japanese history from the mid-19th century to the present. Provides an overview of modern industrialization, military ventures, U.S. occupation, and reforms leading to Japan’s role as a modern-world economic power. Offered as needed.

HTM

Hospitality and Tourism Management

HTM100 Introduction to the Hospitality Industry
3 class hrs/wk, 3 cr.
Defines hospitality industry as a single, interrelated industry comprised of food and beverage service, travel and tourism, lodging, meeting and planning, leisure and recreation, recreational entertainment, and heritage and eco-tourism. Emphasizes understanding industry components and their current issues and future trends. Assesses the impact of North America’s rapidly changing demographics and lifestyle changes on the hospitality industry, as well as the impact of the hospitality industry on the U.S. economy. Career opportunities and the service ethics are discussed. F, Sp, Su

HTM101 Customer Service Management
3 class hrs/wk, 3 cr.
Provides an in-depth study of the methods and techniques employed by the hospitality and tourism industry to accomplish effective and efficient operation. Includes combined discussions of management theory, systems, decision-making and leadership directly relevant to the hospitality profession. Also covers the business facets of human resource management, finance, ethics and marketing within the hospitality environment. W

HTM102 Hotel, Restaurant, and Travel Law
3 class hrs/wk, 3 cr.
Examines the legal aspects of the hospitality and tourism industry. Stresses critical thinking skills to teach students to communicate with their attorneys and recognize the ramifications of the policies and practices of their businesses. Discusses the Americans With Disabilities Act, sexual discrimination, civil rights issues, basic court procedures, contract law negligence, guest relationship obligations, alcohol liability, travel agent relationships, and licensing and regulations. Sp

HTM103 Marketing in the Hospitality Industry
3 class hrs/wk, 3 cr.
Introduces marketing concepts and techniques in the hospitality industry. Covers the variety of products, services, and sales conditions within the industry. Through field study, students analyze industry marketing strategies. Sp

HTM104 Travel and Tourism Industry
3 class hrs/wk, 3 cr.
Explores the major concepts in tourism, what makes tourism possible and how tourism can become an important factor in the economics of any nation, region, state or local area. Discusses the fundamentals of the tourism system and the key costs and benefits of a tourism economy. Promotes understanding and knowledge of the diverse elements that comprise the travel and tourism industry and the factors that influence growth and development. Uses examples of tourism development practices in Oregon. F

HTM105 Introduction to the Food and Beverage Industry
3 class hrs/wk, 3 cr.
Covers the food service industry, its structure, organization, size, economic impact, regulatory industries and peripheral industries; managerial problems and practices; and trade journals and resources, with a broad review of the various food service segments. Discusses topics of current concern for the industry. Guest speakers representing various segments of the industry will provide an introduction to career opportunities and a view of real-world activities. W
HTM106 Introduction to the Lodging Industry  
3 class hrs/wk, 3 cr.
Covers the lodging industry’s structure, size, and scope; managerial problems and practices; and structure and organization within individual firms. Studies front office procedures and explores career opportunities. Sp

HTM107 Sanitation and Safety for Managers  
3 class hrs/wk, 3 cr.
Designed for hospitality and tourism industry members. This course is based on the National Restaurant Association’s ServSafe training and certification coursework. Informs, strengthens, and updates supervisors and managers on current principles and practices of sanitation and safety. Covers Oregon’s recent enactment of statewide food handler training, the Hazard Analysis Critical Control Point (HACCP) system, as well as potable water systems, waste treatment, lodging facilities, recreational facilities, swimming pool and spa regulations, and hazardous materials. Upon successful completion of this course, a certificate of completion will be issued by the National Restaurant Association. Sp

HTM108 Introduction to the Leisure and Recreation Industry  
3 class hrs/wk, 3 cr.
Covers the role of leisure in America. Examines factors influencing leisure; the relationship of leisure to demographics, personality development, and health; and the changing lifestyles in American society. Covers how the leisure industries play a critical role in our economy and how the development of young children, the success of marriages, the maintenance of intellectual capacity among older people are all critically linked to play, recreation and leisure. Offered as needed

HTM109 Front Desk Operations  
3 class hrs/wk, 3 cr.
Designed to cover the functions of the front desk operation at a hotel or motel. Includes reservations, registration, room and rate assignment, guest services, room status, maintenance and settlement of guest accounts, and creation of guest history records. Covers the development and maintenance of comprehensive databases of guest information, coordination of guest services, and ensuring guest satisfaction. Local area hotels will be used as resources and field trips will be scheduled. Current computerized reservations systems will be featured. Offered as needed.

HTM111 Cultural Heritage Tourism  
3 class hrs/wk, 3 cr.
Surveys the subject of cultural heritage tourism and the value of this niche market. Offered as needed.

HTM112 Bed and Breakfast Operations  
3 class hrs/wk, 3 cr.
Covers the bed and breakfast and innkeeping industry. Discusses the realities of purchasing, owning, and operating a successful inn. Explores financing, operations, food service and sanitation, marketing, and governmental regulations. Offered as needed.

HTM113 Club Management  
3 class hrs/wk, 3 cr.
Covers club operations and leisure recreation as an essential sector of the tourism economy. Discusses the history of clubs and their organization and systems. Emphasizes organizational skills, club operations; including marketing, human resources and retail outlet operation and computers. Discusses career opportunities, current issues and future trends. Designed to promote advancement in the club industry. Offered as needed.

HTM114 Travel Destination Geography 1  
3 class hrs/wk, 3 cr.
Provides in-depth geographical, political, and cultural data on the countries of the world and encourages thoughtful planning of travel itineraries incorporating this information. Uses a combination of workbook exercises, maps, and reference materials highlighting location, climate, currency, ports of entry, and forms of government in countries around the world. F

HTM115 Travel Destination Geography 2  
3 class hrs/wk, 3 cr.
Focuses on the geography of Europe with emphasis on the United Kingdom and Ireland. Provides in-depth geographical, political and cultural data on the countries emphasized. W

HTM116 Travel Destination Geography 3  
3 class hrs/wk, 3 cr.
Focuses on the geography of Africa, the Middle East, India, and the South Pacific. Provides in-depth geographical, political and cultural data on the countries emphasized. Sp

HTM118 Ski Area Management  
3 class hrs/wk, 3 cr.
Covers ski area management and operations. Includes systems and environmental issues that impact the ski industry. Discusses current issues, future trends and career opportunities. Designed to develop competent ski industry professionals. Offered as needed.

HTM119 Introduction to Casino Management  
3 class hrs/wk, 3 cr.
Provides an overview of casino management and casino hotel operations. Includes the history and culture of gaming, gaming trends in the United States, casino hotel organizational structure, government regulation, and casino games and Indian casinos. Covers the practices and problems associated with casino management including staffing, controls, credit, security, marketing, and entertainment. Sp

HTM123 Global Distribution Systems  
3 class hrs/wk, 3 cr.
Surveys travel agency computer reservation systems (CRS) - (APOLLO, SABRE, WORLDSPAN, PARS). Includes use of reservation system simulations to identify flights, auto rentals, lodging and associated travel information. Emphasizes problem solving in the workplace. Class fee $25. W

HTM126 Meeting and Event Planning  
3 class hrs/wk, 3 cr.
Covers the management and operations of the convention and meetings market of the hospitality and tourism industry. Includes an introduction to the meetings industry, promotional activities, negotiations for meeting services, convention market salesmanship, customer service and convention servicing. Facilities, technology and media are discussed. W

HTM127 Travel Sales and E-Commerce  
3 class hrs/wk, 3 cr.
Prepares travel and tourism students for a successful career selling travel. Applies concepts and techniques to sample sales dialogues, examples and case studies. Assess the impact of the Internet and e-commerce trends on the travel industry and the functionality of travel e-commerce sites. Focuses on how e-commerce travel sites integrate with Global Distribution Systems and the changing value chain in the travel marketplace. F

HTM128 Spanish for Hospitality Professionals  
4 class hrs/wk, 4 cr.
Provides non-Spanish speaking hospitality professionals with functional communication skills in Spanish. Utilizes phonetic encoding to address the most important Spanish commands, questions and phrases critical to professional hospitality industry work. No prior knowledge of Spanish is necessary. Sp

HTM280A-L Cooperative Work Experience  
See Cooperative Work Experience.

HUM

Humanities

HUM106 British Life and Culture  
3 class hrs/wk, 3 cr.
Offers a broad overview of British culture and civilization. Examines traditions and institutions to help understand the British way of life in the 20th century. Lectures by British guest lecturers and related field trips. This course (taught in London) is only for students participating in the London program of the Oregon International Educational Consortium. Sp

HUM251 The Art of Discovery  
3 class hrs/wk, 3 cr.
Focuses on classical Greek culture, including its science, philosophy, religion, art and architecture. Considers their impact upon life patterns and scientific and humanistic thoughts of the day. F
HUM252 The Art of Discovery  
3 class hrs/wk, 3 cr.  
Explores Renaissance culture in Western Europe, its history, literature, philosophy and art, with a goal of gaining an understanding of the common, shared experience of people who lived in that era. W

HUM253 The Art of Discovery  
3 class hrs/wk, 3 cr.  
Explores early Twentieth Century Europe, its troubled history, literature, philosophy, and art, with a goal of gaining an understanding of the common, shared experience of people who lived in that era. Sp

HUM259 Death and Dying  
3 class hrs/wk, 3 cr.  
Introduces the study of death and dying. Students will compare and contrast historical and modern attitudes toward death and dying found in literature, rituals, religion, philosophy, film, medico-legal issues, and in the process clarify their attitudes and values. F, W, Sp

JNL

Journalism

JNL215 Publications Lab  
4 lab hrs/wk, 2 cr.  
Applies reporting skills, photojournalism and production principles through work on the student newspaper. Prerequisite: JNL224 or consent of instructor. Course may be repeated for a maximum of 12 credits. F, W, Sp

JNL216 Newswriting  
3 class hrs/wk, 3 cr.  
Gathering and processing news. Includes lead format, straight news style and some feature writing. Considerable time devoted to writing. Prerequisite: Familiarity with keyboarding. F

JNL217 Feature Writing  
3 class hrs/wk, 3 cr.  
Emphasizes feature, in-depth, and investigative reporting skills. Students are required to present material weekly for publication. Prerequisite: JNL216 or consent of instructor. Familiarity with keyboarding. W

JNL224 Introduction to Mass Communications  
3 class hrs/wk, 3 cr.  
Survey of communication media with emphasis on historical, social, technological and economic considerations in mass media in the United States. Examines important current legal and ethical dilemmas facing journalists. Recommended for journalism majors; open to others. F, Sp

JNL225 Advertising/Public Relations  
3 class hrs/wk, 3 cr.  
Covers communications and production aspects of advertising and public relations. Criticism and analysis combined with assignments in copywriting, design and marketing strategy. W

JNL226 Editing/Design  
3 class hrs/wk, 3 cr.  
Provides a working example of newspaper management in relation to editing, production and design procedures. Surveys printing processes, typography, page design, style, photo editing and headline writing. Prerequisite: JNL224 or consent of instructor. The ability to type and a basic understanding of English grammar and syntax also are strongly recommended. Sp

JNL227 Media Ethics  
3 class hrs/wk, 3 cr.  
Provides an introduction to journalism ethics, emphasizing the First Amendment, the philosophical framework, corporate social responsibility, the legal system, the changing face of the media, editors and readers in the debate process, and issues of taste vs. responsibility. Examines important dilemmas facing print and broadcast journalists, using real-life examples of legal challenges to the system by the courts and various state and federal law-making bodies, and the changing standards of the public at large. W

JPN

Japanese

JPN101, 102, 103 First Year Japanese,  
Terms 1, 2, 3  
4 class hrs/wk, 4 cr. each  
Introduces the Japanese language (including listening, speaking, reading and writing) and Japanese culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Instructor and students use Japanese as the primary language of the class. Prerequisite: These classes are to be taken sequentially. JPN101: None; JPN102: JPN101, one year of high school Japanese, or consent of instructor; JPN103: JPN102, two years of high school Japanese, or consent of instructor. Class fee $2 each. JPN101: F; JPN102: W; JPN103: Sp

Job Search  
See Field Experience.

LIB

Library Studies

LIB125 Internet Research Literacy  
1 class hrs/wk, 1 cr.  
Introduces students to the use of the Internet as a research tool. Includes developing a search strategy, limitations of the Internet, types of Internet information resources, Internet search tools and searching techniques, and evaluating Internet information resources. No prior Internet experience required. Offered as needed.

Literature  
See English.

Management  
See Business Administration.

Mechanical Design  
See Drafting Technology.

MED

Medical Office Assisting  
See also Allied Health and Health Services Management.

MED120 Medical Office Procedures  
3 class and 3 lab hrs/wk, 4 cr.  
Covers basic procedures and principles of administrative duties used in medical facilities. Includes medical practice systems, the role of team members, human relations, patient reception, telephone techniques, appointment systems, correspondence, dictation, computer applications, filing and medical record management. Presents a brief history of medicine and medical ethics and law. Class fee $10. F

MED124 Medical Assisting, Basic Procedures  
3 class and 3 lab hrs/wk, 4 cr.  
Surveys of requirements and qualities for success as a medical assistant. Techniques, methods, and procedures include assisting physician with examinations, medical and surgical aseptic procedures, observing vital signs, care of equipment, supplies, patient teaching principles and considerations, patient education, and ethical implications in a medical caregiving setting. Prerequisite: High school graduate or equivalent. Admission to the Medical Office Assisting program. Class fee $25. F

MED125 Medical Assisting, Advanced Procedures  
4 class and 4 lab hrs/wk, 6 cr.  
Surveys advanced clinical/laboratory knowledge and skills required of the medical office assistant. Heavy emphasis is placed on electrocardiography, hematology, urinalysis, microbiology, clinical pharmacology, as well as administration of medications and assisting the physician with minor surgery. Covers diet modification, radiology, principles of heat and cold application, and common emergencies. This course is designed to provide individual and small group assistance to students for skill development. Prerequisite: Second-term standing in the Medical Office Assisting program with a grade of C or better in all required courses. Class fee $25. W
MED127 Medical Assisting Advanced Administrative Procedures
3 class hrs/wk, 3 cr.
Offers advanced administrative procedures and principles used in the medical office. Focuses on health information management issues including professional fees, health insurance, managed care, coding and claim processing, assisting with library research, scheduling travel and meetings, and planning and organizing the facility’s environment. Covers management responsibilities. Prerequisite: Second term standing in the Medical Assisting program with a grade of C or better in all required courses. Offered as needed.

MED128 Introduction to Medical Science
3 class hrs/wk, 3 cr.
Surveys the disease processes that lead to specific impairments of the human body. Prerequisite: HM120, HM121. Sp

MED130 Medical Assisting Practice
16 lab hrs/wk, 5 cr.
Assigns students are assigned to health care agencies to apply learned medical assisting methods, procedures and techniques in a health care setting. Prerequisite: Successful completion of term one and term two of the Medical Assisting program with a grade of C or better in all required courses. Current Standard First Aid card and Healthcare Provider CPR card on file with the instructor. Class fee $27. Sp

MED131 Medical Assisting Seminar
1 class hr/wk, 1 cr.
Studies of the relationship of practice in a health care setting with theoretical course content, as well as its application to career and personal goals. Prerequisite: Concurrent enrollment in MED130. Sp

MED280A-L Cooperative Work Experience
See Cooperative Work Experience.

MFG

Manufacturing Engineering Technologies
MFG061 Practical Applications 1
3 lab hrs/wk, 1 cr.
Offers an open lab course for the Manufacturing Technology program student who wishes additional time to work in the shop or on lab equipment to refine previously learned skills. Projects or exercises to be determined by student and instructor. Prerequisite: Consent of instructor. Class fee $15. F, W, Sp

MFG062 Practical Applications 2
6 lab hrs/wk, 2 cr.
Provides an open lab course for the Manufacturing Technology program student who wishes additional time to work in the shop or on lab equipment to refine previously learned skills. Projects or exercises to be determined by student and instructor. Prerequisite: Consent of instructor. Class fee $15. F, W, Sp

MFG088A Intermediate Hydraulics
3 class hrs/wk, 3 cr.
Covers the symbols, systems and troubleshooting procedures of fluid power. Prerequisite: MFG231 or completion of a basic hydraulics course. Sp

MFG200 Advanced Lab Practice
6 lab hrs/wk, 2 cr.
Provides advanced lab practice to hone skills required for Manufacturing Technology. Students work singly or in small groups on projects agreed upon by the student and instructor. Class fee $20. Offered as needed.

MFG223 Industrial Systems
2 class and 3 lab hrs/wk, 3 cr.
Introduces the methods and application of transmitting power used in the manufacturing industry. Class fee $20. Offered as needed.

MFG231 Hydraulics
3 class hrs/wk, 3 cr.
Covers the theory, symbols, components, systems, and troubleshooting procedures related to fluid power technology. Includes lecture and hands on instruction. Offered as needed.

