

**CHEMEKETA COMMUNITY COLLEGE
ADVANCED PLACEMENT 2017-18**

Chemeketa Community College grants college credit on the basis of satisfactory scores received on College Board Advanced Placement exams. The standardized exams result in scores of 1-5, which are translated as follows:

1. No recommendation
2. Possibly qualified
3. Qualified
4. Well qualified
5. Extremely well qualified

The policy adopted by Chemeketa provides for the acceptance of scores 3-5 in selected exams and granting of credit in specific courses. Such credit will be recorded as a "EC" on student transcripts. The following examinations, with a grade of 3, 4, or 5, will result in the granting of credit in the particular courses:

Chemeketa does not warrant the acceptance by other institutions to which a student may wish to transfer credits granted by Chemeketa on the basis of Advanced Placement exams. Students transferring AP credits to another college will have to submit an AP transcript, including test scores, directly to the college to which they plan to transfer.

Students, upon submitting an application for admission and being admitted to Chemeketa, should submit their official Advanced Placement transcript from College Board to the Chemeketa Enrollment Services office.
