

# 2026 BSN Community College Collaborative (BSNCCC) Application Guide

## PROGRAM OVERVIEW

The Bachelor of Science: Nursing Community College Collaborative (BSNCCC) is a unique pathway that allows students to complete their BSN degree through a community college consortium partnership. The colleges within this consortium are Linn-Benton Community College (LBCC), Chemeketa Community College (CCC), Oregon Coast Community College (OCCC), Central Oregon Community College (COCC), Treasure Valley Community College (TVCC), & Klamath Community College (KCC). This program increases access to the BSN for rural and place-bound students by blending online coursework with local academic support.

The community colleges of the BSNCCC are proud to participate in this innovative statewide collaboration designed to improve workforce preparation and educational attainment for nurses in Oregon. A program map with required courses can be found here <https://tinyurl.com/bsnprogrammap>.

**Seven (7) students** will be awarded admission into the BSNCCC through a lottery-based selection process into each of the six colleges for a total cohort of 42 students.

2. Complete the online form and upload your documents.
3. Submit no later than **Friday, June 26, at 5:00 PM.**

Late or incomplete applications will not be accepted.

---

## SELECTION PROCESS

Admission into the BSNCCC is **lottery-based**, with **priority given to in-district residents.**

### Step 1: Lottery Grouping

- **In-District Applicants** (Marion, Polk, and Yamhill counties) are placed in the first lottery group and receive priority consideration.
- **Out-of-District Applicants** are placed in a secondary lottery pool and will only be considered if seats remain unfilled by in-district applicants.

### Step 2: Seat Offers

- Seven (7) seats will be offered from each college in the consortium for a cohort of 42
- If fewer than seven in-district applicants apply or accept, remaining seats will be filled from the out-of-district pool using the same lottery process.