MFG280A-L Cooperative Work Experience
See Cooperative Work Experience.

MTH

Mathematics

MTH020 Basic Mathematics
3 class hrs/wk, 3 cr.
Includes fundamentals of addition, subtraction, multiplication, and division in problems involving whole numbers, fractions, decimals, ratios, percentages, and geometric measurements and formulas. Emphasizes analysis and solution of application problems. F, W, Sp, Su

MTH052 Introduction to Algebra and Geometry
3 class hrs/wk, 3 cr.
Introduces basic algebraic and geometric techniques and applications. Includes signed numbers, elements of algebra, simple equations and formulas, measurements and conversions, angles, perimeters and areas of common geometric figures. Prerequisite: Grade of C or better in MTH020 or equivalent. F, W, Sp, Su

MTH053 Introduction to Trigonometry with Geometry
3 class hrs/wk, 3 cr.
Introduces basic trigonometric and geometric techniques beyond those covered in MTH052 as well as applications of these techniques. Includes Pythagorean theorem, similar triangles, volumes of common geometric figures, and right and oblique triangle trigonometry. Prerequisite: Grade of C or better in MTH052 or equivalent. F, W, Sp, Su

MTH060 Introductory Algebra
4 class hrs/wk, 4 cr.
Gives students with no algebra background a strong, fundamental background in beginning algebra through directed group activities and varied presentation styles. Covers signed numbers, elementary algebraic expression manipulation and equation solving. Describes concepts using verbal, numerical, graphic, and symbolic forms. Scientific calculator required. Prerequisite: Grade of C or better in MTH020 or equivalent. F, W, Sp, Su

MT223 High Vacuum Technology
3 class hrs/wk, 3 cr.
Addresses high vacuum concepts, theory, and the various types of vacuum systems. Includes vacuum pumps, seals, gauges, valves, power supplies, leak detecting equipment and related hardware. Examines the set up, operation, troubleshooting and monitoring of vacuum systems. Prerequisite: MTH070, or high school algebra, or consent of instructor. Sp

MT227A Pneumatics and Hydraulics Fundamentals
2 class hrs and 3 lab hrs/wk, 3 cr.
Covers theory, operation and application of pneumatic and hydraulic systems. Includes diagnosis, service, maintenance repair of pneumatic components and systems. Prerequisite: MTH070, High School Algebra 2, or consent of instructor. Class fee $15. Sp

MT231 Fluid and Vacuum Systems
3 class hrs/wk, 3 cr.
Provides advanced lab practice to hone skills beyond those covered in MTH052. Prerequisite: MTH070, or high school algebra, or consent of instructor. Class fee $20. Offered as needed.

MT232 Industrial Systems
3 class hrs/wk, 3 cr.
Introduces the methods and application of transmitting power used in the manufacturing industry. Class fee $20. Offered as needed.

MT233 Hydraulics
3 class hrs/wk, 3 cr.
Covers the theory, symbols, components, systems, and troubleshooting procedures related to fluid power technology. Includes lecture and hands on instruction. Offered as needed.

MT280A-L Cooperative Work Experience
See Cooperative Work Experience.
MTH062 Business Applications Using Mathematics
4 class hrs/wk, 4 cr.
Covers business-related mathematics applications involving securities, profit distribution, overhead allocation, business statistics, simple interest, notes and bank discounts, compound interest, multiple payment plans, annuities, depreciation, single discount equivalents, markups, markdowns, inventory valuation and financial statement analysis with ratios. Prerequisite: MTH060 or equivalent. F, Sp

MTH070 Elementary Algebra
4 class hrs/wk, 4 cr.
Covers linear equations, linear systems, linear inequalities, quadratic equations, and square root equations in verbal, numerical, graphical, and symbolic forms for students with linear equation solving and elementary graphing background. Explores topics using a graphic calculator as well as traditional approaches. Prerequisite: Grade of C or better in MTH060 or equivalent. F, W, Sp, Su

MTH075 Applied Geometry
1 class hr/wk, 1 cr.
Offers an individualized course that may be started and completed at any time during the term. Covers the basic concepts of points, lines, planes, angles, triangles, congruence, similarity and polygons, all from an intuitive point of view. Uses applied problems involving these concepts. Prerequisite: Grade of C or better in MTH070 or equivalent. F, W, Sp, Su

MTH076 Applied Geometry
1 class hr/wk, 1 cr.
Presents basic concepts of perimeter, circumference, arc length, central and inscribed angles, areas of polygons, areas of circles and sectors, surface area of solids, and volumes of various solids are studied. Includes applied problems involving these figures. Individualized course which students may start and complete any time during the term. Prerequisite: Grade of C or better in MTH075 or equivalent. F, W, Sp, Su

MTH078 Applied Trigonometry
1 class hr/wk, 1 cr.
Covers definitions of the trigonometric ratios of sine, cosine and tangent and how they apply to right triangles. Includes applications involving right triangles. Reviews the concepts of angles, triangle similarity, and the Pythagorean Theorem. This individualized course may be started and completed at any time during the term. Prerequisite: Grade of C or better in MTH070, MTH075, and MTH076 or equivalent. F, W, Sp, Su

MTH079 Applied Trigonometry
1 class hr/wk, 1 cr.
Covers trigonometric ratios of obtuse angles, law of sines, law of cosines, vectors and radial measure. Includes applied problems involving these concepts. This individualized course may be started and completed at any time during the term. Prerequisite: Grade of C or better in MTH078 or equivalent. F, W, Sp, Su

MTH081 Technical Mathematics 1
4 class hrs/wk, 4 cr.
Designed to meet the needs of technology students from various disciplines and lay the groundwork for applying mathematical concepts and problem solving in the technical fields of engineering, drafting, mechanical design, forestry and electronics. Covers fundamental algebra concepts, graphing, ratio, proportions and variation, basic right angle trigonometry, statistics and empirical methods, operations with linear, quadratic and rational expressions, solutions of linear, quadratic and rational equations. Emphasizes using mathematics and technology to solve applied problems. First course of a two-term technical mathematics sequence. Prerequisite: Grade of C or better in MTH070 or equivalent. F, W

MTH082 Technical Mathematics 2
4 class hrs/wk, 4 cr.
Offers the second course of a two-term technical mathematics sequence designed to meet the needs of technology students from various disciplines and provide the mathematical skills for solving applied problems in the technical fields of engineering, drafting, mechanical design, forestry and electronics. Covers trigonometric functions, oblique triangles, vectors, solutions of trigonometric equations and graphing of trigonometric functions, exponents and radicals, complex numbers, logarithmic and exponential functions and their applications. Prerequisite: Grade of C or better in MTH081. W, Sp

MTH095 Intermediate Algebra
4 class hrs/wk, 4 cr.
Gives students the opportunity to actively participate in the study and applications of linear, quadratic, rational and exponential functions. Prerequisite: Grade of C or better in MTH070 or equivalent. F, W, Sp, Su

MTH105 Introduction to Contemporary Mathematics
4 class hrs/wk, 4 cr.
Surveys the application of mathematics as a problem-solving tool in the real world. Includes business, consumer, ecology, and city planning applications using probability, statistics, geometry, graph theory, linear programming and game theory. Prerequisite: Grade of C or better in MTH095 or equivalent. F, W, Sp, Su

MTH111 College Algebra
5 class hrs/wk, 5 cr.
Studies functions and related inequalities using a graphing calculator. Focuses on polynomial, rational, exponential, logarithmic, and related piecewise defined functions. Includes a study of the complex number system, the algebra of functions, the applications of functions in sequences and series. High-order linear systems will be solved using a calculator. Prerequisite: Grade of C or better in High School Algebra 2 or MTH095. F, W, Sp, Su

MTH112 Trigonometry
5 class hrs/wk, 5 cr.
Covers quadratic relations, circular functions, and trigonometric functions. In this pre-calculus course, applications and the use of a graphing calculator are emphasized. Group activities, writing assignments, and laboratory activities may be required. Graphing calculator required. Prerequisite: Grade of C or better in both MTH111 and MTH075 (or High School Geometry). F, W, Sp, Su

MTH211 Foundations of Elementary Mathematics
3 class hrs/wk, 3 cr.
Introduces the first course of a three-term mathematics sequence designed for liberal arts students, especially prospective elementary teachers. Emphasizes problem solving and covers basic concepts about whole numbers, integers, sets and number theory. Uses manipulatives to deepen understanding. Prerequisite: Grade of C or better in MTH095 or equivalent. F

MTH212 Foundations of Elementary Mathematics
3 class hrs/wk, 3 cr.
Covers basic concepts about rational and real numbers and consumer mathematics. Uses computers and manipulatives. Second term of liberal arts mathematics sequence. Prerequisite: Grade of C or better in MTH095 or equivalent. W

MTH213 Foundations of Elementary Mathematics
3 class hrs/wk, 3 cr.
Covers topics in geometry. Uses computers and manipulatives. Third term of liberal arts mathematics sequence. Prerequisite: Grade of C or better in MTH095 or equivalent. Sp

MTH231 Discrete Mathematics
4 class hrs/wk, 4 cr.
Introduces computer science and mathematics majors. Introduces logic, sets, functions, algorithms, matrices, graph theory and trees, with applications. Prerequisite: Grade of C or better in MTH111 or equivalent. Offered as needed.

MTH232 Discrete Mathematics
4 class hrs/wk, 4 cr.
Applies fundamentals from MTH231 to number theory, counting techniques, relations and Boolean algebra. A second course for computer science and mathematics majors. Prerequisite: Grade of C or better in MTH231 or equivalent. Offered as needed.

MTH241 Elementary Calculus
4 class hrs/wk, 4 cr.
Emphasizes techniques of calculus in applied problem solving. The course is primarily for non-math majors. A one-term terminal course with an intuitive approach to differential and integral calculus. Prerequisite: Grade of C or better in MTH111 or equivalent. F, W, Sp
MTH243 Probability and Statistics 1
4 class hrs/wk, 4 cr.
Offers a first course in descriptive statistics open to all majors covering data analysis, counting and probability, common probability distributions, confidence intervals, and sample size and one-sample hypothesis testing. Prerequisite: Grade of C or better in MTH111 or equivalent. F, W, Sp, Su

MTH244 Probability and Statistics 2
4 class hrs/wk, 4 cr.
Offers a second course open to all majors covering testing two-sample problems, linear regression and correlation, chi-squared goodness of fit tests, one-way and two-way analysis of variance. Prerequisite: Grade of C or better in MTH243 or equivalent. Sp

MTH245 Finite Mathematics
4 class hrs/wk, 4 cr.
Focuses on mathematics for business and finance, economics, management, life and social sciences. Includes linear models and systems, matrix algebra, linear programming, sets and counting techniques, and probability and statistics. Prerequisite: Grade of C or better in MTH111 or equivalent. W

MTH251 Differential Calculus
5 class hrs/wk, 5 cr.
Provides the first course in a four-term sequence. Prepares students for further study in mathematics, sciences, engineering, and other technical areas. Covers rates of change and derivatives with applications; the finite integral used to model sums of products such as distance, area and average; and an intuitive development of the Fundamental Theorem of Calculus. Graphing calculator required. Prerequisite: Grade of C or better in MTH111 or equivalent. F

MTH252 Integral Calculus
5 class hrs/wk, 5 cr.
Covers applications of definite integral, constructing functions from their rates of change, techniques of integration, and an introduction to differential equations. Graphing calculator required. Prerequisite: Grade of C or better in MTH251 or equivalent. F, W, Sp, Su

MTH253 Series Calculus and Linear Algebra
4 class hrs/wk, 4 cr.
Combines topics from linear algebra and infinite series. Includes Taylor and Fourier Series with applications and systems applications using determinants and matrices. Graphing calculator required. Prerequisite: Grade of C or better in MTH252 or equivalent. F, W, Sp

MTH254 Vector Calculus 1
4 class hrs/wk, 4 cr.
Explores functions of many variables such as curves and surfaces in three-dimensional space, vectors, rates of change of functions of several variables, and optimization in multivariable models. First of two courses in multivariable calculus. Prerequisite: Grade of C or better in MTH253 or equivalent. F

MTH255 Vector Calculus 2
4 class hrs/wk, 4 cr.
Explores integration of functions of many variables; descriptions in parametric, polar, cylindrical, spherical, and vector forms; motion in space; introduction to vector fields; and line and surface integral. Second course in multivariable calculus. Prerequisite: Grade of C or better in MTH254, or equivalent. W

MTH256 Applied Differential Equations
4 class hrs/wk, 4 cr.
Covers solutions of linear and first order non-linear differential equations. Includes Laplace transforms and convolutions. Graphing calculator required. Prerequisite: Grade of C or better in MTH254 or equivalent. Sp

MUP AND MUS

Music

MUP100 Individual Lessons
1 class hr/wk, 1 cr.
Covers pedagogy of the instrument being studied, including fundamentals of music, reading and theory, beneficial practice habits, repertoire for the instrument, interpretation, and performance techniques. Course may be repeated for a maximum of nine credits per instrument. F, W, Sp, Su

MUP105 Jazz Ensemble
3 lab hrs/wk, 1 cr.
Offers applied study and performance on musical instruments played in ensemble or solo formats. May be repeated for a maximum of nine credits. Prerequisite: Two years instruction on an instrument or an audition. Class fee $12. F, Su

MUP174 Voice
1 class hr/wk, 1 cr.
Gives individual instruction in fundamentals of theory, melodic contouring and phrasing, vocal production, and body mechanics incorporated into basic singing skills and music reading. Open to students of all levels and interests. May be repeated for a maximum of nine credits. F, W, Sp

MUS105 Music Appreciation: Introduction to Rock Music
3 class hrs/wk, 3 cr.
Examines the relationship between rock music and society, and emphasizes the musical and lyrical significance of rock music as contemporary social commentary. Class fee $15. Offered as needed.

MUS161 Music Appreciation
3 class hrs/wk, 3 cr.
Highlights 17th-20th century instrumental and vocal music, the growth of the orchestra, and such acknowledged masters as Mozart, Haydn and Beethoven. Offered as needed.

MUS197 Chorus
4 lab hrs/wk, 2 cr.
Offer rehearsal and performance of many types of styles of choral literature. Prerequisite: Consent of instructor and previous experience with choral music. Course may be repeated for a maximum of eight credits. F, W, Sp

MUS201 Introduction to Music and Its Literature
3 class hrs/wk, 3 cr.
Focuses on the music of the 17th and 18th centuries, including early vocal music, the origins of opera and sacred music, and the early instrumental forms of music that led to the classical symphonies of Haydn, Mozart, and Beethoven. F

MUS202 Introduction to Music and Its Literature
3 class hrs/wk, 3 cr.
Focuses on the music of the 18th and 19th centuries, including late Beethoven and his Ninth Symphony, the growth of the orchestra and the music written for it, the emergence of the piano as important musical and sociological factor, and the new dimensions of song and opera. W

MUS203 Introduction to Music and Its Literature
3 class hrs/wk, 3 cr.
Focuses on the music of the 20th century, including the Impressionism, Expressionism, Neo-classicism, and Minimalism movements. Covers popular music traditions of the 20th century, including musical theater, jazz and rock-n-roll. Sp

MUS205 Introduction to Jazz History
3 class hrs/wk, 3 cr.
Explores jazz music with an emphasis on the historical and social perspectives of jazz as an American cultural phenomenon. Offered as needed.

NET

Network Technology
See also Microelectronics/Industrial.

