

WELDING TECHNOLOGY PROGRAM APPLICATION PACKET

FALL 2019

Chemeketa Community College prohibits unlawful discrimination based on race, color, religion, national origin, citizenship status, sex, marital status, disability, protected veteran status, age, gender, gender identity, sexual orientation, pregnancy and related conditions, domestic violence, genetic information, family relationships, tobacco usage during non-working hours, whistleblowing, or any other status protected by federal, state, or local law in any area, activity or operation of the College. The College also prohibits retaliation against an individual for engaging in activity protected under this policy, and interfering with rights or privileges granted under federal, state or local laws.

Under College policies, equal opportunity for employment, admission, and participation in the College's programs, services, and activities will be extended to all persons, and the College will promote equal opportunity and treatment through application of its policies and other College efforts designed for that purpose.

Persons having questions or concerns about:

Title IX, which includes gender-based discrimination, sexual harassment, sexual violence, interpersonal violence, and stalking, contact the Title IX coordinator at 503.365.4723, 4000 Lancaster Dr. NE, Salem, OR 97305, or <http://go.chemeketa.edu/titleix>. Individuals may also contact the U.S. Department of Education, Office for Civil Rights (OCR), 810 3rd Avenue #750, Seattle, WA 98104, 206.607.1600.

Equal Employment Opportunity or Affirmative Action should contact the Affirmative Action Officer at 503.399.2537, 4000 Lancaster Dr NE, Salem OR 97305

To request this publication in an alternative format, please call 503.399.5192.

Welding Technology Program

The Welding Technology Program offers a two-year associate of applied science degree, a one-year certificate of completion, and two career pathway certificates. This full-time and limited enrollment program admits students in the FALL term only. Enrollment is limited to 32 students. Students are required to have their own hand tools, supplies, textbooks, and protective gear.

The program offers a background in manufacturing materials, processes, and systems, including shear and press brake operation, blueprint reading, and shop drawing and layout. The curriculum includes written and oral communications and general education classes and emphasizes related scientific, mathematical, and general mechanical principles.

At the end of the third term students may take a plate certification test. The fee for this test is determined by the number of students involved and the type of test. Students who pass the test receive the appropriate American Welding Society certification.

The program provides this guide to assist in the application process of the following program options:

- Welding Fabrication Associate of Applied Science Degree (90 credit hours)
- Welding Certificate of Completion (53 credit hours)
- Arc Welding Certificate of Completion (22 credit hours)
- MIG Welding Certificate of Completion (14 credit hours)

This Application Packet Includes:

- Program Outline
- Required Tool List
- Estimated Program Cost Sheet
- Admissions Guidelines & Deadlines
- Application Packet Checklist (page 6)
- Program Prerequisites
- Program Application Scoring Sheet
- Welding Technology Program Application (page 9)

All required documentation listed on the application checklist must be received by the Admissions Office in Building 2, Room 201 for the application to be considered complete.

Application Open Date: January 22, 2019
Application Close Date: May 24, 2019

Program Outline

Objectives

As a graduate of the Welding Technology Program, you may qualify for positions in business and industry such as machinery fabrication, structural fabrication, welding fitting and layout, automatic and semiautomatic welding, automatic flame cutter operation, millwright welding, plant maintenance, and quality control and development.

Drug Testing/Criminal Background Check

Since the goals of the Welding Technology Program include training and preparing students for employment in the industry, you should be advised that many employers will require pre-employment drug testing. Many employers may also do a criminal background check. If you are unable to pass a drug test or have a felony conviction, your opportunities for employment may be limited.

Although this program does not require background checks or drug testing, you might want to familiarize yourself with how future employers may use these procedures. Whether you are hired or promoted for a job may depend on the information revealed in a background check. Job applicants and existing employees, as well as volunteers, may be asked to submit to background checks. For some jobs, screening is required by federal or state law. The current emphasis on security and safety has dramatically increased the number of employment background checks conducted. For more information visit privacyrights.org.

