Chemeketa does not warrant the acceptance by other institutions to which a student may wish to transfer credits granted by Chemeketa on the basis of International Baccalaureate exams. Students transferring IB credits to another college will have to submit an IB transcript, including test scores, directly to the college to which they plan to transfer.

Students, upon submitting an application for admission and being admitted to Chemeketa, should submit their official International Baccalaureate transcript from IB to the Chemeketa Enrollment Services office.