NET120 Network Media Fundamentals
3 class and 2 lab hrs/wk, 4 cr.
Focuses on types of transmission media used in computer network environments. Covers transmission line theory and discusses the characteristics of coaxial cables, twisted-pair cables, single-mode and multi-mode fiber. Compares the specification for cables and connectors used in networking. Prerequisite: ELT100 or consent of instructor. Class fee $10. W

NET123 Computer Operating Systems
3 class and 2 lab hrs/wk, 4 cr.
Covers fundamentals of computer operating systems. Prerequisite: CS101 or equivalent experience. Class fee $10. F
NET151 Networking Essentials
3 class and 4 lab hrs/wk, 5 cr.
Provides the first course of a four-part sequence in a Cisco curriculum directed toward the Cisco Certified Network Associate Certification (CCNA). Gives students with classroom and laboratory experience in current networking technology and includes network terminology, protocols, network standards, LANs, WANs, OSI model, cabling, cabling tools, safety, network topology and IP addressing. Prerequisite: CS101 or consent of instructor. Class fee $20. F

NET152 Network Router Configurations
3 class and 4 lab hrs/wk, 5 cr.
Provides the second course of a four-part sequence in a Cisco curriculum directed toward the Cisco Certified Network Associate Certification (CCNA). Emphasizes experience in current networking technology that includes LAN segmentation using bridges, routers and switches to control network traffic. Designed for educators/trainers to discuss issues related to teaching networking concepts. Prerequisite: NET151. Class fee $20. F

NET153 LANs and Internetwork Design
3 class and 4 lab hrs/wk, 5 cr.
Provides the third course of a four-part sequence in a Cisco curriculum directed toward the Cisco Certified Network Associate Certification (CCNA). Emphasizes experience in current networking technology that includes LAN segregation using bridges, routers and switches to control network traffic. Prerequisite: NET152. Class fee $20. W

NET154 WAN Design
3 class and 4 lab hrs/wk, 5 cr.
Provides the fourth course of a four-part sequence directed toward the Cisco Certified Network Associate Certificate (CCNA). Introduces WAN services. Covers ISDN, ATM, Frame Relay and Dial-Up Services. Prerequisite: NET153. Class fee $20. Sp

NET251 Advanced Routing Configuration
3 class and 4 lab hrs/wk, 5 cr.
Provides the first course of a four-part sequence in the Cisco Certified Network Professional (CCNP) curriculum. Provides students with classroom and advanced laboratory experience in current networking technology. Focuses on design issues related to complex routed LANs and WANs. Prerequisite: NET154 or consent of instructor. Class fee $20. F

NET252 Remote-Access Networks
3 class and 4 lab hrs/wk, 5 cr.
Presents the second course of a four-part sequence in the Cisco Certified Network Professional (CCNP) certification. Provides students with advanced experience in networking design. Focuses on installation, configuration, troubleshooting of complex routed LANs, routed WANs, switched networks, and Dial Access Services. Prerequisite: NET251 or consent of instructor. Class fee $20. W

NET253 Multi-Layer Switching
3 class and 4 lab hrs/wk, 5 cr.
Offers the third of a four-part sequence in the Cisco Certified Network Professional (CCNP) certification. Provides students with advanced experience in switched multi-layer network design. Focuses on designing, installing, configuring, and troubleshooting of complex switched networks. Prerequisite: NET252 or consent of instructor. Class fee $40. W

NET254 Network Troubleshooting
3 class and 4 lab hrs/wk, 5 cr.
Continues the fourth course of a four-part sequence in the Cisco Certified Network Professional (CCNP) certification. Provides students with advanced experience troubleshooting networks. Focuses on problem isolation and use of troubleshooting tools. Prerequisite: NET253 or consent of instructor. Class fee $40. Sp

NET281 Networks for Educators 1
3 class and 4 lab hrs/wk, 5 cr.
Provides the first course of a four-part sequence directed toward Cisco Certified Network Associate Certification (CCNA). Covers the history and fundamentals of computer networking, both software and hardware. Studies local, wide-area and global networks; small to medium size networks will be designed, built and maintained. Discusses issues related to teaching networking concepts. Covers networking fundamentals, ISU/OSI model and TCP/IP protocols. Prerequisite: One year experience in technical instruction. Class fee $20. Offered as needed.

NET282 Networks for Educators 2
3 class and 4 lab hrs/wk, 5 cr.
Provides the second course in a four-part sequence directed toward Cisco Certified Network Associate Certification (CCNA). Covers the history and fundamentals of computer networking, both software and hardware. Studies local, wide-area and global networks; small to medium size networks will be designed, built and maintained. Discusses issues related to teaching networking concepts. Includes router fundamentals and network topology. Prerequisite: NET281. Class fee $20. Offered as needed.

NET283 Networks for Educators 3
3 class and 4 lab hrs/wk, 5 cr.
Provides the third course in a four-part sequence directed toward the Cisco Certified Network Associate Certification (CCNA). Emphasizes experience in current networking technology that includes LAN segmentation using bridges, routers and switches to control network traffic. Designed for educators/trainers to discuss issues related to teaching networking concepts. Prerequisite: NET282. Class fee $20. Offered as needed.

NET284 Networks for Educators 4
3 class and 4 lab hrs/wk, 5 cr.
Provides the fourth course in a four-part sequence directed toward the Cisco Certified Network Associate Certification (CCNA). Introduces WAN services. Covers ISDN, ATM, Frame Relay and Dial-Up Services. Designed for educators/trainers to discuss issues related to teaching networking concepts. Prerequisite: NET283. Class fee $20. Offered as needed.

NFM Nutrition and Food Management
NFM219 Introduction to Dietetics Practice
3 class hrs/wk, 3 cr.
Analyzes strategies in promoting products, services or ideas. Focuses on market research, trends, and strategies. Emphasizes advertising, customer service, public relations and negotiating prices. Covers customer satisfaction and public policy. F

NFM225 Nutrition
4 class hrs/wk, 4 cr.
Covers nutrients, their sources and body utilization to promote optimum health. Includes development of eating patterns, current dietary trends, nutrition information in mass media, and current national and international problems. F, W, Sp, Su

NFM240 Nutrition in the Lifecycle
3 class hrs/wk, 3 cr.
Covers the sources and utilization of nutrients to promote optimum health during each stage of life, from infancy to older age. Emphasizes nutritional concerns, health issues and metabolic disorders. Summarizes appropriate food selections. Prerequisite: NFM225. Sp
NUR106A Skills Applications for NUR106
3 lab hrs/wk, 1 cr.
Provides practical application and hands-on learning for basic nursing skills, including hygiene skills, transmission-based and standard precautions, moving and positioning, transferring, administering intramuscular injections (IMs), data collection, tubes and specimens, and medication administration.
**Prerequisite:** Concurrent enrollment in NUR106. F

NUR108 Care of Acutely Ill Patients and Developing Families 1
5 class and 12 lab hrs/wk, 9 cr.
Provides students with opportunities to attain the knowledge and skills that are necessary to implement the roles of a practical nurse in providing care to acutely ill patients across the lifespan. The focus is on the care of individual patients with health problems related to the respiratory, cardiovascular, endocrine, and musculoskeletal systems. Pathophysiologic effects, such as fluid and electrolyte imbalances and pain, and treatment modalities, such as pharmacology and surgery, associated with these health problems are included. Students are also provided with opportunities to learn concepts related to the care of developing families.
**Prerequisite:** NUR106. Clinical: Registration must be completed and TB test results and proof of current immunizations submitted before a student is permitted in the clinical area. Current CPR certification is also required. **Corequisite:** BI233 and PSY237. Corequisites may be completed prior to enrollment in NUR108. Class fee $30. W

NUR108A Skills Applications for NUR108
3 lab hrs/wk, 1 cr.
Provides practical application and hands-on learning for nursing skills, including enteral nutrition; subcutaneous injections; scrubbing, gowns and gloving; changing intravenous (IV) bags and tubing; sterile dressing changes; urinary catheterization; and medication administration.
**Prerequisite:** Concurrent enrollment in NUR108. W

NUR109 Care of Acutely Ill Patients and Developing Families 2
6 class and 15 lab hrs/wk, 11 cr.
Provides students with opportunities to obtain the knowledge and skills that are necessary to implement the roles of a practical nurse in providing care to patients across the lifespan who are acutely ill. The focus is on the care of patients with health problems related to the neurological, hematological, gastrointestinal, and genitourinary systems, as well as conditions related to cancer, mental health, infectious diseases, and complications of OB. Students are also provided with opportunities to implement the roles of a practical nurse in providing care to developing families.
**Prerequisite:** NUR108. Clinical: Registration must be completed and TB test results and proof of current immunizations submitted before a student is permitted in the clinical area. Current CPR certification is also required. **Corequisite:** BI234 and WR121. Corequisites may be completed prior to enrollment in NUR109. Class fee $30. Sp

NUR109A Skills Applications for NUR109
3 lab hrs/wk, 1 cr.
Provides practical application and hands-on learning for nursing skills, including previously learned skills, converting an intravenous (IV) infusion to an intermittent device, saline flushes via an intermittent venous access device, intradermal injections, wound care, nasogastric tube insertion and removal, suctioning and tracheostomy care.
**Prerequisite:** Concurrent enrollment in NUR109. Sp

NUR206 Care of Patients with Complex Health Problems
6 class and 16 lab hrs/wk, 11 cr.
Provides the foundation for practice as an associate degree registered nurse. The course builds on the curriculum of the first year of the Nursing program and socializes students into the nursing roles at the registered nurse level of responsibility. Students are provided with opportunities to learn and to apply the knowledge and skills that are necessary to implement these roles in giving care to patients with complex physical and mental health problems.
**Prerequisite:** NUR109. Clinical: Registration must be completed and TB test results and proof of current immunizations submitted before a student is permitted in the clinical area. Current CPR certification is also required. **Corequisite:** CS101. Corequisite may be completed prior to enrollment in NUR206. Class fee $30. F

NUR206A Skills Applications for NUR206
3 lab hrs/wk, 1 cr.
Provides practical application and hands-on learning for nursing skills, including caring for central venous access devices, focused patient assessments, chest tubes, intravenous piggyback medication administration (IVPB), patient controlled analgesia (PCA) and assisting physicians during procedures.
**Prerequisite:** Concurrent enrollment in NUR206. F

NUR208 Care of Patients in Situations of Crisis and in Community-Based Settings
5 class and 15 lab hrs/wk, 10 cr.
Provides students with opportunities to learn and to apply the knowledge and skills that are necessary to implement the roles of an associate degree registered nurse in providing care to patients experiencing a health-related crisis such as a critical illness, an acute exacerbation of a chronic illness, or an end-stage disease. Students will also have the opportunity to gain knowledge and explore nursing practice in community-based settings.
**Prerequisite:** NUR206. Clinical: Registration must be completed and TB test results and proof of current immunizations submitted before a student is permitted in the clinical area. Current CPR certification is also required. **Corequisite:** Social Science elective and sociology elective. Corequisites may be completed prior to enrollment in NUR208. Class fee $20. W

Physical Education

PEI31 Introduction to Physical Education
3 class hrs/wk, 3 cr.
Covers human movement as a scientific and humanistic field of study, including historical development, professional opportunities and qualifications, and leaders and major organizations in physical education and athletics. Sp

PE185AA,AB,AC Sports Conditioning-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Teaches students how to develop and execute conditioning programs for specific athletic activities. Class fee $15. F, W, Sp

PE185AD,AE,AF Back Care and Conditioning-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Studies the use of physical exercises, education and encouragement from a support group to improve unhealthy backs and maintain healthy backs. Special care will be given to begin exercise program slowly and make personal adjustments to prevent injury. Class fee $15. F, W, Sp

PE185BG Baseball-Advanced
3 lab hrs/wk, 1 cr.
Introduces students to the fundamentals of baseball. Class fee $15. F, W

PE185BJ,BK,BL Basketball-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Emphasizes fundamental skills, team play and a knowledge of the sport. Class fee $15. F, W, Sp

PE185BS,BT,BU Body Building-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Develops a strength and body building program to fit particular needs. Class fee $15. F, W, Sp

PE185BV,BW,BX Bowling-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Familiarizes students with the fundamentals, rules and etiquette of bowling. Develops specific skills necessary for successful recreation or lifetime sports activity. F, W, Sp, Su

PE185CA,CB,CC Conditioning-Beginning, Intermediate, Advanced
3 lab hrs, 1 cr. each
Combines cardiovascular and strength training. Students set individual fitness goals and monitor progress throughout the term. Class fee $15 each. F, W, Sp, Su

PE185CD,CE,CF Correctives-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Provides the setting, assistance and instruction for improving the fitness level of students with a physical injury or disability. Prerequisite: Completion of Health Information form by physician, registered therapist, or self. Class fee $15 each. F, W, Sp

PE185CM,CN,CP Cross Country Skiing-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Gives students the opportunity to learn cross country skiing on tracked and untracked terrain. W

PE185CW,CX Cycling-Beginning, Intermediate
3 lab hrs/wk, 1 cr.
Explores how to maintain or improve fitness through participation in a regular schedule of bicycle riding. Examines cycling techniques, basic bicycle maintenance, and safety factors. Class fee $15 each. Offered as needed.

PE185DA,DB,DC Aerobics, Low Impact-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Studies how to obtain cardiovascular and health benefits. Class activities may include any one of the following: power aerobics, step aerobics, jazz aerobics, line dancing, yoga aerobics, body sculpt and hi/lo aerobics. Class fee $15 each. F, W, Sp, Su

PE185DE,DF,DG Dance, Folk-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Includes basic steps, skills, and training in dances reflecting cultural tradition such as Schottische and Polka. Class fee $15 each. Offered as needed.

PE185DM,DN,DO Aerobics-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Covers how to increase cardiovascular and muscular endurance through dance routines or step movements and to develop muscular strength and flexibility through stretching, isometric and isotonic routines. Includes information on proper nutrition. Class fee $15 each. F, W, Sp, Su

PE185DR,DS,DT Ballroom Dance-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Prepares students to perform basic dance steps and common variations of the Swing, Foxtrot, Waltz and Cha Cha. Beginning class covers basics. Intermediate and advanced classes cover progressively more difficult variations. Class fee $15 each. Offered as needed.

PE185FD,FE,FF Soccer-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Covers the fundamentals of soccer and basic conditioning. Class fee $15 each. F, W, Sp
PE185GJ,GK,GL Golf-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Offers training for the beginning to advanced golfer. Emphasizes the development of basic swing fundamentals. In the latter stages of the class, students who have mastered the fundamentals will be allowed optional playing days. Proper golf etiquette, rules and playing procedures emphasized throughout.
F, Sp

PE185JA,JB,JC Dance, Jazz-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Covers basic warmups at the barre, stretching, isolations and floor movement with emphasis on technique, alignment and contemporary jazz style. Class fee $15 each. F, W, Sp

PE185JJ,JK,JL Jogging-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Covers jogging to gain and maintain cardiovascular fitness. Class fee $15 each. F, Sp

PE185KA,KB,KC Karate-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Develops the basic language and movements of martial arts. Class fee $15 each. F, W, Sp, Su

PE185PA,PC Personal Defense-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Introduces the student to preventive measures and basic moves relating to personal defense. Class fee $15 each. Offered as needed.

PE185RA,RC Racquetball-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Familiarizes students with racquetball fundamentals, including grip, swing mechanics, rules, strategy and etiquette. Class fee $15 each. F, W, Sp

PE185SA,SB,SC Scuba Diving-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Promotes and encourages the safe enjoyment of underwater activities, as well as increase awareness of environmental sensitivity, while developing social, emotional, physical and nutritional wellness skills. Prerequisite: PE185SB; PE185SA; PE185SC. F, W, Sp, Su

PE185SD,SE,SF Swim for Fitness-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Develops cardiovascular endurance through swimming. Stroke technique, interval training and lap swimming are covered. Prerequisite: Beginning swimming. Class fee $15 each. F, W, Sp

PE185SH,SJ,SK Skiing-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Presents fundamental downhill skiing techniques through instruction and skill application. W

PE185SR Softball-Advanced
3 lab hrs/wk, 1 cr.
Covers fundamentals, rules and strategy of softball. Presents specific skills necessary for successful recreational and/or competitive experience in softball. Incorporates wellness in the areas of physical, social, emotional and nutritional health; stress management; and student support systems. Class fee $15. F

PE185SS,ST,SS Swimming-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Develops and improves swimming skills and fitness levels through a pool workout. Covers stroke improvement and swim conditioning. Class fee $15 each. F, W, Sp

PE185TF,TG,TH Tennis-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Deals with tennis fundamentals, including stroke production, rules, scoring, strategy and court etiquette. Class fee $15 each. F, Sp, Su

PE185TL,TJ,TK Tai Ji-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Teaches classic Chinese form of exercise comprised of slow, fluid movements which are imitations of animals in nature. Benefits various parts of the body, including the nervous system and the heart and circulation, and disciplines both the body and mind on a meditative level. Class fee $15 each. F, W, Sp

PE185TM,TN Track and Field-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Incorporates the fundamentals, rules and training techniques in track and field events. Class fee $15 each. Offered as needed.

PE185VJ,VK,VL Volleyball-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Includes the fundamentals, rules and strategy of volleyball. Develops specific skills necessary for successful recreational and/or competitive experience in volleyball. Class fee $15 each. F, W, Sp

PE185WA,WB,WC Weight Management-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Educates, supports and motivates individuals interested in managing their weight. Includes nutrition information, weight-in, class discussion and daily exercise management. Class fee $15 each. F, W, Sp, Su

PE185WD,WE,WF Weight Training-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Develops and executes a strength-improvement program to meet individual goals. Class fee $15 each. F, W, Sp, Su

PE185WK,WL,WM Walking Fitness Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Helps students develop a lifelong plan for walking fitness. Includes goal setting, group and individualized recommendations for walking intensity, and pre-and post-cardiovascular assessment. Class fee $15 each. F, W, Sp

PE185YN,YO,YP Yoga-Beginning, Intermediate, Advanced
3 lab hrs/wk, 1 cr. each
Introduces Hatha physical yoga. Includes the background, safety precautions and value of yoga. Stretching postures, proper breathing techniques and stress reduction will be emphasized. Class fee $15. F, W, Sp, Su

Professional Physical Education

PE194TF Tennis-Professional
1 class and 2 lab hrs/wk, 2 cr.
Demonstrates to students how to teach tennis. For physical education majors. Class fee $15. Sp

PE200 Coaching Youth
3 class hrs/wk, 3 cr.
Focuses on the communication, organization and motivation skills needed for coaching youth. Emphasizes planning, teaching sports skills, training and team management basics. Offered as needed.