Further Considerations

Welding is an activity that requires good vision. Minimum acceptable vision requirements to be successful are 20/40 vision and Jaeger eye chart J2 at 12 inches with or without corrective lenses. If corrective lenses are required to attain this level of visual acuity, they must be worn during lab sessions.

Program Details

- The Welding Technology Program is a fall term entry only.
- The AAS degree program is designed to be completed in two years.
- The certificate programs are designed to be completed in one year or less.
- To be eligible to register for program classes students must:
 - ✓ Submit an application
 - ✓ Attend a mandatory Welding Technology Program orientation
 - ✓ Be accepted into the program
- Current program curriculum for each program option can be viewed in the catalog or at: go.chemeketa.edu/welding.
- New student enrollment is limited to 32 per year.
- Students are required to have each of the tools listed on the required tool list by the start of fall term classes.

Program Cost

These costs are estimates and are subject to change without notice. Tuition, Universal Fees, Lab Fees and textbook and tool costs are effective as of winter term 2019. The following assumes all courses are needed for each term, following the program curriculum. It also assumes a one-time purchase for books used in several courses.

Visit chemeketa.edu/cost-aid/tuition-fees/ for current tuition and fee rates.

Term 1	
Books/Fees (Universal Fees, Lab Fees)	\$1114
Tools	\$904
Tuition (18 credit hours)	\$1,566
Term 2	
Books/Fees (Universal Fees, Lab Fees)	\$905
Tuition (17 credit hours)	\$1,479
Term 3	
Books/Fees (Universal Fees, Lab Fees)	\$758
Tuition (15 credit hours)	\$1,305
Term 4	
Books/Fees (Universal Fees, Lab Fees)	\$873
Tuition (13 credit hours)	\$1,131
Term 5	
Books/Fees (Universal Fees, Lab Fees)	\$793
Tuition (17 credit hours)	\$1,479
Term 6	
Books/Fees (Universal Fees, Lab Fees)	\$655
Tuition (16 credit hours)	\$1,392
Estimated total	\$14,354

Required Program Orientation

Students who accept an offer of program admission must attend a program orientation in June at the Salem Campus. Students will be notified by *My Chemeketa* e-mail of the date, time, and location of the orientation. The orientation will include program and textbook information, policies and procedures, and tool and supply requirements.

Welding Technology Program • Required Tool List

This tool list has been compiled by the Welding Technology Program with the help of *Industrial Welding Supply*. You are not required to purchase your tools at IWS; however, they work with suppliers to provide you with entry level tools at fair prices.

ITEM #	TOOL DESCRIPTION	QTY	IWS PART #	ITEM #	TOOL DESCRIPTION	QTY	IWS PART #
1	Jackson Insight Autodarkening Welding Hood	1	HSL 100	28	10" Adjustable Wrench	1	ANC 01010
2	Welding Glove - Blue	2 pair	TIL 1000	29	Vise Grip "11R"	2	VG 11R
3	Safety Glasses	1	JAC 25676	30	Vise Grip "6R"	2	VG 6R
4	Huntsman K Headgear	1	HUN K	31	Vise Grip "7WR"	1	VG 7WR
5	Jackson Clear Visor	1	JAC 29089	32	Vise Grip "4SP"	2	
6	Jackson SH 5 Visor	1	JAC 29080	33	Ball Pein Hammer	1	PLU 11498
7	Weiler Wire Brush	2	WEI 44063	34	Milwaukee 4-1/2" Grinder	1	MIL 614231
8	Hobart Pocket Guide	1	HOB EW609	35	Backing Pad for Sanding	1	SA 543629
9	Slag Hammer	1	ATL S20	36	Hex Key Set	1	BON 12589
10	Striker	1	FUL 3001	37	Tool Box	1	WAT PP2009BK
11	MIG Pliers	1	JWH 4705008	38	Tweco 14H35 Tips (10 pack)	1 package	TWE 14H35
12	MIG Gloves	2 pair		39	Tweco 14H45 Tips (10 pack)	1 package	TWE 14H45
13	Welding Hat Reversible	1	COM 2000R	40	Tweco 24A62 Nozzle	2 each	TWE 24A62
14	Leathers w/ Bib (S,M,L,XL only)	1	TIL 382114XL	41	Tweco "34A" Insulator	2 each	TWE 34A
15	Tip Cleaners	1	WYP STANDARD	42	Lincoln 1/16" Innershield Tip	5 each	LIN KP21001B1
16	SS Toothbrush	2	WEI 44167	43	Wespro Die Grinder	1	WES DG22HS
17	Flat Soapstone Holder		WYP 4001	44	Coilhose Fitting for Die Grinder	1	CH 1501
18	Flat Soapstone	2 pieces	ANC FL5	45	Mandrel for Die Grinder	1	MOR HMANF250S
19	10" Round Bastard File	1	NIC 12019	46	Tungsten 1/16" x 7" 2% Thoriated (5 pack)	1 package	TUN 1162%GROUND

