Students are advised to consult with an EOU advisor to select the additional courses needed to complete the AAOT transfer degree and meet all requirements for the multidisciplinary studies major. If a student needs additional electives to complete their AAOT through CCC, the following Education courses are recommended, as they will fulfill elective requirements for the Multidisciplinary Studies major and provide foundational knowledge for upper division courses to be taken in the undergraduate teacher preparation program at Eastern Oregon University:

Recommended Courses

ED 229 Learning and Development
ED 233 Adolescent Learning and Development
ED230 Children’s Literature in the Elementary Classroom
ED 265 Special Needs and Inclusion