PE266 Basketball Coaching Theory
2 class hrs/wk, 2 cr.
Introduces the coaching profession. Provides information, techniques and strategies necessary to make a better coach. Addresses the fundamentals of organizing a basketball program using available resources, leadership strategies and interpersonal communications. F

PE294BP Professional Activities-Basketball
1 class and 2 lab hrs/wk, 2 cr.
Includes skill progression, knowledge, strategy, teaching and coaching techniques, practice, rules interpretation and conditioning for safety. Class fee $15. Offered as needed.

PE294VP Professional Activities-Volleyball
1 class and 2 lab hrs/wk, 2 cr.
Covers skill progressions, knowledge, strategy, practice, and conditioning; rules interpretation; and teaching and coaching techniques, as well as physical, social, emotional and nutritional health; student support systems; and stress management. Class fee $15. Offered as needed.
PH201 General Physics
3 class and 3 lab hrs/wk, 4 cr.
Description and content change, formerly PH202. Topics include circuits, magnetism, electromagnetic waves and optics. Prerequisite: PH202. Class fee $15 Sp

PH202 General Physics
3 class and 3 lab hrs/wk, 4 cr.
Description and content change, formerly PH203. Topics include fluids, oscillations, waves, thermodynamics and electricity. Prerequisite: PH201. Class fee $15 W

PHL201 General Physics
3 class and 3 lab hrs/wk, 4 cr.
Description and content change, formerly PH202. Topics include circuits, magnetism, electromagnetic waves and optics. Prerequisite: PH202. Class fee $15 Sp

PHL202 General Physics
3 class and 3 lab hrs/wk, 4 cr.
Description and content change, formerly PH203. Topics include fluids, oscillations, waves, thermodynamics and electricity. Prerequisite: PH201. Class fee $15 W

PHL203 General Physics
3 class and 3 lab hrs/wk, 4 cr.
Description and content change, formerly PH202. Topics include circuits, magnetism, electromagnetic waves and optics. Prerequisite: PH202. Class fee $15 Sp
PS

Political Science

PS151 Introduction to State of Oregon Legislative Process
3 class hrs/wk, 1 cr.
Covers the Oregon legislative process. Examines organization, legislative participation, legislative enactment, lobbying, and the electoral process. In addition, constituent, institutional, and organizational influences in legislative decision making will be discussed, and the influence of political parties and lobbyists will be analyzed. Offered as needed.

PS201 American Government
3 class hrs/wk, 3 cr.

PS202 American Government
3 class hrs/wk, 3 cr.
Continues PS201. Examines the three branches of government. Includes the study of the relationship of corporate America and government, and the making and execution of domestic and foreign policy. PS201 recommended but not required. W

PS203 State and Local Government
3 class hrs/wk, 3 cr.
Introduces U.S. state and local governments with emphasis on comparative political behavior in states and communities. Covers the political and institutional processes by which state and local governments make policy as well as the policy outputs themselves. Offered as needed.

PS205 International Relations
3 class hrs/wk, 3 cr.
Introduces world politics. Deals with the nature of global conflict, nationalism, U.S. foreign policy, the role of multinational corporations in international decision making, North-South relations, and the mechanisms of conflict resolutions. Examines current global issues facing nation-states. Offered as needed.

PSY

Psychology

PSY100 Introduction to Psychology
3 class hrs/wk, 3 cr.
Introduces perspectives in psychology; scientific methods of inquiry; biological foundations; sensation and perception; consciousness, learning, emotion, and motivation; personality theory; abnormal behavior; and therapeutic interventions. F, W, Sp

PSY101 Psychology of Human Relations
3 class hrs/wk, 3 cr.
Explores basic principles of psychology necessary for enhancing self-understanding, effective communication and development of positive interpersonal relationships. Covers developing emotional well being, determining values and setting goals, and dealing with problems and changes in interpersonal relations resulting from an individual’s growth and development. F, W, Sp

PSY104 Psychology in the Workplace
4 class hrs/wk, 4 cr.
Integrates documented principles from psychology and human relations and applies them to the workplace of the 21st century, including recognition and analysis of personal strengths, enhancement of personal effectiveness, development of team work skills, and mastery of conflict mediation techniques, with emphasis on taking personal responsibility for change and problem solving. Class fee $12. Sp

PSY119 Human Potential Seminar
3 class hrs/wk, 3 cr.
Presents selected psychology theory concepts on the humanistic branch of psychology. Translates theory into practical application, and applies concepts for increasing self-determination, self-motivation and self-affirmation to enhance life satisfaction and success. Offered as needed.

PSY201 General Psychology-Biological Emphasis
3 class hrs/wk, 3 cr.
Focuses on psychology as a science stressing history, methodology, the biological foundations of behavior, human development, sensation and perception. F, W, Sp, Su

PSY202 General Psychology-Cognitive Emphasis
3 class hrs/wk, 3 cr.
Includes learning, memory, cognition, motivation, emotion and stress. Second of three introductory courses in psychology. Recommended that students take PSY201 prior to this course. F, W, Sp, Su

PSY203 General Psychology-Clinical/Social Emphasis
3 class hrs/wk, 3 cr.
Includes personality, psychological disorders, psychotherapy, social influence, and stress. Third of three introductory courses in psychology. Recommended that students take PSY201 prior to this course. F, W, Sp, Su

PSY206 Introduction to Social Psychology
3 class hrs/wk, 3 cr.
Covers problems, theories, and methods of social psychology. Emphasizes diverse ways social influences alter an individual’s thoughts, feelings and actions. Examines prejudice, conformity, leadership, and aggression and how they affect such events as war, sexuality, discrimination, violence and interpersonal attraction. Recommended that students take PSY201 prior to this course. Offered as needed.

PSY237 Life Span Development
3 class hrs/wk, 3 cr.
Introduces human growth and development from genetics and conception to death. Recommended that students take PSY201 prior to this course. F, W, Sp

PSY239 Introduction to Abnormal Behavior
3 class hrs/wk, 3 cr.
Discusses theories, diagnosis and treatment of the major psychopathological syndromes. Covers specific disorders such as anxiety, depression, schizophrenia, psychophysiological disorders, personality disorders, and sexual variations and dysfunctions. Recommended that students take PSY201 prior to this course. F, W, Sp

QS

Quality Science

QS062A Foundations for Quality, Overview (Partnerships for Quality)
10 class hrs/1 cr.
Provides an orientation to a system of approaches for integrating continuous improvement into a business or organization. Offered as needed.

QS062B Foundations of Quality (Partnerships for Quality)
20 class hrs/2 cr.
Introduces a system of approaches for integrating continuous improvement into a business or organization. Offered as needed.

QS062C Managing Customer Expectations (Partnerships for Quality)
10 class hrs/1 cr.
Guides participants through an examination of what customers are, how to serve them, and how it evolves. Offered as needed.

QS062D Continuous Process Improvement (Partnerships for Quality)
20 class hrs/2 cr.
Provides participants with information and practice in process management and improvement. Uses a comprehensive simulation for practicing the quality tools of CPI. Offered as needed.

QS062E Simulation for Continuous Process Improvement (Partnerships for Quality)
10 class hrs/1 cr.
Simulates work environment designed to provide practice applying the key tools of process improvement. Participants assume jobs in a fictional company and experience the problems of a traditional workplace firsthand while collaboratively redesigning the system to increase productivity, employee morale and quality. Offered as needed.
QS062F ISO 9000 Overview
(Partnerships for Quality)
10 class hrs/1 cr.
Provides an overview to the ISO 9000 series, a set of international standards that have been developed to provide direction in the design, assessment and maintenance of quality systems. Includes history, standards and the resources required of an organization desiring to implement them. Offered as needed.

QS062G Understanding ISO 9000
(Partnerships for Quality)
10 class hrs/1 cr.
Prepares participants in companies that will undergo ISO 9000 registration. Offered as needed.

QS062H Quality Auditing
(Partnerships for Quality)
10 class hrs/1 cr.
Provides an understanding of the quality auditing process, with particular focus and application on internal quality auditing and associated role of corrective action. Offered as needed.

QS062I Effective Team Skills
(Partnerships for Quality)
24 class hrs/2 cr.
Provides an opportunity to learn and practice effective team skills using a variety of learning modules, including team activities, simulation, role-play, meeting practice, presentations, self-assessments, surveys and discussion. Offered as needed.

QS062J Facilitating Effective Teams
(Partnerships for Quality)
20 class hrs/2 cr.
Presents team facilitator and team facilitation skills through a variety of learning modules, including team activities, videotaping, simulation, role-play, meeting practice, presentations, self-assessments, surveys, process analysis and discussion. Offered as needed.

QS062K Putting Teams to Work
(Partnerships for Quality)
10 class hrs/1 cr.
Examines the merit of teams and how teams might support their organization’s business strategy through team activities, simulation, role-play, meeting practice, presentations, self-assessments, surveys, individual exercises and discussion. Offered as needed.

QS062L Statistical Process Control
(SPC) (Partnerships for Quality)
32 class hrs/3 cr.
Prepares participants for developing and implementing Statistic Process Control (SPC) in their organizations. Offered as needed.

QS062M Gauge Capability
(Partnerships for Quality)
12 class hrs/1 cr.
Shows how the continuous improvement of product and service quality has become the primary driver for increasing productivity, customer satisfaction and employee involvement. This training module covers the use and interpretation of gauge capability studies and statistical control of a gauge setup. Offered as needed.

QS062N Just-In-Time (Partnerships for Quality)
12 class hrs/1 cr.
Introduces JIT core techniques for manufacturing organizations using simulation exercises. Offered as needed.

QS062O Cycle Time Reduction
(Partnerships for Quality)
10 class hrs/1 cr.
Provides practical ideas and tools for reducing cycle time in a manufacturing or service setting. Offered as needed.

QS062P Strategic Planning for Change
(Partnerships for Quality)
20 class hrs/2 cr.
Presents a process for organizational change and growth by facilitating the organizational strategy decision-making process for managers and others. Participants will complete an action plan to take back to their workplace to initiate a change process or strengthen the strategic plan for their organization. Offered as needed.

RD115 Accelerated Reading Tactics 1
3 class hrs/wk, 3 cr.
Prepares students to become active participants in the process of reading more sophisticated college-level materials. Encourages students to build and transfer a repertoire of reading skills. Applies selected reading/study strategies to meet the reading demands in an academic setting. Prerequisite: Grade of C or better in RD090; college placement test or consent of instructor. F, W, Sp, Su

RD116 Accelerated Reading Tactics 2
3 class hrs/wk, 3 cr.
Prepares students to become better critical readers and critical/creative thinkers. Focuses on reading discipline-specific materials with complex vocabulary, ideas and structure. Includes use of online, traditional library and computerized sources. Stresses synthesizing information to offer new perspectives, implications, insights or consequences. Prerequisite: Grade of C or better in RD115; college placement test or consent of instructor. Offered as needed.

RD120 Critical Thinking and Reading
3 class hrs/wk, 3 cr.
Assists students in analyzing and improving both their critical and creative thinking skills and problem-solving techniques. Students will practice metacognitive techniques to analyze their own thinking processes and learn how to examine and evaluate thinking processes. Students will analyze the structure of arguments and their fallacies. Prerequisite: College placement score at or above RD115 or consent of instructor. Offered as needed.

REL

Religion
REL201 Primitive and Far Eastern Religions
3 class hrs/wk, 3 cr.
Introduces the principal components of the dominant religions in the Far East - Hinduism, Buddhism and Taoism. Traces the historical development, fundamental beliefs and practices, and recommended lifestyle of each. Includes how to study a religion. F, W, Sp

REL202 Near Eastern Religions
3 class hrs/wk, 3 cr.
Explores the principal components of the dominant monotheistic religions of the Near East - Judaism, Christianity and Islam. Traces the historical development and fundamental beliefs and practices of each religion. W

REL203 American Religions
3 class hrs/wk, 3 cr.
Focuses on the dominant religions of America, both contemporary and historical. Examines the dynamic relation between American history and American faith traditions. Sp
**RUS**

**Russian**

**RUS101, 102, 103 First Year Russian, Terms 1, 2, 3**

4 class hrs/wk, 4 cr. each

Introduces the Russian language (including listening, speaking, reading and writing) and Russian culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Instructor and students use Russian as the primary language of class. **Prerequisite:** These classes are to be taken sequentially. RUS101: None; RUS102: RUS101, one year of high school Russian, or consent of instructor; RUS103: RUS102, two years of high school Russian, or consent of instructor. Class fee $2 each. RUS101: F; RUS102: W; RUS103: Sp

**RUS201, 202, 203 Second Year Russian, Terms 1, 2, 3**

4 class hrs/wk, 4 cr. each

Provides practice in all four language skills (reading, writing, speaking and listening). Included are cultural and literary readings and an in-depth review and expansion of basic Russian grammar and vocabulary, as well as a broadening of the student understanding of Russian culture. All classroom interaction (both by instructor and students) takes place in Russian. **Prerequisite:** These classes are to be taken sequentially. RUS201: RUS103, three years of high school Russian, or consent of instructor; RUS202: RUS201 or consent of instructor; RUS203: RUS202 or consent of instructor. Class fee $2 each. **Offered as needed.**

**SPN**

**Spanish**

**SPN101, 102, 103 First Year Spanish, Terms 1, 2, 3**

4 class hrs/wk, 4 cr. each

Introduces the Spanish language (including listening, speaking, reading and writing) and Hispanic culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Instructor and students use Spanish as the primary language of the class. **Prerequisite:** These classes are to be taken sequentially. SPN101: None; SPN102: SPN101, one year of high school Spanish, or consent of instructor; SPN103: SPN102, two years of high school Spanish, or consent of instructor. Class fee: $2 each. SPN101: F; SPN102: W; SPN103: Sp

**SP**

**Speech**

**SP100 Introduction to Communication**

3 class hrs/wk, 3 cr.

Surveys the areas of communication with emphasis on interpersonal, group and mass communication modes. F, W, Sp

**SP111 Fundamentals of Public Speaking**

3 class hrs/wk, 3 cr.

Covers preparation and delivery of public speeches with an emphasis on informative speaking. F, W, Sp

**SP112 Fundamentals of Persuasion**

3 class hrs/wk, 3 cr.

Introduces public speaking on a persuasive level. Includes discussion of the verbal and nonverbal levels of persuasion and concentrates on effective delivery, theories of persuasion, and use of support in effective persuasive speeches. Activities allow students to use theories in public speaking situations. F, W, Sp, Su

**SOC**

**Sociology**

**SOC204 General Sociology-Introduction**

3 class hrs/wk, 3 cr.

Covers basic issues and findings regarding the biological, symbolic and social nature of humankind. Discusses foundations for social interaction including patterns of social structure, culture, socialization, primary relationships, social differentiation, organization, deviance and collective behavior. Includes principles of scientific methods and major sociological theorists. F, W, Sp

**SOC205 General Sociology-Institutions**

3 class hrs/wk, 3 cr.

Analyzes of social institutions with special emphasis on family, religion, education, economy, and politics. Identifies factors contributing to institutional stability and change. It is recommended that students take SOC204 prior to this course. F, W, Sp

**SOC206 General Sociology-Social Problems**

3 class hrs/wk, 3 cr.

Uses a sociological approach to major social problems in contemporary American society. Emphasizes concepts of aging, health care, law, leisure, minorities, pollution, poverty, technology, urbanization, work and youth. It is recommended that students take SOC204 prior to this course. F, W, Sp

**SOC210 Marriage and Family Relationships**

3 class hrs/wk, 3 cr.

Uses a sociological approach to marriage, including preparation for marriage, mate selection, adjustment to marriage, marital problems to expect and solve, and changing styles of family relationships. **Offered as needed.**

**SOC221 Juvenile Delinquency**

3 class hrs/wk, 3 cr.

Examines the nature, extent, causes, control, reaction, treatment and rehabilitation of juvenile delinquency in contemporary American society from a sociological perspective. **Offered as needed.**

**SOC235 Society and Forestry**

3 class hrs/wk, 3 cr.

Explores impact of culture on communication. Investigates the areas of language, non-verbal communication, values, cultural systems, sex roles, belief systems and culture shock. **Offered as needed.**

**SOC236 Introduction to Intercultural Communication**

3 class hrs/wk, 3 cr.

Designed to improve speech efficiency, self-confidence, and skill in planning, organizing, and delivering the kinds of presentations encountered in business organizations through practical experiences in designed communication situations. **Offered as needed.**

**SOE**

**Social Work**

**SOC130 Introduction to Social Work**

3 class hrs/wk, 3 cr.

Provides an overview of the field of social work with an emphasis on the curriculum, coursework, and professional practice of social workers. F, W, Sp

**SOC202 Fundamentals of Social Work**

3 class hrs/wk, 3 cr.

Explores the process of professional practice in social work, including the development of social work as a discipline, the profession today, and the role of the social worker in society. F, W, Sp

**SOC203 Practice and Policy**

3 class hrs/wk, 3 cr.