Chemeketa Community College is an equal opportunity/affirmative action employer and educational institution. To request this publication in an alternative format, please call 503.399.5192

Steps to apply for the Welding Technology Program

1. Apply to Chemeketa

If you are not currently enrolled at Chemeketa, you must apply for admission at: go.chemeketa.edu/apply.

****Apply for admission starting SUMMER term 2019 in order to register for the program orientation in June.**

You must complete the new student orientation and academic advising requirements before you will be allowed to register for any classes.

2. Apply for financial aid

Applying for financial aid is not required but is encouraged. Apply as soon as possible to get the maximum amount available to you. See financial aid application instructions and deadlines at: chemeketa.edu/cost-aid/financial-aid/.

****The deadline to apply for financial aid for fall term is in June. Don't wait to apply!**

3. Submit a Welding Technology Program application

Submit the following, as one complete packet, to Enrollment Services in Building 2, Room 201 on the Chemeketa Community College main campus:

- Welding Technology Program Application Form** (Page 9)
- A copy of your Chemeketa placement test scores** (print from *My Chemeketa*)
Placement scores are valid for two years. If your placement scores are over two years old at the time you submit your application, they are not valid and you will need to retest for placement.
- A current unofficial Chemeketa Community College transcript with name and ID number**
If you are transferring courses from another college/university, a Chemeketa transcript will be created. You must print the Chemeketa transcript and submit it with your packet. An official Chemeketa transcript will be generated by the Chemeketa Registrar's office after spring term 2019 grades are posted for purposes of reviewing your packet. Please be sure that any grade changes are processed by that time. Courses must be graded and listed on your transcript to be included in the assessment.
 - *In order to create a Chemeketa transcript, submit your Request for Evaluation and Transfer of Previous Credit and official transcripts to Enrollment Services. Please refer to "Application Deadline" for details. See below "Other College Transcripts" for information.*
- Documentation of military-related experience, if applicable** (see Welding Technology Application Scoring Sheet for details)

Application Deadline

All applications must be received by May 24, 2019. Any application packets received after May 24, 2019 may be considered if the program has not been filled. Applicants who submit accurate and complete applications are qualified for admission (or alternate status if the program is full). Applicants will be placed on the Welding Technology Program admission or alternate list based on the evaluation of their application packet. It is therefore necessary that you keep Enrollment Services (503.399.5001) and the Welding Technology Program (503.399.6066) informed of any address changes after you submit your application. Applicants will be notified of their status beginning in early June via their My Chemeketa email. Applicants should check their My Chemeketa email daily after **June 11** for Chemeketa program communications.

You may not submit an application packet before you have fulfilled all of the required program prerequisites. The receipt you receive from admissions is proof of your application submission.

Other College Transcripts

Applicants may submit transcripts from another college/university for transfer evaluation. Students must request an evaluation through Enrollment Services, and transcript evaluations may take several months so please submit early.