Introduces the role of social work in the development of social policy and practice. F, W, Sp

**SOC204 General Social Work Practice**

3 class hrs/wk, 3 cr.

Provides students with knowledge and skills needed for professional practice in the social work profession. F, W, Sp

**SOC291 Introduction to Data Collection and Interpretation**

3 class hrs/wk, 3 cr.

Surveys concepts, techniques, and approaches used in the social sciences for collecting and analyzing information scientifically. Covers a variety of procedures and strategies used in decision making and reporting information. **Offered as needed.**

**SPA**

**Speech and Drama**

**SP218 Interpersonal Communication**

3 class hrs/wk, 3 cr.

Introduces interpersonal, dyadic communication. Emphasizes increasing communication skills within personal and work settings. F, W, Sp, Su

**SP219 Fundamentals of Small Group Communication**

3 class hrs/wk, 3 cr.

Emphasizes communication skills to participate in team settings. Covers the characteristics of small groups, leadership and conflict management skills. F, W, Sp

**SP229 Reader’s Theater**

3 class hrs/wk, 3 cr.

Provides opportunities for students to explore literature through interpretive reading with emphasis on characterization, emotional response and analysis of literary structure and function. **Offered as needed.**
SPN111, 112, 113 Beginning Spanish
Conversation Terms 1, 2, 3
3 class hrs/wk, 3 cr. each
Covers Spanish for beginners whose primary goal is basic communication in the language and an understanding of Hispanic culture. Listening, speaking, reading and writing skills are developed with an emphasis on conversation, facilitated by the study of vocabulary and structure. Instructor and students use Spanish as the primary language of the class. Prerequisite: These classes are to be taken sequentially. SPN111: None; SPN112: SPN111 or consent of instructor; SPN113: SPN112 or consent of instructor. Class fee $2 each. SPN111: F; SPN112: W; SPN113: Sp

SPN121, 122, 123 Español para nativos (Spanish for Native Speakers) Terms 1, 2, 3
4 class hrs/wk, 4 cr. each
Studies Spanish in Spanish. This series is designed to help native speakers of Spanish develop reading, writing and grammar skills in their native language, and to appreciate the depth and diversity of Hispanic culture in the United States and abroad. These classes emphasize spelling, accents, vocabulary, punctuation and sentence grammar of standard Spanish, and consist of daily readings, dictations and composition. Prerequisite: These classes are to be taken sequentially. SPN121: Native Spanish speaker. No previous college coursework in Spanish is required. However, students are expected to have had some contact with the written language; SPN122: SPN121 or consent of instructor; SPN123: SPN122 or consent of instructor. Class fee: $2 each. SPN121: F; SPN122: W; SPN123: Sp

SPN150, 151 First Year Spanish, Accelerated Terms 1, 2
6 class hrs/wk, 6 cr. each
Introduces the Spanish language (including listening, speaking, reading and writing) and Hispanic culture (including geography, customs, daily life, heritage and literature), facilitated by the study of vocabulary, grammar, short readings and guided conversation. This two-quarter sequence is equivalent to the three quarters of SPN101, 102, 103. Instructor and students use Spanish as the primary language of the class. Prerequisite: SPN150: None. It is recommended that the student have had some experience studying a foreign language; SPN151: SPN150, one year of high school Spanish, or consent of instructor. Class fee $3 each. SPN150: W; SPN151: Sp

SPN201, 202, 203 Second Year Spanish, Terms 1, 2, 3
4 class hrs/wk, 4 cr. each
Practice in four language skills (reading, writing, speaking and listening). Included are cultural and literary readings and an in-depth review and expansion of basic Spanish grammar and vocabulary, as well as a broadening of the student understanding of Hispanic culture. All classroom interaction (both by instructor and students) takes place in Spanish. Prerequisite: These classes are to be taken sequentially. SPN201: none; SPN202: SPN201 or consent of instructor; SPN203: SPN202 or consent of instructor. Class fee: $2. SPN201: F; SPN202: W; SPN203: Sp or SPN201-203: Summer Program in Ecuador.

SPN211, 212, 213 Intermediate Spanish Conversation Terms 1, 2, 3
3 class hrs/wk, 3 cr. each
Covers Spanish for intermediate learners whose primary goal is increased basic communication in the language and an expanded understanding of Hispanic culture. Listening, speaking, reading and writing skills continue to be developed with an emphasis on conversation, facilitated by the study of vocabulary and structure. All classroom interaction (both by instructor and students) takes place in Spanish. Prerequisite: These classes are to be taken sequentially. SPN211: none; SPN212: SPN211, SPN102 or consent of instructor; SPN213: SPN212 or consent of instructor. Class fee: $2 each. SPN211: F; SPN212: W; SPN213: Sp

SSC

Social Science

SSC101 Introduction to Deaf Studies: History, Cultural, and Linguistic/Sociological
3 class hrs/wk, 3 cr.
Introduces the diverse sociological, historical, cultural and linguistic experiences of the Deaf Community. Emphasizes the Deaf Community’s norms and values and how both deaf and hearing individuals interact in American society. American Sign Language is not required. F, W, Sp, offered as needed.

SSC150 Ethnic Cultures of the Northwest United States
3 class hrs/wk, 3 cr.
Provides an introductory study of the major ethnic groups currently residing in the northwestern United States. Class lectures, audio-visual resources, discussions, group assignments and projects will be used to provide a variety of experiences. Members of the cultural groups being studied will be asked to serve as resource persons to the class, and independent study will be encouraged. Offered as needed.

SSC206 Dealing with Diversity
3 class hrs/wk, 3 cr.
Provides lessons in social interaction; the concepts of race, social class, age, gender and sexual orientation; the sociology of minorities; global and national demographic trends; and U.S. immigration policy. Offered as needed.

SSP

Study Skills Program
See also Reading.

SSP013A,B,C Phonics for Spelling
1 class hrs/wk, 1 cr. each
Provides instruction in phonetic principles and syllabication as an aid to spelling. In addition, students will master personal spelling lists. Prerequisite: Determined by in-class placement test or consent of instructor. F, W, Sp, Su

SSP014A,B,C Spelling Rules
1 class hrs/wk, 1 cr. each
Provides individualized instruction which includes rules of spelling and exceptions to the rules, as well as practice in pronunciation, writing of sentences and development of a personal spelling list. Spelling rules include use of final e, apostrophes and ie/ ei. Prerequisite: Determined by in-class placement test or consent of instructor. F, W, Sp, Su

SSP015A,B,C Vocabulary Building
1 class hrs/wk, 1 cr. each
Focuses on improving vocabulary by learning strategies for remembering new words. Determine the meanings of new words by using context clues, word parts (prefix, suffix, root) and word history. Relates these strategies to the terminology in college textbooks. Prerequisite: Determined by in-class placement test or consent of instructor. F, W, Sp, Su

SSP030A,B,C Advanced Vocabulary Building
1 class hrs/wk, 1 cr. each
Provides instruction in vocabulary analysis in order to increase general and/or technical vocabulary. A one-credit option applies word-part strategies in medical terminology. Prerequisite: Determined by in-class placement test or consent of instructor. F, W, Sp, Su

SSP051 Studying for College
3 class hrs/wk, 3 cr.
Focuses on implementing positive changes in behavior for pre-program technical students who feel challenged in getting organized and studying effectively. Provides strategies for learning effectively in a college setting. Offered as needed.

SSP101 Creating College Success
3 class hrs/wk, 3 cr.
Presents strategies which contribute to success in college. Students will create a personal and academic plan and learn how to maintain motivation, form a support system and manage time. Offered as needed.
ST Occupational Skills Training

ST050A-P Occupational Skills Training
40-600 lab hrs/term, variable 1-15 cr. per term

Primary component course for a site-based, short-term training program. Student receives instruction at a work site based on an individualized curriculum developed to meet student needs and skill requirements of the chosen occupation. Student must meet with an OST staff member to determine training objectives, site and curriculum. Tuition is based on number of hours training on-site. See information in the Programs of Study section of this catalog for costs and pertinent information regarding enrollment and non-credit options. F, W, Sp, Su

TA Theater Arts

TA110 Introduction to Theater
3 class hrs/wk, 3 cr.
Covers performance interpretation using a range of mediums for presenting plays. The focus is on the student identification of dramatic conflict and on their interpretation using the current and historic symbolic language of the stage. Offered as needed.

TA121 Fundamentals of Acting
3 class hrs/wk, 3 cr.
Defines the common terminology used in acting and demonstrates the similarities between different systems of acting and uses theater games to promote creativity and improve group dynamics. The first of a three-term sequence provides a general introduction to the basic skills of acting. Presents an overview of the ancient history of western acting. Class fee $5. F, W, Sp

TA122 Fundamentals of Acting
3 class hrs/wk, 3 cr.
Reinforces ideas and systems first learned in TA121. The second of a three-term sequence emphasizes movement systems and improvisations. Prerequisite: TA121 or consent of instructor. Class fee $5. F, W, Sp

TA123 Fundamentals of Acting
3 class hrs/wk, 3 cr.
Covers acting for the camera includes a videotaping or video simulation of the final acting project. The third of a three-term sequence exposes students to specific genre work such as the development of a variety of comic or dramatic skills. Prerequisite: TA122 or consent of instructor. Class fee $5. F, W, Sp

TA130A,B,C Acting Production Workshop: First Year
3-9 lab hrs/wk, 1-3 cr.
Introduces the study of rehearsal and performance techniques to include blocking, memorization, character development and public performance. Course may be repeated for a maximum of nine credits. Class fee $10. Prerequisite: Consent of the instructor, dependent upon audition and selection for a role (chorus, support or lead) or responsible duties, e.g. stage manager, house manager. F, W, Sp. Offered as needed.

TA140A,B,C Technical Production Workshop: First Year
3-9 lab hrs/wk, 1-3 cr.
Introduces the skills required in technical theatre production. Covers scenery construction and painting, lighting, sound, properties and stage management. Content and practical experiences change each term based on the public performance productions that are being produced. Course may be repeated for a maximum of nine credits. This course is the stage technician’s equivalent of TA130A, TA130B and TA130C. Class fee $10. F, W, Sp. Offered as needed.

TA230A,B,C Acting Production Workshop: Second Year
3-9 lab hrs/wk, 1-3 cr.
Continues first year TA130A, TA130B, TA130C. Covers the study of rehearsal and performance techniques to include blocking, memorization, character development and public performance. Course may be repeated for a maximum of nine credits. Prerequisite: Completion of TA130A, TA130B, TA130C for three terms, plus consent of instructor, dependent upon audition and selection for a role (chorus, support or lead) or responsible duties, e.g. stage manager, house manager, etc. Class fee $10. F, W, Sp. Offered as needed.

TA240A,B,C Technical Production Workshop: Second Year
3-9 lab hrs/wk, 1-3 cr.
Continues TA140A, TA140B and TA140C with an increase in skill level and responsibility such as crew leader, assistant technical director, or design project. Course may be repeated for a maximum of nine credits. Prerequisite: Completion of TA140A, TA140B, TA140C for at least three terms. Class fee $10. F, W, Sp. Offered as needed.

TA286 Technical Theater 1
1 class and 6 lab hrs/wk, 3 cr.
Introduces the fundamental skills in stagecraft to mount small productions and events. Covers scenery construction, safe operation of theatrical rigging, and the care, handling, and operation of lighting and sound equipment. Incorporates the skills needed for crew and house-management work. Course may be repeated for a maximum of six credits. Class fee $10. Offered as needed.

TA287 Technical Theater Production
3 lab hrs/wk, 1 cr.
Prepares students to function as members of the technical production and event crews for the auditorium and to continue to develop the skills and abilities learned in TA286. Course may be repeated for a maximum of six credits. Prerequisite: TA286 or consent of instructor. Offered as needed.

VC Visual Communications

VC101-103 Special Topics in Visual Communications
1-3 class hrs/wk, 1-3 cr.
Offers a variable format class to gain an enhanced knowledge of software, current graphic arts issues, and industry standards. Presents different topics each term. Examples include graphics software, papers and inks, and Web page design. Course may be repeated for a maximum of six credits. Prerequisite: Enrollment in the Visual Communications program may be required for some topics and will be identified in the schedule of classes each term. Class fee $5 per credit. Offered as needed.

VC111 Survey of Graphic Arts
4 class hrs/wk, 4 cr.
Presents an overview of the graphic arts and the Visual Communications program. Includes the history of communications and graphic arts, the evolution of digital graphics and current career possibilities. Prerequisite: Concurrent enrollment in VC114 and admission in the Visual Communications program. Class fee $10. F

VC114 Introduction to Computers for Graphics
2 class and 4 lab hrs/wk, 4 cr.
Introduces software for the graphic arts. Includes page layout, illustration and photo manipulation software, file formats, linked and exported files, scanned images, memory and hardware, and output. Prerequisite: CS101 or equivalent and touch keyboarding ability of 25 words per minute and enrollment in the Visual Communications program. Class fee $20. F

VC121 Layout 1: Principles of Page Layout
2 class and 4 lab hrs/wk, 4 cr.
Introduces the basic skills required in the layout and design process. Presents principles of page layout and page layout software. Prerequisite: Formal admission into the Visual Communications program; successful completion of VC111 and VC114. Class fee $20. W. offered as needed.
VC122 Layout 2: Intermediate Page Design
2 class and 4 lab hrs/wk, 4 cr.
Develops the basic skills required in the design and layout process of the graphic arts. Includes assignments in advanced electronic page layout with type, photographs and other graphic elements. **Prerequisite:** Formal admission into the Visual Communications program; successful completion of VC121. Class fee $20. **F, W, offered as needed.**

VC130 PhotoShop 1
1 class and 2 lab hrs/wk, 2 cr.
Introduces the concepts and techniques of digital imaging tools with application to image manipulation and correction. **Prerequisite:** Previous computer experience. Class fee $10. **F, W, offered as needed.**

VC131 PhotoShop 2
1 class and 2 lab hrs/wk, 2 cr.
Refines and expands the concepts and techniques of digital imaging tools with application to digital illustration. **Prerequisite:** VC130 Class fee $10. **F, W, offered as needed.**

VC133 Beginning Quark XPress
1 class and 2 lab hrs/wk, 2 cr.
Introduces basic page layout using Quark XPress. **Prerequisite:** Previous computer experience. Class fee $10. **Offered as needed.**

VC134 Macromedia Dreamweaver
1 class and 2 lab hrs/wk, 2 cr.
Introduces the use of Macromedia Dreamweaver software for the creation of Web pages and maintaining a Web presence. **Prerequisite:** Previous computer experience. Class fee $10. **Offered as needed.**

VC135 Beginning Macromedia Flash
1 class and 2 lab hrs/wk, 2 cr.
Introduces the concepts and techniques of creating animation, sound and interactivity for Web sites. **Prerequisite:** Previous computer experience and Internet browsing experience. Class fee $10. **Offered as needed.**

VC137 PhotoShop for the Web 1
1 class and 2 lab hrs/wk, 2 cr.
Develops the techniques and skills needed to create, edit, save and post basic images on the World Wide Web. Investigates the basic reasons for using graphics on a Web page and explores the various types of usage. **Prerequisite:** Previous computer experience, basic Internet browsing experience, VC130, or equivalent experience. Class fee $10. **Offered as needed.**

VC138 PhotoShop for the Web 2
1 class and 2 lab hrs/wk, 2 cr.
Further develops the techniques and skills needed to create, edit, save and post complex images on the World Wide Web. Investigates the reasons for using graphics on a Web page and explores the various types of usage. **Prerequisite:** VC137 or consent of instructor. Class fee $10. **Offered as needed.**

VC139 Beginning Vector Graphics
1 class and 2 lab hrs/wk, 2 cr.
Introduces the use of vector graphic software for graphic arts. **Prerequisite:** Previous computer experience. Class fee $10. **Offered as needed.**

VC145 Print Production 1
2 class and 3 lab hrs/wk, 3 cr.
Introduces pressroom production methods including image assembly, proofing, platemaking, and press and bindery operations. **Prerequisite:** VC111 and VC114. Class fee $35. **Offered as needed.**

VC151 Electronic Imaging 1
2 class and 3 lab hrs/wk, 3 cr.
Introduces digital photography, black and white scanning and photo manipulation on the Macintosh. **Prerequisite:** VC111 and VC114. Class fee $25. **W**

VC171-173 Special Projects
1 class and 3-6 lab hrs/wk, 1-3 cr.
Provides the opportunity to work on special projects agreed upon by contract between student and instructor. Topics may include individualized tutorial study of software, independent work on projects, or in-depth study of graphic arts processes and procedures. **Prerequisite:** Enrollment in the Visual Communications program. Class fee $5 per credit. **F, W, Sp**

VC201-203 Advanced Topics in Visual Communications
1-3 class hrs/wk, 1-3 cr.
Presents variable formats, discussions and demonstrations. Topics vary each term. Examples include trapping, freelance work, pre-flighting, graphics software, papers and inks, or the exploration of new software. Course may be repeated for a maximum of six credits. **Prerequisite:** Second year standing in the Visual Communications program or evidence of equivalent experience required by topic. Class fee $5 per credit. **Offered as needed.**

VC221 Layout 3: Publication Design
2 class and 4 lab hrs/wk, 4 cr.
Applies the concepts and skills of the design and layout process to the principles of publication design. **Prerequisite:** VC122. Class fee $20. **F**

VC230 Painter
1 class and 2 lab hrs/wk, 2 cr.
Offers hands-on computer painting and drawing using MetaCreations Painter. **Prerequisite:** Demonstrated ability to work with computers. Class fee $10. **Offered as needed.**

VC232 Web Photography
1 class and 2 lab hrs/wk, 2 cr.
Combines traditional photographic skills with digitizing, manipulating and displaying images on the Internet. Class fee $10. **Offered as needed.**

VC237 Web Design 1
2 class and 4 lab hrs/wk, 4 cr.
Introduces the techniques and skills needed to plan and create basic graphics and pages for the World Wide Web using industry standard coding practices, Web editors and graphics applications. **Prerequisite:** Computing and Internet browsing basics. Class fee $20. **F, offered as needed.**

VC238 Web Design 2
2 class and 4 lab hrs/wk, 4 cr.
Develops the techniques and skills needed to plan Web sites and create complex graphics and pages for the World Wide Web using industry standard Web editors and graphics applications. **Prerequisite:** VC237. Class fee $20. **W, offered as needed.**

VC245 Print Production 2
2 class and 3 lab hrs/wk, 3 cr.
Continues work in the basic skills of digital prepress. Multi-color work will be emphasized. **Prerequisite:** VC145 and second-year standing in the Visual Communications program. Class fee $35. **Offered as needed.**

VC246 File Prep
1 class and 2 lab hrs/wk, 2 cr.
Builds knowledge of readying digital files for film output and printing. Presents common file problems and their solutions. **Prerequisite:** Second year standing in the Visual Communications program or equivalent work experience; working knowledge of the Mac Operating System, PhotoShop and Quark XPress. Class fee $10. **W**

VC251 Electronic Imaging 2
2 class and 3 lab hrs/wk, 3 cr.
Continues work in color correction and photo manipulation on the Macintosh. Work includes electronic imagesetting and film processor operation. **Prerequisite:** VC151 Class fee $25. **F, offered as needed.**

VC271-273 Studio Practices
1 class and 3-6 lab hrs/wk, for variable 1-3 credits Offers the opportunity to work with an instructor on the production of live jobs. **Prerequisite:** Second-year standing in the Visual Communications program. Class fee $5 per credit. **Offered as needed.**

VC280A-L Cooperative Work Experience
See Cooperative Work Experience.

VC283 Business of Graphic Arts
2 class and 2 lab hrs/wk, 3 cr.
Emphasizes industry trade practices, production schedules, estimating, cost centers, working with clients, markups, hourly rates, record keeping and billing procedures. **Prerequisite:** Second year standing in the Visual Communications program. Class fee $5. **W**
VC284 Portfolio Preparation
2 class and 4 lab hrs/wk, 4 cr.
Serves as a capstone course for all students in the Visual Communications program. Includes portfolio building, job markets, resumes and business stationery, mock interviews and gaining work experience. Participation in a class portfolio show is a graduation requirement. Prerequisite: Second-year standing in the Visual Communications program and concurrent enrollment in FE205B. Class fee $40. Sp

VMW

Vineyard Management/Winemaking

VMW100 Spanish in Agriculture
1 class hr/wk, 1 cr.
Covers practical Spanish terms and phrases specific to agricultural work. Surveys cultural information about Spanish speaking people. Includes pronunciation, technical vocabulary, greetings and basic grammar. No prior knowledge of Spanish is necessary. F, W

VMW101 General Viticulture
3 class hrs/wk, 3 cr.
Introduces grape growing. Covers botany, fruiting and rootstock cultivars; anatomy and physiology; history and distribution of grapes; vine classification; world growing areas, including latitude, climate and soils; and common diseases and pests. F, W, Sp

VMW105 Spanish in the Vineyard
3 class hrs/wk, 3 cr.
Covers practical Spanish terms and phrases specific to viticulture work. Surveys cultural information about Spanish speaking people. Includes pronunciation, technical vocabulary, greetings and basic grammar. No prior knowledge of Spanish is necessary. W

VMW110 Fall Vineyard Practices
3 class and 2 lab hrs/wk, 4 cr.
Surveys fall vineyard management practices. Focuses on harvest practices, harvest contracts and ripening parameters. Compares different ripening characteristics for a variety of clones and rootstocks. Covers fall canopy management, disease problems and weather effects on ripening. Class fee $8. F

VMW111 Winter Vineyard Practices
3 class and 2 lab hrs/wk, 4 cr.
Surveys winter vineyard management practices. Covers training, pruning, propagation, bench grafting and simple trellis designs. Class fee $43. W

VMW112 Spring Vineyard Practices
3 class and 2 lab hrs/wk, 4 cr.
Surveys spring vineyard management practices. Focuses on preparing a vineyard site for planting, spring canopy management and other site issues. Covers pest and disease control. Class fee $8. Sp

VMW113 Summer Vineyard Practices
3 class and 2 lab hrs/wk, 4 cr.
Surveys summer vineyard management practices. Covers planting, training of young vines, disease and weed control, canopy and vineyard floor management, and nutritional applications. Class fee $8. Su

VMW121 Wine Production 1
3 class hrs/wk, 3 cr.
Surveys basic winemaking principles and production practices. Covers purchase and selection of grapes, maturity analysis, harvest operations, grape processing, must preparation, yeast microbiology, fermentation and pressing. Prerequisite: Student must be 21 years of age. W

VMW131 Wine Appreciation
3 class hrs/wk, 3 cr.
Introduces wine appreciation. Includes grape varieties; wine types; sensory distinctions; food and wine combinations and the sensory evaluation of wines. Prerequisite: Student must be 21 years of age. Class fee $65. F, W, Sp

VMW132 Wines of the World
3 class hrs/wk, 3 cr.
Introduces wines and the wine producing regions of the world. Focuses on viticultural practices and winemaking styles. Covers the influence of wine on literature, history, the economy and religion. Prerequisite: VMW131 or consent of instructor. Student must be 21 years of age. Class fee $65. W

VMW134 Wines of the Pacific Northwest
3 class hrs/wk, 3 cr.
Focuses on the viticultural regions of the United States Pacific Northwest and the sensory evaluation of representative wines. Emphasizes knowledge of the winemaking history of the area. Promotes a basic understanding of the wines of the regions. Prerequisite: VMW131 or consent of instructor. Student must be 21 years of age. Class fee $65. Sp

VMW211 Wine Production 2
3 class hrs/wk, 3 cr.
Covers practical winemaking chemistry, theory and technique. Includes fermentation microbe selection and parameters; malo-lactic fermentation; browning, fining and stabilization; filtration; and spoilage organisms. Considers bottling practices, experimental design and other wine types. Prerequisite: VMW121 or consent of instructor. Student must be 21 years of age. Sp

VMW221 Wine Production 2
3 class hrs/wk, 3 cr.
Covers practical winemaking chemistry, theory and technique. Includes fermentation microbe selection and parameters; malo-lactic fermentation; browning, fining and stabilization; filtration; and spoilage organisms. Considers bottling practices, experimental design and other wine types. Prerequisite: VMW121 or consent of instructor. Student must be 21 years of age. Sp

VMW232 Sensory Evaluation of Wine Varietals
3 class hrs/wk, 3 cr.
Reviews sensory evaluation procedures. Focuses on wine varietal evaluation through sensory methods. Covers major worldwide wine varietals, distinguishing wine styles and blending wines. Identifies wine defects. Prerequisite: VMW121 and VMW131, or consent of instructor. Student must be 21 years of age. Class fee $65. W

VMW233 Sensory Evaluation of Wine Components
3 class hrs/wk, 3 cr.
Stresses sensory evaluation of wine components. Surveys the most important components commonly found in table wines. Emphasizes identification of components through tasting a series of wines which have been constructed to show the effects of steadily increasing the amount of the component in a wine. Prerequisite: VMW232 or consent of instructor. Student must be 21 years of age. Class fee $65. Sp

VMW241 Winery Operations 1
3 class and 14 lab hrs/wk, 10 cr.
Introduces the fundamentals of commercial winery operations. Covers equipment operation and maintenance, sanitation and safety practices. Includes use of laboratory data. Prerequisite: Consent of instructor. Student must be 21 years of age. F

VMW242 Winery Operations 2
6 lab hrs/wk, 2 cr.
Continues the fundamentals of commercial winery operations. Covers equipment operation and maintenance, sanitation and safety. Includes wine racking, fining and aging. Prerequisite: Consent of instructor. Student must be 21 years of age. W

VMW243 Winery Operations 3
6 lab hrs/wk, 2 cr.
Fundamentals of commercial winery operations. Covers equipment operation and maintenance, sanitation and safety. Includes wine aging, storage and bottling. Prerequisite: Consent of instructor. Student must be 21 years of age. Sp

VMW250 Agricultural Supervisor Training
4 class hrs/wk, 4 cr.
Emphasizes skills needed for supervision in agricultural settings. Covers confidence and esteem building; decision making; communication; leadership and management; and legal and safety issues. Sp

VMW251 Winery Management
3 class hrs/wk, 3 cr.
Introduces winery management practices. Covers annual plans; budgets; winery development; labor management; contracts; legal compliance; record keeping; and problem solving. Sp

VMW252 Vineyard Management
3 class hrs/wk, 3 cr.
Introduces vineyard management practices. Covers annual plans; budgets; vineyard development; labor management; contracts; legal compliance; record keeping; and problem solving. Sp

VMW260 Soil and Plant Nutrition
4 class hrs/wk, 4 cr.
Introduces basic principles of soil science. Emphasizes grapevine mineral nutrition and the relationship of water and soils. Covers soil conservation and improvement. Sp
VMW261 Vine Physiology
4 cr.
Introduces the anatomy, physiology and growth habits of grapevines. Covers plant processes responsible for patterns of growth, yield and fruit quality in wine grapes in the context of common viticulture practices. W

VMW280A-L Cooperative Work Experience
See Cooperative Work Experience.

WFB

Welding Fabrication
WFB087 Fabrication Practices 3
1 class and 6 lab hrs/wk, 3 cr.
Emphasizes structural fabrication using steel and aluminum. Prerequisite: Enrollment in Welding Fabrication program or consent of program chair. Class fee $15. W

WFB088 Fabrication Practices 4
1 class and 6 lab hrs/wk, 3 cr.
Includes instruction and experience in production-type welding with use of jigs, fixtures and positioners. Prerequisite: WFB087 or consent of program chair. Class fee $15. Sp

WFB096 Shop Projects
1 class and 3 lab hrs/wk, 2 cr.
Emphasizes practical experience in maintenance and repair of shop weld machines, accessories and fixtures. Uses selected fabrication and repair projects to develop resourcefulness and confidence in the application of skills and knowledge developed in concurrent courses. Prerequisite: Enrollment as a full-time student in the Welding Fabrication program or consent of the program chair. Class fee $40. Sp

WFB280A-L Cooperative Work Experience
See Cooperative Work Experience.

WLD

Welding
WLD051 Basic Arc Welding
2 class and 9 lab hrs/wk, 5 cr.
Studies the basic principles involved in making fillet welds on mild steel using standard industrial procedures, equipment and welding electrodes with the shielded metal arc welding (SMAW) process. Includes information concerning other welding processes and compares them to the shielded metal arc welding process. Class fee $25. F

WLD052 Intermediate Arc Welding
2 class and 9 lab hrs/wk, 5 cr.
Continues WLD051 covering ferrous and non-ferrous alloys and welding procedures. Demonstration and supervised practice of techniques on various metals applied in fabrication and repair. Prerequisite: WLD051 or consent of program chair. Class fee $30. W

WLD053 Advanced Arc Welding
1 class and 6 lab hrs/wk, 3 cr.
Prepares for welding, under code-type procedures, on plate and pipe. A study of welding procedures previously covered, as they apply to heavy gauge welding, with groove-type joints. At the end of the term the student will be given the opportunity to take a certification test, in accordance with American Welding Society (AWS) code welding standards. Prerequisite: Successful completion of WLD051 and WLD052, or equivalent industrial experience with consent of program chair. Class fee $30. Sp

WLD056 Blueprint Reading and Sketching
6 lab hrs/wk, 2 cr.
Covers basic sketching techniques and reading of three-view drawings for welders. Includes dimensioning practices, scaling, line alphabet notes and symbols. Emphasizes developing skills in reading detail and welding drawings. Class fee $5. F

WLD057 Layout Practices
3 lab hrs/wk, 1 cr.
Studies the layout tools and their use in fabricating structural members, bins, hoppers, pipe fittings, chutes, etc. Includes principles and practices of pattern development for typical forms and fitting. Class fee $5. W

WLD058 Weld Shop Problems
2 class and 15 lab hrs/wk, 7 cr.
Offers a review and application of welding, layout and fabrication processes covered during the year. Includes study and practice of production welding methods, electrode consumption, and method selection. Selected fabrication and assembly projects present typical layout, fabrication and production problems. Prerequisite: Successful completion of the first two terms of the one-year Welding program, or equivalent industrial experience with consent of program chair. Class fee $25. Sp

WLD059 Ornamental Iron Work
1 class and 3 lab hrs/wk, 2 cr.
Introduces the design and creation of metal sculpture and decorative structures through welded fabrication. F, offered as needed.

WLD061 Basic Gas Metal Arc Welding (MIG)
1 class and 6 lab hrs/wk, 3 cr.
Introduces basic skills in semiautomatic metal inert gas (MIG) welding processes. Covers principles involved in equipment, material and procedures, combined with demonstrations and supervised practical experience, using standard industrial equipment. Uses solid and flux-core wire in typical industrial applications. Class fee $25. F

WLD062 Intermediate Gas Metal Arc Welding (MIG)
1 class and 6 lab hrs/wk, 3 cr.
Builds upon WLD061 and includes a study of and practice in welding of carbon steel. Emphasizes production in welding situations, using large diameter electrodes (solid and flux-cord) with mixed shielding gases in flat or horizontal positions. Prerequisite: WLD061 or consent of program chair. Class fee $35. W

WLD063 Advanced Gas Metal Arc Welding (MIG)
1 class and 6 lab hrs/wk, 3 cr.
Continues WLD062. Includes welding mild steel, aluminum, stainless steel and steel pipe welding. Students may take a certification test in accordance with the American Welding Society (AWS) unlimited plate test in accordance with AWS D1.1 structural code. Prerequisite: WLD061 or equivalent industrial experience, with consent of program chair. Class fee $35. Sp

WLD070 Oxyacetylene Processes
1 class and 6 lab hrs/wk, 3 cr.
Familiarizes the student with the safe use, care, and operation of oxyacetylene welding, brazing and cutting equipment. Class fee $35. F

WLD071 Basic Oxyacetylene Welding
1 class and 3 lab hrs/wk, 2 cr.
Teaches the fundamentals of oxyacetylene welding including brazing. Class fee $20. Offered as needed.

WLD072 Oxyacetylene Cutting
5 lab hrs/wk, 2 cr.
Covers the use and care of oxyacetylene cutting equipment. Class fee $20. Offered as needed.

WLD073 Basic Gas Tungsten Arc Welding (TIG)
1 class and 9 lab hrs/wk, 4 cr.
Covers the fundamentals of tungsten inert gas (TIG) welding processes, machine setting and application, and development of inert gas welding skills. Includes welding of mild steel, aluminum, aluminum alloys, stainless steel, and magnesium. Class fee $35. W

WLD077 Welding Processes
2 class and 6 lab hrs/wk, 4 cr.
Introduces the fundamentals of shielded metal arc welding, oxyacetylene welding and cutting, metallic inert gas welding (MIG), and arc-air procedures. Prerequisite: Current enrollment in manufacturing program or consent of program chair. Class fee $35. Sp

WLD081 Welding Metallurgy 1
2 class hrs/wk, 2 cr.
Covers the fundamentals of metallurgy pertaining to welders. Covers identification of ferrous metals, distortion, stress relieving, flame straightening and hardening, plus various metallurgical problems. Class fee $5. W
WLD082 Welding Metallurgy 2
2 class hrs/wk, 3 cr.
Continues of WLD081 covering heat treat-
ment of steel, common non-ferrous alloys, and
alloy steels. Prerequisite: WLD081. Class
fee $5. Sp

WLD097 Welding
1 class and 3 lab hrs/wk, 2 cr.
Covers the fundamentals and application of
arc welding, oxyacetylene welding, brazing
and cutting pertaining to the automotive
industry. Class fee $20. Sp

WLD280A-L Cooperative Work
Experience
See Cooperative Work Experience.

WR
Writing
See also Study Skills Program.