Welding Technology Program Prerequisite Requirements • Fall 2019

Provided for applicant information only

Do not submit this form with your application

Prerequisite Requirement	Criteria for Fulfilling Requirement	Criteria Met?
Writing	<ul style="list-style-type: none"> • Placement test score showing Recommended Course Placement into WR088 or higher taken in the past 2 years; OR • Successful completion of WR080 with a C grade or higher taken within the past 5 years 	Yes No
Mathematics	<ul style="list-style-type: none"> • Placement test score showing Recommended Course Placement into MTH052 or MTH060 or higher taken in the past 2 years; OR • Successful completion of MTH020 with a C grade or higher taken within the past 5 years 	Yes No
Reading	<ul style="list-style-type: none"> • Placement test score showing Recommended Course Placement into RD115 or higher taken in the past 2 years; OR • Successful completion of RD090 with a C grade or higher taken within the past 5 years; OR • Successful completion of SSP051 with a C grade or higher taken within the past 5 years; OR • Successful completion of FYE105 with a C grade or higher taken within the past 5 years 	Yes No

Please note: Chemeketa Community College reserves the right to modify the criteria and process for admission to the Welding Technology Program on an annual basis.

Welding Technology Program Application Scoring Sheet • Fall 2019

Provided for applicant information only
Do not submit this form with your application

1. Student Assessment Score			Points
General Education courses			35 possible
<small>These are part of the AAS curriculum</small>			
MTH052 (or higher)	A or B = 5 points	C = 3 points	_____
MTH053 (or higher)	A or B = 5 points	C = 3 points	_____
DRF130	A or B = 5 points	C = 3 points	_____
WR088 (or higher)	A or B = 5 points	C = 3 points	_____
WR089 (or higher)	A or B = 5 points	C = 3 points	_____
PSY101 (or higher)	A or B = 5 points	C = 3 points	_____
GS104 (or higher)	A or B = 5 points	C = 3 points	_____
Additional or higher math course(s) to those above will increase your total possible points			
MTH060 (or higher)			
<small>* 1 additional point for each math course with a grade of C or better</small>			
NOTE: Any course with a "P" (Pass) grade will receive points equivalent to a "C" grade.			_____

2. Military occupation or a degree from an accredited institution in a related field Must be documented from military points records and/or official transcript. Three points possible.	_____
--	-------

3. Qualified Welding Technology Program alternate from previous year Two points possible.	_____
---	-------

In the event of a tie, the following tiebreakers will be applied in the order listed below:

1. Legal residence in the Chemeketa Community College service district
2. Cumulative GPA from Chemeketa Community College
3. Successful completion of program related College Credit Now courses
4. Date of program readiness
5. Random selection

Please note: Chemeketa Community College reserves the right to modify the criteria and process for admission to the Welding Technology Program on an annual basis.

Welding Technology Program Application • Fall 2019

Submit this page with other required documents to Admissions in Enrollment Services Office - Building 2, Room 201

Application Open Date: January 22, 2019

Application Close Date: May 24, 2019

Name (print) _____

Student ID/K# _____

Chemeketa E-Mail _____ @my.chemeketa.edu

Initial All

_____ I have applied for admission to Chemeketa (to begin summer term) or am already a current Chemeketa student.

_____ I have attached all required documents to this application form to be submitted as one complete packet.

Check All

- I have read and detached this application packet and will retain it for my reference.
- I understand that an offer of admission to the Welding Technology Program is dependent on my having successfully fulfilled the prerequisite requirements for the program.
- I understand that if I qualify for admission I will be placed on an admission or alternate list based on a review of my application.
- I have verified that my student email in *My Chemeketa* is active.
- I understand that I will be notified by student e-mail of my admission status.
- I understand that if offered admission, I will be required to attend the program orientation.
- I understand that if I do not attend the program orientation, I will not be admitted into the program.
- I understand that I must notify both Enrollment Services and the Program Chair of any address changes.
- I understand that the deadline to apply for financial aid for fall term is in June.
- I understand that all students are required to have their program-required tools, textbooks, and personal protective equipment by the start of fall term.

I hereby attest that all of the documentation I have submitted with this packet is accurate and authentic.