WR040 Writing Skills
3 class hrs/wk, 3 cr.
Focuses on writing at the sentence level.
Develops the ability to write complete, coherent
sentences that effectively employ syntactic
choices of coordination and subordina-
tion and accepted conventions of grammar,
punctuation, usage and spelling. These abili-
ties are developed in the context of para-
graphs and longer pieces of writing. Reading
selections are used to model effective writing,
 enhance vocabulary, and develop the ability
to read for information and understanding.
Sentence-related terminology is introduced to
prepare students for the terminology prereq-
usites of WR121. Class fee $2. F, W, Sp, Su

WR090 Fundamentals of Writing
3 class hrs/wk, 3 cr.
Focuses on writing essentials that will build
confidence for professional-technical
students and anyone who writes in the work-
place. This course is taught in the context of a
specific program area. Explores a variety of
generating started and revision techniques, and
emphasizes audience analysis and the impor-
tance of sensitivity to audience in achieving
accuracy in writing and reporting. Covers
organization of writing for different purposes
and selection of supporting details consistent
with those purposes. Students writing will be
a product of real-life experiences such as
interviews, workplace visits, and therefore
blends observations with research and
the writer’s own opinions. Prerequisite:
WR090 or equivalent as determined by the
instructor. Class fee $2. Offered as needed.

WR115 Introduction to Composition
3 class hrs/wk, 3 cr.
An introduction to WR121, this course focus-
es on writing well-developed, unified, coher-
ent paragraphs, and formulating and devel-
oping a main idea in the composition of
short, expository essays. Explores techniques
for generating and controlling topic sen-
tences, selecting and incorporating support-
ing details, and creating coherence within
and between paragraphs. Reinforces compe-
tency in sentence writing skills and accepted
conventions of grammar, punctuation, usage,
and spelling in the context of paragraphs and
short essays. Class fee $2. F, W, Sp, Su

WR121 English Composition-
Exposition
3 class hrs/wk, 3 cr.
Emphasizes clear, detailed informative writ-
ing, clear thinking and active reading.
Prerequisite: Ability to organize thoughts
and competency in standard written English,
as demonstrated by: (a) standard placement
 test or (b) grade of C or better in WR115 or
(c) grade of C or better in COM051. Class fee
$2. F, W, Sp, Su

WR122 English Composition-Logic and
Style
3 class hrs/wk, 3 cr.
Focuses on the writing of logical, effective
argumentative prose, awareness of stylistic
elements and critical reading. Prerequisite:
Grade of C or better in WR121. Class fee $2.
F, W, Sp, Su

WR123 English Composition-Research
Writing
3 class hrs/wk, 3 cr.
Covers the acquisition and evaluation of evi-
dence, integration of source material and per-
sonal opinion, and the appropriate processes
and forms for developing the research paper.
Prerequisite: Grade of C or better in WR121
and WR122. Class fee $2. F, W, Sp, Su

WR095 Fundamentals of Composition
3 class hrs/wk, 3 cr.
Focuses on composition essentials that will
build confidence for professional-technical
students and anyone who writes in the work-
place. This course is taught in the context of a
specific program area. Explores a variety of
generating started and revision techniques, and
emphasizes audience analysis and the impor-
tance of sensitivity to audience in achieving
accuracy in writing and reporting. Covers
organization of writing for different purposes
and selection of supporting details consistent
with those purposes. Students writing will be
a product of real-life experiences such as
interviews, workplace visits, and therefore
blends observations with research and
the writer’s own opinions. Prerequisite:
WR090 or equivalent as determined by the
instructor. Class fee $2. Offered as needed.

WR242 Imaginative Writing
3 class hrs/wk, 3 cr.
Covers a variety of reports that include for-
mat, organizational, supplemental, biblio-
graphical, and illustrative considerations.
Emphasizes factual content, objective present-
ation, and a defined purpose for specific
readers/audiences. Prerequisite: Grade of C
or better in WR121. Class fee $2. F, W, Sp, Su

WR241, 242, 243 Imaginative Writing
3 class hrs/wk, 3 cr. each
Provides help to writers of fiction, poetry and
drama, using discussions of student writing
and explorations of texts by established writ-
ers. Includes individual and group projects.
Students taking the course for a second or
third term are asked to submit work for pub-
lication. Although all three genres are
explored each term, fiction is emphasized in
the fall, poetry in the winter and drama in
the spring. Class fee $2 each. WR241: F;
WR242: W; WR243: Sp

WS
Women’s Studies

WS101 Introduction to Women’s
Studies: Women in American Society
3 class hrs/wk, 3 cr.
Introduces the sociology of women in
American society throughout the life cycle.
Focuses on the search for identity and posi-
tive, meaningful relationships as well as the-
tories of gender role socialization and covers
the new scholarship concerning women in
western civilization, their history and alter-
ative futures. F

WS102 Introduction to Women’s
Studies: Women, Work and Family
3 class hrs/wk, 3 cr.
Examines the economic position of women in
American society today. Includes an
overview of working women in American
history from colonial times to the present.
Focuses on the problems women face today
as a result of economic pressures, changing
family and work roles, societal expectations,
and the double day. W

WS103 Introduction to Women’s
Studies: Women Around the World
3 class hrs/wk, 3 cr.
Surveys of women around the world in the
Twentieth Century using cross-cultural com-
parisons. Examines the status of women in
subsistence economies and developing coun-
tries, and under socialism and capitalism.
Explores women’s productivity, access to
resources and political power, and gender
relations in different societies. Debates the
politics of ecofeminism, environmental con-
sciousness and ecological awareness. Sp
Zoo

Zoology

ZOO201 General Zoology
3 class and 3 lab hrs/wk, 4 cr.
Introduces the major unifying principles and concepts of biology as applied to the study of animals. Includes the chemical basis of life, cell biology, theories about the origin of life, evolution and genetics. Class fee $15. F

ZOO202 General Zoology
3 class and 3 lab hrs/wk, 4 cr.
Introduces the major invertebrate phyla emphasizing the diversity of living organisms and adaptations to their environment. Principles and concepts studied in ZOO201 will be applied to the study of the invertebrates. Prerequisite: ZOO201. Class fee $15. W

ZOO203 General Zoology
3 class and 3 lab hrs/wk, 4 cr.
Introduces vertebrate animals emphasizing the diversity of living organisms and adaptations to their environment. Includes comparative anatomy and physiology of selected body systems. Prerequisite: ZOO202. Class fee $15. Sp
Members of Chemeketa’s Board of Education are elected to represent seven geographical zones in the college district.

Zone One—Edward Dodson, Chair
Zone Two—Marilyn Crouser
Zone Three—JoAnne Beilke
Zone Four—Dan Osthund, Vice Chair
Zone Five—Ray Beatty
Zone Six—Gerald Watson
Zone Seven—Gwen VanDenBosch

Staff as of June, 2003

This is a partial listing of Chemeketa Community College’s staff. It includes most of the people who are employed full time in instructional, coordinating and administrative roles.

A

Agee, Steve—Program Chair, Instructor, Automotive Technology
Alfageeh, Nuri—Instructor, Mathematics
Kathe Allison—Program Chair, Tutoring Services
Alvarez, Maria (Cleo)—Counselor
Anderson, D. Craig—Director, Agriculture Programs and Hospitality
Anderson, Gwen Ellyn—Counselor, New Work Force, Instructor
Anderson, Kenneth—Program Chair, Mathematics
Andrea, Ara—Instructor, Forest Resources Technology
Andrews, Peggy—Instructor, Emergency Medical Technology
Antoine, Patricia—Instructor, Sociology

B

Bagwell, Mary Jane—Coordinator, ABE/GED/ESL
Balyo, Mike—Instructor, History
Barber, Wayne—Instructor, Mathematics
Bassett-Smith, Ron—Director, Workforce Integration
Bates, Michael—Instructor, Computer Science
Beck, Sally—Instructor, Adult Basic Education and GED
Behmard, Sheeny—Instructor, Mathematics
Bennett-Connolly, Gerri—Coordinator, Occupational Skills Training
Benson, June—Instructor, Adult Basic Education and GED
Blodget, James—Specialist, Media Production
Bone, Andrew—Instructor, Accounting
Booth, Karleen—Program Chair, Occupational Skills Training
Borden, Tiffany—Counselor
Bowman, Bobbi—Program Chair, Study Skills and American Sign Language
Boyington, Gary—Program Chair, Electronics, Network Technology
Brase, Don—Director, Humanities and Communications
Brooks, W. David—Instructor, Accounting
Brummond, Candis—Counselor
Buchanan, Mary Ann—Instructor, ABE/GED
Burns, Barbara—Instructor, Nursing
Bush, Lori—Director, Winema Center
Bynum, Randall—Instructor, Speech

C

Cammack, Janice—Instructor, Physical Science
Campbell, Kathy—Director, Financial Aid
Campbell, Lorraine—Workforce Integration Specialist
Canoy, David—Instructor, Life Science
Carnegie, Kay—Director, Dental Assisting, Nursing
Carver, Donna—Distance Education
Chancey, Fred—Instructor, Writing and Literature
Cheyne, Larry—Coordinator, College Credit Now and Youth Programs
Chesley, Bob—Program Chair, Mathematics
Clark, Lori—Instructor, Health and Physical Education
Cochrane, Linda—Director, Learning Resource Center
Concepcion, Paul—Program Chair, Social Science
Cornutt, Delvin—Instructor, Sociology
Craven, Linda—Instructor, Early Childhood Education
Crossler-Laird, Janice—Program Chair, English as a Second Language
Cudmore, Wynn—Instructor, Life Science
Culveyhouse, James—Instructor, Training and Economic Development
Currin, Cynthia—Program Coordinator, Workforce Integration

D

Darby, Sydney—Instructor, English
Davidson, Mollie—Instructor, Human Services
Decker, Michele—Team Coordinator, Nursing
Desel, Theodore—Program Chair, Speech, Theater, Philosophy, Music, Religion
Dobay, Deborah—Instructor, Psychology
Duggan, Michael—Program Chair, Disability Services
Duncan, Nancy—Coordinator, Hospitality Programs
Dunn, Tim—Program Chair, Forest Resources Technology
Dye, Kevin—Instructor, English

E

Edge, Barbara—Coordinator, Grants Development
Edholm, Len—Counselor
Ehlers, Deborah—Instructor and Counselor, New Workforce
Elias, Marilyn—Instructor, Nursing
Eppler, Carol—Instructor, Business Technology
Eustrom, James—Dean, Student Development and Learning Resources
Faircloth, Kathleen—Instructor, Psychology
Fall, Cheryl—Dean, Regional Education Services
Falkenstein, John—Program Chair, Customized and Workforce Training
Farjami, Javad—Instructor, Electronics
Ferguson, Mark—Instructor, Mathematics
Ferry, Marjorie—Instructor, English
Finholm, James—Instructor, Computer Science
Fish, Susan—Director, Developmental Education
Fishfader, Randy—Instructor, Early Childhood Education
Florence, William—Instructor, Journalism; Adviser, Student Newspaper
Forsslund, Larry—Instructor, Life Science
Frank, Andrew—Program Chair, Physical Science
Franklin, Harvey—Director, Woodburn Campus
Frey, Phil—Manager, Auxiliary Services
Furey, Kevin—Instructor, Economics
Furr, Laney—Program Chair, Winema School

G

Gaul-Miller, Debra—Program Chair, Literacy Volunteer
Gilbert, Jeremy—Instructor, Psychology
Glennon, Barbara—Instructor, Nursing
Goulard, Liz—Vice President, Chief Academic Officer
Graham, Jerry—Instructor, Adult Basic Education
Green, Constance—Dean, Chief Information Officer
Green, Nancy—Project Specialist, Corrections Education
H
Hardesty, David—Program Chair, ABE/GED
Hare, Nancy—Program Chair, Clerical Technology and Office Occupations
Harris, Rodney—Instructor, Electronics
Harvey, Jean—Instructor, Alternative High School
Hassoun, Judith—Counselor, Life Skills
Hawkins, John—Executive Director, Chemeketa Foundation
Hillyer, Rebecca—Director, College Safety and Risk Management
Hirt, Donna—Instructor, Human Services
Hodgson, Traci—Instructor, History
Holler, Barbara—Instructor, Clerical Basics
Holmes, Darrel—Program Chair, Building Inspection
Hopkins, Susan—Instructor, Developmental Education
Horn, Terry—Director, Business Management, Health Services Management and Electronics
Howard, Jeffrey—Instructor, Deaf and Hearing Impaired
Huckestein, Julie—Director, Business Services
Hunter, Jeri—Director, Enrollment Services
Hunter, Robert—Manager, Computer Services

I
Irving, Jan—Instructor, Nursing

J
Jabin, Tammy—Instructor, English
Jacobson, Lee—Instructor, Art
Jantzi, Ron—Director, Trades and Technologies
Jasper, Sally—Program Chair, Nursing
Johnson, Robert—Program Chair, Computer Science
Jones, Anetta—Instructor, Business Technology

K
Kapan, Teter—Program Chair, Student Life
Karbgnisky, Darrel—Instructor, Computer Science
Kelly, Mike—Instructor, Architectural Drafting
Kelly, Susie—Coordinator, National Science Foundation
Kizziah, John—Instructor, Welding Technology
Klein, Bill—Program Chair, Fire Protection Technology
Knowles, Wayne—Instructor, Visual Communication
Koch, Alan—Director, College Advancement
Kuhn, Gary—Program Chair, Cooperative Work Experience

L
Lacy-Tang, Jean—Counselor
Lander, Gregg—Program Chair, Emergency Medical Technology
Lang, William—Program Chair, Counseling
LaVine, Phil—Instructor, Farm Business Management
Lazzara, Edward—Program Chair, Foreign Languages
Leonard, Phyllis—Instructor, Mathematics
LeRoy, Robert—Instructor, Composition and Literature
Libbon, George—Athletic Director; Instructor, Health and Physical Education
Lightfoot, Dick—Coordinator, Career Center – Newberg
Linder, Christine—Program Chair, Visual Communications
Martiner, Yolanda—Counselor
McCormack, Michele Dishong—Instructor, Speech
McCrary, Kelol—Instructor, ABE/GED
McCullough, Linda—Instructor, Accounting
McDonough, Thomas—Instructor, Physical Science
McGill, Meg—Coordinator, Salem Area Programs
McGlynn, Maureen—Director, Curriculum Resource Center
McLaughlin, Suzanne—Instructor, Spanish
McLaughlin, Terrence—Instructor, Physical Education
Mendenhall, Mike—Instructor, Building Inspection
Menk, Keith—Director, Human Resources and Payroll
Merola, Joseph—Instructor, Visual Communications
Meyers, Dianne—Program Chair, Nursing
Michels, John—Instructor, Mathematics
Miller, Mark—Instructor, Engineering and Math
Miller, Selania—Coordinator, Career Center-Santiam Campus
Mohn-Brown, Elaine—Program Chair, Nursing
Monson, Bryan—Program Chair, Business Technology, Woodburn Campus
Moothart, Janine—Director, Santiam Campus
Moxley, Doug—Coordinator, Institutional Effectiveness
Murphy, Lori—Director, Social Science, Early Childhood Education, Education Certificate and Human Services
Murray, Susan—Instructor, High School Completion

N
Newton, Kristi—Program Chair, Accounting and Management
Newton, Ronald—Instructor, Civil Engineering
Niebuurt, Kathleen—Program Chair, Nursing
Noah, Mark—Employment Specialist, Occupational Skills Training

O
O’Hara, Rick—Instructor, Life Science
O’Higgins, Michael—Instructor, Inst. Corrections Ed
Olheiser, Dean—Instructor, Automotive Technology
Ottaway, Carol—Instructor, Clerical Basics

P
Page, Fran—Director, New Workforce
Pearcy, Diana—Instructor, Corrections Education
Peters, Julie—Program Chair—Civil Engineering Technology, Drafting Technology / CAD
Peterson, Kelly—Instructor, English
Peterson, Mike—Instructor, Computer Science
Pintler, Michael—Program Chair, Welding Technology
Plett, John—Director, McMinnville Campus
Poston, Susan—Program Chair, Mathematics
Prentice, Cynthia—Program Chair, Life Science
Prothero, Marilyn—Instructor, English as a Second Language

R
Rasmussen, Douglas—Instructor, Mathematics
Rediske, Mark—Instructor, Education Certificate
Reed, Marilyn—Coordinator, Evening On-Campus and Apprenticeship Programs
Richardson, Steve—Instructor, Writing and Literature
Risan, Cynthia—Interim Director, Mid-Willamette Education Consortium
Roelofs, Gary—Instructor, English as a Second Language
Rupert, Jill—Instructor, English

S
Salgado, Monica—Program Chair, Adult Basic Education
Salinas-Oliveros, Rebecca—Program Chair, Cooperative Work Experience
Sansone, Steve—Program Chair, Health and Physical Education

186
Saxowsky, Gail—Instructor, Emergency Medical Technology
Schuette, Gretchen—President
Scott, Janet—Director, Distance Learning
Sekafetz, Charles—Instructor, Electronics
Sessions, Patricia—Program Chair, Business Technology
Skirvin, Charles—Counselor
Slemenda, Steve—Program Chair, English and Film
Smith, Craig—Vice President, Chief Financial Officer
Soliday, Peggy—Program Chair, Human Services
Stam, Bruce—Program Chair, Early Childhood Education
Stephens, Debra—Program Chair, Criminal Justice
Stillinger, Ken—Coordinator, Career Center
Sunderland, David—Instructor, Farm Business Management
Suter, Marcia—Program Chair, English, Writing, and Literature
Swearingen, Dell—Dean, Campus-Based Instruction
Swenson, David—Instructor, Computer Science

T
Tardaewether, Virginia—Program Chair, Outreach: CILS
Thorp, Anne—Instructor, Adult Basic Education and GED
Trattner, Tamara—Instructor, Early Childhood Education
Trabue, Jeremy—Instructor, English
Truesdell, Joanne—Executive Dean

U
Urban, Wanda—Instructor, Human Services
Ure, Douglas—Program Chair, Life Science

V
Valdivia, Armandina—Instructor/Coordinator, ESL/ABE
Vaughn, Joyce—Instructor, Dental Assisting
Veldhuisen, Kathleen—Reference Librarian
Veliz, Anthony—Director, CAMP and Trio
Vessello, Jerry—Director, Facilities and Operations
Villegas, Elias—Coordinator, High School Equivalency
Vogel, Allan—Instructor, Life Science
Vollmar, Lorene—Program Chair, Dental Assisting

W
Wachal, Ken—Instructor, Management and Accounting
Wahner, Royal—Instructor, Manufacturing and Drafting Technology
Ward, H. Jill—Director, Counseling and Career Services
Waring, Pam—Program Chair, Cooperative Work Experience
Wasson, Barbara—Instructor, Study Skills Program
Watkins, Carmen—Instructor, Mechanical Engineer Technology
Wenzig, Terri—Instructor, Nursing
Wetle, Victoria—Program Chair, Health Services Management and Medical Office Assisting
Wheeler, Claire—Instructor, Developmental Education
White, Roger—Instructor, Electronics and Network Technology
Whitney, John—Instructor, English as a Second Language
Whitton, Louanne—Coordinator, Opportunity Center
Whyte, Catherine—Program Chair, Education Certificate
Wieczorek, Emily—Instructor, Health Services Management
Wilkins, Jimmie—Coordinator, Small Business Development Center
Willis, Vicki—Assistant to the President, Organizational Development and Planning
Wolfe, Steven—Instructor, Geography

Y
York, Robin—Instructor, Study Skills Program
Student Rights and Responsibilities

1.0 Preamble
Chemeketa Community College provides an environment that celebrates the freedom to learn and the freedom to teach. In that celebration of teaching and learning it is appropriate that individuals and groups be viewed with regard to their potential to contribute within the learning environment. Each has dignity and value.

2.0 Code of Behavior
As a community of people seeking education, Chemeketa students are dedicated to improving personally and academically. Choosing to join the college community obligates each member to a code of behavior.

Chemeketa students will:

2.1 Practice personal and educational integrity.
   2.1.1 Students shall practice academic honesty by not cheating, plagiarizing, or misrepresenting their coursework in any way.
   2.1.2 Students shall not misuse college documents, library or computer resources, student records, or identification cards.

2.2 Maintain standards of academic performance and contribute to the safe, cooperative, and respectful learning environment throughout the college.
   2.2.1 Students shall participate in classroom assignments and discussions and attend classes regularly.
   2.2.2 Students shall not disrupt the teaching/learning process.

2.3 Discourage bigotry and respect the diversity and dignity of all persons.
   2.3.1 Students shall not participate in physical or verbal abuse of any individual.
   2.3.2 Students are encouraged to demonstrate respect for all persons.
   2.3.3 Students shall not possess any firearm, or knife with a blade exceeding four inches, or illegal weapon (see ORS Chapter 166), or with or without a concealed weapon permit.
   2.3.4 Students shall not abuse alcohol or other drugs.
   2.3.5 Students shall abide by federal, state, and local laws.

2.4 Respect the rights and property of all persons.
   2.4.1 Students shall do nothing to impede another’s right to move about freely, express his/herself or enjoy privacy.
   2.4.2 Students shall not destroy, deface, or misuse property belonging to an individual or the college.
   2.4.3 Students shall not possess any firearm, or knife with a blade exceeding four inches, or illegal weapon (see ORS Chapter 166), or with or without a concealed weapon permit.

2.5 Bear the ultimate responsibility for the effects of their decisions and behavior.
   2.5.1 Students have an ethical obligation to confront, challenge, or report destructive or abusive behavior.
   2.5.2 Students shall not possess any firearm, or knife with a blade exceeding four inches, or illegal weapon (see ORS Chapter 166), or with or without a concealed weapon permit.

3.0 Student Rights
Each student in the college community has certain rights that accompany his/her responsibilities. Those rights are to be protected by both students and staff regardless of an individual’s race, sex, religion, color, creed, disability, sexual orientation, political affiliation, national origin, ancestry, or age.

The college will:

3.1 Provide access to education and campus facilities.
   3.1.1 The college shall be open to applicants who are qualified according to current admission requirements within the limits of its resources and facilities.

3.1.2 Students have the right to be informed about class requirements and college policy and procedures. Students’ access to education shall not be inhibited by prejudiced or capricious academic evaluation.
   3.1.3 Students have the right to participate in evaluations of programs, course content, and educational objectives.

3.1.4 If a student is charged with a violation of law not related to his/her activities on campus, the matter shall be of no disciplinary concern to the college, unless the student is incarcerated and cannot comply with educational requirements.

3.1.5 Students, official clubs and organizations may use available college facilities according to college policy and procedures.

3.2 Assure the protection of confidential student records and information.
   3.2.1 Student records and information are protected and governed by federal and state laws and the college’s Student Records Policy and Guidelines.

3.2.2 Information about student views, beliefs, private activities, and political associations which is acquired or learned by college employees in the course of work is to be treated with professional judgment and confidentiality.

3.2.3 Professional evaluations and references about the ability and character of students may be provided under appropriate circumstances.

3.3 Provide opportunities for association and preserve freedom of expression.
   3.3.1 Policy and procedures governing clubs and organizations shall be established by the college and ASCCC Student Senate.

3.3.2 Students may express their views on college policy or matters of general interest and may support causes by any orderly means that does not disrupt the operation of the college.

3.3.3 In the classroom, students may take exception to the information and may reserve judgment about matters of opinion, but they are responsible for learning the content of the course.

3.3.4 Chemeketa Community College, as publisher, bears in conjunction with the staff of student publications, the responsibility for the content of the publications. The publications shall adhere to all applicable Oregon statutes, such as those regarding mass communications.

3.3.5 The student newspaper shall be governed by the Student Newspaper “Guidelines” and shall follow the Canons of Journalism of the American Society of Newspaper Editors.

3.3.6 Student publications shall state that the opinions expressed are not necessarily those of the college or student body.

4.0 Conflict Resolution
4.1 When there is a difference of opinion, values or perceived treatment, members of the Chemeketa community are encouraged to seek resolution directly with the individual with whom the conflict exists or his/her supervisor. If the issue involves alleged discrimination or harassment, the college’s Affirmative Action Officer should be contacted.

4.2 When resolution cannot be reached by talking to the individual (or when contact with the individual would not be appropriate), the individual’s supervisor or appropriate dean should be contacted.

4.3 The dean has multiple informal processes to assist in resolving the conflict. Unbiased investigation will be used in the informal processes in an attempt to resolve issues. Examples include but are not limited to:
   4.3.1 Referral to supervisors or staff trained in dispute resolution.
   4.3.2 Referral to the college Ombudsperson. The Ombudsperson serves as a resource to resolve disputes on an informal basis. The Ombudsperson may find mediators who will work with the referred parties to achieve resolution.
   4.3.3 Referral to a conflict resolution team, especially designed to achieve resolution. The team will be composed of members who are approved by the parties involved in the dispute.
   4.3.4 The dean may conduct an investigation of the situation to achieve resolution.

4.4 If the processes above do not result in agreement by both parties, the student may follow the College Appeals Process (Section 6.0) by contacting the Dean of Student Development and Learning Resources.

5.0 Student Discipline
5.1 If a college staff member believes a student has violated the Student Rights and Responsibilities document, the person or persons involved shall attempt to resolve the issue by personal contact, if possible.

5.1.1 Informal conflict resolution processes (Section 4.2) are encouraged for resolution of possible violations of the Student Rights and Responsibilities document. The Dean of Student
5.3 Chemeketa staff who take disciplinary action against a student shall:

5.2 The Dean of Student Development and Learning Resources may take disciplinary action against a student for misconduct or for violation of law and/or college rules and policies.

5.3.2 The student charged may:

1. Submit a written statement to the Dean of Student Development and Learning Resources specifying the nature of the alleged violation.

5.3.1 At the earliest possible time after a statement of violation, the Dean of Student Development and Learning Resources may impose disciplinary action deemed appropriate for student behaviors which are considered destructive to the educational environment of the college.

5.3.3 Types of disciplinary action which may be imposed and authorization for such action are:

1. Temporary Exclusion is the removal of a student from a class or service area, not to exceed one class session, one day, or removal from a college-sponsored function for the duration of a function.

Any staff member of the college may impose temporary exclusion only when the presence of the student poses a danger to students, other persons, college property or a threat of disrupting the educational process. (See College Policy 4220.) A written report of the circumstances requiring this action shall be submitted to the appropriate director or dean within one working day following the incident with specific directions or expectations and consequences for non-compliance.

2. Disciplinary Probation is a written warning to a student which may include interim exclusion. Interim exclusion may not exceed five days.

The appropriate director may impose disciplinary probation.

3. Suspension is the exclusion of a student from classes in a program or service area and college-sponsored functions for a specified period of time as set forth in the notice of suspension.

The appropriate dean may impose suspension from classes in a program, from a service area, or from college-sponsored functions. Suspension may not exceed one term.

4. Expulsion is the permanent separation of a student from a program or service area or conditional separation from the college.

The Dean of Student Development and Learning Resources may impose expulsion. Conditions of readmission, if any, shall be stated in the order of expulsion.

5.2 The Dean of Student Development and Learning Resources may take disciplinary action deemed appropriate for student behaviors which are considered destructive to the educational environment of the college.

5.3 Chemeketa staff who take disciplinary action against a student shall submit a written statement to the Dean of Student Development and Learning Resources specifying the nature of the alleged violation.

5.3.1 At the earliest possible time after a statement of violation, the appropriate director or dean shall meet with the student or issue a written statement for the purpose of advising the student of:

1. The nature of the charge(s).
2. Possible sanctions or sanctions imposed based on evidence.
3. The student's right to counsel, who may assist the student for advising purposes only.
4. The student's rights under college policy.

5.3.2 The student charged may:

1. Accept sanctions imposed by the college staff person. If the student does not submit a written appeal within five working days, it will be concluded that the sanctions have been accepted.
2. Request alternate resolution by notifying the college ombudsperson in writing within five working days.
3. Appeal the action within five working days by contacting the Dean of Student Development and Learning Resources who may use multiple informal processes to resolve the conflict or may refer to the College Appeals Committee.

6.0 College Appeals Process

6.1 A hearing before the College Appeals Committee occurs in situations which may require a summary decision on an unresolved conflict or may result in the permanent expulsion of a student.

6.2 The college president shall appoint two students and three staff members to form a College Appeals Committee. The appeals committee must have a quorum of four to conduct a hearing. The hearing is not considered formal legal trial.

6.3 The general rules governing a hearing are listed below. The specific rules for a hearing are contained in the guidelines of the College Appeals Committee. A copy of these guidelines is on file in the office of the Dean of Student Development and Learning Resources and is available for examination by any student upon request.

6.3.1 A written statement of the alleged college violation shall be delivered by the student to the Dean of Student Development and Learning Resources. A written statement of the alleged student violation shall be delivered to the student.

6.3.2 A hearing shall be held not less than three nor more than 20 working days after the filing of the statement of violation with the Dean of Student Development and Learning Resources. For reasonable cause, the College Appeals Committee may grant a postponement.

6.3.3 The student may be accompanied by counsel for advising purposes only; however, counsel will not participate directly in the hearing.

6.3.4 If the student who filed the appeal or is the subject of the appeal fails to appear for the hearing or agrees in writing not to contest the case, the College Appeals Committee shall review the evidence and prescribe the appropriate action.

6.4 In any case, the student may appeal findings and judgment of the College Appeals Committee to the College Board. If an appeal is submitted, the student must present to the College Board Chairperson a written notice stating the basis for the appeal. The appeal must be filed within five working days after the pronouncement of the judgment of the Appeals Committee; otherwise the right of the appeal shall be waived.

6.5 Upon the filing of an appeal, the College Board Chairperson shall review the record of the hearing and the judgment. The College Board may schedule a hearing if further clarification is needed.

6.6 Within a reasonable time, the College Board Chairperson will respond in writing prescribing the final decision.

7.0 Definitions

7.1 College shall mean Chemeketa Community College.

7.2 College Board shall mean the Board of Education.

7.3 Staff shall mean any employee of the college, both full- and part-time, management, faculty, and classified. Staff rights and responsibilities shall be provided by college policy, procedure, and collective bargaining agreements. Staff are expected to intervene and facilitate adherence to the Student Rights and Responsibilities document.

7.4 Student shall mean any person currently enrolled in a college class.

7.5 Community member shall mean any person not enrolled in a Chemeketa class. A community member shall have the rights and responsibilities provided by local, state, and federal laws. The Student Rights and Responsibilities document does not apply to community members. Community members may contact the college ombudsperson for clarification of their rights and responsibilities.

7.6 Associated Students of Chemeketa Community College (ASCCC) shall mean the official organization of the student body, made up of currently enrolled students at the college.

7.7 ASCCC Student Senate shall consist of student representatives of the student body selected according to the ASCCC Constitution and Bylaws.

7.8 Official club and organization shall mean a group of students and staff who have complied with the formal requirements of the college and ASCCC to gain recognition to operate at the college as an official organization.

7.9 The College Appeals Committee shall be composed of students and staff and will conduct non-judicial hearings on alleged violations of the Student Rights and Responsibilities document. The hearings are not considered formal, legal trials.

Student Record Form  (Application Form)

Providing your social security number is voluntary. If you provide it, the college will use your social security number for keeping records, doing research, aggregate reporting, extending credit and collecting debts. Your social security number will not be given to the general public. If you choose not to provide your social security number, you will not be denied any rights as a student. Please read the statement on the inside back cover of the schedule of classes which describes how your number will be used. Providing your social security number means that you consent to use of the number in the manner described. Contact the Student Record Office (Admissions) for additional information.

Social Security or ID Number: [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ]

Name: [ ] [ ] [ ] [ ] [ ] [ ] [ ] (Previous last name)

Mailing address: ____________________________________________________________

City: ____________________ State: ________ Zip: __________

County: ____________________________________________________________

Telephone: __________________ Day: ________ Evening: ________

E-mail address: ____________________________________________________________

Term I plan to enroll at Chemeketa Community College: (check one)

- [ ] Fall (Sept.)  - [ ] Winter (Jan.)  - [ ] Spring (Mar.)  - [ ] Summer (Jun.)

I plan to enroll in the following courses at CCC (check all that apply):  [ ] Noncredit  [ ] Credit

Gender:  [ ] Male  [ ] Female  [ ] Other (voluntary)

Date of Birth: ___________________ Age: ________

Month/Day/Year: __________________

Please circle one: (voluntary)

American Indian or  [ ] Asian  [ ] Black or African  [ ] Hispanic or  [ ] Native Hawaiian or  [ ] White

Alaskan Native  [ ] American  [ ] Latino  [ ] Pacific Islander

Are you a citizen of the United States?  [ ] yes  [ ] no

Select a program from the list on this page that best describes your area of study or area of interest. Program title: __________________________

Will you have lived in Oregon for the 90 days just prior to the term you begin?  [ ] yes  [ ] no

Do you plan to earn a degree or certificate/diploma at Chemeketa Community College? (check one)

- [ ] Yes, certificate or associate degree
- [ ] Yes, high school diploma or GED
- [ ] No, here to take classes
- [ ] Undecided

High school information:

School name: __________________________

City: __________________________ State: ________

- [ ] Associate degree
- [ ] Bachelor’s degree
- [ ] Master’s degree
- [ ] Doctorate or professional degree

Name of last college attended other than Chemeketa:

Name: __________________________

City: __________________________ State: ________

Chemeketa Community College releases only very limited information regarding students: enrollment status, dates of enrollment, degree or certificate, program of study, athletic status, or honors awarded. If you do not want any person outside the college, including prospective employers, to know any of these, you must file a Request for Non-Disclosure of Student Information Form with Admissions.

I certify that all statements on this application are complete and true. I also understand that if I am admitted and do not enroll for the term to which I am admitted, I will need to reapply for admission. Submitted materials will not be returned nor duplicated.
